Forward-Looking Statements

This report may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 which reflect our current views with respect to, among other things, our operations and financial performance. You can identify these forward-looking statements by the use of words such as “outlook,” “believes,” “expects,” “potential,” “continues,” “may,” “will,” “should,” “seeks,” “approximately,” “predicts,” “intends,” “plans,” “estimates,” “anticipates” or the negative version of these words or other comparable words. Such forward-looking statements are subject to various risks and uncertainties. Accordingly, there are or will be important factors that could cause actual outcomes or results to differ materially from those indicated in these statements. We believe these factors include but are not limited to those described under the section entitled “Risk Factors” in our annual report on Form 10-K for the year ended December 31, 2010 and in this report, as such factors may be updated from time to time in our periodic filings with the SEC, which are accessible on the SEC’s website at www.sec.gov. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this report and in our other periodic filings. We undertake no obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise.

Table of Contents

In this report, references to “Blackstone,” the “Partnership,” “we,” “us” or “our” refer to The Blackstone Group L.P. and its consolidated subsidiaries. Unless the context otherwise requires, references in this report to the ownership of Mr. Stephen A. Schwarzman, our founder, and other Blackstone personnel include the ownership of personal planning vehicles and family members of these individuals.

“Blackstone Funds,” “our funds” and “our investment funds” refer to the private equity funds, real estate funds, funds of hedge funds, credit-oriented funds, collateralized loan obligation (“CLO”) vehicles, and closed-end mutual funds and management investment companies that are managed by Blackstone. “Our carry funds” refer to the private equity funds, real estate funds and certain of the credit-oriented funds (with multi-year drawdown, commitment-based structures that only pay carry on the realization of an investment) that are managed by Blackstone. “Our hedge funds” refer to our funds of hedge funds, certain of our real estate debt investment funds and certain other credit-oriented funds (including three publicly registered closed-end management investment companies), which are managed by Blackstone.

“Assets under management” refers to the assets we manage. Our assets under management equals the sum of:

- (a) the fair value of the investments held by our carry funds plus the capital that we are entitled to call from investors in those funds pursuant to the terms of their capital commitments to those funds (plus the fair value of co-investments arranged by us that were made by limited partners of our funds in portfolio companies of such funds and on which we receive fees or a carried interest allocation);
- (b) the net asset value of our funds of hedge funds, hedge funds and our closed-end mutual funds and registered investment companies;
- (c) the fair value of assets we manage pursuant to separately managed accounts; and
- (d) the amount of capital raised for our CLOs.

Our carry funds are commitment-based drawdown structured funds that do not permit investors to redeem their interests at their election. Our hedge funds generally have structures that afford an investor the right to withdraw or redeem their interests on a periodic basis (e.g., annually or quarterly), in most cases upon advance written notice, with the majority of our funds requiring from 60 days up to 95 days’ notice, depending on the fund and the liquidity profile of the underlying assets. Investment advisory agreements related to separately managed accounts may generally be terminated by an investor on 30 to 90 days’ notice.

“Fee-earning assets under management” refers to the assets we manage on which we derive management and / or incentive fees. Our fee-earning assets under management equal the sum of:

- (a) for our Blackstone Capital Partners (“BCP”) and Blackstone Real Estate Partners (“BREP”) funds where the investment period has not expired, the amount of capital commitments;
- (b) for our BCP and BREP funds where the investment period has expired, the remaining amount of invested capital plus binding investment commitments;
- (c) for our real estate debt investment funds (“BREDS”), the remaining amount of invested capital;
- (d) for our credit-oriented carry funds, the amount of invested capital (which may be calculated to include leverage) or net asset value;
- (e) the invested capital of co-investments arranged by us that were made by limited partners of our funds in portfolio companies of such funds and on which we receive fees;
- (f) the net asset value of our funds of hedge funds, hedge funds (except our credit-oriented closed-end registered investment companies) and our closed-end mutual funds;
- (g) the fair value of assets we manage pursuant to separately managed accounts;

Table of Contents

- (h) the gross amount of underlying assets of our CLOs at cost; and
- (i) the gross amount of assets (including leverage) for our credit-oriented closed-end registered investment companies.

Our calculations of assets under management and fee-earning assets under management may differ from the calculations of other asset managers, and as a result this measure may not be comparable to similar measures presented by other asset managers. In addition, our calculation of assets under management includes commitments to, and the fair value of, invested capital in our funds from Blackstone and our personnel, regardless of whether such commitments or invested capital are subject to fees. Our definitions of assets under management or fee-earning assets under management are not based on any definition of assets under management or fee-earning assets under management that is set forth in the agreements governing the investment funds that we manage.

For our carry funds, total assets under management includes the fair value of the investments held, whereas fee-earning assets under management includes the amount of capital commitments or the remaining amount of invested capital at cost plus binding investment commitments, generally depending on whether the investment period has or has not expired. As such, fee-earning assets under management may be greater than total assets under management when the aggregate fair value of the remaining investments is less than the cost of those investments.

This report does not constitute an offer of any Blackstone Fund.

**Notes to Condensed Consolidated Financial Statements
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)**

1. ORGANIZATION

The Blackstone Group L.P., together with its subsidiaries, (“Blackstone” or the “Partnership”) is a leading global manager of private capital and provider of financial advisory services. The alternative asset management business includes the management of private equity funds, real estate funds, funds of hedge funds, credit-oriented funds, collateralized loan obligation (“CLO”) vehicles, separately managed accounts, publicly traded closed-end mutual funds and registered investment companies (collectively referred to as the “Blackstone Funds”). Blackstone also provides various financial advisory services, including financial advisory, restructuring and reorganization advisory and fund placement services. Blackstone’s business is organized into five segments: private equity, real estate, hedge fund solutions, credit businesses, and financial advisory.

The Partnership was formed as a Delaware limited partnership on March 12, 2007. The Partnership is managed and operated by its general partner, Blackstone Group Management L.L.C., which is in turn wholly-owned and controlled by one of Blackstone’s founders, Stephen A. Schwarzman (the “Founder”), and Blackstone’s other senior managing directors.

The activities of the Partnership are conducted through its holding partnerships: Blackstone Holdings I L.P., Blackstone Holdings II L.P., Blackstone Holdings III L.P. and Blackstone Holdings IV L.P. (collectively, “Blackstone Holdings”, “Blackstone Holdings Partnerships” or the “Holding Partnerships”). On June 18, 2007, in preparation for an initial public offering (“IPO”), the predecessor owners (“Predecessor Owners”) of the Blackstone business completed a reorganization (the “Reorganization”) whereby, with certain limited exceptions, the operating entities of the predecessor organization and the intellectual property rights associated with the Blackstone name were contributed (“Contributed Businesses”) to five holding partnerships (Blackstone Holdings I L.P., Blackstone Holdings II L.P., Blackstone Holdings III L.P., Blackstone Holdings IV L.P. and Blackstone Holdings V L.P.) either directly or indirectly via a sale to certain wholly-owned subsidiaries of the Partnership and then a contribution to the Holding Partnerships. The Partnership, through its wholly-owned subsidiaries, is the sole general partner in each of these Holding Partnerships. The reorganization was accounted for as an exchange of entities under common control for the component of interests contributed by the Founders and the other senior managing directors (collectively, the “Control Group”) and as an acquisition of non-controlling interests using the purchase method of accounting for all the predecessor owners other than the Control Group.

On January 1, 2009, the number of Holding Partnerships was reduced from five to four through the transfer of assets and liabilities of Blackstone Holdings III L.P. to Blackstone Holdings IV L.P. In connection therewith, Blackstone Holdings IV L.P. was renamed Blackstone Holdings III L.P. and Blackstone Holdings V L.P. was renamed Blackstone Holdings IV L.P. Blackstone Holdings refers to the five holding partnerships prior to the January 2009 reorganization and the four holding partnerships subsequent to the January 2009 reorganization.

Generally, holders of the limited partner interests in the four Holding Partnerships may, up to four times each year, exchange their limited partnership interests (“Partnership Units”) for Blackstone Common Units, on a one-to-one basis, exchanging one Partnership Unit in each of the four Holding Partnerships for one Blackstone Common Unit.

statements, including these notes, are unaudited and exclude some of the disclosures required in audited financial statements. Management believes it has made all necessary adjustments (consisting of only normal recurring items) so that the condensed consolidated financial statements are presented fairly and that estimates made in preparing its condensed consolidated financial statements are reasonable and prudent. The operating results presented for interim periods are not necessarily indicative of the results that may be expected for any other interim period or for the entire year. These condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements included in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2010 filed with the Securities and Exchange Commission.

The condensed consolidated financial statements include the accounts of the Partnership, its wholly-owned or majority-owned subsidiaries, the consolidated entities which are considered to be variable interest entities and for which the Partnership is considered the primary beneficiary, and certain partnerships or similar entities which are not considered variable interest entities but in which the general partner is presumed to have control.

All intercompany balances and transactions have been eliminated in consolidation.

Restructurings within consolidated CLOs are treated as investment purchases or sales, as applicable, in the Condensed Consolidated Statements of Cash Flows.

Certain reclassifications have been made to prior year amounts to conform to the current year presentation as follows:

- In January 2011, Blackstone separated its Credit and Marketable Alternatives segment into two new segments: Hedge Fund Solutions and Credit Businesses. The Hedge Fund Solutions segment is comprised primarily of Blackstone Alternative Asset Management, an institutional solutions provider utilizing hedge funds across a variety of strategies, and the Indian-focused and Asian-focused closed-end mutual funds. The Credit Businesses segment, which is comprised principally of GSO Capital Partners LP ("GSO"), manages credit-oriented funds, CLOs, credit-focused separately managed accounts and publicly registered debt-focused investment companies. This change in Blackstone's segment reporting aligns it to its management reporting and organization structure and is consistent with the manner in which resource deployment and compensation decisions are made. Blackstone's segment results have been retrospectively presented for all periods reported.
- As of March 31, 2011, Blackstone elected to aggregate changes in assets and liabilities relating to hedging activities within Unrealized Depreciation (Appreciation) on Hedge Activities in the Condensed Consolidated Statements of Cash Flows. Previously, amounts relating to changes in hedging instruments had been presented in Cash Flows Due to Changes in Operating Assets and Liabilities — Other Assets. The reclassification of amounts in 2010 had no impact on Net Cash Provided by Operating Activities.
- As of June 30, 2011, Blackstone elected to separately present Repurchase Agreements in the Condensed Consolidated Statements of Financial Condition. Previously, these amounts were included in Accounts Payable, Accrued Expenses and Other Liabilities. The reclassification had no impact on Total Liabilities.
- As of June 30, 2011, Blackstone elected to separately present changes in operating assets and liabilities relating to repurchase agreements in the Condensed Consolidated Statements of Cash Flows. Previously, amounts relating to changes in repurchase agreements had been presented in Cash Flows Due to Changes in Operating Assets and Liabilities — Accounts Payable, Accrued Expenses and Other Liabilities. The reclassification had no impact on Net Cash Provided by Operating Activities.

Consolidation

The Partnership consolidates all entities that it controls through a majority voting interest or otherwise, including those Blackstone Funds in which the general partner is presumed to have control. Although the Partnership has a non-controlling interest in the Blackstone Holdings partnerships, the limited partners do not have the right to dissolve the partnerships or have substantive kick out rights or participating rights that would overcome the presumption of control by the Partnership. Accordingly, the Partnership consolidates Blackstone Holdings and records non-controlling interests to reflect the economic interests of the limited partners of Blackstone Holdings.

In addition, the Partnership consolidates all variable interest entities (“VIE”) in which it is the primary beneficiary. An enterprise is determined to be the primary beneficiary if it holds a controlling financial interest. A controlling financial interest is defined as (a) the power to direct the activities of a variable interest entity that most significantly impact the entity’s economic performance and (b) the obligation to absorb losses of the entity or the right to receive benefits from the entity that could potentially be significant to the variable interest entity. The consolidation guidance requires an analysis to (a) determine whether an entity in which the Partnership holds a variable interest is a variable interest entity and (b) whether the Partnership’s involvement, through holding interests directly or indirectly in the entity or contractually through other variable interests (e.g., management and performance related fees), would give it a controlling financial interest. Performance of that analysis requires the exercise of judgment. Variable interest entities qualify for the deferral of this consolidation guidance if all of the following conditions have been met:

- (a) The entity has all of the attributes of an investment company as defined under American Institute of Certified Public Accountants Accounting and Auditing Guide, *Investment Companies* (“Investment Company Guide”), or does not have all the attributes of an investment company but it is an entity for which it is acceptable based on industry practice to apply measurement principles that are consistent with the Investment Company Guide,
- (b) The reporting entity does not have explicit or implicit obligations to fund any losses of the entity that could potentially be significant to the entity, and
- (c) The entity is not a securitization or asset-backed financing entity or an entity that was formerly considered a qualifying special purpose entity.

Where the VIEs have qualified for the deferral of the current consolidation guidance, the analysis is based on previous consolidation guidance. This guidance requires an analysis to determine (a) whether an entity in which the Partnership holds a variable interest is a variable interest entity and (b) whether the Partnership’s involvement, through holding interests directly or indirectly in the entity or contractually through other variable interests (e.g., management and performance related fees), would be expected to absorb a majority of the variability of the entity. Under both guidelines, the Partnership determines whether it is the primary beneficiary of a VIE at the time it becomes involved with a variable interest entity and reconsiders that conclusion continuously. In evaluating whether the Partnership is the primary beneficiary, Blackstone evaluates its economic interests in the entity held either directly by the Partnership and its affiliates or indirectly through employees. The consolidation analysis can generally be performed qualitatively; however, if it is not readily apparent that the Partnership is not the primary beneficiary, a quantitative analysis may also be performed. Investments and redemptions (either by the Partnership, affiliates of the Partnership or third parties) or amendments to the governing documents of the respective Blackstone Funds could affect an entity’s status as a VIE or the determination of the primary beneficiary. At each reporting date, the Partnership assesses whether it is the primary beneficiary and will consolidate or deconsolidate accordingly.

Assets of consolidated VIEs that can only be used to settle obligations of the consolidated VIE and liabilities of a consolidated VIE for which creditors (or beneficial interest holders) do not have recourse to the general credit of Blackstone are presented in a separate section in the Condensed Consolidated Statements of Financial Condition.

Blackstone's other disclosures regarding VIEs are discussed in Note 9. "Variable Interest Entities".

Fair Value of Financial Instruments

GAAP establishes a hierarchal disclosure framework which prioritizes and ranks the level of market price observability used in measuring financial instruments at fair value. Market price observability is affected by a number of factors, including the type of financial instrument, the characteristics specific to the financial instrument and the state of the marketplace, including the existence and transparency of transactions between market participants. Financial instruments with readily available quoted prices in active markets generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Financial instruments measured and reported at fair value are classified and disclosed based on the observability of inputs used in the determination of fair values, as follows:

- Level I — Quoted prices are available in active markets for identical financial instruments as of the reporting date. The type of financial instruments in Level I include listed equities, listed derivatives and mutual funds with quoted prices. The Partnership does not adjust the quoted price for these investments, even in situations where Blackstone holds a large position and a sale could reasonably impact the quoted price.
- Level II — Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. Financial instruments which are generally included in this category include corporate bonds and loans, government and agency securities, less liquid and restricted equity securities, certain over-the-counter derivatives where the fair value is based on observable inputs, and certain fund of hedge funds investments in which Blackstone has the ability to redeem its investment at net asset value at, or within three months of, the reporting date.
- Level III — Pricing inputs are unobservable for the financial instruments and includes situations where there is little, if any, market activity for the financial instrument. The inputs into the determination of fair value require significant management judgment or estimation. Financial instruments that are included in this category generally include general and limited partnership interests in private equity and real estate funds, credit-oriented funds, distressed debt and non-investment grade residual interests in securitizations, collateralized loan obligations, certain over the counter derivatives where the fair value is based on unobservable inputs and certain funds of hedge funds which use net asset value per share to determine fair value in which Blackstone may not have the ability to redeem its investment at net asset value at, or within three months of, the reporting date. Blackstone may not have the ability to redeem its investment at net asset value at, or within three months of, the reporting date if an investee fund manager has the ability to limit the amount of redemptions, and/or the ability to side-pocket investments, irrespective of whether such ability has been exercised.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given financial instrument is based on the lowest level of input that is significant to the fair value

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)

measurement. The Partnership's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the financial instrument.

Transfers between levels of the fair value hierarchy are recognized at the beginning of the reporting period.

In certain cases, debt and equity securities are valued on the basis of prices from an orderly transaction between market participants provided by reputable dealers or pricing services. In determining the value of a particular investment, pricing services may use certain information with respect to transactions in such investments, quotations from dealers, pricing matrices, market transactions in comparable investments and various relationships between investments.

In the absence of observable market prices, Blackstone values its investments using valuation methodologies applied on a consistent basis. For some investments little market activity may exist; management's determination of fair value is then based on the best information available in the circumstances, and may incorporate management's own assumptions and involves a significant degree of judgment, taking into consideration a combination of internal and external factors, including the appropriate risk adjustments for non-performance and liquidity risks. Investments for which market prices are not observable include private investments in the equity of operating companies, real estate properties or certain funds of hedge funds. The valuation technique for each of these investments is described below:

Private Equity Investments — The fair values of private equity investments are determined by reference to projected net earnings, earnings before interest, taxes, depreciation and amortization ("EBITDA"), the discounted cash flow method, public market or private transactions, valuations for comparable companies and other measures which, in many cases, are unaudited at the time received. Valuations may be derived by reference to observable valuation measures for comparable companies or transactions (e.g., multiplying a key performance metric of the investee company such as EBITDA by a relevant valuation multiple observed in the range of comparable companies or transactions), adjusted by management for differences between the investment and the referenced comparables, and in some instances by reference to option pricing models or other similar methods. Private equity investments may also be valued at cost for a period of time after an acquisition as the best indicator of fair value.

Real Estate Investments — The fair values of real estate investments are determined by considering projected operating cash flows, sales of comparable assets, if any, and replacement costs among other measures. The methods used to estimate the fair value of real estate investments include the discounted cash flow method and/or capitalization rates ("cap rates") analysis. Valuations may be derived by reference to observable valuation measures for comparable companies or assets (e.g., multiplying a key performance metric of the investee company or asset, such as EBITDA, by a relevant valuation multiple observed in the range of comparable companies or transactions), adjusted by management for differences between the investment and the referenced comparables, and in some instances by reference to option pricing models or other similar methods. Additionally, where applicable, projected distributable cash flow through debt maturity will also be considered in support of the investment's carrying value.

Funds of Hedge Funds — Blackstone Funds' direct investments in funds of hedge funds ("Investee Funds") are valued at net asset value ("NAV") per share of the Investee Fund. If the Partnership determines, based on its own due diligence and investment procedures, that NAV per share does not represent fair value, the Partnership will estimate the fair value in good faith and in a manner that it reasonably chooses, in accordance with its valuation policies.

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

Credit-Oriented Investments — The fair values of credit-oriented investments are generally determined on the basis of prices between market participants provided by reputable dealers or pricing services. In some instances, Blackstone may utilize other valuation techniques, including the discounted cash flow method.

Investments, at Fair Value

The Blackstone Funds are accounted for as investment companies under the Investment Company Guide, and reflect their investments, including majority-owned and controlled investments (the “Portfolio Companies”), at fair value. Blackstone has retained the specialized accounting for the consolidated Blackstone Funds. Thus, such consolidated funds’ investments are reflected in Investments on the Condensed Consolidated Statements of Financial Condition at fair value, with unrealized gains and losses resulting from changes in fair value reflected as a component of Net Gains from Fund Investment Activities in the Condensed Consolidated Statements of Operations. Fair value is the amount that would be received to sell an asset or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (i.e., the exit price).

Blackstone’s principal investments are presented at fair value with unrealized appreciation or depreciation and realized gains and losses recognized in the Condensed Consolidated Statements of Operations within Investment Income (Loss).

For certain instruments, the Partnership has elected the fair value option. Such election is irrevocable and is applied on an investment by investment basis at initial recognition. The Partnership has applied the fair value option for certain loans and receivables and certain investments in private debt and equity securities that otherwise would not have been carried at fair value with gains and losses recorded in net income. Fair valuing these investments is consistent with how the Partnership accounts for its other principal investments. Loans extended to third parties are recorded within Accounts Receivable within the Condensed Consolidated Statements of Financial Condition. Debt and equity securities for which the fair value option has been elected are recorded within Investments. The methodology for measuring the fair value of such investments is consistent with the methodology applied to private equity, real estate, credit-oriented and funds of hedge funds investments. Changes in the fair value of such instruments are recognized in Investment Income (Loss) in the Condensed Consolidated Statements of Operations. Interest income on interest bearing loans and receivables and debt securities on which the fair value option has been elected is based on stated coupon rates adjusted for the accretion of purchase discounts and the amortization of purchase premiums. This interest income is recorded within Interest and Dividend Revenue.

In addition, the Partnership has elected the fair value option for the assets and liabilities of certain CLO vehicles that are consolidated as of January 1, 2010, as a result of the initial adoption of variable interest entity consolidation guidance. The Partnership has also elected the fair value option for CLO vehicles consolidated as a result of the acquisitions of CLO management contracts. The adjustment resulting from the difference between the fair value of assets and liabilities for each of these events is presented as a transition and acquisition adjustment to Appropriated Partners’ Capital. Assets of the consolidated CLOs are presented within Investments within the Consolidated Statements of Financial Condition and Liabilities within Loans Payable for the amounts due to unaffiliated third parties and Due to Affiliates for the amounts held by non-consolidated affiliates. The methodology for measuring the fair value of such assets and liabilities is consistent with the methodology applied to private equity, real estate, and credit-oriented investments. Changes in the fair value of consolidated CLO assets and liabilities and related interest, dividend and other income subsequent to adoption and acquisition are presented within Net Gains from Fund Investment Activities. Amounts attributable to Non-Controlling Interests in Consolidated Entities have a corresponding adjustment to Appropriated Partners’ Capital.

Further disclosure on instruments for which the fair value option has been elected is presented in Note 7. “Fair Value Option” to the Condensed Consolidated Financial Statements.

Security and loan transactions are recorded on a trade date basis.

Equity Method Investments

Investments where the Partnership is deemed to exert significant influence, but not control, are accounted for using the equity method of accounting. Under the equity method of accounting, the Partnership’s share of earnings (losses) from equity method investments is included in Investment Income (Loss) in the Condensed Consolidated Statements of Operations. The carrying amounts of equity method investments are reflected in Investments in the Condensed Consolidated Statements of Financial Condition. As the underlying investments of the Partnership’s equity method investments in Blackstone Funds are reported at fair value, the carrying value of the Partnership’s equity method investments represents fair value. Other equity method investments are reviewed for impairment.

Repurchase and Reverse Repurchase Agreements

Securities purchased under agreement to resell (“reverse repurchase agreements”) and securities sold under agreements to repurchase (“repurchase agreements”), comprising primarily U.S. and non-U.S. government and agency securities, asset-backed securities and corporate debt, represent collateralized financing transactions. Such transactions are recorded in the Condensed Consolidated Statements of Financial Condition at their contractual amounts and include accrued interest.

The Partnership manages credit exposure arising from repurchase agreements and reverse repurchase agreements by, in appropriate circumstances, entering into master netting agreements and collateral arrangements with counterparties that provide the Partnership, in the event of a customer default, the right to liquidate collateral and the right to offset a counterparty’s rights and obligations.

The Partnership takes possession of securities purchased under reverse repurchase agreements and is permitted to repledge, deliver or otherwise use such securities. The Partnership also pledges its financial instruments to counterparties to collateralize repurchase agreements. Financial instruments pledged that can be repledged, delivered or otherwise used by the counterparty are recorded in Investments on the Condensed Consolidated Statements of Financial Condition.

Securities Sold, Not Yet Purchased

Securities Sold, Not Yet Purchased consist of equity and debt securities that the Partnership has borrowed and sold. The Partnership is required to “cover” its short sale in the future by purchasing the security at prevailing market prices and delivering it to the counterparty from which it borrowed the security. The Partnership is exposed to loss in the event that the price at which a security may have to be purchased to cover a short sale exceeds the price at which the borrowed security was sold short.

Securities Sold, Not Yet Purchased are recorded at fair value in the Condensed Consolidated Statements of Financial Condition.

Derivative Instruments

The Partnership recognizes all derivatives as assets or liabilities on its Condensed Consolidated Statements of Financial Condition at fair value. On the date the Partnership enters into a derivative contract, it designates and documents each derivative contract as one of the following: (a) a hedge of a recognized asset or liability (“fair value hedge”), (b) a hedge of a forecasted transaction or of the variability of cash flows to be received or paid related to a recognized asset or liability (“cash flow hedge”), (c) a hedge of a net investment in a foreign operation, or (d) a derivative instrument not designated as a hedging instrument (“freestanding derivative”). For a fair value hedge, Blackstone records changes in the fair value of the derivative and, to the extent that it is highly effective, changes in the fair value of the hedged asset or liability attributable to the hedged risk, in current period earnings in the same caption in the Condensed Consolidated Statements of Operations as the hedged item. Changes in the fair value of derivatives designated as hedging instruments caused by factors other than changes in the risk being hedged, which are excluded from the assessment of hedge effectiveness, are recognized in current period earnings. For freestanding derivative contracts, the Partnership presents changes in fair value in current period earnings.

The Partnership formally documents at inception its hedge relationships, including identification of the hedging instruments and the hedged items, its risk management objectives, strategy for undertaking the hedge transaction and the Partnership’s evaluation of effectiveness of its hedged transaction. At least monthly, the Partnership also formally assesses whether the derivative it designated in each hedging relationship is expected to be, and has been, highly effective in offsetting changes in estimated fair values or cash flows of the hedged items using either the regression analysis or the dollar offset method. If it is determined that a derivative is not highly effective at hedging the designated exposure, hedge accounting is discontinued.

Blackstone’s other disclosures regarding derivative financial instruments are discussed in Note 6. “Derivative Financial Instruments”.

Affiliates

Blackstone considers its Founder, senior managing directors, employees, the Blackstone Funds and the Portfolio Companies to be affiliates.

Distributions

Distributions are reflected in the condensed consolidated financial statements when paid.

Recent Accounting Developments

In January 2010, the FASB issued guidance on improving disclosures about fair value measurements. The guidance required additional disclosure on transfers in and out of Levels I and II fair value measurements in the fair value hierarchy and the reasons for such transfers. In addition, for fair value measurements using significant unobservable inputs (Level III), the guidance required the reconciliation of beginning and ending balances be presented on a gross basis, with separate disclosure of gross purchases, sales, issuances and settlements and transfers in and transfers out of Level III. The guidance also required enhanced disclosures on the fair value hierarchy to disaggregate disclosures by each class of assets and liabilities. In addition, the guidance required an entity to provide further disclosures on valuation techniques and inputs used to measure fair value for fair value measurements that fall in either Level II or Level III. The guidance was effective for interim and annual periods beginning after December 15, 2009, except for the disclosures about purchases, sales, issuances, and settlements

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

in the roll forward of activity in Level III fair value measurements, which was effective for fiscal years beginning after December 15, 2010. Adoption of the guidance, including the gross presentation of activity in Level III, did not have a material impact on the Partnership's financial statements.

In December 2010, the FASB issued enhanced guidance on when to perform step two of the goodwill impairment test for reporting units with zero or negative carrying amounts. The updated guidance modified existing requirements under step one of the goodwill impairment test for reporting units with zero or negative carrying amounts and required step two to be performed if it is more likely than not that a goodwill impairment exists. The guidance was effective for interim and annual reporting periods beginning after December 15, 2010. Adoption did not have a material impact on the Partnership's financial statements.

In December 2010, the FASB issued guidance on disclosures around business combinations for public entities that present comparative financial statements. The guidance specified that an entity should disclose revenue and earnings of the combined entity as though the business combination(s) that occurred during the current year had occurred as of the beginning of the comparable prior annual reporting period. The guidance was effective prospectively for business combinations for which the acquisition date was on or after the beginning of the first annual reporting period beginning on or after December 15, 2010. As the Partnership has not had any business combinations since January 2011, adoption did not have a material impact on the Partnership's financial statements.

In April 2011, the FASB amended existing guidance for agreements to transfer financial assets that both entitle and obligate the transferor to repurchase or redeem the financial assets before their maturity. The amendments remove from the assessment of effective control (a) the criterion requiring the transferor to have the ability to repurchase or redeem the financial assets on substantially the agreed terms, even in the event of default by the transferee and (b) the collateral maintenance implementation guidance related to that criterion. The guidance is effective for the first interim or annual period beginning on or after December 15, 2011. Blackstone enters into repurchase agreements that are currently accounted for as collateralized financing transactions. Adoption is not expected to have a material impact on the Partnership's financial statements.

In May 2011, the FASB issued amended guidance on fair value measurements to achieve common fair value measurement and disclosure requirements in GAAP and International Financial Reporting Standards. The amended guidance specifies that the concepts of highest and best use and valuation premise in a fair value measurement are relevant only when measuring the fair value of nonfinancial assets and are not relevant when measuring the fair value of financial assets or of liabilities. The amendments include requirements specific to measuring the fair value of those instruments, such as equity interests used as consideration in a business combination. An entity should measure the fair value of its own equity instrument from the perspective of a market participant that holds the instrument as an asset. With respect to financial instruments that are managed as part of a portfolio, an exception to fair value requirements is provided. That exception permits a reporting entity to measure the fair value of such financial assets and financial liabilities at the price that would be received to sell a net asset position for a particular risk or to transfer a net liability position for a particular risk in an orderly transaction between market participants at the measurement date. The amendments also clarify that premiums and discounts should only be applied if market participants would do so when pricing the asset or liability. Premiums and discounts related to the size of an entity's holding (e.g., a blockage factor) rather than as a characteristic of the asset or liability (e.g., a control premium) is not permitted in a fair value measurement.

The guidance also requires enhanced disclosures about fair value measurements, including, among other things, (a) for fair value measurements categorized within Level III of the fair value hierarchy, (1) a quantitative disclosure of the unobservable inputs and assumptions used in the measurement, (2) the valuation process used

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

by the reporting entity, and (3) a narrative description of the sensitivity of the fair value measurement to changes in unobservable inputs and the interrelationships between those unobservable inputs, if any, and (b) the categorization by level of the fair value hierarchy for items that are not measured at fair value in the statement of financial position but for which the fair value is required to be disclosed (for example, a financial instrument that is measured at amortized cost in the statement of financial position but for which fair value is disclosed). The guidance also amends disclosure requirements for significant transfers between Level I and Level II and now requires disclosure of all transfers between Levels I and II in the fair value hierarchy.

The amended guidance is effective for interim and annual periods beginning after December 15, 2011. As the impact of the guidance is primarily limited to enhanced disclosures, adoption is not expected to have a material impact on the Partnership's financial statements.

In June 2011, the FASB issued amended guidance on the presentation of comprehensive income. The amendments provide an entity with an option to present the total of comprehensive income, the components of net income and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements. In both choices, an entity is required to present each component of net income along with total net income, each component of other comprehensive income along with a total for other comprehensive income, and a total amount for comprehensive income. The guidance is effective for fiscal years, and interim periods within those years beginning after December 15, 2011 and should be applied on a retrospective basis. As the amendments are limited to presentation only, adoption is not expected to have a material impact on the Partnership's financial statements.

In September 2011, the FASB issued enhanced guidance on testing goodwill for impairment. The amended guidance provides an entity with the option to first assess qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If, after assessing the totality of events or circumstances, an entity determines it is not more likely than not that the fair value of a reporting unit is less than its carrying amount, then performing the two-step impairment test is unnecessary. However, if an entity concludes otherwise, then it is required to perform the first step of the two-step impairment test by calculating the fair value of the reporting unit and comparing the fair value with the carrying amount of the reporting unit. If the carrying amount of a reporting unit exceeds its fair value, then the entity is required to perform the second step of the goodwill impairment test to measure the amount of the impairment loss, if any. Under the amended guidance, an entity has the option to bypass the qualitative assessment for any reporting unit in any period and proceed directly to performing the first step of the two-step goodwill impairment test. An entity may resume performing the qualitative assessment in any subsequent period. The amended guidance includes examples of events or circumstances that an entity must consider in evaluating whether it is more likely than not that the fair value of reporting units is less than its carrying amount. The amended guidance no longer permits the carry forward of detailed calculations of a reporting unit's fair value from a prior year. The guidance is effective for annual and interim goodwill impairment tests performed for fiscal years beginning after December 15, 2011. Early adoption is permitted. Blackstone is evaluating the impact of the amended guidance on its annual and interim goodwill impairment tests. The amended guidance is not expected to have a material impact on the Partnership's financial statements.

3. ACQUISITION, GOODWILL AND INTANGIBLE ASSETS

Acquisition

On May 16, 2011, the Partnership, through GSO, completed the acquisition of management agreements relating to four collateralized loan obligation vehicles previously managed by Allied Irish Bank for net consideration of \$23.4 million. The assets acquired are finite-lived contractual rights.

Goodwill and Intangible Assets

In January 2011, Blackstone separated its Credit and Marketable Alternatives segment into two new segments. Goodwill previously allocated to the Credit and Marketable Alternatives segment has been reallocated to the Hedge Fund Solutions and Credit Businesses segments. Goodwill has been allocated to each of the Partnership's five segments as follows: Private Equity (\$694.5 million), Real Estate (\$421.7 million), Hedge Fund Solutions (\$172.1 million), Credit Businesses (\$346.4 million) and Financial Advisory (\$68.9 million).

The carrying value of goodwill was \$1.7 billion as of September 30, 2011 and December 31, 2010. As of September 30, 2011 and December 31, 2010, the fair value of the Partnership's operating segments substantially exceeded their respective carrying values.

Intangible Assets, Net consists of the following:

	September 30, 2011	December 31, 2010
Finite-Lived Intangible Assets / Contractual Rights	\$ 1,394,026	\$ 1,370,255
Accumulated Amortization	(715,735)	(590,944)
Intangible Assets, Net	<u>\$ 678,291</u>	<u>\$ 779,311</u>

Amortization expense associated with Blackstone's intangible assets was \$42.4 million and \$124.8 million for the three and nine month periods ended September 30, 2011, respectively, and \$40.9 million and \$121.2 million for the three and nine month periods ended September 30, 2010, respectively.

Amortization of Intangible Assets held at September 30, 2011 is expected to be \$167.1 million, \$114.6 million, \$63.1 million, \$58.2 million, and \$52.0 million for each of the years ending December 31, 2011, 2012, 2013, 2014, and 2015, respectively. Blackstone's intangible assets as of September 30, 2011 are expected to amortize over a weighted-average period of 9.6 years.

Blackstone's share of Investments of Consolidated Blackstone Funds totaled \$449.5 million and \$500.2 million at September 30, 2011 and December 31, 2010, respectively.

At September 30, 2011 and December 31, 2010, consideration was given as to whether any individual investment, including derivative instruments, had a fair value which exceeded 5% of Blackstone's net assets. At September 30, 2011 and December 31, 2010, no investment exceeded the 5% threshold.

Investments of Consolidated Blackstone Funds

Net Gains (Losses) from Fund Investment Activities on the Condensed Consolidated Statements of Operations includes net realized gains (losses) from realizations and sales of investments and the net change in unrealized gains (losses) resulting from changes in the fair value of the consolidated Blackstone Funds' investments. The following table presents the realized and net change in unrealized gains (losses) on investments held by the consolidated Blackstone Funds:

5. NET ASSET VALUE AS FAIR VALUE

Certain of the consolidated Blackstone funds of hedge funds and credit-oriented funds measure their investments in underlying funds at fair value using NAV per share without adjustment. The terms of the investee's investment generally provide for minimum holding periods or lock-ups, the institution of gates on redemptions or the suspension of redemptions or an ability to side-pocket investments, at the discretion of the investee's fund manager, and as a result, investments may not be redeemable at, or within three months of, the reporting date. A side-pocket is used by hedge funds and funds of hedge funds to separate investments that may lack a readily ascertainable value, are illiquid or are subject to liquidity restriction. Redemptions are generally not permitted until the investments within a side pocket are liquidated or it is deemed that the conditions existing at the time that required the investment to be included in the side-pocket no longer exist. As the timing of either of these events is uncertain, the timing at which the Partnership may redeem an investment held in a side-pocket cannot be estimated. A summary of fair value by strategy type alongside the consolidated funds of hedge funds' remaining unfunded commitments and ability to redeem such investments as of September 30, 2011 is presented below:

Strategy	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Diversified Instruments	\$205,680	\$ 7,697	(a)	(a)
Credit Driven	194,979	1,980	(b)	(b)
Event Driven	119,239	—	(c)	(c)
Equity	251,179	—	(d)	(d)
Commodities	51,071	—	(e)	(e)
	<u>\$822,148</u>	<u>\$ 9,677</u>		

- (a) Diversified Instruments include investments in hedge funds that invest across multiple strategies. Investments representing 98% of the value of the investments in this category are subject to redemption restrictions at the discretion of the investee fund manager who may choose (but may not have exercised such ability) to side-pocket such investments. As of the reporting date, the investee fund manager had elected to side-pocket 18% of Blackstone's investments. The time at which this redemption restriction may lapse cannot be estimated. The remaining 2% of investments within this category represent investments in hedge funds that are in the process of liquidating. Distributions from these funds will be received as underlying investments are liquidated.

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

- (b) The Credit Driven category includes investments in hedge funds that invest primarily in domestic and international bonds. Investments representing 59% of the value of the investments in this category may not be redeemed at, or within three months of, the reporting date. Investments representing 20% of the value in the credit driven category are subject to redemption restrictions at the discretion of the investee fund manager who may choose (but may not have exercised such ability) to side-pocket such investments. Investments representing 3% of the value in the credit driven category represents an investment in a fund of hedge funds that is in the process of liquidation. Distributions from this fund will be received as underlying investments are liquidated. The remaining 18% of investments within this category are redeemable as of the reporting date.
- (c) The Event Driven category includes investments in hedge funds whose primary investing strategy is to identify certain event-driven investments. Withdrawals are not permitted in this category. Distributions will be received as the underlying investments are liquidated.
- (d) The Equity category includes investments in hedge funds that invest primarily in domestic and international equity securities. Investments representing 83% of the total value of investments in this category may not be redeemed at, or within three months of, the reporting date. The remaining 17% are subject to redemption restrictions at the discretion of the investee fund manager who may choose (but may not have elected such ability) to side-pocket such investments. As of the reporting date, the investee fund manager had not elected to side-pocket Blackstone's investments.
- (e) The Commodities category includes investments in commodities-focused hedge funds that primarily invest in futures and physical-based commodity driven strategies. Withdrawals are not permitted in this category. Distributions will be received as the underlying investments are liquidated.

6. DERIVATIVE FINANCIAL INSTRUMENTS

Blackstone enters into derivative contracts in order to hedge its interest rate risk exposure against the effects of interest rate changes. Additionally, Blackstone and the Blackstone Funds enter into derivative contracts in the normal course of business to achieve certain other risk management objectives and for general investment purposes. As a result of the use of derivative contracts, Blackstone and the consolidated Blackstone Funds are exposed to the risk that counterparties will fail to fulfill their contractual obligations. To mitigate such counterparty risk, Blackstone and the consolidated Blackstone Funds enter into contracts with certain major financial institutions, all of which have investment grade ratings. Counterparty credit risk is evaluated in determining the fair value of derivative instruments.

Fair Value Hedges

The Partnership uses interest rate swaps to hedge a portion of the interest rate risk associated with its fixed rate borrowings. The Partnership has designated these financial instruments as fair value hedges. Changes in the fair value of the derivative and, to the extent that it is highly effective, changes in the fair value of the hedged liability, are recorded within General, Administrative and Other in the Condensed Consolidated Statements of Operations. The fair value of the derivative instrument is reflected within Other Assets in the Condensed Consolidated Statements of Financial Condition.

Freestanding Derivatives

Freestanding derivatives are instruments that Blackstone and certain of the consolidated Blackstone Funds have entered into as part of their overall risk management and investment strategies. These derivative contracts are not designated as hedging instruments for accounting purposes. Such contracts may include foreign exchange

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)

contracts, equity swaps, options, futures and other derivative contracts. Changes in the fair value of derivative instruments held by consolidated Blackstone Funds are reflected in Net Gains from Funds Investment Activities or, where derivative instruments are held by the Partnership, within Investment Income (Loss), in the Condensed Consolidated Statements of Operations. The fair value of freestanding derivative assets are recorded within Investments and freestanding derivative liabilities are recorded within Accounts Payable, Accrued Expenses and Other Liabilities in the Condensed Consolidated Statements of Financial Condition.

The table below summarizes the aggregate notional amount and fair value of the derivative financial instruments. The notional amount represents the absolute value amount of all outstanding derivative contracts based on each contract's fair value at the reporting date.

While the Partnership is required to consolidate certain funds, including CLO vehicles, for GAAP purposes, the Partnership has no ability to utilize the assets of these funds and there is no recourse to the Partnership for their liabilities since these are client assets and liabilities.

9. VARIABLE INTEREST ENTITIES

Pursuant to GAAP consolidation guidance, the Partnership consolidates certain VIEs in which it is determined that the Partnership is the primary beneficiary either directly or indirectly, through a consolidated entity or affiliate. VIEs include certain private equity, real estate, credit-oriented or funds of hedge funds entities and CLO vehicles. The purpose of such VIEs is to provide strategy specific investment opportunities for investors in exchange for management and performance based fees. The investment strategies of the Blackstone Funds differ by product; however, the fundamental risks of the Blackstone Funds have similar characteristics, including loss of invested capital and loss of management fees and performance based fees. In Blackstone's role as general partner or investment advisor, it generally considers itself the sponsor of the applicable Blackstone Fund. The Partnership does not provide performance guarantees and has no other financial obligation to provide funding to consolidated VIEs other than its own capital commitments.

There is no recourse to the Partnership for the consolidated VIEs' liabilities including the liabilities of the consolidated CLO vehicles. The assets and liabilities of consolidated VIEs comprise primarily investments and notes payable and are included within Investments, Loans Payable and Due to Affiliates, respectively, in the Condensed Consolidated Statements of Financial Condition.

The Partnership holds variable interests in certain VIEs which are not consolidated as it is determined that the Partnership is not the primary beneficiary. The Partnership's involvement with such entities is in the form of direct equity interests and fee arrangements. The maximum exposure to loss represents the loss of assets recognized by Blackstone relating to non-consolidated entities, any amounts due to non-consolidated entities and any clawback obligation relating to previously distributed Carried Interest. The assets and liabilities recognized in the Partnership's Condensed Consolidated Statements of Financial Condition related to the Partnership's interest in these non-consolidated VIEs and the Partnership's maximum exposure to loss relating to non-consolidated VIEs were as follows:

Securities with a fair value of \$194.8 million were repledged, delivered or used to settle Securities Sold, Not Yet Purchased. The Partnership also pledged securities with a carrying value of \$210.2 million and cash to collateralize its repurchase agreements. Such securities can be repledged, delivered or otherwise used by the counterparty.

11. BORROWINGS

On April 8, 2011, indirect subsidiaries of Blackstone entered into an amendment to the \$1.02 billion revolving credit facility (the “Credit Facility”) with Citibank, N.A., as Administrative Agent. The amendment extended the maturity date of the Credit Facility from March 23, 2013 to April 8, 2016. As of September 30, 2011, Blackstone had no outstanding borrowings under the Credit Facility.

The carrying value and fair value of the Blackstone issued notes as of September 30, 2011 and December 31, 2010 were:

	September 30, 2011		December 31, 2010	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Blackstone Issued 5.875%, \$400 Million Par, Notes Due 3/15/2021	\$398,201	\$401,680	\$398,097	\$398,097

	September 30, 2011			December 31, 2010		
	Borrowing Outstanding	Weighted Average Interest Rate	Weighted Average Remaining Maturity in Years	Borrowing Outstanding	Weighted Average Interest Rate	Weighted Average Remaining Maturity in Years

	<u>\$9,684,050</u>			<u>\$7,362,094</u>		

(a) The Subordinated Notes do not have contractual interest rates but instead receive distributions from the excess cash flows of the CLO vehicles.

Included within Senior Secured Notes and Subordinated Notes as of September 30, 2011 are amounts due to non-consolidated affiliates of \$112.8 million and \$300.0 million, respectively. The fair value of Senior Secured and Subordinated Notes as of September 30, 2011 was \$7.9 billion and \$791.0 million, respectively, of which \$109.4 million and \$220.1 million represents the amounts due to affiliates.

Included within Senior Secured Notes and Subordinated Notes as of December 31, 2010 are amounts due to non-consolidated affiliates of \$99.3 million and \$293.4 million, respectively. The fair value of Senior Secured and Subordinated Notes as of December 31, 2010 was \$5.9 billion and \$555.6 million, respectively, of which \$78.0 million and \$211.1 million represents the amounts due to affiliates.

The Loans Payable of the consolidated CLO vehicles are collateralized by assets held by each respective CLO vehicle and assets of one vehicle may not be used to satisfy the liabilities of another. As of September 30, 2011 and December 31, 2010, the fair value of the consolidated CLO assets was \$8.9 billion and \$7.2 billion, respectively. This collateral consisted of Cash, Corporate Loans, Corporate Bonds and other securities.

Scheduled principal payments for borrowings as of September 30, 2011 were as follows:

	Blackstone Fund

Blackstone's effective tax rate was 0.77% and (2.95)% for the three months ended September 30, 2011 and 2010, respectively, and (15.18)% and (3.44)% for the nine months ended September 30, 2011 and 2010, respectively. Blackstone's income tax provision was a benefit of \$7.6 million and a benefit of \$4.2 million for the three months ended September 30, 2011 and 2010, respectively, and an expense of \$95.4 million and an expense of \$24.8 million for the nine months ended September 30, 2011 and 2010, respectively.

Blackstone's effective tax rate for the three and nine months ended September 30, 2011 and 2010 was substantially due to the following: (a) certain corporate subsidiaries are subject to federal, state, local and foreign income taxes as applicable and other subsidiaries are subject to New York City unincorporated business taxes, and (b) a portion of compensation charges are not deductible for tax purposes.

13. NET INCOME (LOSS) PER COMMON UNIT

Basic and diluted net income (loss) per common unit for the three and nine months ended September 30, 2011 and September 30, 2010 was calculated as follows:

Unit Repurchase Program

In January 2008, Blackstone announced that the Board of Directors of its general partner, Blackstone Group Management L.L.C., had authorized the repurchase by Blackstone of up to \$500 million of Blackstone Common Units and Blackstone Holdings Partnership Units. Under this unit repurchase program, units may be repurchased from time to time in open market transactions, in privately negotiated transactions or otherwise. The timing and the actual number of Blackstone Common Units and Blackstone Holdings Partnership Units repurchased will depend on a variety of factors, including legal requirements, price and economic and market conditions. This unit repurchase program may be suspended or discontinued at any time and does not have a specified expiration date.

During the nine months ended September 30, 2011, Blackstone repurchased 116,270 vested Blackstone Holdings Partnership Units as part of the unit repurchase program for a total cost of \$2.1 million. The repurchase resulted in a decrease in Blackstone's ownership interest in Blackstone Holdings equity of \$1.7 million. As of September 30, 2011, the amount remaining available for repurchases under this program was \$335.8 million.

During the nine months ended September 30, 2010, Blackstone repurchased 84,888 vested Blackstone Common Units as part of the unit repurchase program for a total cost of \$1.2 million.

14. EQUITY-BASED COMPENSATION

The Partnership has granted equity-based compensation awards to Blackstone's senior managing directors, non-partner professionals, non-professionals and selected external advisors under the Partnership's 2007 Equity Incentive Plan (the "Equity Plan"), the majority of which to date were granted in connection with the IPO. The Equity Plan allows for the granting of options, unit appreciation rights or other unit-based awards (units, restricted units, restricted common units, deferred restricted common units, phantom restricted common units or other unit-based awards based in whole or in part on the fair value of the Blackstone Common Units or Blackstone Holdings Partnership Units) which may contain certain service or performance requirements. As of January 1, 2011, the Partnership had the ability to grant 162,380,981 units under the Equity Plan.

For the three and nine months ended September 30, 2011, the Partnership recorded compensation expense of \$240.1 million and \$1.1 billion, respectively, in relation to its equity-based awards with corresponding tax benefits of \$5.1 million and \$13.8 million, respectively. For the three and nine months ended September 30, 2010, the Partnership recorded compensation expense of \$457.4 million and \$1.9 billion, respectively, in relation to its equity-based awards with corresponding tax benefits of \$2.8 million and \$7.4 million, respectively. As of September 30, 2011, there was \$2.8 billion of estimated unrecognized compensation expense related to unvested awards. This cost is expected to be recognized over a weighted-average period of 3.5 years.

Revenues Earned from Affiliates

Management and Advisory Fees earned from affiliates totaled \$56.9 million and \$34.2 million for the three months ended September 30, 2011 and 2010, respectively. Management and Advisory Fees earned from affiliates totaled \$245.9 million and \$110.4 million for the nine months ended September 30, 2011 and 2010, respectively. Fees relate primarily to transaction and monitoring fees which are made in the ordinary course of business and under terms that would have been obtained from unaffiliated third parties.

Loans to Affiliates

Loans to affiliates consist of interest-bearing advances to certain Blackstone individuals to finance their investments in certain Blackstone Funds. These loans earn interest at Blackstone's cost of borrowing and such interest totaled \$0.6 million and \$0.4 million for the three months ended September 30, 2011 and 2010, respectively, and \$1.9 million and \$1.5 million for the nine months ended September 30, 2011 and 2010, respectively. No such loans to any director or executive officer of Blackstone have been made or were outstanding since March 22, 2007, the date of Blackstone's initial filing with the Securities and Exchange Commission of a registration statement relating to its initial public offering.

Contingent Repayment Guarantee

Blackstone and its personnel who have received Carried Interest distributions have guaranteed payment on a several basis (subject to a cap) to the Carry Funds of any clawback obligation with respect to the excess Carried Interest allocated to the general partners of such funds and indirectly received thereby to the extent that either Blackstone or its personnel fails to fulfill its clawback obligation, if any. The Accrual for Possible Repayment of Previously Received Performance Fees represents amounts previously paid to Blackstone Holdings and non-controlling interest holders that would need to be repaid to the Blackstone Funds if the Carry Funds were to be liquidated based on the fair value of their underlying investments as of September 30, 2011. See Note 16. "Commitments and Contingencies — Contingencies — Contingent Obligations (Clawback)".

Aircraft and Other Services

In the normal course of business, Blackstone personnel have made use of aircraft owned as personal assets by Stephen A. Schwarzman ("Personal Aircraft"). In addition, on occasion, Mr. Schwarzman and his family have made use of an aircraft in which Blackstone owns a fractional interest, as well as other assets of Blackstone. Mr. Schwarzman paid for his purchases of the aircraft himself and bears all operating, personnel and maintenance costs associated with their operation. In addition, Mr. Schwarzman is charged for his and his family's personal use of Blackstone assets based on market rates and usage. Payment by Blackstone for the use of the Personal Aircraft by other Blackstone employees are made at market rates. Personal use of Blackstone resources are also reimbursed to Blackstone at market rates. The transactions described herein are not material to the Condensed Consolidated Financial Statements.

Tax Receivable Agreements

Blackstone used a portion of the proceeds from the IPO and the sale of non-voting common units to Beijing Wonderful Investments to purchase interests in the predecessor businesses from the predecessor owners. In addition, holders of Blackstone Holdings Partnership Units may exchange their Blackstone Holdings Partnership Units for Blackstone Common Units on a one-for-one basis. The purchase and subsequent exchanges are expected to result in increases in the tax basis of the tangible and intangible assets of Blackstone Holdings and therefore reduce the amount of tax that Blackstone's wholly-owned subsidiaries would otherwise be required to pay in the future.

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

One of the subsidiaries of the Partnership which is a corporate taxpayer has entered into tax receivable agreements with each of the predecessor owners and additional tax receivable agreements have been executed, and will continue to be executed, with newly-admitted senior managing directors and others who acquire Blackstone Holdings Partnership Units. The agreements provide for the payment by the corporate taxpayer to such owners of 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax that the corporate taxpayers actually realize as a result of the aforementioned increases in tax basis and of certain other tax benefits related to entering into these tax receivable agreements. For purposes of the tax receivable agreements, cash savings in income tax will be computed by comparing the actual income tax liability of the corporate taxpayers to the amount of such taxes that the corporate taxpayers would have been required to pay had there been no increase to the tax basis of the tangible and intangible assets of Blackstone Holdings as a result of the exchanges and had the corporate taxpayers not entered into the tax receivable agreements.

Assuming no material changes in the relevant tax law and that the corporate taxpayers earn sufficient taxable income to realize the full tax benefit of the increased amortization of the assets, the expected future payments under the tax receivable agreements (which are taxable to the recipients) will aggregate \$1,301.2 million over the next 15 years. The after-tax net present value of these estimated payments totals \$350.3 million assuming a 15% discount rate and using Blackstone's most recent projections relating to the estimated timing of the benefit to be received. Future payments under the tax receivable agreements in respect of subsequent exchanges would be in addition to these amounts. The payments under the tax receivable agreements are not conditioned upon continued ownership of Blackstone equity interests by the pre-IPO owners and the others mentioned above.

Other

Blackstone does business with and on behalf of some of its Portfolio Companies; all such arrangements are on a negotiated basis.

16. COMMITMENTS AND CONTINGENCIES

Commitments

Investment Commitments

Blackstone had \$1.4 billion of investment commitments as of September 30, 2011 representing general partner capital funding commitments to the Blackstone Funds, limited partner capital funding to other funds and Blackstone principal investment commitments. The consolidated Blackstone Funds had signed investment commitments of \$29.9 million as of September 30, 2011 which includes \$9.8 million of signed investment commitments for portfolio company acquisitions in the process of closing.

Contingencies

Guarantees

Certain of Blackstone's consolidated real estate funds guarantee payments to third parties in connection with the on-going business activities and/or acquisitions of their Portfolio Companies. There is no direct recourse to the Partnership to fulfill such obligations. To the extent that underlying funds are required to fulfill guarantee obligations, the Partnership's invested capital in such funds is at risk. Total investments at risk in respect of guarantees extended by consolidated real estate funds was \$5.2 million as of September 30, 2011.

THE BLACKSTONE GROUP L.P.

Notes to Condensed Consolidated Financial Statements—(Continued)
(All Dollars Are in Thousands, Except Unit and Per Unit Data, Except Where Noted)

Contingent Performance Fees

There were \$103.5 million of segment level Performance Fees related to the hedge funds in the Hedge Fund Solutions, Credit Businesses and Real Estate segments through the period ended September 30, 2011 attributable to arrangements where the measurement period had not ended. Measurement periods may be greater than the current reporting period. On a consolidated basis, after eliminations, such Performance Fees were \$103.5 million for the nine months ended September 30, 2011.

Litigation

From time to time, Blackstone is named as a defendant in legal actions relating to transactions conducted in the ordinary course of business. Although there can be no assurance of the outcome of such legal actions, in the opinion of management, Blackstone does not have a potential liability related to any current legal proceeding or claim that would individually or in the aggregate materially adversely affect its results of operations, financial position or cash flows.

Contingent Obligations (Clawback)

Carried Interest earned by Blackstone is subject to clawback to the extent that the Carried Interest received to date exceeds the amount due to Blackstone based on cumulative results. The actual clawback liability, however, does not become realized until the end of a fund's life except for Blackstone's real estate funds which may have an interim clawback liability come due after a realized loss is incurred, depending on the fund. The lives of the carry funds with a potential clawback obligation, including available contemplated extensions, are currently anticipated to expire at various points beginning toward the end of 2012 and extending through 2018. Further extensions of such terms may be implemented under given circumstances.

For financial reporting purposes, the general partners have recorded a liability for potential clawback obligations to the limited partners of some of the carry funds due to changes in the unrealized value of a fund's remaining investments and where the fund's general partner has previously received Carried Interest distributions with respect to such fund's realized investments.

The following table presents the clawback obligations by segment:

Segment	September 30, 2011			December 31, 2010		
	Blackstone Holdings	Current and Former Personnel	Total	Blackstone Holdings	Current and Former Personnel	Total
Private Equity	\$ 68,601	\$ 122,430	\$191,031	\$ 62,534	\$ 118,845	\$181,379
Real Estate	30,624	40,301	70,925	30,623	61,827	92,450
Total	\$ 99,225	\$ 162,731	\$261,956	\$ 93,157	\$ 180,672	\$273,829

A portion of the Carried Interest paid to current and former Blackstone personnel is held in segregated accounts in the event of a cash clawback obligation. These segregated accounts are not included in the Condensed Consolidated Financial Statements of the Partnership, except to the extent a portion of the assets held in the segregated accounts may be allocated to a consolidated Blackstone fund of hedge funds. At September 30, 2011, \$492.8 million was held in segregated accounts for the purpose of meeting any clawback obligations of current and former personnel if such payments are required.

17. SEGMENT REPORTING

Blackstone transacts its primary business in the United States and substantially all of its revenues are generated domestically.

As described in Note 2. “Summary of Significant Accounting Policies — Basis of Presentation”, in January 2011, Blackstone separated its Credit and Marketable Alternatives segment into two new segments: Hedge Fund Solutions and Credit Businesses.

Blackstone conducts its alternative asset management and financial advisory businesses through five segments:

- Private Equity — Blackstone’s Private Equity segment comprises its management of private equity funds.
- Real Estate — Blackstone’s Real Estate segment primarily comprises its management of general opportunistic real estate funds and internationally focused opportunistic real estate funds. In addition, the segment has debt investment funds targeting non-controlling real estate debt-related investment opportunities in the public and private markets, primarily in the United States and Europe.
- Hedge Fund Solutions — Blackstone’s Hedge Fund Solutions segment is comprised of Blackstone Alternative Asset Management (“BAAM”), an institutional solutions provider utilizing hedge funds across a variety of strategies and the Indian-focused and Asian-focused closed-end mutual funds.
- Credit Businesses — Blackstone’s Credit Businesses segment is comprised principally of GSO and manages credit-oriented funds, CLOs, credit-focused separately managed accounts and publicly registered debt-focused investment companies.
- Financial Advisory — Blackstone’s Financial Advisory segment comprises its financial advisory services, restructuring and reorganization advisory services and Park Hill Group, which provides fund placement services for alternative investment funds.

These business segments are differentiated by their various sources of income. The Private Equity, Real Estate, Hedge Fund Solutions and Credit Businesses segments primarily earn their income from management fees and investment returns on assets under management, while the Financial Advisory segment primarily earns its income from fees related to investment banking services and advice and fund placement services.

Blackstone uses Economic Net Income (“ENI”) as a key measure of value creation, a benchmark of its performance and in making resource deployment and compensation decisions across its five segments. ENI represents segment net income before taxes excluding transaction-related charges. Transaction-related charges arise from Blackstone’s IPO and other corporate actions, including acquisitions. Transaction-related charges include equity-based compensation charges, the amortization of intangible assets and contingent consideration associated with acquisitions. ENI presents revenues and expenses on a basis that deconsolidates the investment funds Blackstone manages.

Management makes operating decisions and assesses the performance of each of Blackstone’s business segments based on financial and operating metrics and data that is presented without the consolidation of any of the Blackstone Funds that are consolidated into the Consolidated Financial Statements. Consequently, all segment data excludes the assets, liabilities and operating results related to the Blackstone Funds.

18. SUBSEQUENT EVENTS

On October 6, 2011, Blackstone, through GSO, entered into an acquisition agreement for Harbourmaster Capital, a European secured bank loan manager based in Dublin, Ireland. The transaction is expected to close in early 2012 following regulatory and certain third party approvals. Harbourmaster Capital manages various credit products including CLO vehicles and certain of these CLOs may have to be consolidated which would have an impact on Blackstone's Condensed Consolidated Statement of Financial Condition, Condensed Consolidated Statement of Operations and the Condensed Consolidated Statement of Cash Flows.

On November 4, 2011, the agreement of limited partnership of The Blackstone Group L.P. was amended to provide that the common units purchased by China Investment Corporation and its affiliates ("CIC") subsequent to Blackstone's IPO will no longer be non-voting. As a result, the 7.7 million non-voting units held by CIC that they purchased subsequent to the IPO will be identical to the units held by all other public unitholders. This amendment does not affect the 101,334,234 non-voting common units purchased by CIC at the time of Blackstone's IPO, which common units remain non-voting.

ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with The Blackstone Group L.P.’s Condensed Consolidated Financial Statements and the related notes included in this Quarterly Report on Form 10-Q.

Our Business

Blackstone is one of the largest independent managers of private capital in the world. We also provide a wide range of financial advisory services, including financial advisory, restructuring and reorganization advisory and fund placement services.

In January 2011, Blackstone separated its Credit and Marketable Alternatives segment into two new segments: Hedge Fund Solutions and Credit Businesses. Please see “Part I. Item 1. Financial Statements — Note 2. Summary of Significant Accounting Policies — Basis of Presentation” for additional information.

Our business is organized into five business segments:

- **Private Equity.** We are a world leader in private equity investing, having managed five general private equity funds, as well as two sector focused funds and a regionally focused fund, since we established this business in 1987. In January 2011, we commenced the investment period on our sixth general private equity fund. Through our private equity funds we pursue transactions throughout the world, including leveraged buyout acquisitions of seasoned companies, transactions involving growth equity or start-up businesses in established industries, minority investments, corporate partnerships, distressed debt, structured securities and industry consolidations, in all cases in strictly friendly transactions.
- **Real Estate.** We are a world leader in real estate investing with an assortment of real estate funds that are diversified geographically and across a variety of sectors. We launched our first real estate fund in 1994 and have managed six opportunistic real estate funds, three European focused real estate funds, and a number of real estate debt investment funds. In addition, in November 2010, we commenced our management of the Bank of America Merrill Lynch Asia real estate platform and in August 2011, we held our initial closing of our next opportunistic real estate fund, BREP VII. Our real estate funds have made significant investments in lodging, major urban office buildings and a variety of real estate operating companies. In addition, our debt investment funds target high yield real estate debt related investment opportunities in the public and private markets, primarily in the United States and Europe.
- **Hedge Fund Solutions.** Blackstone’s Hedge Fund Solutions segment is comprised of Blackstone Alternative Asset Management (“BAAM”) and the Indian-focused and Asian-focused closed-end mutual funds. BAAM was organized in 1990 and has developed into a leading institutional solutions provider utilizing hedge funds across a wide variety of strategies. BAAM is the world’s largest discretionary allocator to hedge funds.
- **Credit Businesses.** Our Credit Businesses segment is comprised principally of GSO Capital Partners LP (“GSO”). GSO manages a variety of credit-oriented funds including senior credit-oriented funds, distressed debt funds, mezzanine funds and general credit-oriented funds. GSO is a world-wide leader in credit oriented products.
- **Financial Advisory .** Our Financial Advisory segment serves a diverse and global group of clients with financial advisory services, restructuring and reorganization advisory services and fund placement services for alternative investment funds.

We generate our revenues from fees earned pursuant to contractual arrangements with funds, fund investors and fund portfolio companies (including management, transaction and monitoring fees), and from financial advisory services, restructuring and reorganization advisory services and fund placement services for alternative

Table of Contents

investment funds. We invest in the funds we manage and, in most cases, receive a preferred allocation of income (i.e., a “Carried Interest”) or an incentive fee from an investment fund in the event that specified cumulative investment returns are achieved. The composition of our revenues will vary based on market conditions and the cyclical nature of the different businesses in which we operate. Net investment gains and investment income generated by the Blackstone Funds, principally private equity and real estate funds, are driven by value created by our operating and strategic initiatives as well as overall market conditions. Our funds initially record fund investments at cost and then such investments are subsequently recorded at fair value. Fair values are affected by changes in the fundamentals of the portfolio company, the portfolio company’s industry, the overall economy and other market conditions.

Business Environment

Global equity markets declined sharply in the third quarter of 2011. The MSCI World Index fell 17% and volatility increased markedly. Equity fund outflows increased to levels not seen since late 2008, adding to technical pressures in global markets. In credit, high yield spreads meaningfully widened to levels well above their long-term average. Investor caution regarding Europe’s sovereign debt crisis and its impact on the regions’ banks increased, while a deterioration in global economic data increased concerns of slowing growth or another recession. While corporate earnings and liquidity have remained resilient, companies have been hesitant to hire, resulting in sustained high unemployment.

The operating and investment environment remained favorable during the third quarter of 2011. Despite the slowing economy, real estate fundamentals were stable across virtually every major sector, underpinned by a pronounced lack of new supply. In the investment markets, recent volatility in the public debt and equity markets resulted in a decline in disposition activity, as publicly traded REITs suspended acquisition programs due to the deterioration of their share prices in conjunction with the retreat of the major equity indices. While our disposition activity slowed, we continue to see attractive investment opportunities for our funds, with a growing number of distressed sellers with broken capital structures seeking to recapitalize or exit the market entirely, while potential investors with significant levels of readily available capital remain limited.

In the office sector, steady leasing activity coupled with virtually no new supply has allowed many of the major U.S. office markets to stabilize, and in some markets, such as midtown Manhattan, rents have grown significantly over the past 12 months. In the hospitality sector, although publicly traded lodging stocks declined by 20-30% during the third quarter, operating fundamentals remained steady, with U.S. RevPAR up 8% during the third quarter. The retail sector was also stable, supported by growth in U.S. retail sales and leasing demand from national tenants.

Blackstone’s businesses are materially affected by the global macroeconomic environment and conditions in the financial markets.

Key Financial Measures and Indicators

Our key financial measures and indicators are discussed below.

Revenues

Revenues primarily consist of management and advisory fees, performance fees, investment income, interest and dividend revenue and other. Please refer to “Part I. Item 1. Business — Incentive Arrangements / Fee Structure” and “Part I. Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations — Critical Accounting Policies — Revenue Recognition” in our 2010 Annual Report on Form 10-K for additional information regarding the manner in which Base Management Fees and Performance Fees are generated.

Table of Contents

Management and Advisory Fees — Management and Advisory Fees are comprised of management fees, including base management fees, transaction and other fees, management fee reductions and offsets, and advisory fees.

The Partnership earns base management fees from limited partners of funds in each of its managed funds, at a fixed percentage of assets under management, net asset value, total assets, committed capital or invested capital. Base management fees are based on contractual terms specified in the underlying investment advisory agreements.

Transaction and other fees (including monitoring fees) are fees charged directly to funds and portfolio companies. The investment advisory agreements generally require that the investment advisor reduce the amount of management fees payable by the limited partners to the Partnership (“management fee reductions”) by an amount equal to a portion of the transaction and other fees directly paid to the Partnership by the portfolio companies. The amount of the reduction varies by fund, the type of fee paid by the portfolio company and the previously incurred expenses of the fund.

Management fee offsets are reductions to management fees payable by our limited partners, which are granted based on the amount they reimburse Blackstone for placement fees.

Advisory fees consist of advisory retainer and transaction-based fee arrangements related to merger, acquisition, restructuring and divestiture activities and fund placement services for alternative investment funds. Advisory retainer fees are recognized when services for the transactions are complete, in accordance with terms set forth in individual agreements. Transaction-based fees are recognized when (a) there is evidence of an arrangement with a client, (b) agreed upon services have been provided, (c) fees are fixed or determinable and (d) collection is reasonably assured. Fund placement fees are recognized as earned upon the acceptance by a fund of capital or capital commitments.

Accrued but unpaid Management and Advisory Fees, net of management fee reductions and management fee offsets, as of the reporting date, are included in Accounts Receivable or Due From Affiliates in the Condensed Consolidated Statements of Financial Condition.

Performance Fees — Performance Fees earned on the performance of Blackstone’s hedge fund structures are recognized based on fund performance during the period, subject to the achievement of minimum return levels, or high water marks, in accordance with the respective terms set out in each hedge fund’s governing agreements. Accrued but unpaid performance fees charged directly to investors in Blackstone’s offshore hedge funds as of the reporting date are recorded within Due from Affiliates in the Condensed Consolidated Statements of Financial Condition. Performance fees arising on Blackstone’s onshore hedge funds are allocated to the general partner. Accrued but unpaid performance fees on onshore funds as of the reporting date are reflected in Investments in the Condensed Consolidated Statements of Financial Condition.

In certain fund structures, specifically in private equity, real estate and certain credit-oriented funds (“Carry Funds”), performance fees (“Carried Interest”) are allocated to the general partner based on cumulative fund performance to date, subject to a preferred return to limited partners. At the end of each reporting period, the Partnership calculates the Carried Interest that would be due to the Partnership for each fund, pursuant to the fund agreements, as if the fair value of the underlying investments were realized as of such date, irrespective of whether such amounts have been realized. As the fair value of underlying investments varies between reporting periods, it is necessary to make adjustments to amounts recorded as Carried Interest to reflect either (a) positive performance resulting in an increase in the Carried Interest allocated to the general partner or (b) negative performance that would cause the amount due to the Partnership to be less than the amount previously recognized as revenue, resulting in a negative adjustment to Carried Interest allocated to the general partner. In each scenario, it is necessary to calculate the Carried Interest on cumulative results compared to the Carried Interest recorded to date and make the required positive or negative adjustments. The Partnership ceases to record

Table of Contents

negative Carried Interest allocations once previously recognized Carried Interest allocations for such fund have been fully reversed. The Partnership is not obligated to pay guaranteed returns or hurdles, and therefore, cannot have negative Carried Interest over the life of a fund. Accrued but unpaid Carried Interest as of the reporting date is reflected in Investments in the Condensed Consolidated Statements of Financial Condition.

Carried Interest is realized when an underlying investment is profitably disposed of and the fund's cumulative returns are in excess of the preferred return. Performance fees earned on hedge fund structures are realized at the end of each fund's measurement period.

Carried Interest is subject to clawback to the extent that the Carried Interest actually distributed to date exceeds the amount due to Blackstone based on cumulative results. As such, the accrual for potential repayment of previously received performance fees, which is a component of Due to Affiliates, represents all amounts previously distributed to Blackstone Holdings and non-controlling interest holders that would need to be repaid to the Blackstone Funds if the Blackstone Carry Funds were to be liquidated based on the current fair value of the underlying funds' investments as of the reporting date. Generally, the actual clawback liability does not become realized until the end of a fund's life or one year after a realized loss is incurred, depending on the fund.

Investment Income (Loss) — Investment Income (Loss) represents the unrealized and realized gains and losses on the Partnership's principal investments, including its investments in Blackstone Funds that are not consolidated, its equity method investments, and other principal investments. Investment Income (Loss) is realized when the Partnership redeems all or a portion of its investment or when the Partnership receives cash income, such as dividends or distributions, from its non-consolidated funds. Unrealized Investment Income (Loss) results from changes in the fair value of the underlying investment as well as the reversal of unrealized gain (loss) at the time an investment is realized.

Interest and Dividend Revenue — Interest and Dividend Revenue comprises primarily interest and dividend income earned on principal investments held by Blackstone.

Other Revenue — Other Revenue comprises primarily foreign exchange gains and losses arising on transactions denominated in currencies other than U.S. dollars.

Expenses

Compensation and Benefits — Compensation — Compensation and Benefits consists of (a) employee compensation, comprising salary and bonus, and benefits paid and payable to employees, including senior managing directors and (b) equity-based compensation associated with the grants of equity-based awards to employees, including senior managing directors.

Equity-Based Compensation — Compensation cost relating to the issuance of share-based awards to employees, including senior managing directors, is measured at fair value at the grant date, taking into consideration expected forfeitures, and expensed over the vesting period on a straight line basis. Equity-based awards that do not require future service are expensed immediately. Cash settled equity-based awards are classified as liabilities and are re-measured at the end of each reporting period.

Compensation and Benefits — Performance Fee — Performance Fee Compensation and Benefits consists of Carried Interest and performance fee allocations to employees, including senior managing directors, participating in certain profit sharing initiatives. Such compensation expense is subject to both positive and negative adjustments. Unlike Carried Interest and performance fees, compensation expense is based on the performance of individual investments held by a fund rather than on a fund by fund basis.

Other Operating Expenses — Other operating expenses represent general and administrative expenses including interest expense, occupancy and equipment expenses and other expenses, which consist principally of

professional fees, public company costs, travel and related expenses, communications and information services and depreciation and amortization.

Fund Expenses — The expenses of our consolidated Blackstone Funds consist primarily of interest expense, professional fees and other third-party expenses.

Non-Controlling Interests in Consolidated Entities

Non-Controlling Interests in Consolidated Entities represent the component of Partners' Capital in consolidated entities held by third party investors. Such interests are adjusted for general partner allocations and by subscriptions and redemptions in funds of hedge funds and certain credit-oriented funds which occur during the reporting period. Non-controlling interests related to funds of hedge funds and certain other credit-oriented funds are subject to annual, semi-annual or quarterly redemption by investors in these funds following the expiration of a specified period of time (typically between one and three years), or may be withdrawn subject to a redemption fee in the funds of hedge funds and certain credit-oriented funds during the period when capital may not be withdrawn. As limited partners in these types of funds have been granted redemption rights, amounts relating to third party interests in such consolidated funds are presented as Redeemable Non-Controlling Interests in Consolidated Entities within the Condensed Consolidated Statements of Financial Condition. When redeemable amounts become legally payable to investors, they are classified as a liability and included in Accounts Payable, Accrued Expenses and Other in the Condensed Consolidated Statements of Financial Condition. For all consolidated funds in which redemption rights have not been granted, non-controlling interests are presented within Partners' Capital in the Condensed Consolidated Statements of Financial Condition as Non-Controlling Interests in Consolidated Entities.

Income Taxes

The Blackstone Holdings partnerships and certain of their subsidiaries operate in the U.S. as partnerships for U.S. federal income tax purposes and generally as corporate entities in non-U.S. jurisdictions. Accordingly, in some cases these entities are subject to New York City unincorporated business taxes or non-U.S. income taxes. In addition, certain of the wholly-owned subsidiaries of the Partnership and the Blackstone Holdings partnerships will be subject to federal, state and local corporate income taxes at the entity level and the related tax provision attributable to the Partnership's share of this income tax is reflected in the Condensed Consolidated Financial Statements.

Income taxes are accounted for using the liability method of accounting. Under this method, deferred tax assets and liabilities are recognized for the expected future tax consequences of differences between the carrying amounts of assets and liabilities and their respective tax basis, using currently enacted tax rates. The effect on deferred assets and liabilities of a change in tax rates is recognized in income in the period when the change is enacted. Deferred tax assets are reduced by a valuation allowance when it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax liabilities are recorded within Accounts Payable, Accrued Expenses and Other Liabilities in the Condensed Consolidated Statements of Financial Position.

Tax laws are complex and subject to different interpretations by the taxpayer and respective governmental taxing authorities. Significant judgment is required in determining tax expense and in evaluating tax positions including evaluating uncertainties under accounting principles generally accepted in the United States of America ("GAAP"). Blackstone reviews its tax positions quarterly and adjusts its tax balances as new information becomes available.

Blackstone analyzes its tax filing positions in all of the U.S. federal, state, local and foreign tax jurisdictions where it is required to file income tax returns, as well as for all open tax years in these jurisdictions. If, based on this analysis, the Partnership determines that uncertainties in tax positions exist, a reserve is established. Blackstone recognizes accrued interest and penalties related to uncertain tax positions in General, Administrative, and Other expenses within the Condensed Consolidated Statements of Operations.

Table of Contents

There remains some uncertainty regarding Blackstone's future taxation levels. In 2007, Congress considered legislation that would have taxed as corporations publicly traded partnerships that directly or indirectly derived income from investment adviser or asset management services.

In 2008, the U.S. House of Representatives passed a bill that would have generally (a) treated Carried Interest as non-qualifying income under the tax rules applicable to publicly traded partnerships, which would have generally required us to hold interests in entities earning such income through taxable subsidiary corporations by the end of 2010, and (b) taxed Carried Interest as ordinary income for U.S. federal income tax purposes, rather than in accordance with the character of income derived by the underlying fund, which is in many cases capital gain, starting with our 2008 taxable year.

In December 2009, the U.S. House of Representatives passed substantially similar legislation. Such legislation would have taxed Carried Interest as ordinary income starting in 2010. However, under a transition rule, the portion of such legislation treating Carried Interest as non-qualifying income under the tax rules applicable to publicly traded partnerships would not have applied until our first taxable year beginning ten years after the date of the enactment of the legislation.

In May 2010, the U.S. House of Representatives passed similar legislation that would have generally taxed, after 2010, income and gains, including gain on sale, attributable to an investment services partnership interest, or "ISPI", as income subject to a new blended tax rate that is higher than the capital gains rate applicable to such income under current law, except to the extent an ISPI would have been considered to be a qualified capital interest under the legislation. The interests we hold in entities that are entitled to receive Carried Interest would have likely been classified as ISPIs for purposes of this legislation. The legislation provided that, for taxable years beginning ten years after the date of enactment, income derived with respect to an ISPI that is not a qualified capital interest and that is treated as ordinary income under this legislation would not be qualifying income under the tax rules applicable to publicly traded partnerships. Therefore, if similar legislation were to be enacted, we generally would be required to hold interests in entities earning income from Carried Interest through taxable subsidiary corporations following such ten-year period. In June 2010, the U.S. Senate considered but did not pass legislation that is generally similar to the legislation passed by the U.S. House of Representatives in May 2010. In September 2010, this previously considered legislation was reintroduced in the U.S. Senate. It is unclear whether or when the U.S. Congress will reconsider similar legislation or if enacted, what provision will be included in any final legislation.

On September 12, 2011, the Obama administration submitted similar legislation to Congress in the American Jobs Act that would tax income and gain, including gain on sale, attributable to an ISPI at ordinary rates, with an exception for certain qualified capital interests. The proposed legislation would also characterize certain income and gain in respect of ISPIs as non-qualifying income under the tax rules applicable to publicly traded partnerships after a ten-year transition period from the effective date, with an exception for certain qualified capital interests. This proposed legislation follows several prior statements by the Obama administration in support of changing the taxation of Carried Interest. The Obama administration supported the adoption of the May 2010 legislation or legislation that would similarly change the treatment of Carried Interest for U.S. federal income tax purposes. In its published revenue proposal for 2012, the Obama administration proposed that the current law regarding the treatment of Carried Interest be changed to subject such income to ordinary income tax (which would be taxed at a higher rate than the proposed blended rate under the House legislation). President Obama reiterated his support for such a change during the course of the deficit reduction deliberations among the President and Congressional leaders from April through July 2011. The Obama administration proposed similar changes in its published revenue proposals for 2010 and 2011.

If we were taxed as a corporation or were forced to hold interests in entities earning income from Carried Interest through taxable subsidiary corporations, our effective tax rate could increase significantly. The federal statutory rate for corporations is currently 35%, and the state and local tax rates, net of the federal benefit, aggregate approximately 10%. If a variation of the above described legislation or any other change in the tax

Table of Contents

laws, rules, regulations or interpretations preclude us from qualifying for treatment as a partnership for U.S. federal income tax purposes under the publicly traded partnership rules or force us to hold interests in entities earning income from Carried Interest through taxable subsidiary corporations, this could materially increase our tax liability, and could well result in a reduction in the market price of our common units.

It is not possible at this time to meaningfully quantify the potential impact on Blackstone of this potential future legislation or any similar legislation. Multiple versions of legislation in this area have been proposed over the last few years that have included significantly different provisions regarding effective dates and the treatment of invested capital, tiered entities and cross-border operations, among other matters. Depending upon what version of the legislation, if any, were enacted, the potential impact on a public company such as Blackstone in a given year could differ dramatically and could be material. In addition, these legislative proposals would not themselves impose a tax on a publicly traded partnership such as Blackstone. Rather, they could force Blackstone and other publicly traded partnerships to restructure their operations so as to prevent disqualifying income from reaching the publicly traded partnership in amounts that would disqualify the partnership from treatment as a partnership for U.S. federal income tax purposes. Such a restructuring could result in more income being earned in corporate subsidiaries, thereby increasing corporate income tax liability indirectly borne by the publicly traded partnership. The nature of any such restructuring would depend on the precise provisions of the legislation that was ultimately enacted, as well as the particular facts and circumstances of Blackstone's operations at the time any such legislation were to take effect, making the task of predicting the amount of additional tax highly speculative.

Economic Net Income

Blackstone uses Economic Net Income ("ENI") as a key measure of value creation, a benchmark of its performance and in making resource deployment and compensation decisions across its five segments. ENI represents segment net income before taxes excluding transaction-related charges. Transaction-related charges arise from Blackstone's initial public offering ("IPO") and other corporate actions, including acquisitions. Transaction-related charges include equity-based compensation charges, the amortization of intangible assets and contingent consideration associated with acquisitions. ENI presents revenues and expenses on a basis that deconsolidates the investment funds we manage. (See Note 17. "Segment Reporting" in the "Notes to Condensed Consolidated Financial Statements" in Part I. Item 1. Financial Statements.)

Distributable Earnings

Distributable Earnings, which is derived from our segment reported results, is a supplemental measure to assess performance and amounts available for distributions to Blackstone unitholders, including Blackstone personnel and others who are limited partners of the Blackstone Holdings partnerships. Distributable Earnings, which is a non-GAAP measure, is intended to show the amount of net realized earnings without the effects of the consolidation of the Blackstone Funds. Distributable Earnings is derived from, but not equivalent to, its most directly comparable GAAP measure of Income (Loss) Before Provision for Taxes. See "— Liquidity and Capital Resources — Liquidity and Capital Resources" below for our detailed discussion of Distributable Earnings.

Distributable Earnings, which is a component of Economic Net Income, is the sum across all segments of: (a) Total Management and Advisory Fees, (b) Interest and Dividend Revenue, (c) Other Revenue, (d) Realized Performance Fees, and (e) Realized Investment Income (Loss); less (a) Compensation, (b) Realized Performance Fee Compensation, (c) Other Operating Expenses and (d) Cash Taxes and Payables Under the Tax Receivable Agreement. Distributable Earnings is reconciled to Blackstone's Condensed Consolidated Statement of Operations. It is Blackstone's current intention that on an annual basis it will distribute to unitholders all of its Distributable Earnings, less realized investment gains, in excess of amounts determined by its general partner to be necessary or appropriate to provide for the conduct of its business, to make appropriate investments in its business and funds, to comply with applicable law, any of its debt instruments or other agreements, or to provide for future distributions to its unitholders for any ensuing quarter.

Table of Contents

Net Fee Related Earnings from Operations

Blackstone uses Net Fee Related Earnings from Operations as a measure to highlight earnings from operations excluding: (a) the income related to performance fees and related performance fee compensation costs, (b) income earned from Blackstone's investments in the Blackstone Funds, and (c) realized and unrealized gains (losses) from other investments except for such gains (losses) from Blackstone's Treasury cash management strategies. Management uses Net Fee Related Earnings from Operations as a measure to assess whether recurring revenue from our businesses is sufficient to adequately cover all of our operating expenses and generate profits. Net Fee Related Earnings from Operations equals contractual fee revenues, investment income from Blackstone's Treasury cash management strategies and interest income, less (a) compensation expenses (which includes amortization of non-IPO and non-acquisition-related equity-based awards, but excludes amortization of IPO and acquisition-related equity-based awards, Carried Interest and incentive fee compensation), (b) other operating expenses and (c) cash taxes due on earnings from operations as calculated using a similar methodology as applied in calculating the current tax provision (benefit) for The Blackstone Group L.P. See "— Liquidity and Capital Resources — Liquidity and Capital Resources" below for a detailed discussion of Net Fee Related Earnings from Operations.

Operating Metrics

The alternative asset management business is a complex business that is primarily based on managing third party capital and does not require substantial capital investment to support rapid growth. However, there also can be volatility associated with its earnings and cash flows. Since our inception, we have developed and used various key operating metrics to assess and monitor the operating performance of our various alternative asset management businesses in order to monitor the effectiveness of our value creating strategies.

Assets Under Management. Assets Under Management refers to the assets we manage. Our Assets Under Management equal the sum of:

- (a) the fair value of the investments held by our carry funds plus the capital that we are entitled to call from investors in those funds pursuant to the terms of their capital commitments to those funds (plus the fair value of co-investments arranged by us that were made by limited partners of our funds in portfolio companies of such funds and on which we receive fees or a Carried Interest allocation);
- (b) the net asset value of our funds of hedge funds, hedge funds and our closed-end mutual funds;
- (c) the fair value of assets we manage pursuant to separately managed accounts; and
- (d) the amount of capital raised for our CLOs.

Our carry funds are commitment-based drawdown structured funds that do not permit investors to redeem their interests at their election. Interests related to our funds of hedge funds and certain of our credit-oriented funds are generally subject to annual, semi-annual or quarterly withdrawal or redemption by investors upon advance written notice, with the majority of our funds requiring from 60 days up to 95 days' notice, depending on the fund and the liquidity profile of the underlying assets. Investment advisory agreements related to separately managed accounts may generally be terminated by an investor on 30 to 90 days' notice.

Fee-Earning Assets Under Management . Fee-Earning Assets Under Management refers to the assets we manage on which we derive management and / or incentive fees. Our Fee-Earning Assets Under Management generally equal the sum of:

- (a) for our Blackstone Capital Partners ("BCP") and Blackstone Real Estate Partners ("BREP") funds where the investment period has not expired, the amount of capital commitments;
- (b) for our BCP and BREP funds where the investment period has expired, the remaining amount of invested capital plus binding investment commitments;

Table of Contents

- (c) for our real estate debt investment funds (“BREDS”), the remaining amount of invested capital;
- (d) for our credit-oriented carry funds, the amount of invested capital (which may be calculated to include leverage) or net asset value;
- (e) the invested capital of co-investments arranged by us that were made by limited partners of our funds in portfolio companies of such funds and on which we receive fees;
- (f) the net asset value of our funds of hedge funds, hedge funds (except our credit-oriented closed-end registered investment companies) and our closed-end mutual funds;
- (g) the fair value of assets we manage pursuant to separately managed accounts;
- (h) the gross amount of underlying assets of our CLOs at cost; and
- (i) the gross amount of assets (including leverage) for our credit-oriented closed-end registered investment companies.

Our calculations of assets under management and fee-earning assets under management may differ from the calculations of other asset managers, and as a result this measure may not be comparable to similar measures presented by other asset managers. In addition, our calculation of assets under management includes commitments to, and the fair value of, invested capital in our funds from Blackstone and our personnel, regardless of whether such commitments or invested capital are subject to fees. Our definitions of assets under management or fee-earning assets under management are not based on any definition of assets under management or fee-earning assets under management that is set forth in the agreements governing the investment funds that we manage.

For our carry funds, total assets under management includes the fair value of the investments held, whereas fee-earning assets under management includes the amount of capital commitments or the remaining amount of invested capital at cost plus binding investment commitments, depending on whether the investment period has or has not expired. As such, fee-earning assets under management may be greater than total assets under management when the aggregate fair value of the remaining investments is less than the cost of those investments.

Limited Partner Capital Invested. Limited Partner Capital Invested represents the amount of Limited Partner capital commitments which were invested by our carry funds during each period presented, plus the capital invested through co-investments arranged by us that were made by limited partners in investments of our carry funds on which we receive fees or a Carried Interest allocation.

We manage our business using traditional financial measures and our key operating metrics since we believe that these metrics measure the productivity of our investment activities.

Consolidated Results of Operations

Following is a discussion of our consolidated results of operations for the three and nine months ended September 30, 2011 and 2010. For a more detailed discussion of the factors that affected the results of our five business segments (which are presented on a basis that deconsolidates the investment funds we manage) in these periods, see “— Segment Analysis” below.

Revenues

Total Revenues were \$(124.1) million for the three months ended September 30, 2011, a decrease of \$908.1 million compared to Total Revenues for the three months ended September 30, 2010 of \$784.0 million. The decrease in revenues was primarily driven by a decrease of \$722.3 million in Performance Fees and a decrease of \$241.4 million in Investment Income (Loss), partially offset by an increase of \$62.7 million in Management and Advisory Fees. The decrease in Performance Fees across our investment segments was largely driven by the volatility in the public markets as a result of global economic uncertainty. In our Real Estate segment, a material portion of the decrease in Performance Fees was due to the reversal of previously recognized profit allocations, amplified by the “catch-up” provisions of the funds. The increase in Management and Advisory Fees was primarily attributable to (a) increases in transaction fees due to the continued increase in investment activity and base management fees earned from our management of the Bank of America Merrill Lynch Asia real estate platform within our Real Estate segment, (b) increases in management fees in our Private Equity segment, driven by fees generated from BCP VI and Blackstone Energy Partners (“BEP”) funds, which had their investment periods commence during the first and third quarters of 2011, respectively, and (c) increases in management fees in our Credit Businesses and Hedge Fund Solutions segments due to higher Fee-Earning Assets Under Management.

Total Revenues were \$2.3 billion for the nine months ended September 30, 2011, an increase of \$302.1 million compared to Total Revenues for the nine months ended September 30, 2010 of \$2.0 billion. The increase in revenues was primarily attributable to an increase of \$340.3 million in Performance Fees and an increase of \$212.6 million in Management and Advisory Fees. The increase in Performance Fees was due to improved operating performance and projected cash flows resulting in the appreciation in fair value of the investments across our Real Estate carry funds and the impact of the “catch-up” provisions of the Real Estate funds’ profit allocations. The increase in Management and Advisory Fees across all segments was attributed to (a) increases in transaction fees in our Real Estate segment, driven by the continued increase in investment activity in our BREP funds, primarily as a result of BREP VI’s acquisition of the U.S. assets of Centro in the second quarter of 2011, and management fees earned from the management of the Bank of America Merrill Lynch Asia real estate platform, (b) increases in management fees in our Private Equity segment driven by fees generated from BCP VI, which commenced its investment period during the first quarter of 2011, and one time fees earned from the termination of management advisory service agreements related to portfolio companies that completed initial public offerings, and (c) increases in management fees in our Credit Businesses and Hedge Fund Solutions segments due to higher Fee-Earning Assets Under Management.

Expenses

Expenses were \$540.9 million for the three months ended September 30, 2011, a decrease of \$384.8 million, or 42%, compared to \$925.8 million for the three months ended September 30, 2010. The decrease was primarily attributable to a decrease of \$399.7 million across the components of Compensation and Benefits. Performance Fee Compensation decreased \$230.2 million due to the reversals of Performance Fee accruals related to the decline in Performance Fees. Compensation decreased \$169.5 million from the prior year period to \$494.5 million primarily attributable to a decrease in equity-based compensation as a result of the absence of expense related to certain of our equity-based compensation awards that vested at the end of the second quarter of 2010. General, Administrative and Other expenses were \$124.9 million for the current quarter, an increase of \$10.6 million, driven primarily by the levels of business activity, revenue growth and headcount. Interest Expense increased \$2.0 million in the current year quarter due to Blackstone’s issuance of its \$400 million of senior notes in September 2010.

Expenses were \$2.5 billion for the nine months ended September 30, 2011, a decrease of \$637.6 million, or 20%, compared to \$3.2 billion for the nine months ended September 30, 2010. The decrease was primarily attributable to a decrease of \$694.9 million in Compensation and Benefits driven by a decrease in Compensation. Compensation decreased \$703.3 million from the prior year period to \$1.9 billion principally due to the absence

Table of Contents

of equity-based compensation expense discussed above. General, Administrative and Other expenses were \$380.4 million for the current year period, an increase of \$38.6 million driven by the same factors as for the quarterly period noted above. Interest Expense was \$41.8 million for the current year, an increase of \$15.1 million from the same period of 2010, due to the senior notes issuance noted above.

Other Income

Other Income (Loss) was \$(329.4) million for the three months ended September 30, 2011, a decrease of \$614.5 million compared to \$285.1 million for the three months ended September 30, 2010. Other Income (Loss) is attributable to the non-controlling interest holders of the consolidated Blackstone Funds. The change was principally attributable to a decrease in the value of our consolidated CLO vehicles resulting from the general decline in the CLO market.

Other Income (Loss) was \$(449.2) million for the nine months ended September 30, 2011, a decrease of \$846.9 million compared to \$397.6 million for the nine months ended September 30, 2010. Other Income (Loss) is attributable to the non-controlling interest holders of the consolidated Blackstone Funds. The change was principally driven by the same factors discussed above for the three month period.

Fee-Earning Assets Under Management

Fee-Earning Assets Under Management were \$132.9 billion at September 30, 2011, an increase of \$3.9 billion, or 3%, compared to \$129.0 billion at June 30, 2011. Inflows of \$10.8 billion were primarily related to (a) inflows of \$4.3 billion in our Real Estate segment primarily related to the commencement of BREP VII in August 2011, (b) inflows of \$2.8 billion in our Hedge Fund Solutions segment primarily due to growth in its commingled and customized investment products and long only solutions business, (c) inflows of \$2.3 billion in our Credit Businesses segment principally due to capital raised across its long only platform and capital deployed from its drawdown funds, and (d) inflows of \$1.4 billion in our Private Equity segment primarily related to the first close in our BEP fund and from additional capital raised for our BCP VI fund. Outflows of \$3.6 billion were primarily attributable to (a) outflows of \$2.0 billion in our Real Estate segment primarily due to the end of BREP VI's investment period, (b) outflows of \$1.1 billion in our Credit Businesses segment, due primarily to deleveraging of certain CLO vehicles post their reinvestment periods, and (c) outflows of \$375.2 million in our Hedge Fund Solutions segment as a result of, in general, the liquidity needs of limited partners. Net market depreciation of \$3.3 billion was principally due to declines and increased volatility in the global markets.

Fee-Earning Assets Under Management were \$132.9 billion at September 30, 2011, an increase of \$23.4 billion, or 21%, compared to \$109.5 billion at December 31, 2010. Inflows of \$36.1 billion were primarily

related to (a) inflows of \$15.7 billion in our Private Equity segment primarily due to the commencement of the investment periods for the BCP VI, China and BEP funds, (b) inflows of \$7.4 billion in our Hedge Fund Solutions segment primarily due to growth in its commingled and customized investment products and long only solutions business, (c) inflows of \$6.8 billion in our Credit Businesses segment primarily due to capital raised across its long only platform, including the acquisition of \$2.2 billion of CLO vehicles in the second quarter of 2011, and capital deployed from its drawdown funds, (d) and inflows of \$6.0 billion in our Real Estate segment primarily due to the deployment of \$1.1 billion of fee-earning co-investment capital related to the acquisition of the U.S. assets of Centro and the commencement of BREP VII. Outflows of \$10.7 billion were primarily attributable to (a) outflows of \$3.3 billion in our Credit Businesses segment substantially due to deleveraging of certain CLO vehicles post their reinvestment periods and realizations in the drawdown funds, (b) outflows of \$3.1 billion in our Real Estate segment primarily due to realizations from the Bank of America Merrill Lynch Asia real estate platform and the end of BREP VI's investment period, and (c) reductions of \$2.9 billion in our Private Equity segment's Fee-Earning Assets Under Management due for the most part to the end of BCP V's investment period during the first quarter of 2011 and dispositions in funds which earn fees based on remaining invested capital. Net market depreciation of \$1.9 billion was principally due to declines in global markets in the third quarter of 2011.

Assets Under Management

Assets Under Management were \$157.7 billion at September 30, 2011, a decrease of \$1.0 billion, or 1%, compared to \$158.7 billion at June 30, 2011. Inflows of \$10.0 billion were primarily related to (a) inflows of \$4.2 billion in our Real Estate segment primarily related to the commencement of BREP VII, (b) inflows of \$2.7 billion in our Hedge Fund Solutions segment due to growth in its commingled and customized investment products, and (c) inflows of \$1.8 billion in our Credit Businesses segment driven by capital raised across its long only platform. Net market depreciation of \$6.3 billion was principally due to the Private Equity and Hedge Fund Solutions segments, both of which were affected by the equity market declines. Outflows of \$4.7 billion principally from our Private Equity and Credit Businesses segments were due to the same reasons noted in Fee-Earning Assets Under Management above.

Assets Under Management were \$157.7 billion at September 30, 2011, an increase of \$29.6 billion, or 23%, compared to \$128.1 billion at December 31, 2010. Inflows of \$38.6 billion were primarily related to (a) inflows of \$16.4 billion in our Private Equity segment driven by the commencement of BCP VI's investment period, (b) inflows of \$9.4 billion in our Hedge Fund Solutions segment due to growth in the hedge fund manager seeding platform, long only commodities and equity replacement business and its commingled and customized investment products, (c) inflows of \$6.5 billion in our Real Estate segment primarily due to the deployment of additional co-investment capital and the commencement of BREP VII, and (d) inflows of \$6.3 billion in our Credit Businesses segment principally due to the acquisition of \$2.3 billion of CLO vehicles and capital raised across its long only platform. Net market appreciation of \$3.0 billion was due to appreciation in the Real Estate and Private Equity segments of \$3.6 billion and \$1.3 billion, respectively, and there was depreciation in the Hedge Fund Solutions segment of \$2.1 billion. Private Equity and Real Estate benefited from improvements in the carrying values of their investments while Hedge Fund Solutions was affected by equity market declines. Outflows of \$12.0 billion, principally from our Private Equity, Credit Businesses and Hedge Fund Solutions segments, were for the same reasons noted in Fee-Earning Assets Under Management above.

Limited Partner Capital Invested

Limited Partner Capital Invested was \$9.5 billion for the nine months ended September 30, 2011, an increase of \$5.1 billion, or 116%, compared to \$4.4 billion for the nine months ended September 30, 2010. The change for the nine month period primarily reflected an increase of \$3.4 billion in our Real Estate segment, which was primarily related to increased investment activity by our investment funds and the acquisition of the U.S. assets of Centro.

Segment Analysis

Discussed below is our ENI for each of our segments. This information is reflected in the manner utilized by our senior management to make operating decisions, assess performance and allocate resources. References to “our” sectors or investments may also refer to portfolio companies and investments of the underlying funds that we manage.

For segment reporting purposes, revenues and expenses are presented on a basis that deconsolidates the investment funds we manage. As a result, segment revenues are greater than those presented on a consolidated GAAP basis because fund management fees recognized in certain segments are received from the Blackstone Funds and eliminated in consolidation when presented on a consolidated GAAP basis. Furthermore, segment expenses are lower than related amounts presented on a consolidated GAAP basis due to the exclusion of fund expenses that are paid by Limited Partners and the elimination of non-controlling interests.

Revenues

Revenues were \$(285.1) million for the three months ended September 30, 2011 compared to \$214.9 million for the three months ended September 30, 2010, a decrease of \$500.1 million. The decrease in revenues was attributable to decreases in Performance Fees and Investment Income of \$378.3 million and \$141.6 million, respectively, partially offset by an increase in Total Management Fees of \$21.1 million.

Performance Fees, which are determined on a fund by fund basis, were \$(288.0) million for the three months ended September 30, 2011, a decrease of \$378.3 million, compared to \$90.3 million for the three months ended September 30, 2010. The decrease was mostly driven by negative volatility in the public markets as a result of global economic uncertainty. The carrying value of the publicly held investments was reduced due to a significant drop in global equities markets during the quarter and lower values of foreign currencies in relation to the U.S. dollar. The public markets decline was not limited to any specific industry. The segment's privately held investments declined in carrying value to a lesser extent due to continued strong operating performance of the underlying portfolio companies. For the first two quarters of 2011, the latest available quarterly financial information, growth in revenue and EBITDA of the portfolio companies averaged approximately 12% and 10%, respectively. Our Private Equity segment's portfolio companies continue to exhibit generally positive revenue and earnings growth. Investment Income (Loss) was \$(101.1) million compared to \$40.4 million for the three months ended September 30, 2010, also due to public markets driving lower performance across all contributed funds, which depreciated 10.9% during the period. The lower performance results from the unrealized fair value of our investments and not from the dispositions of our holdings. At September 30, 2011, the unrealized value and cumulative realized proceeds, before Carried Interest, fees and expenses, of our contributed private equity funds represented 1.4 times investors' original investments. On a realized/partially realized basis, this multiple was 2.3 times investors' original investments for contributed funds.

Total Management Fees were \$100.5 million for the three months ended September 30, 2011, an increase of \$21.1 million compared to \$79.3 million for the three months ended September 30, 2010, driven by higher Base Management Fees and Transaction and Other Fees but slightly reduced by Management Fee Offsets. Base Management Fees were \$85.5 million for the three months ended September 30, 2011, an increase of \$19.5 million compared to \$66.1 million for the three months ended September 30, 2010, principally as a result of fees generated from BCP VI and BEP, which commenced their investment periods during the first and third quarters of 2011, respectively. Transaction and Other Fees were \$21.4 million for the three months ended September 30, 2011, an increase of \$8.1 million compared to \$13.3 million for the three months ended September 30, 2010, principally as a result of fees earned from new investments made from our BCP VI and BEP funds. Management Fee Offsets relate to a reduction of management fees payable by our limited partners in BCP VI based on the amount they reimbursed Blackstone for placement fees.

Revenues were \$387.9 million for the nine months ended September 30, 2011, a decrease of \$187.7 million compared to \$575.6 million for the nine months ended September 30, 2010. The decrease in revenues was attributed to decreases in Performance Fees and Investment Income of \$143.6 million and \$119.2 million, respectively, partially offset by an increase in Total Management Fees of \$75.0 million.

Performance Fees, which are determined on a fund by fund basis, were \$15.5 million for the nine months ended September 30, 2011, a decrease of \$143.6 million, compared to \$159.1 million for the nine months ended September 30, 2010, principally due to lower performance in the BCP IV portfolio driven by public holdings and depreciation of investments in the technology industry. Investment Income was \$25.9 million, a decrease of \$119.2 million, compared to \$145.0 million for the nine months ended September 30, 2010, principally driven by BCP IV and BCP V which, despite having positive current period performance, had lower fund returns than for the comparative nine month period of 2010.

Table of Contents

Total Management Fees were \$334.9 million for the nine months ended September 30, 2011, an increase of \$75.0 million compared to \$259.9 million for the nine months ended September 30, 2010, driven by increased Base Management Fees and Transaction and Other Fees, partially offset by Management Fee Offsets. Base Management Fees were \$247.8 million for the nine months ended September 30, 2011, an increase of \$49.5 million compared to \$198.3 million for the nine months ended September 30, 2010, principally as a result of fees generated from BCP VI, which commenced its investment period during the first quarter of 2011. Transaction and Other Fees were \$109.1 million for the nine months ended September 30, 2011, an increase of \$47.4 million compared to \$61.7 million for the nine months ended September 30, 2010, principally as a result of one time fees earned from the termination of management advisory service agreements related to portfolio companies that completed initial public offerings as well as fees generated from the increase in new investment activity. Management Fee Offsets relate to a reduction of management fees payable by our limited partners in BCP VI based on the amount they reimbursed Blackstone for placement fees.

Expenses

Expenses were \$34.4 million for the three months ended September 30, 2011, a decrease of \$68.6 million, compared to \$103.0 million for the three months ended September 30, 2010. The \$68.6 million decrease was primarily attributed to a \$76.5 million decrease in Performance Fee Compensation, partially offset by a \$6.7 million increase in Compensation. Performance Fee Compensation decreased as a result of the decreases in Performance Fees revenue described above. Compensation rose as a portion of it is related to the segment's results, exclusive of Performance Fees and Investment Income. Other Operating Expenses were relatively flat compared to the prior year.

Expenses were \$258.7 million for the nine months ended September 30, 2011, an increase of \$6.9 million, compared to \$251.8 million for the nine months ended September 30, 2010. The \$6.9 million increase was primarily attributed to a \$36.1 million increase in Compensation and a \$7.0 million increase in Other Operating Expenses, partially offset by a \$36.1 million decrease in Performance Fee Compensation. Performance Fee Compensation decreased as a result of the decreases in Performance Fees revenue. Compensation rose as a portion of it is related to the segment's results, exclusive of Performance Fees and Investment Income. Other Operating Expenses increased \$7.0 million to \$86.4 million, principally due to interest expense.

(a) Fee-Earning Assets Under Management and Assets Under Management as of September 30, 2011 include \$502.2 million from a joint venture in which we are the minority interest holder.

Fee-Earning Assets Under Management

Fee-Earning Assets Under Management were \$37.0 billion at September 30, 2011, an increase of \$1.2 billion, or 3%, compared with \$35.8 billion at June 30, 2011. Inflows of \$1.4 billion were from the first close in our BEP fund and from additional capital raised for our BCP VI fund. Inflows were also up as a result of investments and commitments made in funds that generate fees on invested capital. Outflows of \$176.9 million were primarily a result of dispositions in BCP V. Market depreciation of \$44.9 million in the third quarter of 2011 was primarily due to the impact of foreign exchange rates. Fee-Earning Assets Under Management increased \$12.7 billion from \$24.3 billion at September 30, 2010 to \$37.0 billion at September 30, 2011 due to capital raised for our new funds, partially offset by the termination of BCP V's investment period and the disposition of investments in funds that are in their post investment periods.

Fee-Earning Assets Under Management were \$37.0 billion at September 30, 2011, an increase of \$12.8 billion, or 53%, compared with \$24.2 billion at December 31, 2010. Inflows of \$15.7 billion were primarily due to the commencement of the investment periods for BCP VI, BEP and China funds, which have raised \$14.3 billion, \$0.7 billion, and \$0.2 billion, respectively, of third party capital through September 30, 2011. Outflows of \$2.9 billion were primarily a result of the end of BCP V's investment period during the first quarter of 2011 and dispositions in funds which earn fees based on remaining invested capital. After the close of a fund's investment period, management fees are based on invested capital and binding commitments to new investments. Market depreciation of \$15.8 million was due primarily to the impact of foreign exchange rates.

Assets Under Management

Assets Under Management were \$43.0 billion at September 30, 2011, a decrease of \$3.8 billion, or 8%, compared with \$46.7 billion at June 30, 2011. The decrease was primarily due to market depreciation in our existing portfolio of \$2.9 billion and outflows of \$2.2 billion resulting from dispositions of investments, partially offset by inflows of \$1.3 billion driven by capital raised for our BCP VI and BEP funds.

Assets Under Management were \$43.0 billion at September 30, 2011, an increase of \$13.6 billion, or 47%, compared with \$29.3 billion at December 31, 2010. The increase was primarily due to inflows of \$16.4 billion driven mainly by the commencement of BCP VI's investment period and market appreciation of \$1.3 billion in our existing portfolio, partially offset by outflows of \$4.1 billion resulting from the dispositions of investments and the termination of BCP V's investment period during the first quarter of 2011.

Limited Partner Capital Invested

Limited Partner Capital Invested was \$1.4 billion for the three months ended September 30, 2011, an increase of \$735.9 million, compared to \$678.9 million for the three months ended September 30, 2010. Limited Partner Capital Invested was \$2.7 billion for the nine months ended September 30, 2011, an increase of \$1.2 billion, compared to \$1.5 billion for the nine months ended September 30, 2010. The increases were primarily attributable to an increase in new transaction and follow-on activity across various industries and all regions.

The Private Equity segment has three contributed funds with closed investment periods: BCP IV, BCP V and BCOM. As of September 30, 2011, BCP IV was above its Carried Interest threshold (i.e., the preferred return payable to its limited partners before the general partner is eligible to receive Carried Interest) and would still be above its Carried Interest threshold even if all remaining investments were deemed worthless. BCP V is currently below its Carried Interest threshold. BCOM is currently below its Carried Interest threshold but has generated inception-to-date positive returns. We are entitled to retain previously realized Carried Interest up to 20% of BCOM’s net gains. As a result, Performance Fees are recognized from BCOM on current period gains and losses.

The following table presents the Carried Interest status of our private equity funds out of their investment period which are currently not generating performance fees as of September 30, 2011:

<u>Funds out of the Investment Period</u>	<u>Available Capital (b)</u>	<u>Gain to Cross Carried Interest Threshold (a)</u>

		(Dollars in Millions)	
BCP V (Dec 2005 / Dec 2011)	\$ 1,667	\$ 5,815	12%

- (a) The general partner of each fund is allocated Carried Interest when the annualized returns, net of management fees and expenses, exceed the preferred return as dictated by the fund agreements. The preferred return is calculated for each limited partner individually. The Gain to Cross Carried Interest Threshold represents the increase in equity at the fund level (excluding our side-by-side investments) that is required for the general partner to begin accruing Carried Interest, assuming the gain is earned pro rata across the fund’s investments and is achieved at the reporting date.
- (b) Available Capital represents total capital commitments, including side-by-side, adjusted for certain expenses and expired or callable capital, less invested capital.
- (c) Total Enterprise Value is the respective fund’s pro rata ownership of the portfolio companies’ Enterprise Value at the reporting date.

Revenues

Revenues were \$(15.2) million for the three months ended September 30, 2011, a decrease of \$273.0 million compared to \$257.8 million for the three months ended September 30, 2010. The decrease in revenues was primarily attributed to a decrease of \$189.8 million in Performance Fees and a decrease of \$104.9 million in Investment Income, partially offset by a \$25.2 million increase in Total Management Fees.

Performance Fees, which are determined on a fund by fund basis, were \$(114.9) million for the three months ended September 30, 2011, a decrease of \$189.8 million compared to \$74.9 million for the three months ended September 30, 2010. Investment Income (Loss) was \$(18.7) million for the three months ended

Table of Contents

September 30, 2011, a decrease of \$104.9 million compared to \$86.1 million for the three months ended September 30, 2010. The decrease in Performance Fees and Investment Income (Loss) was primarily related to the decline in the public markets, which impacted the segment's public stock holdings and certain hospitality investments along with the negative impact of foreign exchange. Offsetting these factors was an increase in the value of the retail portfolio. A material portion of the decrease in Performance Fees was due to the reversal of previously recognized profit allocations in accordance with the "catch-up" provisions of the funds. The carrying value of the underlying assets in contributed Real Estate funds, including co-investments, increased 0.1% for the third quarter of 2011. The segment's properties continued to demonstrate solid growth in revenue and net operating income. For the third quarter of 2011, RevPAR (Revenue per Available Room) of Blackstone's investments increased between 6% and 8% year over year. Occupancy levels and rental rates within the office portfolio increased 130 basis points and 11%, respectively, compared to the prior year. In addition, retail sales in mall investments were up 8% and leasing activity increased 40% at the grocery anchored strip centers, compared to the prior year. As of September 30, 2011, the unrealized value and cumulative proceeds, before carried interest, fees and expenses, of our contributed Real Estate carry funds represented 1.4 times investors' original investments. On a realized/partially realized basis, this multiple was 2.2 times investors' original investments.

Total Management Fees were \$116.6 million for the three months ended September 30, 2011, an increase of \$25.2 million compared to \$91.4 million for the three months ended September 30, 2010. Transaction and Other Fees were \$19.6 million for the three months ended September 30, 2011, an increase of \$11.0 million compared to \$8.5 million for the three months ended September 30, 2010, reflecting the continued increase in investment activity in our BREP funds. Base Management Fees were \$97.9 million for the three months ended September 30, 2011, an increase of \$14.7 million compared to \$83.2 million for the three months ended September 30, 2010, primarily due to fees earned from our management of the Bank of America Merrill Lynch Asia real estate platform.

Revenues were \$1.2 billion for the nine months ended September 30, 2011, an improvement of \$570.5 million compared to \$618.4 million for the nine months ended September 30, 2010. The increase in revenues was primarily attributed to an increase of \$576.4 million in Total Performance Fees and an increase of \$117.4 million in Total Management Fees, partially offset by a decrease of \$124.8 million in Total Investment Income.

Performance Fees, which are determined on a fund by fund basis, were \$706.1 million for the nine months ended September 30, 2011, an improvement of \$576.4 million compared to \$129.7 million for the nine months ended September 30, 2010. Investment Income was \$94.3 million for the nine months ended September 30, 2011, a decrease of \$124.8 million compared to \$219.1 million for the nine months ended September 30, 2010. The net appreciation in fair value of the investments in our BREP V and BREP VI carry funds primarily contributed to the increase in Performance Fees for the nine months ended September 30, 2011. Performance Fees benefited from the strong performance of our carry funds with a portion of the increase due to the impact of the "catch-up" provisions of the Real Estate funds' profit allocations. The decrease in Investment Income was primarily driven by a decrease in the appreciation of investments related to the BREP VI fund in which Blackstone owns a greater share of such investments. The net appreciation in fair value of the underlying assets for Blackstone's contributed Real Estate carry funds, including co-investments, was 13.9% for the nine months ended September 30, 2011. The performance during the nine months ended September 30, 2011 was primarily driven by improved operating performance and projected cash flows across our Real Estate carry funds' investments, including co-investments, which resulted in the appreciation of our holdings, principally within our office, hotel and retail portfolios.

Total Management Fees were \$379.1 million for the nine months ended September 30, 2011, an increase of \$117.4 million compared to \$261.7 million for the nine months ended September 30, 2010. Transaction and Other Fees were \$90.4 million for the nine months ended September 30, 2011, an increase of \$76.9 million compared to \$13.5 million for the nine months ended September 30, 2010, reflecting the continued increase in investment activity in our BREP funds, primarily as a result of BREP VI's acquisition of the U.S. assets of Centro. Base Management Fees were \$290.8 million for the nine months ended September 30, 2011, an increase

Table of Contents

of \$41.6 million compared to \$249.2 million for the nine months ended September 30, 2010, primarily due to fees earned from the management of the Bank of America Merrill Lynch Asia real estate platform and management fees earned from our co-investments.

Expenses

Expenses were \$50.5 million for the three months ended September 30, 2011, a decrease of \$59.3 million, compared to \$109.8 million for the three months ended September 30, 2010. The decrease was primarily attributed to a \$76.2 million decrease in Performance Fee Compensation, resulting from a decrease in Performance Fees revenue, partially offset by an increase in Compensation of \$12.0 million to \$55.3 million, primarily due to headcount increases related to the management of the Bank of America Merrill Lynch Asia real estate platform, which also added significant increases in Management Fees revenue. Additionally, a portion of Compensation is related to the segment's results, exclusive of Performance Fee and Investment Income. Other Operating Expenses increased \$4.9 million to \$23.5 million for the three months ended September 30, 2011, principally due to expenses related to the management of the Bank of America Merrill Lynch Asia real estate platform and interest expense allocated to the segment.

Expenses were \$440.1 million for the nine months ended September 30, 2011, an increase of \$180.3 million, compared to \$259.8 million for the nine months ended September 30, 2010. The increase was primarily attributed to a \$98.5 million increase in Performance Fee Compensation, resulting from improved Performance Fees revenue and an increase in Compensation of \$57.5 million to \$185.4 million. Compensation rose primarily due to headcount increases related to the management of the Bank of America Merrill Lynch Asia real estate platform and the improved results of the segment, exclusive of Performance Fees and Investment Income. Other Operating Expenses increased \$24.3 million to \$74.8 million for the nine months ended September 30, 2011, principally due to placement fees related to our debt investment funds, interest expense allocated to the segment, and expenses related to the management of the Bank of America Merrill Lynch Asia real estate platform.

Fee-Earning Assets Under Management

Fee-Earning Assets Under Management were \$30.0 billion at September 30, 2011, an increase of \$2.1 billion, or 7%, compared with \$27.9 billion at June 30, 2011. Inflows of \$4.3 billion were primarily related to the commencement of BREP VII in August 2011. Outflows were \$2.0 billion, primarily due to the end of BREP VI's investment period. Market depreciation of \$192.8 million was primarily due to the unfavorable foreign exchange impact on commitments from our European focused real estate funds. Fee-Earning Assets Under Management increased \$5.6 billion, or 23%, from September 30, 2010 to \$30.0 billion at September 30, 2011. The increase was primarily related to the commencement of BREP VII, which had its first closing in August 2011, the commencement of our management of the Bank of America Merrill Lynch Asia real estate platform, and co-investment capital related to the acquisition of the U.S. assets of Centro.

Fee-Earning Assets Under Management were \$30.0 billion at September 30, 2011, an increase of \$3.2 billion, or 12%, compared with \$26.8 billion at December 31, 2010. Inflows of \$6.0 billion were primarily related to the commencement of BREP VII and co-investment capital related to the acquisition of the U.S. assets of Centro. Outflows were \$3.1 billion, primarily due to realizations from the Bank of America Merrill Lynch Asia real estate platform and the end of BREP VI's investment period. Market appreciation of \$224.2 million was primarily due to the favorable foreign exchange impact on commitments from our European focused real estate funds and on the Bank of America Merrill Lynch Asia real estate platform that we manage.

Assets Under Management

At September 30, 2011, Assets Under Management were \$40.7 billion, an increase of \$3.1 billion, or 8%, compared with \$37.6 billion at June 30, 2011. The change was due to inflows of \$4.2 billion primarily related to the commencement of BREP VII. The increase was partially offset by outflows of \$938.6 million primarily related to realizations generated by our real estate carry funds and the negative impact of foreign exchange. Assets Under Management increased \$13.6 billion, or 50%, from \$27.1 billion at September 30, 2010 to \$40.7 billion at September 30, 2011 and was primarily related to market appreciation of \$7.1 billion, the

commencement of our management of the Bank of America Merrill Lynch Asia real estate platform, the deployment of additional co-investment capital, capital raised by our debt investment funds and the commencement of BREP VII.

At September 30, 2011, Assets Under Management were \$40.7 billion, an increase of \$7.5 billion, or 23%, compared with \$33.2 billion at December 31, 2010. The change was primarily due to inflows of \$6.5 billion attributable to the deployment of co-investment capital and the commencement of BREP VII along with market appreciation of \$3.6 billion primarily from our real estate carry funds as a result of increases in the carrying values within the office, hospitality and retail sectors of our real estate portfolio. These increases were offset by outflows of \$2.6 billion primarily related to realizations generated by our real estate carry funds and the Bank of America Merrill Lynch Asia real estate platform.

Limited Partner Capital Invested

For the three months ended September 30, 2011, Limited Partner Capital Invested was \$1.7 billion, an increase of \$1.0 billion from \$689.0 million for the three months ended September 30, 2010, which was primarily related to increased investment activity by our BREP VI and debt investment funds. Revenues

Revenues were \$15.4 million for the three months ended September 30, 2011, a decrease of \$121.7 million compared to the three months ended September 30, 2010. The decrease in revenues was primarily attributed to decreases of \$118.9 million in Performance Fees and \$11.0 million in Investment Income (Loss), partially offset by an increase of \$8.4 million in Total Management Fees.

Total Management Fees were \$59.5 million for the three months ended September 30, 2011, an increase of \$8.4 million from the prior year period. Base Management Fees were \$59.6 million for the three months ended September 30, 2011, an increase of \$8.7 million compared to the prior year period, primarily resulting from

Table of Contents

higher Fee-Earning Assets Under Management due to greater invested capital in certain drawdown funds where management fees are only earned on invested capital as well as new capital raised for new and existing strategies.

Performance Fees were \$(40.3) million for the three months ended September 30, 2011, a decrease of \$118.9 million from the prior year period. The decrease in Performance Fees was primarily driven by a sell-off in the credit markets, thereby reversing prior period performance fee accruals. The returns of the underlying assets for Blackstone's credit-oriented business for the third quarter of 2011 was (5.0)% for the flagship hedge funds, (9.9)% for the rescue lending funds, due in each case to broad declines in the public debt markets, and 7.1% for the mezzanine funds, due primarily to favorable realizations of certain investments. Investment Income (Loss) also decreased for the three months ended September 30, 2011 to \$(5.0) million, down \$11.0 million from the prior year period.

The Realized Performance Fees for the three months ended September 30, 2011 of \$14.8 million were driven primarily by realizations in the Credit Businesses' flagship hedge funds.

Revenues were \$269.9 million for the nine months ended September 30, 2011, a decrease of \$43.2 million compared to the nine months ended September 30, 2010. The decrease in revenues was primarily attributed to lower Performance Fees of \$71.1 million and lower Investment Income of \$7.5 million, partially offset by an increase of \$34.5 million in Total Management Fees.

Performance Fees were \$84.8 million for the nine months ended September 30, 2011, which is \$71.1 million lower than the prior year period. The lower Performance Fees were primarily attributable to broad declines in the credit markets in the third quarter of 2011. The returns of the underlying assets for Blackstone's credit-oriented business was 4.5% for the flagship hedge funds, 22.7% for the mezzanine funds and 1.5% for the rescue lending funds for the nine months ended September 30, 2011.

The Realized Performance Fees for the nine months ended September 30, 2011 of \$61.9 million were driven primarily by realizations in the Credit Businesses' mezzanine funds.

Total Management Fees were \$173.0 million for the nine months ended September 30, 2011, an increase of \$34.5 million from the prior year period. Base Management Fees were \$171.6 million for the nine months ended September 30, 2011, an increase of \$33.5 million compared to the prior year period, primarily due to higher Fee-Earning Assets Under Management.

Expenses

Expenses were \$32.4 million for the three months ended September 30, 2011, a decrease of \$49.8 million, or 61%, compared to the three months ended September 30, 2010. The \$49.8 million decrease in expenses was primarily attributed to a decrease of \$64.1 million in Performance Fee Compensation, partially offset by an increase of \$12.7 million in Compensation. Performance Fee Compensation decreased consistent with the decrease in Performance Fee revenue. Compensation increased \$12.7 million to \$41.5 million for the three months ended September 30, 2011, compared to \$28.8 million for the prior year period. Other Operating Expenses increased \$1.5 million to \$11.2 million for the three months ended September 30, 2011, compared to \$9.7 million for the prior year period primarily due to an increase in professional fees.

Expenses were \$185.9 million for the nine months ended September 30, 2011, a decrease of \$17.0 million, or 8%, compared to the nine months ended September 30, 2010. The \$17.0 million decrease in expenses was primarily attributed to a decrease of \$45.6 million in Performance Fee Compensation, partially offset by increases of \$21.9 million in Compensation and \$6.7 million in Other Operating Expenses. Performance Fee Compensation was \$43.1 million for the nine months ended September 30, 2011, compared to \$88.7 million for the prior year period. The decrease was primarily due to lower Performance Fee accruals in the current year compared to the prior year period. Compensation increased \$21.9 million to \$106.0 million for the nine months

Table of Contents

ended September 30, 2011, compared to \$84.1 million for the prior year period, primarily due to higher compensation accruals resulting from an increase in base management fees. Other Operating Expenses increased \$6.7 million to \$36.8 million for the nine months ended September 30, 2011, compared to \$30.1 million for the prior year period.

Revenues

Revenues were \$87.4 million for the three months ended September 30, 2011, relatively flat compared to \$87.7 million for the three months ended September 30, 2010. The decrease in revenues was driven primarily by a decrease in Blackstone’s restructuring and reorganization business, offset by an increase in Blackstone’s fund placement business and Blackstone Advisory Partners’ business. The decrease in Blackstone’s restructuring and reorganization business was due to several significant transactions completed in the prior year period, as well as a

Table of Contents

decrease in the number of transactions completed, compared to the prior year period. The increase in fees earned by Blackstone's fund placement business was primarily due to the timing of closings. The increase in Blackstone Advisory Partners' business was due to an increase in the number and size of transactions completed compared to the prior year period.

Revenues were \$264.6 million for the nine months ended September 30, 2011, a decrease of \$36.2 million, or 12%, compared to \$300.8 million for the nine months ended September 30, 2010. The decrease in revenues was driven primarily by a decrease in Blackstone's restructuring and reorganization business, partially offset by an increase in Blackstone's fund placement business. The decrease in Blackstone's restructuring and reorganization business was due to the same reasons described above. The increase in fees earned by Blackstone's fund placement business was due to improvements in the fund-raising of capital from institutional investors for alternative investment products improved compared to the prior year period. Blackstone Advisory Partners' business has experienced a similar level of transaction activity compared to the prior year period.

Expenses

Expenses were \$81.7 million for the three months ended September 30, 2011, compared to \$83.8 million for the three months ended September 30, 2010. Compensation and Benefits decreased \$5.0 million over the three months ended September 30, 2010, principally due to a decrease in compensation expense in our restructuring and reorganization business and Blackstone Advisory Partners' business, partially offset by an increase in such costs in our fund placement business. Compensation expense for these businesses is related to their financial performance. Other Operating Expenses increased \$3.0 million over the three months ended September 30, 2010, principally due to increases in all other expenses.

Expenses were \$249.4 million for the nine months ended September 30, 2011, an increase of \$2.9 million, or 1%, compared to \$246.5 million for the nine months ended September 30, 2010. Compensation and Benefits decreased \$5.5 million compared to the nine months ended September 30, 2010, principally due to a decrease in compensation expense in our restructuring and reorganization business and Blackstone Advisory Partners' business, partially offset by an increase in such costs in our fund placement business. Compensation expense for these businesses is related to their financial performance. Other Operating Expenses increased \$8.4 million over the nine months ended September 30, 2010, principally due to increases in all other expenses.

Liquidity and Capital Resources

Liquidity and Capital Resources

Blackstone's business model derives revenue primarily from third party assets under management and from advisory businesses. Blackstone is not a capital or balance sheet intensive business and targets operating expense levels such that total management and advisory fees exceed total operating expenses each period. As a result, we require limited capital resources to support the working capital or operating needs of our businesses. We draw primarily on the long term committed capital of our limited partner investors to fund the investment requirements of the Blackstone Funds and use our own realizations and cash flows to invest in growth initiatives, make commitments to our own funds, which are typically less than 5% of the assets under management of a fund, or pay distributions to unitholders.

Fluctuations in our balance sheet result primarily from activities of the Blackstone Funds which are consolidated as well as business transactions, such as the issuance of senior notes described below. The majority economic ownership interests of the Blackstone Funds are reflected as Non-Controlling Interests in Consolidated Entities in the Condensed Consolidated Financial Statements. The consolidation of these Blackstone Funds has no net effect on the Partnership's Net Income or Partners' Capital. Additionally, fluctuations in our balance sheet also include appreciation or depreciation in Blackstone investments in the Blackstone Funds, additional investments and redemptions of such interests in the Blackstone Funds and the collection of receivables related to management and advisory fees.

Table of Contents

Total assets were \$22.1 billion as of September 30, 2011, an increase of \$3.2 billion from December 31, 2010. Total liabilities were \$13.5 billion as of September 30, 2011, an increase of \$2.9 billion from December 31, 2010. The increase in total liabilities was primarily due to an increase in Loans Payable of \$2.2 billion.

For the three months ended September 30, 2011, we had Total Fee Related Revenues of \$448.1 million and related expenses of \$346.1 million, generating Net Fee Related Earnings from Operations of \$102.0 million and Distributable Earnings of \$120.1 million. For the nine months ended September 30, 2011, we had Total Fee Related Revenues of \$1.4 billion and related expenses of \$1.1 billion, generating Net Fee Related Earnings from Operations of \$332.4 million and Distributable Earnings of \$501.2 million.

We have multiple sources of liquidity to meet our capital needs, including annual cash flows, accumulated earnings in the businesses, investments in our own Treasury and liquid funds and access to our debt capacity, including our \$1.02 billion committed revolving credit facility and the proceeds from our 2009 and 2010 issuances of senior notes. As of September 30, 2011, Blackstone had \$593.0 million in cash, \$1.1 billion invested in Blackstone's Treasury cash management strategies, \$183.1 million invested in liquid Blackstone Funds, \$1.8 billion invested in illiquid Blackstone Funds and \$141.7 million in other investments, against \$1.0 billion in borrowings from our 2009 and 2010 bond issuances.

We use Distributable Earnings, which is derived from our segment reported results, as a supplemental non-GAAP measure to assess performance and amounts available for distributions to Blackstone unitholders, including Blackstone personnel and others who are limited partners of the Blackstone Holdings partnerships. Distributable Earnings is intended to show the amount of net realized earnings without the effects of the consolidation of the Blackstone Funds. Distributable Earnings is derived from, but not equivalent to, its most directly comparable GAAP measure of Income (Loss) Before Provision for Taxes. Distributable Earnings, which is a component of Economic Net Income, is the sum across all segments of: (a) Total Management and Advisory Fees, (b) Interest and Dividend Revenue, (c) Other Revenue, (d) Realized Performance Fees, and (e) Realized Investment Income (Loss); less (a) Compensation, (b) Realized Performance Fee Compensation, (c) Other Operating Expenses and (d) Cash Taxes and Payables Under the Tax Receivable Agreement. Distributable Earnings is reconciled to Blackstone's Consolidated Statement of Operations.

Our Sources of Cash and Liquidity Needs

We expect that our primary liquidity needs will be cash to (a) provide capital to facilitate the growth of our existing businesses which principally includes funding our general partner and co-investment commitments to our funds, (b) provide capital to facilitate our expansion into new businesses that are complementary, (c) pay operating expenses, including cash compensation to our employees and other obligations as they arise, (d) fund modest capital expenditures, (e) repay borrowings and related interest costs, (f) pay income taxes and (g) make distributions to our unitholders and the holders of Blackstone Holdings Partnership Units. Our own capital commitments to our funds, the funds we invest in and our investment strategies as of September 30, 2011 consisted of the following:

For some of the general partner commitments shown in the table above we require our senior managing directors and certain other professionals to fund a portion of the commitment even though the ultimate obligation to fund the aggregate commitment is ours pursuant to the governing agreements of the respective funds. For BCP VI, BREP VI, BREP Europe III and BREP VII, it is intended that our senior managing directors and certain other professionals will fund \$250 million, \$150 million, \$35 million and \$100 million, respectively, of the aggregate applicable general partner commitment shown above. In addition, certain senior managing directors and other professionals are required to fund a de minimis amount of the commitment in the other private equity, real estate and credit-oriented carry funds. We expect our commitments to be drawn down over time and to be

funded by available cash and cash generated from operations and realizations. Taking into account prevailing market conditions and both the liquidity and cash or liquid investment balances, we believe that the sources of liquidity described below will be more than sufficient to fund our working capital requirements.

On March 23, 2010, indirect subsidiaries of Blackstone entered into an unsecured revolving credit facility (the “Credit Facility”) with Citibank, N.A., as Administrative Agent. On November 23, 2010, the Credit Facility was amended to set the facility aggregate borrowing limit at \$1.02 billion. On April 8, 2011, the Credit Facility was further amended to extend the maturity date from March 23, 2013 to April 8, 2016. Borrowings may also be made in U.K. Sterling or Euros, in each case subject to certain sub-limits. The Credit Facility contains customary representations, covenants and events of default. Financial covenants consist of a maximum net leverage ratio and a requirement to keep a minimum amount of fee generating assets under management, each tested quarterly.

In August 2009, Blackstone Holdings Finance Co. L.L.C. issued \$600 million in aggregate principal amount of 6.625% Senior Notes which will mature on August 15, 2019, unless earlier redeemed or repurchased. In September 2010, Blackstone Holdings Finance Co. L.L.C. issued \$400 million in aggregate principal amount of 5.875% Senior Notes which will mature on March 15, 2021, unless earlier redeemed or repurchased. (Both issuances of Senior Notes are collectively referred to as the “Notes”.) The notes are unsecured and unsubordinated obligations of Blackstone Holdings Finance Co. L.L.C. and are fully and unconditionally guaranteed, jointly and severally, by The Blackstone Group L.P. and each of the Blackstone Holdings partnerships. The Notes contain customary covenants and financial restrictions that among other things limit Blackstone Holdings Finance Co. L.L.C. and the guarantors’ ability, subject to certain exceptions, to incur indebtedness secured by liens on voting stock or profit participating equity interests of their subsidiaries or merge, consolidate or sell, transfer or lease assets. The Notes also contain customary events of default. All or a portion of the Notes may be redeemed at our option, in whole or in part, at any time and from time to time, prior to their stated maturity, at the make-whole redemption price set forth in the Notes. If a change of control repurchase event occurs, the Notes are subject to repurchase at the repurchase price as set forth in the Notes.

In addition to the cash we received in connection with our IPO, debt offering and our borrowing facilities, we expect to receive (a) cash generated from operating activities, (b) Carried Interest and incentive income realizations, and (c) realizations on the carry and hedge fund investments that we make. The amounts received from these three sources in particular may vary substantially from year to year and quarter to quarter depending on the frequency and size of realization events or net returns experienced by our investment funds. Our available capital could be adversely affected if there are prolonged periods of few substantial realizations from our investment funds accompanied by substantial capital calls for new investments from those investment funds. Therefore, Blackstone’s commitments to our funds are taken into consideration when managing our overall liquidity and cash position.

Blackstone’s general partner maintains the right to determine the amount to be distributed from The Blackstone Group L.P.’s net after-tax share of its annual Distributable Earnings. Distributable Earnings will only be a starting point for the determination of the amount to be distributed to unitholders because in determining the amount to be distributed Blackstone will subtract from Distributable Earnings any amounts determined by its general partner to be necessary or appropriate to provide for the conduct of its business, to make appropriate investments in its business and funds, to comply with applicable law, any of its debt instruments or other agreements, or to provide for future distributions to its unitholders for any ensuing quarter. The aggregate amounts of Blackstone’s distributions to unitholders will typically be less than its Distributable Earnings for that year.

Although for calendar 2010 Blackstone distributed substantially all of its net after-tax annual Distributable Earnings, Blackstone’s current intention is to distribute to its common unitholders substantially all of The Blackstone Group L.P.’s net after-tax share of annual Distributable Earnings less the amount of its realized investment gains. This determination was made based on the continued pace of organic and inorganic growth and the potential for further strategic initiatives and the retained amount will be used for those purposes. The retained cash will be deducted from the fourth quarter distribution which is made in the first quarter of the ensuing

Table of Contents

calendar year. Distributions for the first three quarters will remain unchanged at \$0.10 per unit. All distributions are subject to Blackstone's discretion to retain additional amounts from the amount of annual Distributable Earnings to be distributed as described above.

Because Blackstone will not know what its Distributable Earnings will be for any fiscal year until the end of such year, Blackstone expects that its first three quarterly distributions in respect of any given year will be based on its anticipated annualized Net Fee Related Earnings. As such, the distributions for the first three quarters are expected to be smaller than the final quarterly distribution in respect of such year. For the fourth quarter of 2011 Blackstone expects to pay the remaining amount of the year's Distributable Earnings less realized investment gains.

All of the foregoing is subject to the qualification that the declaration and payment of any distributions are at the sole discretion of our general partner and our general partner may change our distribution policy at any time.

Because the wholly-owned subsidiaries of The Blackstone Group L.P. must pay taxes and make payments under the tax receivable agreements described in Blackstone's 2010 Annual Report on Form 10-K, the amounts ultimately distributed by The Blackstone Group L.P. to its common unitholders in respect of fiscal 2011 and subsequent years are expected to be different, on a per unit basis, than the amounts distributed by the Blackstone Holdings partnerships to the Blackstone personnel and others who are limited partners of the Blackstone Holdings partnerships in respect of their Blackstone Holdings partnership units.

In January 2008, the Board of Directors of our general partner, Blackstone Group Management L.L.C., authorized the repurchase of up to \$500 million of our common units and Blackstone Holdings Partnership Units. Under this unit repurchase program, units may be repurchased from time to time in open market transactions, in privately negotiated transactions or otherwise. The timing and the actual number of Blackstone common units and Blackstone Holdings Partnership Units repurchased will depend on a variety of factors, including legal requirements, price and economic and market conditions. This unit repurchase program may be suspended or discontinued at any time and does not have a specified expiration date. During the nine months ended September 30, 2011, we repurchased 116,270 vested Blackstone Holdings Partnership Units as part of the unit repurchase program for a total cost of \$2.1 million. As of September 30, 2011, the amount remaining available for repurchases was \$335.8 million under this program.

We may under certain circumstances use leverage opportunistically and over time to create the most efficient capital structure for Blackstone and our public common unitholders, including through the issuance of debt securities. As of September 30, 2011, we had total partners' capital of \$7.8 billion, including \$593.0 million in cash, \$1.1 billion invested in Blackstone's Treasury cash management strategies, \$183.1 million invested in liquid Blackstone Funds, \$1.8 billion invested in illiquid Blackstone Funds and \$141.7 million in other investments, against \$1.0 billion in borrowings from our 2009 and 2010 bond issuances.

Table of Contents

Included in our Treasury cash management strategies are reverse repurchase agreements, repurchase agreements and securities sold, not yet purchased. All of these positions are held in a separately managed portfolio. Reverse repurchase agreements are entered into primarily to take advantage of opportunistic yields otherwise absent in the overnight markets and also to use the collateral received to cover securities sold, not yet purchased. Repurchase agreements are entered into primarily to opportunistically yield higher spreads on purchased securities. The balances held in these financial instruments fluctuate based on Blackstone's liquidity needs, market conditions and investment risk profiles. The following table presents information regarding these financial instruments:

	Reverse Repurchase Agreements	Repurchase Agreements (Dollars in Millions)	Securities Sold, Not Yet Purchased
Balance, September 30, 2011	\$ 194.9	\$ 210.6	\$ 194.8
Balance, December 31, 2010	181.4	62.7	116.7
Nine Months Ended September 30, 2011			
Average Daily Balance	173.7	104.9	143.7
Maximum Daily Balance	369.4	250.7	346.2

Our private equity funds, real estate funds and funds of hedge funds have not historically utilized substantial leverage at the fund level other than (a) for short-term borrowings between the date of an investment and the receipt of capital from the investing fund's investors, and (b) long-term borrowings for certain investments in aggregate amounts which are generally 2% to 6% of the capital commitments of the respective fund. Our carry funds make direct or indirect investments in companies that utilize leverage in their capital structure. The degree of leverage employed varies among portfolio companies.

Certain of our Hedge Fund Solutions and Credit Businesses funds use leverage in order to obtain additional market exposure, enhance returns on invested capital and/or to bridge short-term cash needs. The forms of leverage primarily employed by these funds include purchasing securities on margin, utilizing collateralized financing and using derivative instruments.

Critical Accounting Policies

We prepare our Condensed Consolidated Financial Statements in accordance with GAAP. In applying many of these accounting principles, we need to make assumptions, estimates and/or judgments that affect the reported amounts of assets, liabilities, revenues and expenses in our consolidated financial statements. We base our estimates and judgments on historical experience and other assumptions that we believe are reasonable under the circumstances. These assumptions, estimates and/or judgments, however, are often subjective. Actual results may be affected negatively based on changing circumstances. If actual amounts are ultimately different from our estimates, the revisions are included in our results of operations for the period in which the actual amounts become known. We believe the following critical accounting policies could potentially produce materially different results if we were to change underlying assumptions, estimates and/or judgments. (See Note 2. "Summary of Significant Accounting Policies" in the "Notes to Condensed Consolidated Financial Statements" in "Part I. Item 1. Financial Statements" of this filing.)

Principles of Consolidation

The Partnership consolidates all entities that it controls through a majority voting interest or otherwise, including those Blackstone Funds in which the general partner is presumed to have control. Although the Partnership has a non-controlling interest in the Blackstone Holdings partnerships, the limited partners do not have the right to dissolve the partnerships or have substantive kick out rights or participating rights that would overcome the presumption of control by the Partnership. Accordingly, the Partnership consolidates Blackstone Holdings and records non-controlling interests to reflect the economic interests of the limited partners of Blackstone Holdings.

Table of Contents

In addition, the Partnership consolidates all variable interest entities (“VIE”) in which it is the primary beneficiary. An enterprise is determined to be the primary beneficiary if it holds a controlling financial interest. A controlling financial interest is defined as (a) the power to direct the activities of a VIE that most significantly impact the entity’s economic performance and (b) the obligation to absorb losses of the entity or the right to receive benefits from the entity that could potentially be significant to the VIE. The consolidation guidance requires an analysis to (a) determine whether an entity in which the Partnership holds a variable interest is a VIE and (b) whether the Partnership’s involvement, through holding interests directly or indirectly in the entity or contractually through other variable interests (e.g., management and performance related fees), would give it a controlling financial interest. Performance of that analysis requires the exercise of judgment. Where the VIEs have qualified for the deferral of the consolidation guidance, the analysis is based on previous consolidation guidance. VIEs qualify for the deferral of the consolidation guidance if all of the following conditions have been met:

- (a) The entity has all of the attributes of an investment company as defined under AICPA Accounting and Auditing Guide, *Investment Companies* (“Investment Company Guide”), or does not have all the attributes of an investment company but it is an entity for which it is acceptable based on industry practice to apply measurement principles that are consistent with the Investment Company Guide,
- (b) The reporting entity does not have explicit or implicit obligations to fund any losses of the entity that could potentially be significant to the entity, and
- (c) The entity is not a securitization or asset-backed financing entity or an entity that was formerly considered a qualifying special purpose entity.

This guidance requires an analysis to determine (a) whether an entity in which the Partnership holds a variable interest is a variable interest entity and (b) whether the Partnership’s involvement, through holding interests directly or indirectly in the entity or contractually through other variable interests (e.g., management and performance related fees), would be expected to absorb a majority of the variability of the entity. Under both guidelines, the Partnership determines whether it is the primary beneficiary of a VIE at the time it becomes involved with a variable interest entity and reconsiders that conclusion continuously. In evaluating whether the Partnership is the primary beneficiary, Blackstone evaluates its economic interests in the entity held either directly by the Partnership and its affiliates or indirectly through employees. The consolidation analysis can generally be performed qualitatively; however, if it is not readily apparent that the Partnership is not the primary beneficiary, a quantitative analysis may also be performed. Investments and redemptions (either by the Partnership, affiliates of the Partnership or third parties) or amendments to the governing documents of the respective Blackstone Funds could affect an entity’s status as a VIE or the determination of the primary beneficiary. At each reporting date, the Partnership assesses whether it is the primary beneficiary and will consolidate or deconsolidate accordingly.

Revenue Recognition

Revenues primarily consist of management and advisory fees, performance fees, investment income, interest and dividend revenue and other.

Please refer to “Part I. Item 1. Business — Incentive Arrangements / Fee Structure” in our 2010 Annual Report on Form 10-K for additional information regarding the manner in which Base Management Fees and Performance Fees are generated.

Management and Advisory Fees — Management and Advisory Fees are comprised of management fees, including base management fees, transaction and other fees, management fee reductions and offsets, and advisory fees.

Table of Contents

The Partnership earns base management fees from limited partners of funds in each of its managed funds, at a fixed percentage of assets under management, net asset value, total assets, committed capital, invested capital or, in some cases, a fixed-fee. Base management fees are based on contractual terms specified in the underlying investment advisory agreements. The range of management fee rates and the calculation base from which they are earned, generally, are as follows:

On private equity, real estate, and certain credit-oriented funds:

- 0.50% to 1.75% of committed capital during the commitment period,
- 0.50% to 1.50% of invested capital subsequent to the investment period for private equity and real estate funds, and
- 1.00% to 1.50% of invested capital for certain credit-oriented funds.

On credit-oriented funds structured like hedge funds:

- 0.75% to 2.00% of net asset value.

On credit-oriented funds separately managed accounts:

- 0.35% to 1.00% of net asset value.

On funds of hedge funds and separately managed accounts invested in hedge funds:

- 0.65% to 1.50% of assets under management.

On CLO vehicles:

- 0.40% to 1.25% of total assets.

On closed-end mutual funds and registered investment companies:

- 0.50% to 1.50% of fund assets.

Transaction and other fees (including monitoring fees) are fees charged directly to funds and portfolio companies. The investment advisory agreements generally require that the investment advisor reduce the amount of management fees payable by the limited partners to the Partnership (“management fee reductions”) by an amount equal to a portion of the transaction and other fees directly paid to the Partnership by the portfolio companies. The amount of the reduction varies by fund, the type of fee paid by the portfolio company and the previously incurred expenses of the fund.

Management fee offsets are reductions to management fees payable by our limited partners, which are granted based on the amount they reimburse Blackstone for placement fees.

Advisory fees consist of advisory retainer and transaction-based fee arrangements related to merger, acquisition, restructuring and divestiture activities and fund placement services for alternative investment funds. Advisory retainer fees are recognized when services for the transactions are complete, in accordance with terms set forth in individual agreements. Transaction-based fees are recognized when (a) there is evidence of an arrangement with a client, (b) agreed upon services have been provided, (c) fees are fixed or determinable and (d) collection is reasonably assured. Fund placement fees are recognized as earned upon the acceptance by a fund of capital or capital commitments.

Accrued but unpaid Management and Advisory Fees, net of management fee reductions and management fee offsets, as of the reporting date, are included in Accounts Receivable or Due From Affiliates in the Condensed Consolidated Statements of Financial Condition.

Table of Contents

Performance Fees — Performance Fees earned on the performance of Blackstone’s hedge fund structures are recognized based on fund performance during the period, subject to the achievement of minimum return levels, or high water marks, in accordance with the respective terms set out in each hedge fund’s governing agreements. Accrued but unpaid performance fees charged directly to investors in Blackstone’s offshore hedge funds as of the reporting date are recorded within Due from Affiliates in the Condensed Consolidated Statements of Financial Condition. Performance fees arising on Blackstone’s onshore hedge funds are allocated to the general partner. Accrued but unpaid performance fees on onshore funds as of the reporting date are reflected in Investments in the Condensed Consolidated Statements of Financial Condition.

In certain fund structures, specifically in private equity, real estate and certain credit-oriented funds (“Carry Funds”), performance fees (“Carried Interest”) are allocated to the general partner based on cumulative fund performance to date, subject to a preferred return to limited partners. Carried Interest allocations range between 10% and 20% of fund appreciation. At the end of each reporting period, the Partnership calculates the Carried Interest that would be due to the Partnership for each fund, pursuant to the fund agreements, as if the fair value of the underlying investments were realized as of such date, irrespective of whether such amounts have been realized. As the fair value of underlying investments varies between reporting periods, it is necessary to make adjustments to amounts recorded as Carried Interest to reflect either (a) positive performance resulting in an increase in the Carried Interest allocated to the general partner or (b) negative performance that would cause the amount due to the Partnership to be less than the amount previously recognized as revenue, resulting in a negative adjustment to Carried Interest allocated to the general partner. In each scenario, it is necessary to calculate the Carried Interest on cumulative results compared to the Carried Interest recorded to date and make the required positive or negative adjustments. The Partnership ceases to record negative Carried Interest allocations once previously recognized Carried Interest allocations for such fund have been fully reversed. The Partnership is not obligated to pay guaranteed returns or hurdles, and therefore, cannot have negative Carried Interest over the life of a fund. Accrued but unpaid Carried Interest as of the reporting date is reflected in Investments in the Condensed Consolidated Statements of Financial Condition.

Carried Interest is realized when an underlying investment is profitably disposed of and the fund’s cumulative returns are in excess of the preferred return. Performance fees earned on hedge fund structures are realized at the end of each fund’s measurement period.

Carried Interest is subject to clawback to the extent that the Carried Interest actually distributed to date exceeds the amount due to Blackstone based on cumulative results. As such, the accrual for potential repayment of previously received performance fees, which is a component of Due to Affiliates, represents all amounts previously distributed to Blackstone Holdings and non-controlling interest holders that would need to be repaid to the Blackstone Funds if the Blackstone Carry Funds were to be liquidated based on the current fair value of the underlying funds’ investments as of the reporting date. Generally, the actual clawback liability does not become realized until the end of a fund’s life or one year after a realized loss is incurred, depending on the fund.

Investment Income (Loss) — Investment Income (Loss) represents the unrealized and realized gains and losses on the Partnership’s principal investments, including its investments in Blackstone Funds that are not consolidated, its equity method investments, and other principal investments. Investment Income (Loss) is realized when the Partnership redeems all or a portion of its investment or when the Partnership receives cash income, such as dividends or distributions, from its non-consolidated funds. Unrealized Investment Income (Loss) results from changes in the fair value of the underlying investment as well as the reversal of unrealized gain (loss) at the time an investment is realized.

Interest and Dividend Revenue — Interest and Dividend Revenue comprises primarily interest and dividend income earned on principal investments held by Blackstone.

Other Revenue — Other Revenue comprises primarily foreign exchange gains and losses arising on transactions denominated in currencies other than U.S. dollars.

Expenses

Our expenses include compensation and benefits expense and general and administrative expenses. Our accounting policies related thereto are as follows:

Compensation and Benefits — Compensation — Compensation and Benefits consists of (a) employee compensation, comprising salary and bonus, and benefits paid and payable to employees, including senior managing directors and (b) equity-based compensation associated with the grants of equity-based awards to employees, including senior managing directors.

Equity-Based Compensation — Compensation cost relating to the issuance of share-based awards to senior management and employees is measured at fair value at the grant date, taking into consideration expected forfeitures, and expensed over the vesting period on a straight line basis. Equity-based awards that do not require future service are expensed immediately. Cash settled equity-based awards are classified as liabilities and are re-measured at the end of each reporting period.

Compensation and Benefits — Performance Fee — Performance Fee Compensation and Benefits consists of Carried Interest and performance fee allocations to employees, including senior managing directors, participating in certain profit sharing initiatives. Employees participating in such initiatives are allocated a certain portion of Carried Interest and performance fees allocated to the general partner under performance fee allocations (see “— Revenue Recognition”). Such compensation expense is recognized in the same manner as Carried Interest and performance fee allocations and is subject to both positive and negative adjustments as a result of changes in underlying fund performance.

Fair Value of Financial Instruments

GAAP establishes a hierarchal disclosure framework which prioritizes and ranks the level of market price observability used in measuring financial instruments at fair value. Market price observability is affected by a number of factors, including the type of financial instrument, the characteristics specific to the financial instrument and the state of the marketplace, including the existence and transparency of transactions between market participants. Financial instruments with readily available quoted prices in active markets generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Financial instruments measured and reported at fair value are classified and disclosed based on the observability of inputs used in the determination of fair values, as follows:

- Level I — Quoted prices are available in active markets for identical financial instruments as of the reporting date. The type of financial instruments in Level I include listed equities, listed derivatives and mutual funds with quoted prices. The Partnership does not adjust the quoted price for these investments, even in situations where Blackstone holds a large position and a sale could reasonably impact the quoted price.
- Level II — Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. Financial instruments which are generally included in this category include corporate bonds and loans, government and agency securities, less liquid and restricted equity securities, certain over-the-counter derivatives where the fair value is based on observable inputs, and certain fund of hedge funds investments in which Blackstone has the ability to redeem its investment at net asset value at, or within three months of, the reporting date.
- Level III — Pricing inputs are unobservable for the financial instruments and includes situations where there is little, if any, market activity for the financial instrument. The inputs into the determination of fair value require significant management judgment or estimation. Financial instruments that are included in this category generally include general and limited partnership interests in private equity

Table of Contents

and real estate funds, credit-oriented funds, distressed debt and non-investment grade residual interests in securitizations, collateralized loan obligations, certain over the counter derivatives where the fair value is based on unobservable inputs and certain funds of hedge funds which use net asset value per share to determine fair value in which Blackstone may not have the ability to redeem its investment at net asset value at, or within three months of, the reporting date. Blackstone may not have the ability to redeem its investment at net asset value at, or within three months of, the reporting date if an investee fund manager has the ability to limit the amount of redemptions, and/or the ability to side-pocket investments, irrespective of whether such ability has been exercised.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given financial instrument is based on the lowest level of input that is significant to the fair value measurement. The Partnership's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the financial instrument.

In certain cases, debt and equity securities are valued on the basis of prices from an orderly transaction between market participants provided by reputable dealers or pricing services. In determining the value of a particular investment, pricing services may use certain information with respect to transactions in such investments, quotations from dealers, pricing matrices, market transactions in comparable investments and various relationships between investments.

In the absence of observable market prices, Blackstone values its investments using valuation methodologies applied on a consistent basis. For some investments little market activity may exist; management's determination of fair value is then based on the best information available in the circumstances, and may incorporate management's own assumptions and involves a significant degree of judgment, taking into consideration a combination of internal and external factors, including the appropriate risk adjustments for non-performance and liquidity risks. Investments for which market prices are not observable include private investments in the equity of operating companies, real estate properties or certain funds of hedge funds. The valuation technique for each of these investments is described below:

Private Equity Investments — The fair values of private equity investments are determined by reference to projected net earnings, earnings before interest, taxes, depreciation and amortization ("EBITDA"), the discounted cash flow method, public market or private transactions, valuations for comparable companies and other measures which, in many cases, are unaudited at the time received. Valuations may be derived by reference to observable valuation measures for comparable companies or transactions (e.g., multiplying a key performance metric of the investee company such as EBITDA by a relevant valuation multiple observed in the range of comparable companies or transactions), adjusted by management for differences between the investment and the referenced comparables, and in some instances by reference to option pricing models or other similar methods. Private equity investments may also be valued at cost for a period of time after an acquisition as the best indicator of fair value.

Real Estate Investments — The fair values of real estate investments are determined by considering projected operating cash flows, sales of comparable assets, if any, and replacement costs among other measures. The methods used to estimate the fair value of real estate investments include the discounted cash flow method and/or capitalization rates ("cap rates") analysis. Valuations may be derived by reference to observable valuation measures for comparable companies or assets (e.g., multiplying a key performance metric of the investee company or asset, such as EBITDA, by a relevant valuation multiple observed in the range of comparable companies or transactions), adjusted by management for differences between the investment and the referenced comparables, and in some instances by reference to option pricing models or other similar methods. Additionally, where applicable, projected distributable cash flow through debt maturity will also be considered in support of the investment's carrying value.

Table of Contents

Funds of Hedge Funds — Blackstone Funds' direct investments in funds of hedge funds ("Investee Funds") are valued at net asset value ("NAV") per share of the Investee Fund. If the Partnership determines, based on its own due diligence and investment procedures, that NAV per share does not represent fair value, the Partnership will estimate the fair value in good faith and in a manner that it reasonably chooses, in accordance with its valuation policies.

Credit-Oriented Investments — The fair values of credit-oriented investments are generally determined on the basis of prices between market participants provided by reputable dealers or pricing services. In some instances, Blackstone may utilize other valuation techniques, including the discounted cash flow method.

Investments, at Fair Value

The Blackstone Funds are accounted for as investment companies under the Investment Company Guide, and reflect their investments, including majority-owned and controlled investments (the "Portfolio Companies"), at fair value. Blackstone has retained the specialized accounting for the consolidated Blackstone Funds. Thus, such consolidated funds' investments are reflected in Investments on the Condensed Consolidated Statements of Financial Condition at fair value, with unrealized gains and losses resulting from changes in fair value reflected as a component of Net Gains from Fund Investment Activities in the Condensed Consolidated Statements of Operations. Fair value is the amount that would be received to sell an asset or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (i.e., the exit price).

Blackstone's principal investments are presented at fair value with unrealized appreciation or depreciation and realized gains and losses recognized in the Condensed Consolidated Statements of Operations within Investment Income (Loss).

For certain instruments, the Partnership has elected the fair value option. Such election is irrevocable and is applied on an investment by investment basis at initial recognition. The Partnership has applied the fair value option for certain loans and receivables and certain investments in private debt and equity securities that otherwise would not have been carried at fair value with gains and losses recorded in net income. Fair valuing these investments is consistent with how the Partnership accounts for its other principal investments. Loans extended to third parties are recorded within Accounts Receivable within the Condensed Consolidated Statements of Financial Condition. Debt and equity securities for which the fair value option has been elected are recorded within Investments. The methodology for measuring the fair value of such investments is consistent with the methodology applied to private equity, real estate, credit-oriented and funds of hedge funds investments. Changes in the fair value of such instruments are recognized in Investment Income (Loss) in the Condensed Consolidated Statements of Operations. Interest income on interest bearing loans and receivables and debt securities on which the fair value option has been elected is based on stated coupon rates adjusted for the accretion of purchase discounts and the amortization of purchase premiums. This interest income is recorded within Interest and Dividend Revenue.

In addition, the Partnership has elected the fair value option for the assets and liabilities of certain CLO vehicles that are consolidated as of January 1, 2010, as a result of the initial adoption of variable interest entity consolidation guidance. The Partnership has also elected the fair value option for CLO vehicles consolidated as a result of the acquisitions of CLO management contracts. The adjustment resulting from the difference between the fair value of assets and liabilities for each of these events is presented within the Condensed Consolidated Statement of Financial Condition as a transition and acquisition adjustment to Appropriated Partners' Capital. Assets of the consolidated CLOs are presented within Investments within the Consolidated Statements of Financial Condition and Liabilities within Loans Payable for the amounts due to unaffiliated third parties and Due to Affiliates for the amounts held by non-consolidated affiliates. The methodology for measuring the fair value of such assets and liabilities is consistent with the methodology applied to private equity, real estate, and credit-oriented investments. Changes in the fair value of consolidated CLO assets and liabilities and related interest, dividend and other income subsequent to adoption and acquisition are presented within Net Gains from Fund Investment Activities. Amounts

attributable to Non-Controlling Interests in Consolidated Entities in the Condensed Consolidated Statements of Operations have a corresponding adjustment to Appropriated Partners' Capital.

Further disclosure on instruments for which the fair value option has been elected is presented in Note 7. "Fair Value Option" in the "Notes to Condensed Consolidated Financial Statements" in "Part I. Item 1. Financial Statements" of this filing.

Intangibles and Goodwill

Blackstone's intangible assets consist of contractual rights to earn future fee income, including management and advisory fees and Carried Interest from its Carry Funds. Identifiable finite-lived intangible assets are amortized on a straight line basis over their estimated useful lives, ranging from 4 to 20 years, reflecting the contractual lives of such funds. Amortization expense is included within General, Administrative and Other in the accompanying Condensed Consolidated Statements of Operations. The Partnership does not hold any indefinite-lived intangible assets.

Goodwill comprises goodwill arising from the Reorganization of the Partnership in 2007 and the acquisition of GSO in 2008.

The carrying value of goodwill was \$1.7 billion as of September 30, 2011 and December 31, 2010. Intangibles and goodwill are reviewed for impairment at least annually, or more frequently if circumstances indicate impairment may have occurred. As of September 30, 2011 and December 31, 2010, the fair value of the Partnership's operating segments substantially exceeded their respective carrying values.

We test goodwill for impairment at the operating segment level (the same as our segments). Management has organized the firm into five operating segments. All of the components in each segment have similar economic characteristics and management makes key operating decisions based on the performance of each segment. Therefore, we believe that operating segment is the appropriate reporting level for testing the impairment of goodwill. In determining fair value for each of our segments, we utilize a discounted cash flow methodology based on the adjusted cash flows from operations for each segment. We believe this method provides the best approximation of fair value. In calculating the discounted cash flows, we begin with the adjusted cash flows from operations of each segment. We then determine the most likely growth rate by operating segment for each of the next nine years and assume a terminal value by segment. We do not apply a control premium. The discounted cash flow analysis includes the Blackstone issued notes and borrowings under the revolving credit facility, if any, and includes an allocation of interest expense to each segment for the unused commitment fee on Blackstone's revolving credit facility. We use a discount rate that reflects the weighted average cost of capital adjusted for the risks inherent in the future cash flows.

Off-Balance Sheet Arrangements

In the normal course of business, we enter into various off-balance sheet arrangements including sponsoring and owning limited or general partner interests in consolidated and non-consolidated funds, entering into derivative transactions, entering into operating leases, and entering into guarantee arrangements. We also have ongoing capital commitment arrangements with certain of our consolidated and non-consolidated drawdown funds. We do not have any off-balance sheet arrangements that would require us to fund losses or guarantee target returns to investors in our funds.

Further disclosure on our off-balance sheet arrangements is presented in the "Notes to Condensed Consolidated Financial Statements" in "Part I. Item 1. Financial Statements" of this filing as follows:

- Note 6. "Derivative Financial Instruments",
- Note 9. "Variable Interest Entities", and

- (a) We lease our primary office space under agreements that expire through 2024. In connection with certain lease agreements, we are responsible for escalation payments. The contractual obligation table above includes only guaranteed minimum lease payments for such leases and does not project potential escalation or other lease-related payments. These leases are classified as operating leases for financial statement purposes and as such are not recorded as liabilities on the Condensed Consolidated Statements of Financial Condition. The amounts are presented net of contractual sublease commitments.
- (b) Represents the principal amount due on the 6.625% and 5.875% senior notes we issued. As of September 30, 2011, we had no outstanding borrowings under our revolver.
- (c) Represents interest to be paid over the maturity of our 6.625% and 5.875% senior notes and borrowings under our revolving credit facility which has been calculated assuming no prepayments are made and debt is held until its final maturity date. These amounts exclude commitment fees for unutilized borrowings under our revolver.
- (d) Represents borrowings for employee term facilities program and a capital asset facility.
- (e) Represents interest to be paid over the maturity of the related debt obligation which has been calculated assuming no prepayments are made and debt is held until its final maturity date. The future interest payments are calculated using variable rates in effect as of September 30, 2011, at spreads to market rates pursuant to the financing agreements, and range from 1.05% to 1.50%.
- (f) These obligations are those of the Blackstone Funds including the consolidated CLO vehicles.
- (g) Represents interest to be paid over the maturity of the related Blackstone Funds' and CLO vehicles' debt obligations which has been calculated assuming no prepayments will be made and debt will be held until its final maturity date. The future interest payments are calculated using variable rates in effect as of September 30, 2011, at spreads to market rates pursuant to the financing agreements, and range from 0.47% to 17.00%. The majority of the borrowings are due on demand and for purposes of this schedule are assumed to mature within one year. Interest on the majority of these borrowings rolls over into the principal balance at each reset date.
- (h) These obligations represent commitments of the consolidated Blackstone Funds to make capital contributions to investee funds and portfolio companies. These amounts are generally due on demand and are therefore presented in the less than one year category.
- (i) Represents obligations by the Partnership's corporate subsidiary to make payments under the Tax Receivable Agreements to certain non-controlling interest holders for the tax savings realized from the taxable purchases of their interests in connection with the reorganization at the time of Blackstone's initial public offering in 2007 and subsequent purchases. The obligation represents the amount of the payments currently expected to be made, which are dependent on the tax savings actually realized as determined annually without discounting for the timing of the payments. As required by GAAP, the amount of the obligation included in the Condensed Consolidated Financial Statements and shown in Note 15. "Related Party Transactions" (see "Part I. Item 1. Financial Statements") differs to reflect the net present value of the payments due to certain non-controlling interest holders.
- (j) These obligations represent commitments by us to provide general partner capital funding to the Blackstone Funds, limited partner capital funding to other funds and Blackstone principal investment commitments. These amounts are generally due on demand and are therefore presented in the less than one year category; however, a substantial amount of the capital commitments are expected to be called over the next three years. We expect to continue to make these general partner capital commitments as we raise additional amounts for our investment funds over time.

Guarantees

Certain of Blackstone's consolidated real estate funds guarantee payments to third parties in connection with the on-going business activities and/or acquisitions of their Portfolio Companies. There is no direct recourse to the Partnership to fulfill such obligations. To the extent that underlying funds are required to fulfill guarantee obligations, the Partnership's invested capital in such funds is at risk. Total investments at risk in respect of guarantees extended by real estate funds were \$5.2 million as of September 30, 2011.

Table of Contents

Indemnifications

In many of its service contracts, Blackstone agrees to indemnify the third party service provider under certain circumstances. The terms of the indemnities vary from contract to contract and the amount of indemnification liability, if any, cannot be determined and has not been included in the table above or recorded in our Condensed Consolidated Financial Statements as of September 30, 2011.

Clawback Obligations

For financial reporting purposes, the general partners have recorded a liability for potential clawback obligations to the limited partners of some of the carry funds due to changes in the unrealized value of a fund's remaining investments and where the fund's general partner has previously received Carried Interest distributions with respect to such fund's realized investments.

The actual clawback liability, however, does not become realized until the end of a fund's life except for Blackstone's real estate funds which may have an interim clawback liability come due after a realized loss is incurred, depending on the fund. The lives of the carry funds with a potential clawback obligation, including available contemplated extensions, are currently anticipated to expire at various points beginning toward the end of 2012 and extending through 2018. Further extensions of such terms may be implemented under given circumstances.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Our predominant exposure to market risk is related to our role as general partner or investment advisor to the Blackstone Funds and the sensitivities to movements in the fair value of their investments, including the effect on management fees, performance fees and investment income.

Although the Blackstone Funds share many common themes, each of our alternative asset management operations runs its own investment and risk management processes, subject to our overall risk tolerance and philosophy:

- The investment process of our carry funds involves a detailed analysis of potential investments, and asset management teams are assigned to oversee the operations, strategic development, financing and capital deployment decisions of each portfolio investment. Key investment decisions are subject to approval by the applicable investment committee, which is comprised of Blackstone senior managing directors and senior management.
- In our capacity as advisor to certain of our hedge fund solutions and credit businesses funds, we continuously monitor a variety of markets for attractive trading opportunities, applying a number of traditional and customized risk management metrics to analyze risk related to specific assets or portfolios. In addition, we perform extensive credit and cash-flow analyses of borrowers, credit-based assets and underlying hedge fund managers, and have extensive asset management teams that monitor covenant compliance by, and relevant financial data of, borrowers and other obligors, asset pool performance statistics, tracking of cash payments relating to investments and ongoing analysis of the credit status of investments.

Effect on Fund Management Fees

Our management fees are based on (a) third parties' capital commitments to a Blackstone Fund, (b) third parties' capital invested in a Blackstone Fund or (c) the net asset value, or NAV, of a Blackstone Fund, as described in our Condensed Consolidated Financial Statements. Management fees will only be directly affected by short-term changes in market conditions to the extent they are based on NAV or represent permanent impairments of value. These management fees will be increased (or reduced) in direct proportion to the effect of

Table of Contents

changes in the market value of our investments in the related funds. The proportion of our management fees that are based on NAV is dependent on the number and types of Blackstone Funds in existence and the current stage of each fund's life cycle. For the nine months ended September 30, 2011 and September 30, 2010, the percentage of our fund management fees based on the NAV of the applicable funds or separately managed accounts, were as follows:

	As of September 30,	
	2011	2010
Fund Management Fees Based on the NAV of the Applicable Funds or Separately Managed Accounts	32%	32%

Market Risk

The Blackstone Funds hold investments which are reported at fair value. Based on the fair value as of September 30, 2011 and September 30, 2010, we estimate that a 10% decline in fair value of the investments would have the following effects:

	September 30,					
	2011			2010		
	Management Fees	Performance Fees, Net of the Related Compensation Expense	Investment Income	Management Fees	Performance Fees, Net of the Related Compensation Expense	Investment Income
	(Dollars in Thousands)					
10% Decline in Fair Value of the Investments	\$ 43,006	\$ 713,898	\$ 217,272	\$ 44,297	\$ 219,163	\$ 183,695

Total assets under management, excluding undrawn capital commitments and the amount of capital raised for our CLOs, by segment, and the percentage amount classified as Level III investments as defined within the fair value standards of GAAP, are as follows:

	Total Assets Under Management, Excluding Undrawn Capital Commitments and the Amount of Capital Raised for CLOs (Dollars in Thousands)	Percentage Amount Classified as Level III Investments
Private Equity	\$ 24,239,336	75%
Real Estate	30,267,342	96%
Hedge Fund Solutions	38,575,410	74%
Credit Businesses	12,912,491	48%

The fair value of our investments and securities can vary significantly based on a number of factors that take into consideration the diversity of the Blackstone Funds' investment portfolio and on a number of factors and inputs such as similar transactions, financial metrics, and industry comparatives, among others. (See "Part I, Item 1A. Risk Factors" in our 2010 Annual Report on Form 10-K. Also see "Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations — Critical Accounting Policies — Investments, at Fair Value.") We believe these fair value amounts should be utilized with caution as our intent and strategy is to hold investments and securities until prevailing market conditions are beneficial for investment sales.

Investors in all of our carry funds (and certain of our credit-oriented funds and funds of hedge funds) make capital commitments to those funds that we are entitled to call from those investors at any time during prescribed periods. We depend on investors fulfilling their commitments when we call capital from them in order for those

Table of Contents

funds to consummate investments and otherwise pay their related obligations when due, including management fees. We have not had investors fail to honor capital calls to any meaningful extent and any investor that did not fund a capital call would be subject to having a significant amount of its existing investment forfeited in that fund. But if investors were to fail to satisfy a significant amount of capital calls for any particular fund or funds, those funds could be materially and adversely affected.

Exchange Rate Risk

The Blackstone Funds hold investments that are denominated in non-U.S. dollar currencies that may be affected by movements in the rate of exchange between the U.S. dollar and non-U.S. dollar currencies. Additionally, a portion of our management fees are denominated in non-U.S. dollar currencies. We estimate that as of September 30, 2011 and September 30, 2010, a 10% decline in the rate of exchange of all foreign currencies against the U.S. dollar would have the following effects:

	September 30,					
	2011			2010		
	Management	Performance Fees, Net of the Related Compensation	Investment	Management	Performance Fees, Net of the Related Compensation	Investment
	Fees	Expense	Income	Fees	Expense	Income
	(Dollars in Thousands)					
10% Decline in the Rate of Exchange of All Foreign Currencies Against the U.S. Dollar	\$ 9,851	\$ 128,225	\$ 31,869	\$ 9,113	\$ 37,355	\$ 30,589

Interest Rate Risk

Blackstone has debt obligations payable that accrue interest at variable rates. Additionally, we have swapped a portion of our 6.625% senior notes into a variable rate instrument. Interest rate changes may therefore affect the amount of interest payments, future earnings and cash flows. Based on our debt obligations payable as of September 30, 2011 and September 30, 2010, and our outstanding interest rate swaps, we estimate that interest expense relating to variable rates would increase on an annual basis, in the event interest rates were to increase by one percentage point, as follows:

	September 30,	
	2011	2010
	(Dollars in Thousands)

Blackstone's Treasury cash management strategies consists of a diversified portfolio of highly liquid assets to meet the liquidity needs of various businesses (the "Treasury Liquidity Portfolio"). This portfolio includes cash, open-ended money market mutual funds, open-ended bond mutual funds, marketable investment securities, freestanding derivative contracts, repurchase and reverse repurchase agreements. We estimate that our annualized investment income would decrease by \$8.9 million, or 0.5% of the Treasury Liquidity Portfolio, if interest rates were to increase by one percentage point. This would be offset by an estimated increase in interest income of \$6.1 million on an annual basis from interest on floating rate assets.

Credit Risk

Certain Blackstone Funds and the Investee Funds are subject to certain inherent risks through their investments.

Table of Contents

The Treasury Liquidity Portfolio contains certain credit risks including, but not limited to, exposure to uninsured deposits with financial institutions, unsecured corporate bonds and mortgage-backed securities. These exposures are actively monitored on a continuous basis and positions are reallocated based on changes in risk profile, market or economic conditions.

We estimate that our investment income would decrease by \$12.6 million, or 0.8% of the Treasury Liquidity Portfolio, if credit spreads were to increase by one percentage point.

Certain of our entities hold derivative instruments that contain an element of risk in the event that the counterparties may be unable to meet the terms of such agreements. We minimize our risk exposure by limiting the counterparties with which we enter into contracts to banks and investment banks who meet established credit and capital guidelines. We do not expect any counterparty to default on its obligations and therefore do not expect to incur any loss due to counterparty default.

ITEM 4. CONTROLS AND PROCEDURES

We maintain “disclosure controls and procedures,” as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934 (the “Exchange Act”), that are designed to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. In designing disclosure controls and procedures, our management necessarily was required to apply its judgment in evaluating the cost-benefit relationship of possible disclosure controls and procedures. The design of any disclosure controls and procedures also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired objectives.

Our management, including our Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures pursuant to Rule 13a-15 under the Exchange Act as of the end of the period covered by this report. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of the period covered by this report, our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act) are effective at the reasonable assurance level to accomplish their objectives of ensuring that information we are required to disclose in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

No changes in our internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) occurred during our most recent quarter, that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

We may from time to time be involved in litigation and claims incidental to the conduct of our business. Our businesses are also subject to extensive regulation, which may result in regulatory proceedings against us. See “Part I. Item 1A. Risk Factors” in our 2010 Annual Report on Form 10-K. We are not currently subject to any pending judicial, administrative or arbitration proceedings that we expect to have a material impact on our consolidated financial statements.

In December 2007, a purported class of shareholders in public companies acquired by one or more private equity firms filed a lawsuit against sixteen private equity firms and investment banks, including The Blackstone Group L.P., in the United States District Court in Massachusetts (*Kirk Dahl, et al. v. Bain Capital Partners, LLC, et al.*). The suit alleges that from mid-2003 defendants have violated antitrust laws by allegedly conspiring to rig bids, restrict the supply of private equity financing, fix the prices for target companies at artificially low levels, and divide up an alleged market for private equity services for leveraged buyouts. The complaint seeks injunctive relief on behalf of all persons who sold securities to any of the defendants in leveraged buyout transactions. The amended complaint also includes seven purported sub-classes of plaintiffs seeking damages and/or restitution and comprised of shareholders of seven companies. Following the completion of fact discovery, plaintiffs may be permitted to amend their complaint further to add a number of leveraged buyout transactions.

In the spring of 2008, six substantially identical complaints were brought against Blackstone and some of its executive officers purporting to be class actions on behalf of purchasers of common units in Blackstone’s June 2007 initial public offering. These suits were subsequently consolidated into one complaint (*Landmen Partners Inc. v. The Blackstone Group L.P., et al.*) filed in the United States District Court for the Southern District of New York in October 2008 against Blackstone, Stephen A. Schwarzman (Blackstone’s Chairman and Chief Executive Officer), Peter G. Peterson (Blackstone’s former Senior Chairman), Hamilton E. James (Blackstone’s President and Chief Operating Officer) and Michael A. Puglisi (Blackstone’s Chief Financial Officer at the time of the IPO). The amended complaint alleged that (1) the IPO prospectus was false and misleading for failing to disclose (a) one private equity investment would be adversely affected by trends in mortgage default rates, particularly for sub-prime mortgage loans, (b) another private equity investment was adversely affected by the loss of an exclusive manufacturing agreement, and (c) prior to the IPO the U.S. real estate market had started to deteriorate, adversely affecting the value of Blackstone’s real estate investments; and (2) the financial statements in the IPO prospectus were materially inaccurate principally because they overstated the value of the investments referred to in clause (1).

In September 2009 the District Court judge dismissed the complaint with prejudice, ruling that even if the allegations in the complaint were assumed to be true, the alleged omissions were immaterial. Analyzing both quantitative and qualitative factors, the District Court reasoned that the alleged omissions were immaterial as a matter of law given the size of the investments at issue relative to Blackstone as a whole, and taking into account Blackstone’s structure as an asset manager and financial advisory firm.

In February 2011, a three-judge panel of the Second Circuit reversed the District Court’s decision, ruling that the District Court incorrectly found that plaintiffs’ allegations were, if true, immaterial as a matter of law. The Second Circuit disagreed with the District Court, concluding that the complaint “plausibly” alleged that the initial public offering documents omitted material information concerning two of Blackstone funds’ individual investments and inadequately disclosed information relating to market risks to their real estate investments. Because this was a motion to dismiss, in reaching this decision the Second Circuit accepted all of the complaint’s factual allegations as true and drew every reasonable inference in plaintiffs’ favor. The Second Circuit did not consider facts other than those in the plaintiffs’ complaint.

In June 2011, three related suits (*Walker, Truesdell, Roth & Assocs. v. The Blackstone Group L.P., et al.*) were filed against Blackstone, various Blackstone entities including some of its private equity and real estate

Table of Contents

funds, and specified Blackstone personnel relating to the sale of Extended Stay Hotels in June 2007 by certain entities in which such Blackstone funds owned a significant equity interests (the “2007 Sale”). Other defendants in such suits include the buyer of Extended Stay, financial advisors to both the sellers and the buyer and specified lenders for the purchase of Extended Stay. Extended Stay subsequently filed for bankruptcy in 2009, at which time it was still owned by the buyer pursuant to the 2007 Sale. The suits, which are in the U.S. Bankruptcy Court for the Southern District of New York, were brought by a litigation trust for the benefit of creditors of Extended Stay and allege that Extended Stay was rendered insolvent by the 2007 Sale. One suit includes asserted claims of fraudulent conveyance and seeks to recover \$2.1 billion allegedly transferred to the sellers in the 2007 Sale. The other two suits contain the same allegations as the first suit, assert claims for breach of fiduciary duty, unjust enrichment, illegal distributions and other claims, and seek \$2.1 billion in compensatory damages and \$6.3 billion in punitive damages.

Blackstone believes that the foregoing suits are totally without merit and intends to defend them vigorously.

ITEM 1A. RISK FACTORS

For a discussion of our potential risks and uncertainties, see the information under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2010 and in our subsequently filed Quarterly Reports on Form 10-Q, all of which are accessible on the Securities and Exchange Commission’s website at www.sec.gov.

See “Part I. Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations — Business Environment” in this report for a discussion of the conditions in the financial markets and economic conditions affecting our businesses. This discussion updates, and should be read together with, the risk factor entitled “Difficult market conditions can adversely affect our business in many ways, including by reducing the value or performance of the investments made by our investment funds, reducing the ability of our investment funds to raise or deploy capital and reducing the volume of the transactions involving our financial advisory business, each of which could materially reduce our revenue and cash flows and adversely affect our financial condition” in our Annual Report on Form 10-K for the year ended December 31, 2010.

The risks described in our Form 10-K and in our subsequently filed Quarterly Reports on Form 10-Q are not the only risks facing us. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition and/or operating results.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS

In January 2008, the Board of Directors authorized the repurchase of up to \$500 million of Blackstone common units and Blackstone Holdings Partnership Units. Under this unit repurchase program, units may be repurchased in open market transactions, in privately negotiated transactions or otherwise. The unit repurchase program may be suspended or discontinued at any time and does not have a final specified date. No purchases of our common units were made by us or on our behalf during the three months ended September 30, 2011. See “Part I. Item 1. Financial Statements — Notes to Condensed Consolidated Financial Statements — Note 13. Net Income (Loss) Per Common Unit” and “Part I. Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations — Liquidity and Capital Resources — Our Sources of Cash and Liquidity Needs” for further information regarding this unit repurchase program.

As permitted by our policies and procedures governing transactions in our securities by our directors, executive officers and other employees, from time to time some of these persons may establish plans or arrangements complying with Rule 10b5-1 under the Exchange Act, and similar plans and arrangements relating to our common units and Holdings units.

ITEM 5. OTHER INFORMATION

On November 4, 2011, the agreement of limited partnership of The Blackstone Group L.P. was amended to provide that common units purchased by CIC and its affiliates subsequent to our initial public offering will no longer be non-voting. As a result, the 7.7 million non-voting common units held by CIC and its affiliates that they purchased subsequent to the initial public offering (representing less than 1% of Blackstone's fully diluted common units outstanding) will be identical to the units held by all other public unitholders. This amendment does not affect the 101,334,234 non-voting common units purchased by CIC at the time of our initial public offering, which common units remain non-voting.

**AMENDMENT NO. 2
TO
THE AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP
OF
THE BLACKSTONE GROUP L.P.**

This AMENDMENT No. 2, dated as of November 4, 2011 (this “Amendment No. 2”), to the Amended and Restated Agreement of Limited Partnership of The Blackstone Group L.P., dated as of June 27, 2007 (the “Partnership Agreement”), of The Blackstone Group L.P., a Delaware limited partnership (the “Partnership”), is entered into by Blackstone Group Management L.L.C., a Delaware limited liability company, as the general partner of the Partnership (the “General Partner”), and the Limited Partners. Capitalized terms used but not defined herein shall have the meaning ascribed thereto in the Partnership Agreement.

WHEREAS, the General Partner and the Limited Partners are parties to the Partnership Agreement;

WHEREAS, the General Partner wishes to amend certain provisions of the Partnership Agreement in the manner and as more fully set forth herein;

WHEREAS, pursuant to Section 13.1(e)(i) of the Partnership Agreement, the General Partner may amend any provision of the Partnership Agreement, without the approval of any Partner, any Unitholder or any other Person, to reflect a change that the General Partner determines does not adversely affect the Limited Partners considered as a whole (including any particular class of Partnership Interests as compared to other classes of Partnership Interests, treating the Common Units as a separate class for this purpose) in any material respect; and

WHEREAS, the General Partner has determined that this Amendment No. 2 does not adversely affect the Limited Partners considered as a whole (including any particular class of Partnership Interests as compared to other classes of Partnership Interests, treating the Common Units as a separate class for this purpose) in any material respect.

NOW, THEREFORE, in consideration of the agreements contained herein, and for other good and valuable consideration acknowledged hereby, the parties hereto agree as follows:

1. Amendment to Section 1.1. The definitions of “Outstanding” and “Voting Unit” are hereby amended to reflect the following changes (double underlines represent insertions):

“ *Outstanding* ” means, with respect to Limited Partner Interests, all Limited Partner Interests that are issued by the Partnership and reflected as outstanding on the Partnership’s books and records as of the date of determination; provided however that if at any time any Person or Group (other than the General Partner or its Affiliates) Beneficially Owns 20% or more of any class of Outstanding Common Units, all Common Units owned by such Person or Group shall not be entitled to be voted on any matter and shall not be considered to be Outstanding when sending notices of a meeting of Limited Partners to vote on any matter (unless

otherwise required by law), calculating required votes, determining the presence of a quorum or for other similar purposes under this Agreement, except that Common Units so owned shall be considered to be Outstanding for purposes of Section 11.1(b)(iv) (such Common Units shall not, however, be treated as a separate class of Partnership Securities for purposes of this Agreement); provided further that the foregoing limitation shall not apply (i) to any Person or Group who acquired 20% or more of any Outstanding Common Units of any class then Outstanding directly from the General Partner or its Affiliates, (ii) to any Person or Group who acquired 20% or more of any Outstanding Common Units of any class then Outstanding directly or indirectly from a Person or Group described in clause (i) provided that the General Partner shall have notified such Person or Group in writing that such limitation shall not apply or (iii) to any Person or Group who acquired 20% or more of any Common Units issued by the Partnership with the prior approval of the Board of Directors; provided further that if at any time the State Investment Company or a State Investment Company Affiliate Beneficially Owns any Common Units, no Common Units Beneficially Owned by the State Investment Company or a State Investment Company Affiliate (other than Common Units Beneficially Owned by the State Investment Company or a State Investment Company Affiliate acquired by such Person subsequent to the date of the Initial Offering) shall be entitled to be voted on any matter and shall not be considered to be Outstanding when sending notices of a meeting of Limited Partners to vote on any matter (unless otherwise required by law), calculating required votes, determining the presence of a quorum or for other similar purposes under this Agreement.

“ *Voting Unit* ” means a Common Unit (other than any Common Unit Beneficially Owned by the State Investment Company or a State Investment Company Affiliate (unless such Common Unit was acquired by such Person subsequent to the date of the Initial Offering)), a Special Voting Unit and any other Partnership Interest that is designated as a “Voting Unit” from time to time.

2. Amendment to Section 13.12. Paragraphs (a) and (c) of Section 13.12 are hereby amended to reflect the following changes (double underlines represent insertions):

(a) Only those Record Holders of Outstanding Limited Partner Interests on the Record Date set pursuant to Section 13.6 (and also subject to the limitations contained in the definition of “Outstanding”) shall be entitled to notice of, and to vote at, a meeting of Limited Partners or to act with respect to matters as to which the holders of the Outstanding Limited Partner Interests have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Limited Partner Interests shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Limited Partner Interests. Each Common Unit shall entitle the holder thereof (other than the State Investment Company or any State Investment Company Affiliate (except to the extent such Common Unit was acquired by such Person subsequent to the date of the Initial Offering)) to one vote for each Common Unit held of record by such holder as of the relevant Record Date.

(c) Notwithstanding any other provision of this Agreement, for the avoidance of doubt, the State Investment Company and any State Investment Company Affiliate shall be subject to the limitations on voting set forth in this Section 13.12(c) for so long as it is a

Limited Partner or Beneficially Owns any Common Units. Notwithstanding any other provision of this Agreement or the terms of any Common Units, the State Investment Company and the State Investment Company Affiliates shall have no voting rights whatsoever with respect to the Partnership, including any voting rights that may otherwise exist for Limited Partners or holders of Common Units hereunder, under the Act, at law, in equity or otherwise; provided that any amendment of this Agreement that would have a material adverse effect on the rights or preferences of the Common Units Beneficially Owned by the State Investment Company or any State Investment Company Affiliate in relation to other Common Units (treating the Common Units Beneficially Owned by the State Investment Company and any State Investment Company Affiliate as a separate class for this purpose) must be approved by the holders of not less than a majority of the Common Units Beneficially Owned by the State Investment Company and any State Investment Company Affiliate. The State Investment Company and the State Investment Company Affiliates hereby further irrevocably waive any right it may otherwise have to vote for a successor General Partner or Liquidator under the Act in its capacity as Limited Partner or with respect to any Common Units owned by them. Notwithstanding the foregoing, the provisions of this Section 13.12(c) shall not apply to Common Units acquired by the State Investment Company or any State Investment Company Affiliate subsequent to the date of the Initial Offering.

2. Ratification and Confirmation of the Partnership Agreement . Except as so modified pursuant to this Amendment No. 2, the Partnership Agreement is hereby ratified and confirmed in all respects.

3. Applicable Law . This Amendment No. 2 shall be governed by, and construed in accordance with, the laws of the State of Delaware.

4. Effectiveness . This Amendment No. 2 shall be effective as of the date hereof.

Each Covered Person shall be entitled to rely in good faith on the advice of legal counsel to the Company, accountants and other experts or professional advisors, and no action taken by any Covered Person in reliance on such advice shall in any event subject such person to any liability to any Member or the Company. To the extent that, at law or in equity, a Member has duties (including fiduciary duties) and liabilities relating thereto to the Company or to another Member, to the fullest extent permitted by law, such Member acting under this Agreement shall not be liable to the Company or to any such other Member for its good faith reliance on the provisions of this Agreement. (b) Indemnification. (i) To the fullest extent permitted by law, the Company shall indemnify and hold harmless (but only to the extent of the Company's assets (including, without limitation, the remaining capital commitments of the Members) each Covered Person from and against any and all claims, damages, losses, costs, expenses and liabilities (including, without limitation, amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim), joint and several, of any nature whatsoever,

known or unknown, liquidated or unliquidated (collectively, for purposes of this Section 3.5, “Losses”), arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of such Covered Person’s management of the affairs of the Company or which relate to or arise out of or in connection with the Company, its property, its business or affairs (other than claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, arising out of any act or omission of such Covered Person constituting Cause); provided, that a Covered Person shall not be entitled to indemnification under this Section with respect to any claim, issue or matter if there is a final and non-appealable judicial determination and/or determination of an arbitrator that such Covered Person did not act in good faith and in what such Covered Person reasonably believed to be in, or not opposed to, the best interest of the Company and within the authority granted to such Covered Person by this Agreement, and, with respect to any criminal act or proceeding, had reasonable cause to believe that such Covered Person’s conduct was unlawful; provided further, that if such Covered Person is a Member or a Withdrawn Member, such Covered Person shall bear its share of such Losses in accordance with such Covered Person’s GP-Related Profit Sharing Percentage in the Company as of the time of the actions or omissions that gave rise to such Losses. To the fullest extent permitted by law, expenses (including legal fees) incurred by a Covered Person (including, without limitation, the Managing Member) in defending any claim, demand, action, suit or proceeding may, with the approval of the Managing Member, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of a written undertaking by or on behalf of the Covered Person to repay such amount to the extent that it shall be subsequently determined that the Covered Person is not entitled to be indemnified as authorized in this Section, and the Company and its Affiliates shall have a continuing right of offset against such Covered Person’s interests/investments in the Company and such Affiliates and shall have the right to withhold amounts otherwise distributable to such Covered Person to satisfy such repayment obligation. If a Member institutes litigation against a Covered Person which gives rise to an indemnity obligation hereunder, such Member shall be responsible, up to the amount of such Member’s Interests and remaining capital commitment, for such Member’s pro rata share of the Company’s expenses related to such indemnity obligation, as determined by the Managing Member. The Company may purchase insurance, to the extent available at reasonable cost, to cover losses, claims, damages or liabilities covered by the foregoing indemnification provisions. Members will not be personally obligated with respect to indemnification pursuant to this Section.

(ii) (A) Notwithstanding anything to the contrary herein, for greater certainty, it is understood and/or agreed that the Company’s obligations hereunder are not intended to render the Company as a primary indemnitor for purposes of the indemnification, advancement of expenses and related provisions under applicable law governing BEP and/or a particular portfolio entity through which an Investment is indirectly held. It is further understood and/or agreed that a Covered Person shall first seek to be so indemnified and have such expenses advanced in the following order of priority: first out of proceeds available in respect of applicable insurance policies maintained by the applicable portfolio entity and/or BEP, second by the applicable portfolio entity through which such investment is indirectly held, third by BEP and fourth by Associates (only to the extent the foregoing sources are exhausted).

(B) The Company's obligation, if any, to indemnify or advance expenses to any Covered Person shall be reduced by any amount that such Covered Person may collect as indemnification or advancement from BEP and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), and to the extent the Company (or any Affiliate thereof) pays or causes to be paid any amounts that should have been paid by Associates, BEP and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), it is agreed among the Partners that the Company shall have a subrogation claim against Associates and/or BEP and/or such portfolio entity in respect of such advancement or payments. The Managing Member and the Company shall be specifically empowered to structure any such advancement or payment as a loan or other arrangement (except for a loan to an executive officer of The Blackstone Group L.P. or any of its Affiliates, which shall not be permitted) as the Managing Member may determine necessary or advisable to give effect to or otherwise implement the foregoing.

Each Regular or Special Member represents and warrants that such Member understands that the Interests have not been registered under the Securities Act of 1933 and therefore such Interests may not be resold without registration under such Act or exemption from such registration, and that accordingly such Member must bear the economic risk of an investment in the Company for an indefinite period of time. Each Regular or Special Member represents that such Member has such knowledge and experience in financial and business matters, that such Member is capable of evaluating the merits and risks of an investment in the Company, and that such Member is able to bear the economic risk of such investment. Each Regular or Special Member represents that to the full satisfaction of the Member, the Member has been furnished any materials that such Member has requested relating to the Company, any Investment and the offering of Interests and has been afforded the opportunity to ask questions of representatives of the Company concerning the terms and conditions of the offering of Interests and any matters pertaining to each Investment and to obtain any other additional information relating thereto. Each Regular or Special Member represents that the Member has consulted to the extent deemed appropriate by the Member with the Member's own advisers as to the financial, tax, legal and related matters concerning an investment in Interests and on that basis believes that an investment in the Interests is suitable and appropriate for the Member.

(b) Each Regular or Special Member agrees that the representations and warranties contained in paragraph (a) above shall be true and correct as of any date that such Member (1) makes a capital contribution to the Company (whether as a result of Firm Advances made to such Member or otherwise) with respect to any Investment, and such Member hereby agrees that such capital contribution shall serve as confirmation thereof and/or (2) repays any portion of the principal amount of a Firm Advance, and such Member hereby agrees that such repayment shall serve as confirmation thereof.

3.7. Tax Information. Each Regular or Special Member certifies that (A) if the Member is a United States person (as defined in the Code) (x) (i) the Member's name, social security number (or, if applicable, employer identification number) and address provided to the Company and its Affiliates pursuant to an IRS Form W-9, Payer's Request for Taxpayer Identification Number Certification ("W-9") or otherwise are correct and (ii) the Member will complete and return a W-9, and (y) (i) the Member is a United States person (as defined in the Code) and (ii) the Member will notify the Company within 60 days of a change to foreign (non-United States) status or (B) if the Member is not a United States person (as defined in the Code) (x) (i) the information on the completed IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding ("W-8BEN") or other applicable form, including but not limited to IRS Form W-8IMY, Certificate of Foreign Intermediary, Foreign Partnership, or Certain U.S. Branches for United States Tax Withholding ("W-8IMY"), or otherwise is correct and (ii) the Member will complete and return the applicable IRS form, including but not limited to a W-8BEN or W-8IMY, and (y) (i) the Member is not a United States person (as defined in the Code) and (ii) the Member will notify the Company within 60 days of any change of such status. (ii) as specifically set forth in this Agreement; provided, that the Managing Member and any Special Member may agree from time to time that such Special Member shall make an additional GP-Related Capital Contribution to the Company; provided further, that each Investor Special Member shall maintain its GP-Related Capital Accounts at an aggregate level equal to the product of (i) its GP-Related Profit Sharing Percentage from time to time and (ii) the total capital of the Company related to the GP-Related BEP Interest.

(b) Each GP-Related Capital Contribution by a Member shall be credited to the appropriate GP-Related Capital Account of such Member in accordance with Section 5.2, subject to Section 5.10.

(c) The Managing Member may elect on a case by case basis to (i) cause the Company to loan any Member (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) the amount of any GP-Related Capital Contribution required to be made by such Member or (ii) permit any Member (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) to make a required GP-Related Capital Contribution to the Company in installments, in each case on terms determined by the Managing Member.

(d) (i) The Members and the Withdrawn Members have entered into the Trust Agreement, pursuant to which certain amounts of Carried Interest will be paid to the Trustee(s) for deposit in the Trust Account (such amounts to be paid to the Trustee(s) for deposit in the Trust Account constituting a “Holdback”). The Managing Member shall determine, as set forth below, the percentage of each distribution of Carried Interest that shall be withheld for any Managing Member (including, without limitation, Holdings) and each Member Category (such withheld percentage constituting the Managing Member’s and such Member Category’s “Holdback Percentage”). The applicable Holdback Percentages initially shall be 0% for any Managing Member, 15% for Existing Members (other than the Managing Member), 21% for Retaining Withdrawn Members (other than the Managing Member) and 24% for Deceased Members (the “Initial Holdback Percentages”). Any provision of this Agreement to the contrary notwithstanding, the Holdback Percentage for the Managing Member (including, without limitation, Holdings) shall not be subject to change pursuant to clause (ii), (iii) or (iv) of this Section 4.1(d).

(ii) The Holdback Percentage may not be reduced for any individual Member as compared to the other Members in his Member Category (except as provided in clause (iv) below). The Managing Member may only reduce the Holdback Percentages among the Member Categories on a proportionate basis. For example, if the Holdback Percentage for Existing Members is decreased to 12.5%, the Holdback Percentage for Retaining Withdrawn Members and Deceased Members shall be reduced to 17.5% and 20%, respectively. Any reduction in the Holdback Percentage for any Member shall apply only to distributions relating to Carried Interest made after the date of such reduction.

(iii) The Holdback Percentage may not be increased for any individual Member as compared to the other Members in his Member Category (except as provided in clause (iv) below). The Managing Member may not increase the Retaining Withdrawn Members' Holdback Percentage beyond 21% unless the Managing Member concurrently increases the Existing Members' Holdback Percentage to 21%. The Managing Member may not increase the Deceased Members' Holdback Percentage beyond 24% unless the Managing Member increases the Holdback Percentage for both Existing Members and Retaining Withdrawn Members to 24%. The Managing Member may not increase the Holdback Percentage of any Member Category beyond 24% unless such increase applies equally to all Member Categories. Any increase in the Holdback Percentage for any Member shall apply only to distributions relating to Carried Interest made after the date of such increase. The foregoing shall in no way prevent the Managing Member from proportionately increasing the Holdback Percentage of any Member Category (following a reduction of the Holdback Percentages below the Initial Holdback Percentages), if the resulting Holdback Percentages are consistent with the above. For example, if the Managing Member reduces the Holdback Percentages for Existing Members, Retaining Withdrawn Members and Deceased Members to 12.5%, 17.5% and 20%, respectively, the Managing Member shall have the right to subsequently increase the Holdback Percentages to the Initial Holdback Percentages.

(iv) (A) Notwithstanding anything contained herein to the contrary, the Company may increase or decrease the Holdback Percentage for any Member in any Member Category (in such capacity, the "Subject Member") pursuant to a majority vote of the Regular Members (a "Holdback Vote"); provided, that, notwithstanding anything to the contrary contained herein, the Holdback Percentage applicable to any Managing Member shall not be increased or decreased without its prior written consent; provided further, that a Subject Member's Holdback Percentage shall not be (I) increased prior to such time as such Subject Member (x) is notified by the Company of the decision to increase such Subject Member's Holdback Percentage and (y) has, if requested by such Subject Member, been given 30 days to gather and provide information to the Company for consideration before a second Holdback Vote (requested by the Subject Member) or (II) decreased unless such decrease occurs subsequent to an increase in a Subject Member's Holdback Percentage pursuant to a Holdback Vote under this clause (iv); provided further, that such decrease shall not exceed an amount such that such Subject Member's Holdback Percentage is less than the prevailing Holdback Percentage for the Member Category of such Subject Member; provided further, that a Member shall not vote to increase a Subject Member's Holdback Percentage unless such voting Member determines, in such Member's good faith judgment, that the facts and circumstances indicate that it is reasonably likely that such Subject Member, or any of such Subject Member's successors or assigns (including such Subject Member's estate or heirs) who at the time of such vote holds the GP-Related Member Interest or otherwise has the right to receive distributions relating thereto, will not be capable of satisfying any GP-Related Recontribution Amounts that may become due.

-
- (B) A Holdback Vote shall take place at a Company meeting. Each Regular Member shall be entitled to cast one vote with respect to the Holdback Vote regardless of such Regular Member's interest in the Company. Such vote may be cast by any Regular Member in person or by proxy.
- (C) If the result of the second Holdback Vote is an increase in a Subject Member's Holdback Percentage, such Subject Member may submit the decision to an arbitrator, the identity of which is mutually agreed upon by both the Subject Member and the Company; provided, that if the Company and the Subject Member cannot agree upon a mutually satisfactory arbitrator within 10 days of the second Holdback Vote, each of the Company and the Subject Member shall request their candidate for arbitrator to select a third arbitrator satisfactory to such candidates; provided further, that if such candidates fail to agree upon a mutually satisfactory arbitrator within 30 days of such request, the then sitting President of the American Arbitration Association shall unilaterally select the arbitrator. Each Subject Member that submits the decision of the Company pursuant to the second Holdback Vote to arbitration and the Company shall estimate their reasonably projected out-of-pocket expenses relating thereto, and each such party shall, to the satisfaction of the arbitrator and prior to any determination being made by the arbitrator, pay the total of such estimated expenses (i.e., both the Subject Member's and the Company's expenses) into an escrow account to be controlled by Simpson Thacher & Bartlett LLP, as escrow agent (or such other comparable law firm as the Company and the Subject Member shall agree). The arbitrator shall direct the escrow agent to pay out of such escrow account all expenses associated with such arbitration (including costs leading thereto) and to return to the "victorious" party the entire amount of funds such party paid into such escrow account. If the amount contributed to the escrow account by the losing party is insufficient to cover the expenses of such arbitration, such "losing" party shall then provide any additional funds necessary to cover such costs to such "victorious" party. For purposes hereof, the "victorious" party shall be the Company if the Holdback Percentage ultimately determined by the arbitrator is closer to the percentage determined in the second Holdback Vote than it is to the prevailing Holdback Percentage for the Subject Member's Member Category; otherwise, the Subject Member shall be the "victorious" party. The party that is not the "victorious" party shall be the "losing" party.
- (D) In the event of a decrease in a Subject Member's Holdback Percentage (1) pursuant to a Holdback Vote under this clause (iv) or (2) pursuant to a decision of an arbitrator under paragraph (C) of this clause (iv), the Company shall release and distribute to such Subject Member any Trust Amounts (and the Trust Income thereon (except as expressly provided herein with respect to using Trust Income as Firm Collateral))

which exceed the required Holdback of such Subject Member (in accordance with such Subject Member's reduced Holdback Percentage) as though such reduced Holdback Percentage had applied since the increase of the Subject Member's Holdback Percentage pursuant to a previous Holdback Vote under this clause (iv).

(v) (A) If a Member's Holdback Percentage exceeds 15% (such percentage in excess of 15% constituting the "Excess Holdback Percentage"), such Member may satisfy the portion of his Holdback obligation in respect of his Excess Holdback Percentage (such portion constituting such Member's "Excess Holdback"), and such Member (or a Withdrawn Member with respect to amounts contributed to the Trust Account while he was a Member), to the extent his Excess Holdback obligation has previously been satisfied in cash, may obtain the release of the Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) satisfying such Member's or Withdrawn Member's Excess Holdback obligation, by pledging or otherwise making available to the Company, on a first priority basis (except as provided below), all or any portion of his Firm Collateral in satisfaction of his Excess Holdback obligation. Any Member seeking to satisfy all or any portion of the Excess Holdback utilizing Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the good faith judgment of the Managing Member) to perfect a first priority security interest in, and otherwise assure the ability of the Company to realize on (if required), such Firm Collateral; provided, that, in the case of entities listed in the Company's books and records in which Members are permitted to pledge their interests therein to finance all or a portion of their capital contributions thereto ("Pledgable Blackstone Interests"), to the extent a first priority security interest is unavailable because of an existing lien on such Firm Collateral, the Member or Withdrawn Member seeking to utilize such Firm Collateral shall grant the Company a second priority security interest therein in the manner provided above; provided further, that (x) in the case of Pledgable Blackstone Interests, to the extent that neither a first priority nor a second priority security interest is available, or (y) if the Managing Member otherwise determines in its good faith judgment that a security interest in Firm Collateral (and the corresponding documents and actions) are not necessary or appropriate, the Member or Withdrawn Member shall (in the case of either clause (x) or (y) above) irrevocably instruct in writing the relevant partnership, limited liability company or other entity listed in the Company's books and records to remit any and all net proceeds resulting from a Firm Collateral Realization on such Firm Collateral to the Trustee(s) as more fully provided in clause (B) below. The Company shall, at the request of any Member or Withdrawn Member, assist such Member or Withdrawn Member in taking such action as is necessary to enable such Member or Withdrawn Member to use Firm Collateral as provided hereunder.

(B) If upon a sale or other realization of all or any portion of any Firm Collateral (a "Firm Collateral Realization"), the remaining Firm Collateral is insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement, then up to 100% of the net proceeds otherwise distributable to such Member or Withdrawn Member from such Firm Collateral Realization (including distributions subject to the

repayment of financing sources as in the case of Pledgable Blackstone Interests) shall be paid into the Trust Account to fully satisfy such Excess Holdback requirement (allocated to such Member or Withdrawn Member) and shall be deemed to be Trust Amounts for purposes hereunder. Any net proceeds from such Firm Collateral Realization in excess of the amount necessary to satisfy such Excess Holdback requirement shall be distributed to such Member or Withdrawn Member.

- (C) Upon any valuation or revaluation of Firm Collateral that results in a decreased valuation of such Firm Collateral so that such Firm Collateral is insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement (including upon a Firm Collateral Realization, if net proceeds therefrom and the remaining Firm Collateral are insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement), the Company shall provide notice of the foregoing to such Member or Withdrawn Member and such Member or Withdrawn Member shall, within 30 days of receiving such notice, contribute cash (or additional Firm Collateral) to the Trust Account in an amount necessary to satisfy his Excess Holdback requirement. If any such Member or Withdrawn Member defaults upon his obligations under this clause (C), then Section 5.8(d)(ii) shall apply thereto; provided, that clause (A) of the first sentence of Section 5.8(d)(ii) shall be deemed inapplicable to a default under this clause (C); provided further, that for purposes of applying Section 5.8(d)(ii) to a default under this clause (C): (I) the term "GP-Related Defaulting Party" where such term appears in such Section 5.8(d)(ii) shall be construed as "defaulting party" for purposes hereof and (II) the terms "Net GP-Related Recontribution Amount" and "GP-Related Recontribution Amount" where such terms appear in such Section 5.8(d)(ii) shall be construed as the amount due pursuant to this clause (C).

(vi) Any Member or Withdrawn Member may (A) obtain the release of any Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) or Firm Collateral, in each case, held in the Trust Account for the benefit of such Member or Withdrawn Member or (B) require the Company to distribute all or any portion of amounts otherwise required to be placed in the Trust Account (whether cash or Firm Collateral), by obtaining a letter of credit (an "L/C") for the benefit of the Trustee(s) in such amounts. Any Member or Withdrawn Member choosing to furnish an L/C to the Trustee(s) (in such capacity, an "L/C Member") shall deliver to the Trustee(s) an unconditional and irrevocable L/C from a commercial bank whose (x) short-term deposits are rated at least A-1 by S&P and P-1 by Moody's (if the L/C is for a term of 1 year or less), or (y) long-term deposits are rated at least A+ by S&P or A1 by Moody's (if the L/C is for a term of 1 year or more) (each a "Required Rating"). If the relevant rating of the commercial bank issuing such L/C drops below the relevant Required Rating, the L/C Member shall supply to the Trustee(s), within 30 days of such occurrence, a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, in lieu of the insufficient L/C. In addition, if the L/C has a term expiring on a date earlier

than the latest possible termination date of BEP, the Trustee(s) shall be permitted to drawdown on such L/C if the L/C Member fails to provide a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, at least 30 days prior to the stated expiration date of such existing L/C. The Trustee(s) shall notify an L/C Member 10 days prior to drawing on any L/C. The Trustee(s) may (as directed by the Company in the case of clause (I) below) draw down on an L/C only if (I) such a drawdown is necessary to satisfy an L/C Member's obligation relating to the Company's obligations under the Clawback Provisions or (II) an L/C Member has not provided a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating (or the requisite amount of cash and/or Firm Collateral (to the extent permitted hereunder)), at least 30 days prior to the stated expiration of an existing L/C in accordance with this clause (vi). The Trustee(s), as directed by the Company, shall return to any L/C Member his L/C upon (1) the termination of the Trust Account and satisfaction of the Company's obligations, if any, in respect of the Clawback Provisions, (2) an L/C Member satisfying his entire Holdback obligation in cash and Firm Collateral (to the extent permitted hereunder), or (3) the release, by the Trustee(s), as directed by the Company, of all amounts in the Trust Account to the Members or Withdrawn Members. If an L/C Member satisfies a portion of his Holdback obligation in cash and/or Firm Collateral (to the extent permitted hereunder) or if the Trustee(s), as directed by the Company, release a portion of the amounts in the Trust Account to the Members or Withdrawn Members in the Member Category of such L/C Member, the L/C of an L/C Member may be reduced by an amount corresponding to such portion satisfied in cash and/or Firm Collateral (to the extent permitted hereunder) or such portion released by the Trustee(s), as directed by the Company; provided, that in no way shall the general release of any Trust Income cause an L/C Member to be permitted to reduce the amount of an L/C by any amount.

(vii) (A) Any in-kind distributions by the Company relating to Carried Interest shall be made in accordance herewith as though such distributions consisted of cash. The Company may direct the Trustee(s) to dispose of any in-kind distributions held in the Trust Account at any time. The net proceeds therefrom shall be treated as though initially contributed to the Trust Account.

(B) In lieu of the foregoing, any Existing Member may pledge with respect to any in-kind distribution the Special Firm Collateral referred to in the applicable category in the Company's books and records; provided, that the initial contribution of such Special Firm Collateral shall initially equal 130% of the required Holdback Amount for a period of 90 days, and thereafter shall equal at least 115% of the required Holdback Amount. Paragraphs 4.1(d)(viii)(C) and (D) shall apply to such Special Firm Collateral. To the extent such Special Firm Collateral exceeds the applicable minimum percentage of the required Holdback Amount specified in the first sentence of this clause (vii)(B), the related Member may obtain a release of such excess amount from the Trust Account.

(viii) (A) Any Regular Member or Withdrawn Member may satisfy all or any portion of his Holdback (excluding any Excess Holdback), and such Member or a

Withdrawn Member may, to the extent his Holdback (excluding any Excess Holdback) has been previously been satisfied in cash or by the use of an L/C as provided herein, obtain a release of Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) that satisfy such Member's or Withdrawn Member's Holdback (excluding any Excess Holdback) by pledging to the Trustee(s) on a first priority basis all of his Special Firm Collateral in a particular Qualifying Fund, which at all times must equal or exceed the amount of the Holdback distributed to the Member or Withdrawn Member (as more fully set forth below). Any Member seeking to satisfy such Member's Holdback utilizing Special Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the good faith judgment of the Managing Member) to perfect a first priority security interest in, and otherwise assure the ability of the Trustee(s) to realize on (if required), such Special Firm Collateral.

- (B) If upon a distribution, withdrawal, sale, liquidation or other realization of all or any portion of any Special Firm Collateral (a “Special Firm Collateral Realization”), the remaining Special Firm Collateral (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund and is being used in connection with an Excess Holdback) is insufficient to cover any Member's or Withdrawn Member's Holdback (when taken together with other means of satisfying the Holdback as provided herein (i.e., cash contributed to the Trust Account or an L/C in the Trust Account)), then up to 100% of the net proceeds otherwise distributable to such Member or Withdrawn Member from such Special Firm Collateral Realization (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund or other asset and is being used in connection with an Excess Holdback) shall be paid into the Trust (and allocated to such Member or Withdrawn Member) to fully satisfy such Holdback and shall be deemed thereafter to be Trust Amounts for purposes hereunder. Any net proceeds from such Special Firm Collateral Realization in excess of the amount necessary to satisfy such Holdback (excluding any Excess Holdback) shall be distributed to such Member or Withdrawn Member. To the extent a Qualifying Fund distributes Securities to a Member or Withdrawn Member in connection with a Special Firm Collateral Realization, such Member or Withdrawn Member shall be required to promptly fund such Member's or Withdrawn Member's deficiency with respect to his Holdback in cash or an L/C.
- (C) Upon any valuation or revaluation of the Special Firm Collateral and/or any adjustment in the Applicable Collateral Percentage applicable to a Qualifying Fund (as provided in the Company's books and records), if such Member's or Withdrawn Member's Special Firm Collateral is valued at less than such Member's Holdback (excluding any Excess Holdback) as provided in the Company's books and records, taking into account other permitted means of satisfying the Holdback hereunder, the Company shall provide notice of the foregoing to such Member or Withdrawn Member and, within 10 business days of receiving

such notice, such Member or Withdrawn Member shall contribute cash or additional Special Firm Collateral to the Trust Account in an amount necessary to make up such deficiency. If any such Member or Withdrawn Member defaults upon his obligations under this clause (C), then Section 5.8(d)(ii) shall apply thereto; provided, that the first sentence of Section 5.8(d)(ii)(A) shall be deemed inapplicable to such default; provided further, that for purposes of applying Section 5.8(d)(ii) to a default under this clause (C): (I) the term “GP-Related Defaulting Party” where such term appears in such Section 5.8(d)(ii) shall be construed as “defaulting party” for purposes hereof and (II) the terms “Net GP-Related Recontribution Amount” and “GP-Related Recontribution Amount” where such terms appear in such Section 5.8(d)(ii) shall be construed as the amount due pursuant to this clause (C).

- (D) Upon a Member becoming a Withdrawn Member, at any time thereafter the Managing Member may revoke the ability of such Withdrawn Member to use Special Firm Collateral as set forth in this Section 4.1(d)(viii), notwithstanding anything else in this Section 4.1(d)(viii). In that case the provisions of clause (C) above shall apply to the Withdrawn Member’s obligation to satisfy the Holdback (except that 30 days’ notice of such revocation shall be given), given that the Special Firm Collateral is no longer available to satisfy any portion of the Holdback (excluding any Excess Holdback).
- (E) Nothing in this Section 4.1(d)(viii) shall prevent any Member or Withdrawn Member from using any amount of such Member’s interest in a Qualifying Fund as Firm Collateral; provided that at all times Section 4.1(d)(v) and this Section 4.1(d)(viii) are each satisfied.

4.2. Interest. Interest on the balances of the Members’ capital related to the Members’ GP-Related Member Interests (excluding capital invested in GP-Related Investments and, if deemed appropriate by the Managing Member, capital invested in any other investment of the Company) shall be credited to the Members’ GP-Related Capital Accounts at the end of each accounting period pursuant to Section 5.2, or at any other time as determined by the Managing Member, at rates determined by the Managing Member from time to time, and shall be charged as an expense of the Company.

4.3. Withdrawals of Capital. No Member may withdraw capital related to such Member’s GP-Related Member Interest from the Company except (i) for distributions of cash or other property pursuant to Section 5.8, (ii) as otherwise expressly provided in this Agreement or (iii) as determined by the Managing Member.

ARTICLE V

PARTICIPATION IN PROFITS AND LOSSES

5.1. General Accounting Matters. (a) GP-Related Net Income (Loss) shall be determined by the Managing Member at the end of each accounting period and shall be allocated as described in Section 5.4.

(b) “GP-Related Net Income (Loss)” from any activity of the Company related to the GP-Related BEP Interest for any accounting period means (i) the gross income realized by the Company from such activity during such accounting period less (ii) all expenses of the Company, and all other items that are deductible from gross income, for such accounting period that are allocable to such activity (determined as provided below).

“GP-Related Net Income (Loss)” from any GP-Related Investment for any accounting period in which such GP-Related Investment has not been sold or otherwise disposed of means (i) the gross amount of dividends, interest or other income received by the Company from such GP-Related Investment during such accounting period less (ii) all expenses of the Company for such accounting period that are allocable to such GP-Related Investment (determined as provided below).

“GP-Related Net Income (Loss)” from any GP-Related Investment for the accounting period in which such GP-Related Investment is sold or otherwise disposed of means (i) the sum of the gross proceeds from the sale or other disposition of such GP-Related Investment and the gross amount of dividends, interest or other income received by the Company from such GP-Related Investment during such accounting period less (ii) the sum of the cost or other basis to the Company of such GP-Related Investment and all expenses of the Company for such accounting period that are allocable to such GP-Related Investment.

GP-Related Net Income (Loss) shall be determined in accordance with the accounting method used by the Company for U.S. federal income tax purposes with the following adjustments: (i) any income of the Company that is exempt from U.S. federal income taxation and not otherwise taken into account in computing GP-Related Net Income (Loss) shall be added to such taxable income or loss; (ii) if any asset has a value on the books of the Company that differs from its adjusted tax basis for U.S. federal income tax purposes, any depreciation, amortization or gain resulting from a disposition of such asset shall be calculated with reference to such value; (iii) upon an adjustment to the value of any asset on the books of the Company pursuant to Regulation Section 1.704-1(b)(2), the amount of the adjustment shall be included as gain or loss in computing such taxable income or loss; (iv) any expenditures of the Company not deductible in computing taxable income or loss, not properly capitalizable and not otherwise taken into account in computing GP-Related Net Income (Loss) pursuant to this definition shall be treated as deductible items; (v) any income from a GP-Related Investment that is payable to Company employees in respect of “phantom interests” in such GP-Related Investment awarded by the Managing Member to employees shall be included as an expense in the calculation of GP-Related Net Income (Loss) from such GP-Related Investment, and (vi) items of income and expense (including interest income and overhead and other indirect expenses) of the Company, Holdings and other Affiliates of the Company shall be allocated among the Company, Holdings

and such Affiliates, among various Company activities and GP-Related Investments and between accounting periods, in each case as determined by the Managing Member. Any adjustments to GP-Related Net Income (Loss) by the Managing Member, including adjustments for items of income accrued but not yet received, unrealized gains, items of expense accrued but not yet paid, unrealized losses, reserves (including reserves for taxes, bad debts, actual or threatened litigation, or any other expenses, contingencies or obligations) and other appropriate items shall be made in accordance with U.S. generally accepted accounting principles (“GAAP”); provided, that the Managing Member shall not be required to make any such adjustment.

(c) An accounting period shall be a Fiscal Year, except that, at the option of the Managing Member, an accounting period will terminate and a new accounting period will begin on the admission date of an additional Member or the Settlement Date of a Withdrawn Member, if any such date is not the first day of a Fiscal Year. If any event referred to in the preceding sentence occurs and the Managing Member does not elect to terminate an accounting period and begin a new accounting period, then the Managing Member may make such adjustments as it deems appropriate to the Members’ GP-Related Profit Sharing Percentages for the accounting period in which such event occurs (prior to any allocations of GP-Related Unallocated Percentages or adjustments to GP-Related Profit Sharing Percentages pursuant to Section 5.3) to reflect the Members’ average GP-Related Profit Sharing Percentages during such accounting period; provided, that the GP-Related Profit Sharing Percentages of Members in GP-Related Net Income (Loss) from GP-Related Investments acquired during such accounting period will be based on GP-Related Profit Sharing Percentages in effect when each such GP-Related Investment was acquired.

(d) In establishing GP-Related Profit Sharing Percentages and allocating GP-Related Unallocated Percentages pursuant to Section 5.3, the Managing Member may consider such factors as it deems appropriate.

(e) All determinations, valuations and other matters of judgment required to be made for accounting purposes under this Agreement shall be made by the Managing Member and approved by the Company’s independent accountants. Such approved determinations, valuations and other accounting matters shall be conclusive and binding on all Members, all Withdrawn Members, their successors, heirs, estates or legal representatives and any other person, and to the fullest extent permitted by law no such person shall have the right to an accounting or an appraisal of the assets of the Company or any successor thereto.

5.2. GP-Related Capital Accounts. (a) There shall be established for each Member on the books of the Company, to the extent and at such times as may be appropriate, one or more capital accounts as the Managing Member may deem to be appropriate for purposes of accounting for such Member’s interests in the capital of the Company related to the GP-Related BEP Interest and the GP-Related Net Income (Loss) of the Company (each a “GP-Related Capital Account”).

(b) As of the end of each accounting period or, in the case of a contribution to the Company by one or more of the Members with respect to such Member or Members’ GP-Related Member Interests or a distribution by the Company to one or more of the Members with respect to such Member or Members’ GP-Related Member Interests, at the time of such

contribution or distribution, (i) the appropriate GP-Related Capital Accounts of each Member shall be credited with the following amounts: (A) the amount of cash and the value of any property contributed by such Member to the capital of the Company related to such Member's GP-Related Member Interest during such accounting period, (B) the GP-Related Net Income allocated to such Member for such accounting period and (C) the interest credited on the balance of such Member's capital related to such Member's GP-Related Member Interest for such accounting period pursuant to Section 4.2; and (ii) the appropriate GP-Related Capital Accounts of each Member shall be debited with the following amounts: (x) the amount of cash, the principal amount of any subordinated promissory note of the Company referred to in Section 6.5 (as such amount is paid) and the value of any property distributed to such Member during such accounting period with respect to such Member's GP-Related Member Interest and (y) the GP-Related Net Loss allocated to such Member for such accounting period.

5.3. GP-Related Profit Sharing Percentages. (a) Prior to the beginning of each annual accounting period, the Managing Member shall establish the profit sharing percentage (the "GP-Related Profit Sharing Percentage") of each Member in each category of GP-Related Net Income (Loss) for such annual accounting period pursuant to Section 5.1(a) taking into account such factors as the Managing Member deems appropriate; provided, that (i) the Managing Member may elect to establish GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment acquired by the Company during such accounting period at the time such GP-Related Investment is acquired in accordance with paragraph (d) below and (ii) GP-Related Net Income (Loss) for such accounting period from any GP-Related Investment shall be allocated in accordance with the GP-Related Profit Sharing Percentages in such GP-Related Investment established in accordance with paragraph (d) below. The Managing Member may establish different GP-Related Profit Sharing Percentages for any Member in different categories of GP-Related Net Income (Loss). In the case of the Withdrawal of a Member, such former Member's GP-Related Profit Sharing Percentages shall be allocated by the Managing Member to one or more of the remaining Members as the Managing Member shall determine. In the case of the admission of any Member to the Company as an additional Member, the GP-Related Profit Sharing Percentages of the other Members shall be reduced by an amount equal to the GP-Related Profit Sharing Percentage allocated to such new Member pursuant to Section 6.1(b); such reduction of each other Member's GP-Related Profit Sharing Percentage shall be pro rata based upon such Member's GP-Related Profit Sharing Percentage as in effect immediately prior to the admission of the new Member. Notwithstanding the foregoing, the Managing Member may also adjust the GP-Related Profit Sharing Percentage of any Member for any annual accounting period at the end of such annual accounting period in its sole discretion.

(b) The Managing Member may elect to allocate to the Members less than 100% of the GP-Related Profit Sharing Percentages of any category for any annual accounting period at the time specified in Section 5.3(a) for the annual fixing of GP-Related Profit Sharing Percentages (any remainder of such GP-Related Profit Sharing Percentages being called an "GP-Related Unallocated Percentage"); provided, that any GP-Related Unallocated Percentage in any category of GP-Related Net Income (Loss) for any annual accounting period that is not allocated by the Managing Member within 90 days after the end of such accounting period shall be deemed to be allocated among all the Members (including the Managing Member) in the manner determined by the Managing Member in its sole discretion.

(c) Unless otherwise determined by the Managing Member in a particular case, (i) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment shall be allocated in proportion to the Members' respective GP-Related Capital Contributions in respect of such GP-Related Investment and (ii) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from each GP-Related Investment shall be fixed at the time such GP-Related Investment is acquired and shall not thereafter change, subject to any repurchase rights established by the Managing Member pursuant to Section 5.7.

5.4. Allocations of GP-Related Net Income (Loss). (a) Except as provided in Section 5.4(d), GP-Related Net Income of the Company for each GP-Related Investment shall be allocated to the GP-Related Capital Accounts related to such GP-Related Investment of all the Members participating in such GP-Related Investment (including the Managing Member): first, in proportion to and to the extent of the amount of Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest distributed to the Members; second, to Members that received Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest in years prior to the years such GP-Related Net Income is being allocated to the extent such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest exceeded GP-Related Net Income allocated to such Members in such earlier years; and third, to the Members in the same manner that such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest would have been distributed if cash were available to distribute with respect thereto.

(b) GP-Related Net Loss of the Company shall be allocated as follows: (i) GP-Related Net Loss relating to realized losses suffered by BEP and allocated to the Company with respect to its pro rata share thereof (based on capital contributions made by the Company to BEP with respect to the GP-Related BEP Interest) shall be allocated to the Members in accordance with each Member's Non-Carried Interest Sharing Percentage with respect to the GP-Related Investment giving rise to such loss suffered by BEP and (ii) GP-Related Net Loss relating to realized losses suffered by BEP and allocated to the Company with respect to the Carried Interest shall be allocated in accordance with a Member's (including a Withdrawn Member's) Carried Interest Give Back Percentage (as of the date of such loss) (subject to adjustment pursuant to Section 5.8(e)).

(c) Notwithstanding Section 5.4(a) above, GP-Related Net Income relating to Carried Interest allocated after the allocation of a GP-Related Net Loss pursuant to clause (ii) of Section 5.4(b) shall be allocated in accordance with such Carried Interest Give Back Percentages until such time as the Members have been allocated GP-Related Net Income relating to Carried Interest equal to the aggregate amount of GP-Related Net Loss previously allocated in accordance with clause (ii) of Section 5.4(b). Withdrawn Members shall remain Members for purposes of allocating such GP-Related Net Loss with respect to Carried Interest.

(d) To the extent the Company has any GP-Related Net Income (Loss) for any accounting period unrelated to BEP, such GP-Related Net Income (Loss) will be allocated in accordance with GP-Related Profit Sharing Percentages prevailing at the beginning of such accounting period.

(e) The Managing Member may authorize from time to time advances to Members (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) against their allocable shares of GP-Related Net Income (Loss).

5.5. Liability of Members. Except as otherwise provided in the LLC Act or as expressly provided in this Agreement, no Member shall be personally obligated for any debt, obligation or liability of the Company or of any other Member solely by reason of being a Member. In no event shall any Member or Withdrawn Member (i) be obligated to make any capital contribution or payment to or on behalf of the Company or (ii) have any liability to return distributions received by such Member from the Company, in each case except as specifically provided in Sections 4.1(d) or 5.8 or otherwise in this Agreement, as such Member shall otherwise expressly agree in writing or as may be required by applicable law.

5.6. [Intentionally omitted.]

5.7. Repurchase Rights, etc.. The Managing Member may from time to time establish such repurchase rights and/or other requirements with respect to the Members' GP-Related Member Interests relating to GP-Related BEP Investments as the Managing Member may determine. The Managing Member shall have authority to (a) withhold any distribution otherwise payable to any Member until any such repurchase rights have lapsed or any such requirements have been satisfied, (b) pay any distribution to any Member that is Contingent as of the distribution date and require the refund of any portion of such distribution that is Contingent as of the Withdrawal Date of such Member, (c) amend any previously established repurchase rights or other requirements from time to time and (d) make such exceptions thereto as it may determine on a case by case basis.

5.8. Distributions. (a) (i) The Company shall make distributions of available cash (subject to reserves and other adjustments as provided herein) or other property to Members with respect to such Members' GP-Related Member Interests at such times and in such amounts as are determined by the Managing Member. The Managing Member shall, if it deems it appropriate, determine the availability for distribution of, and distribute, cash or other property separately for each category of GP-Related Net Income (Loss) established pursuant to Section 5.1(a). Distributions of cash or other property with respect to Non-Carried Interest shall be made among the Members in accordance with their respective Non-Carried Interest Sharing Percentages, and, subject to Sections 4.1(d) and 5.8(e), distributions of cash or other property with respect to Carried Interest shall be made among Members in accordance with their respective Carried Interest Sharing Percentages.

(ii) At any time that a sale, exchange, transfer or other disposition by BEP of a portion of a GP-Related Investment is being considered by the Company (a "GP-Related Disposable Investment"), at the election of the Managing Member each Member's GP-Related Member Interest with respect to such GP-Related Investment shall be vertically divided into two separate GP-Related Member Interests, a GP-Related Member Interest attributable to the GP-Related Disposable Investment (a Member's "GP-Related Class B Interest"), and a GP-Related Member Interest attributable to such GP-Related Investment excluding the GP-Related Disposable Investment (a Member's "GP-Related Class A Interest"). Distributions (including

those resulting from a sale, transfer, exchange or other disposition by BEP) relating to a GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class B Interests with respect to such GP-Related Investment in accordance with their GP-Related Profit Sharing Percentages relating to such GP-Related Class B Interests, and distributions (including those resulting from the sale, transfer, exchange or other disposition by BEP) relating to a GP-Related Investment excluding such GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class A Interests with respect to such GP-Related Investment in accordance with their respective GP-Related Profit Sharing Percentages relating to such GP-Related Class A Interests. Except as provided above, distributions of cash or other property with respect to each category of GP-Related Net Income (Loss) shall be allocated among the Members in the same proportions as the allocations of GP-Related Net Income (Loss) of each such category.

(b) Subject to the Company's having sufficient available cash in the reasonable judgment of the Managing Member, the Company shall make cash distributions to each Member with respect to each Fiscal Year of the Company in an aggregate amount at least equal to the total Federal, New York State and New York City income and other taxes that would be payable by such Member with respect to all categories of GP-Related Net Income (Loss) allocated to such Member for such Fiscal Year, the amount of which shall be calculated (i) on the assumption that each Member is an individual subject to the then prevailing maximum Federal, New York State and New York City and other income tax rates, (ii) taking into account the deductibility of State and local income and other taxes for Federal income tax purposes and (iii) taking into account any differential in applicable rates due to the type and character of GP-Related Net Income (Loss) allocated to such Member. Notwithstanding the provisions of the foregoing sentence, the Managing Member may refrain from making any distribution if, in the reasonable judgment of the Managing Member, such distribution is prohibited by § 18-607 of the LLC Act.

(c) The Managing Member may provide that the GP-Related Member Interest of any Member or employee (including such Member's or employee's right to distributions and investments of the Company related thereto) may be subject to repurchase by the Company during such period as the Managing Member shall determine (a " Repurchase Period "). Any Contingent distributions from GP-Related Investments subject to repurchase rights will be withheld by the Company and will be distributed to the recipient thereof (together with interest thereon at rates determined by the Managing Member from time to time) as the recipient's rights to such distributions become Non-Contingent (by virtue of the expiration of the applicable Repurchase Period or otherwise). The Managing Member may elect in an individual case to have the Company distribute any Contingent distribution to the applicable recipient thereof irrespective of whether the applicable Repurchase Period has lapsed. If a Member Withdraws from the Company for any reason other than his death, Total Disability or Incompetence, the undistributed share of any GP-Related Investment that remains Contingent as of the applicable Withdrawal Date shall be repurchased by the Company at a purchase price determined at such time by the Managing Member. Unless determined otherwise by the Managing Member, the repurchased portion thereof will be allocated among the remaining Members with interests in such GP-Related Investment in proportion to their respective percentage interests in such GP-Related Investment, or if no other Member has a percentage

interest in such specific GP-Related Investment, to the Managing Member; provided, that the Managing Member may allocate the Withdrawn Member's share of unrealized investment income from a repurchased GP-Related Investment attributable to the period after the Withdrawn Member's Withdrawal Date on any basis it may determine, including to existing or new Members who did not previously have interests in such GP-Related Investment, except that, in any event, each Investor Special Member shall be allocated a share of such unrealized investment income equal to its respective GP-Related Profit Sharing Percentage of such unrealized investment income.

(d) (i) (A) If Associates is obligated under the Clawback Provisions or Giveback Provisions to contribute to BEP a Clawback Amount or a Giveback Amount (other than a Capital Commitment Giveback Amount) and the Company is obligated to contribute any such amount to Associates in respect of the Company's GP-Related Associates Member Interest (the amount of any such obligation of the Company with respect to such a Giveback Amount being herein called a "GP-Related Giveback Amount"), the Company shall call for such amounts as are necessary to satisfy such obligations of the Company as determined by the Managing Member, in which case each Member and Withdrawn Member shall contribute to the Company, in cash, when and as called by the Company, such an amount of prior distributions by the Company (and the Other Fund GPs) with respect to Carried Interest (and/or Non-Carried Interest in the case of a GP-Related Giveback Amount) (the "GP-Related Recontribution Amount") which equals (I) the product of (a) a Member's or Withdrawn Member's Carried Interest Give Back Percentage and (b) the aggregate Clawback Amount payable by the Company in the case of Clawback Amounts and (II) with respect to a GP-Related Giveback Amount, such Member's pro rata share of prior distributions of Carried Interest and/or Non-Carried Interest in connection with (a) the GP-Related BEP Investment giving rise to the GP-Related Giveback Amount, (b) if the amounts contributed pursuant to clause (II) (a) above are insufficient to satisfy such GP-Related Giveback Amount, GP-Related BEP Investments other than the one giving rise to such obligation, but only those amounts received by the Members with an interest in the GP-Related BEP Investment referred to in clause (II)(a) above, and (c) if the GP-Related Giveback Amount pursuant to an applicable BEP Agreement is unrelated to a specific GP-Related BEP Investment, all GP-Related BEP Investments. Each Member and Withdrawn Member shall promptly contribute to the Company, along with satisfying his comparable obligations to the Other Fund GPs, if any, upon such call such Member's or Withdrawn Member's GP-Related Recontribution Amount, less the amount paid out of the Trust Account on behalf of such Member or Withdrawn Member by the Trustee(s) pursuant to written instructions from the Company, or if applicable, any of the Other Fund GPs with respect to Carried Interest (and/or Non-Carried Interest in the case of GP-Related Giveback Amounts) (the "Net GP-Related Recontribution Amount"), irrespective of the fact that the amounts in the Trust Account may be sufficient on an aggregate basis to satisfy the Company's and the Other Fund GPs' obligation under the Clawback Provisions and/or Giveback Provisions; provided, that to the extent a Member's or Withdrawn Member's share of the amount paid with respect to the Clawback Amount or the GP-Related Giveback Amount exceeds his GP-Related Recontribution Amount, such excess shall be repaid to such Member or Withdrawn Member as promptly as reasonably practicable, subject to clause (ii) below; provided further, that such written instructions from the Company shall specify each Member's and Withdrawn Member's GP-Related Recontribution Amount. Prior to such time, the Company may, in its discretion (but shall be under no obligation to), provide

notice that in the Company's judgment, the potential obligations in respect of the Clawback Provisions or the Giveback Provisions will probably materialize (and an estimate of the aggregate amount of such obligations); provided further, that any amount from a Member's Trust Account used to pay any GP-Related Giveback Amount (or such lesser amount as may be required by the Managing Member) shall be contributed by such Member to such Member's Trust Account no later than 30 days after the Net GP-Related Reconstitution Amount is paid with respect to such GP-Related Giveback Amount.

- (B) To the extent any Member or Withdrawn Member has satisfied any Holdback obligation with Firm Collateral, such Member or Withdrawn Member shall, within 10 days of the Company's call for GP-Related Reconstitution Amounts, make a cash payment into the Trust Account in an amount equal to the amount of the Holdback obligation satisfied with such Firm Collateral, or such lesser amount such that the amount in the Trust Account allocable to such Member or Withdrawn Member equals the sum of (I) such Member's or Withdrawn Member's GP-Related Reconstitution Amount and (II) any similar amounts payable to any of the Other Fund GPs. Immediately upon receipt of such cash, the Trustee(s) shall take such steps as are necessary to release such Firm Collateral of such Member or Withdrawn Member equal to the amount of such cash payment. If the amount of such cash payment is less than the amount of Firm Collateral of such Member or Withdrawn Member, the balance of such Firm Collateral if any, shall be retained to secure the payment of GP-Related Deficiency Contributions, if any, and shall be fully released upon the satisfaction of the Company's and the Other Fund GPs' obligation to pay the Clawback Amount. The failure of any Member or Withdrawn Member to make a cash payment in accordance with this clause (B) (to the extent applicable) shall constitute a default under Section 5.8(d)(ii) as if such cash payment hereunder constitutes a Net GP-Related Reconstitution Amount under Section 5.8(d)(ii).

(ii) (A) In the event any Member or Withdrawn Member (a "GP-Related Defaulting Party") fails to reconstitute all or any portion of such GP-Related Defaulting Party's Net GP-Related Reconstitution Amount for any reason, the Company shall require all other Members and Withdrawn Members to contribute, on a pro rata basis (based on each of their respective Carried Interest Give Back Percentages in the case of Clawback Amounts, and GP-Related Profit Sharing Percentages in the case of GP-Related Giveback Amounts (as more fully described in clause (II) of Section 5.8(d)(i)(A) above)), such amounts as are necessary to fulfill the GP-Related Defaulting Party's obligation to pay such GP-Related Defaulting Party's Net GP-Related Reconstitution Amount (a "GP-Related Deficiency Contribution") if the Managing Member determines in its good faith judgment that the Company (or an Other Fund GP) will be unable to collect such amount in cash from such GP-Related Defaulting Party for payment of the Clawback Amount or GP-Related Giveback Amount, as the case may be, at least 20 Business Days prior to the latest date that the Company, and the Other Fund GPs, if applicable, are permitted to pay the Clawback Amount or GP-Related Giveback Amount, as the case may be; provided, that, subject to Section 5.8(e), no Member or Withdrawn Member shall as a result of such GP-Related

Deficiency Contribution be required to contribute an amount in excess of 150% of the amount of the Net GP-Related Recontribution Amount initially requested from such Member or Withdrawn Member in respect of such default. Thereafter, the Managing Member shall determine in its good faith judgment that the Company should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the Managing Member or (2) pursue any and all remedies (at law or equity) available to the Company against the GP-Related Defaulting Party, the cost of which shall be a Company expense to the extent not ultimately reimbursed by the GP-Related Defaulting Party. It is agreed that the Company shall have the right (effective upon such GP-Related Defaulting Party becoming a GP-Related Defaulting Party) to set-off as appropriate and apply against such GP-Related Defaulting Party's Net GP-Related Recontribution Amount any amounts otherwise payable to the GP-Related Defaulting Party by the Company or any Affiliate thereof (including amounts unrelated to Carried Interest, such as returns of capital and profit thereon). Each Member and Withdrawn Member hereby grants to the Company a security interest, effective upon such Member or Withdrawn Member becoming a GP-Related Defaulting Party, in all accounts receivable and other rights to receive payment from any Affiliate of the Company and agrees that, upon the effectiveness of such security interest, the Company may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Member and Withdrawn Member hereby appoints the Company as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Member or Withdrawn Member or in the name of the Company, to take any actions which may be necessary to accomplish the intent of the immediately preceding sentence. The Company shall be entitled to collect interest on the Net GP-Related Recontribution Amount of a GP-Related Defaulting Party from the date such GP-Related Recontribution Amount was required to be contributed to the Company at a rate equal to the Default Interest Rate.

(B) Any Member's or Withdrawn Member's failure to make a GP-Related Deficiency Contribution shall cause such Member or Withdrawn Member to be a GP-Related Defaulting Party with respect to such amount. The Company shall first seek any remaining Trust Amounts (and Trust Income thereon) allocated to such Member or Withdrawn Member to satisfy such Member's or Withdrawn Member's obligation to make a GP-Related Deficiency Contribution before seeking cash contributions from such Member or Withdrawn Member in satisfaction of such Member's or Withdrawn Member's obligation to make a GP-Related Deficiency Contribution.

(iii) In the event any Member or Withdrawn Member initially fails to recontribute all or any portion of such Member or Withdrawn Member's pro rata share of any Clawback Amount pursuant to Section 5.8(d)(i)(A), the Company shall use its reasonable efforts to collect the amount which such Member or Withdrawn Member so fails to recontribute.

(iv) A Member's or Withdrawn Member's obligation to make contributions to the Company under this Section 5.8(d) shall survive the termination of the Company.

(e) The Members acknowledge that the Managing Member will (and is hereby authorized to) take such steps as it deems appropriate, in its good faith judgment, to further the objective of providing for the fair and equitable treatment of all Members, including by allocating Writedowns and Losses (as defined in the BEP Agreements) on GP-Related BEP Investments that have been the subject of a Writedown and/or Losses (each, a "Loss Investment") to those Members who participated in such Loss Investments based on their Carried Interest Sharing Percentage therein to the extent that such Members receive or have received Carried Interest distributions from other GP-Related BEP Investments. Consequently and notwithstanding anything herein to the contrary, adjustments to Carried Interest distributions shall be made as set forth in this Section 5.8(e).

(i) At the time the Company is making Carried Interest distributions in connection with a GP-Related BEP Investment (the "Subject Investment") that have been reduced under any BEP Agreement as a result of one or more Loss Investments, the Managing Member shall calculate amounts distributable to or due from each such Member as follows:

- (A) determine each Member's share of each such Loss Investment based on his Carried Interest Sharing Percentage in each such Loss Investment (which may be zero) to the extent such Loss Investment has reduced the Carried Interest distributions otherwise available for distribution to all Members (indirectly through the Company from BEP) from the Subject Investment (such reduction, the "Loss Amount");
- (B) determine the amount of Carried Interest distributions otherwise distributable to such Member with respect to the Subject Investment (indirectly through the Company from BEP) before any reduction in respect of the amount determined in clause (A) above (the "Unadjusted Carried Interest Distributions"); and
- (C) subtract (I) the Loss Amounts relating to all Loss Investments from (II) the Unadjusted Carried Interest Distributions for such Member, to determine the amount of Carried Interest distributions to actually be paid to such Member ("Net Carried Interest Distribution").

To the extent that the Net Carried Interest Distribution for a Member as calculated in this clause (i) is a negative number, the Managing Member shall (I) notify such Member, at or prior to the time such Carried Interest distributions are actually made to the Members, of his obligation to recontribute to the Company prior Carried Interest distributions (a "Net Carried Interest Distribution Recontribution Amount"), up to the amount of such negative Net Carried Interest Distribution, and (II) to the extent amounts recontributed pursuant to clause (I) are insufficient to satisfy such negative Net Carried Interest Distribution amount, reduce future Carried Interest distributions otherwise due

such Member, up to the amount of such remaining negative Net Carried Interest Distribution. If a Member's (x) Net Carried Interest Distribution Recontribution Amount exceeds (y) the aggregate amount of prior Carried Interest distributions less the amount of tax thereon, calculated based on the Assumed Tax Rate (as defined in the BEP Agreements) in effect in the Fiscal Years of such distributions (the "Excess Tax-Related Amount"), then such Member may, in lieu of paying such Member's Excess Tax-Related Amount, defer such amounts as set forth below. Such deferred amount shall accrue interest at the Prime Rate. Such deferred amounts shall be reduced and repaid by the amount of Carried Interest otherwise distributable to such Member in connection with future Carried Interest distributions until such balance is reduced to zero. Any deferred amounts shall be payable in full upon the earlier of (i) such time as the Clawback Amount is determined (as provided herein) and (ii) such time as the Member becomes a Withdrawn Member.

To the extent there is an amount of negative Net Carried Interest Distribution with respect to a Member remaining after the application of this clause (i), notwithstanding clause (II) of the preceding paragraph, such remaining amount of negative Net Carried Interest Distribution shall be allocated to the other Members pro rata based on each of their Carried Interest Sharing Percentages in the Subject Investment.

A Member who fails to pay a Net Carried Interest Distribution Recontribution Amount promptly upon notice from the Managing Member (as provided above) shall be deemed a GP-Related Defaulting Party for all purposes hereof.

A Member may satisfy in part any Net Carried Interest Distribution Recontribution Amount from cash that is then subject to a Holdback, to the extent that the amounts that remain subject to a Holdback satisfy the Holdback requirements hereof as they relate to the reduced amount of aggregate Carried Interest distributions received by such Member (taking into account any Net Carried Interest Distribution Recontribution Amount contributed to the Company by such Member).

Any Net Carried Interest Distribution Recontribution Amount contributed by a Member, including amounts of cash subject to a Holdback as provided above, shall increase the amount available for distribution to the other Members as Carried Interest distributions with respect to the Subject Investment; provided, that any such amounts then subject to a Holdback may be so distributed to the other Members to the extent a Member receiving such distribution has satisfied the Holdback requirements with respect to such distribution (taken together with the other Carried Interest distributions received by such Member to date).

(ii) In the case of Clawback Amounts which are required to be contributed to the Company as otherwise provided herein, the obligation of the Members with respect to any Clawback Amount shall be adjusted by the Managing Member as follows:

- (A) determine each Member's share of any Losses in any GP-Related BEP Investments which gave rise to the Clawback Amount (i.e., the Losses that followed the last GP-Related BEP Investment with respect to which Carried Interest distributions were made), based on such Member's Carried Interest Sharing Percentage in such GP-Related BEP Investments;

- (B) determine each Member's obligation with respect to the Clawback Amount based on such Member's Carried Interest Give Back Percentage as otherwise provided herein; and
- (C) subtract the amount determined in clause (B) above from the amount determined in clause (A) above with respect to each Member to determine the amount of adjustment to each Member's share of the Clawback Amount (a Member's "Clawback Adjustment Amount").

A Member's share of the Clawback Amount shall for all purposes hereof be decreased by such Member's Clawback Adjustment Amount, to the extent it is a negative number (except to the extent expressly provided below). A Member's share of the Clawback Amount shall for all purposes hereof be increased by such Member's Clawback Adjustment Amount (to the extent it is a positive number); provided, that in no way shall a Member's aggregate obligation to satisfy a Clawback Amount as a result of this clause (ii) exceed the aggregate Carried Interest distributions received by such Member. To the extent a positive Clawback Adjustment Amount remains after the application of this clause (ii) with respect to a Member, such remaining Clawback Adjustment Amount shall be allocated to the Members (including any Member whose Clawback Amount was increased pursuant to this clause (ii)) pro rata based on their Carried Interest Give Back Percentages (determined without regard to this clause (ii)).

Any distribution or contribution adjustments pursuant to this Section 5.8(e) by the Managing Member shall be based on its good faith judgment, and no Member shall have any claim against the Company, the Managing Member or any other Members as a result of any adjustment made as set forth above. This Section 5.8(e) applies to all Members, including Withdrawn Members.

It is agreed and acknowledged that this Section 5.8(e) is an agreement among the Members and in no way modifies the obligations of each Member regarding the Clawback Amount as provided in the BEP Agreements.

5.9. Business Expenses. The Company shall reimburse the Members for reasonable travel, entertainment and miscellaneous expenses incurred by them in the conduct of the Company's business in accordance with rules and regulations established by the Managing Member from time to time.

5.10. Tax Capital Accounts; Tax Allocations.

(a) For Federal income tax purposes, there shall be established for each Member a single capital account combining such Member's Capital Commitment Capital Account and GP-Related Capital Account, with such adjustments as the Managing Member determines is appropriate so that such single capital account is maintained in compliance with the principles and requirements of Section 704(b) of the Code and the Regulations thereunder.

(b) For Federal, State and local income tax purposes only, Company income, gain, loss, deduction or expense (or any item thereof) for each fiscal year shall be allocated to and among the Members in a manner corresponding to the manner in which corresponding items are allocated among the Members pursuant to clause (a) above, provided the Managing Member may in its sole discretion make such allocations for tax purposes as it determines is appropriate so that allocations have substantial economic effect or are in accordance with the interests of the Members, within the meaning of the Code and the Regulations thereunder.

ARTICLE VI

ADDITIONAL MEMBERS; WITHDRAWAL OF MEMBERS; SATISFACTION AND DISCHARGE OF COMPANY INTERESTS; TERMINATION

6.1. Additional Members. (a) Effective on the first day of any month (or on such other date as shall be determined by the Managing Member in its sole discretion), the Managing Member shall have the right to admit one or more additional or substitute persons into the Company as Regular Members or Special Members. Each such person shall make the representations and certifications with respect to itself set forth in Sections 3.6 and 3.7. The Managing Member shall determine and negotiate with the additional Member (which term shall include, without limitation, any substitute Member) all terms of such additional Member's participation in the Company, including the additional Member's initial GP-Related Capital Contribution, Capital Commitment-Related Capital Contribution, GP-Related Profit Sharing Percentage and Capital Commitment Profit Sharing Percentage. Each additional Member shall have such voting rights as may be determined by the Managing Member from time to time unless, upon the admission to the Company of any Special Member, the Managing Member shall designate that such Special Member shall not have such voting rights (any such Special Member being called a "Nonvoting Special Member"). Any additional Member shall, as a condition to becoming a Member, agree to become a party to, and be bound by the terms and conditions of, the Trust Agreement.

(b) The GP-Related Profit Sharing Percentages, if any, to be allocated to an additional Member as of the date such Member is admitted to the Company, together with the pro rata reduction in all other Members' GP-Related Profit Sharing Percentages as of such date, shall be established by the Managing Member pursuant to Section 5.3. The Capital Commitment Profit Sharing Percentages, if any, to be allocated to an additional Member as of the date such Member is admitted to the Company, together with the pro rata reduction in all other Members' Capital Commitment Profit Sharing Percentages as of such date, shall be established by the Managing Member.

(c) An additional Member shall be required to contribute to the Company his pro rata share of the Company's total capital, excluding capital in respect of GP-Related Investments and Capital Commitment Investments in which such Member does not acquire any interests, at such times and in such amounts as shall be determined by the Managing Member in accordance with Sections 4.1 and 7.1.

(d) The admission of an additional Member will be evidenced by (i) the execution of a counterpart copy of this Agreement by such additional Member, or (ii) the execution of an amendment to this Agreement by the Managing Member and the additional Member, as determined by the Managing Member, or (iii) the execution by such additional Member of any other writing evidencing the intent of such person to become an additional Member and to be bound by the terms of this Agreement and such writing being acceptable to the Managing Member on behalf of the Company. In addition, each additional Member shall sign a counterpart copy of the Trust Agreement or any other writing evidencing the intent of such person to become a party to the Trust Agreement that is acceptable to the Managing Member on behalf of the Company.

6.2. Withdrawal of Members. (a) Any Member may Withdraw voluntarily from the Company on the last day of any calendar month (or on such other date as shall be determined by the Managing Member in its sole discretion), on not less than 15 days' prior written notice by such Member to the Managing Member (or on such shorter notice period as may be mutually agreed upon between such Member and the Managing Member); provided, that a Member may not voluntarily Withdraw without the consent of the Managing Member if such Withdrawal would (i) cause the Company to be in default under any of its contractual obligations or (ii) in the reasonable judgment of the Managing Member, have a material adverse effect on the Company or its business; provided further, that a Member may Withdraw from the Company with respect to such Member's GP-Related Member Interest without Withdrawing from the Company with respect to such Member's Capital Commitment Member Interest, and a Member may Withdraw from the Company with respect to such Member's Capital Commitment Member Interest without Withdrawing from the Company with respect to such Member's GP-Related Member Interest.

(b) Upon the Withdrawal of any Member, including by the occurrence of any withdrawal event under the LLC Act with respect to any Member, such Member shall thereupon cease to be a Member, except as expressly provided herein.

(c) Upon the Total Disability of a Regular Member, such Member shall thereupon cease to be a Regular Member with respect to such person's GP-Related Member Interest; provided, that the Managing Member may elect to admit such Withdrawn Member to the Company as a Nonvoting Special Member with respect to such person's GP-Related Member Interest, with such GP-Related Member Interest as the Managing Member may determine. The determination of whether any Member has suffered a Total Disability shall be made by the Managing Member in its sole discretion after consultation with a qualified medical doctor. In the absence of agreement between the Managing Member and such Member, each party shall nominate a qualified medical doctor and the two doctors shall select a third doctor, who shall make the determination as to Total Disability.

(d) If the Managing Member determines that it shall be in the best interests of the Company for any Member (including any Member who has given notice of voluntary Withdrawal pursuant to paragraph (a) above) to Withdraw from the Company (whether or not Cause exists) with respect to such person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, such Member, upon written notice by the Managing Member to such Member, shall be required to Withdraw with respect to such

person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, as of a date specified in such notice, which date shall be on or after the date of such notice. If the Managing Member requires any Member to Withdraw for Cause with respect to such person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, such notice shall state that it has been given for Cause and shall describe the particulars thereof in reasonable detail.

(e) The withdrawal from the Company of any Member shall not, in and of itself, affect the obligations of the other Members to continue the Company during the remainder of its term.

6.3. GP-Related Member Interests Not Transferable. No Member may sell, assign, pledge or otherwise transfer or encumber all or any portion of such Member's GP-Related Member Interest other than as permitted by written agreement between such Member and the Company; provided, that this Section 6.3 shall not impair transfers by operation of law, transfers by will or by other testamentary instrument occurring by virtue of the death or dissolution of a Member, or transfers required by trust agreements; provided further, that a Regular Member may transfer, for estate planning purposes, up to 25% of his GP-Related Profit Sharing Percentage to any estate planning trust, limited partnership, or limited liability company with respect to which a Regular Member controls investments related to any interest in the Company held therein (an "Estate Planning Vehicle"). Each Estate Planning Vehicle will be a Nonvoting Special Member. Such Regular Member and the Nonvoting Special Member shall be jointly and severally liable for all obligations of both such Regular Member and such Nonvoting Special Member with respect to the Company (including the obligation to make additional GP-Related Capital Contributions), as the case may be. The Managing Member may at its sole option exercisable at any time require any Estate Planning Vehicle to withdraw from the Company on the terms of this Article VI. Except as provided in the second proviso to the first sentence of this Section 6.3, no assignee, legatee, distributee, heir or transferee (by conveyance, operation of law or otherwise) of the whole or any portion of any Member's GP-Related Member Interest shall have any right to be a Member without the prior written consent of the Managing Member (which consent may be withheld without giving any reason therefor). Notwithstanding the granting of a security interest in the entire Interest of any Member, such Member shall continue to be a Member of the Company.

6.4. Consequences upon Withdrawal of a Member. (a) The Withdrawal of a Regular Member shall not dissolve the Company if at the time of such Withdrawal there are one or more remaining Regular Members and any one or more of such remaining Regular Members continue the business of the Company (any and all such remaining Regular Members being hereby authorized to continue the business of the Company without dissolution and hereby agreeing to do so). Notwithstanding Section 6.4(b), if upon the Withdrawal of a Regular Member there shall be no remaining Regular Member, the Company shall be dissolved and shall be wound up unless, within 90 days after the occurrence of such Withdrawal, all remaining Special Members agree in writing to continue the business of the Company and to the appointment, effective as of the date of such Withdrawal, of one or more Regular Members.

(b) The Company shall not be dissolved, in and of itself, by the Withdrawal of any Member, but shall continue with the surviving or remaining Members as members thereof in accordance with and subject to the terms and provisions of this Agreement.

6.5. Satisfaction and Discharge of a Withdrawn Member's GP-Related Member Interests. (a) The terms of this Section 6.5 shall apply to the GP-Related Member Interest of a Withdrawn Member, but, except as otherwise expressly provided in this Section 6.5, shall not apply to the Capital Commitment Member Interest of a Withdrawn Member. For purposes of this Section 6.5, the term "Settlement Date" means the date as of which a Withdrawn Member's GP-Related Member Interest in the Company is settled as determined under paragraph (b) below. Notwithstanding the foregoing, any Regular Member who Withdraws from the Company, and all or any portion of whose GP-Related Member Interest is retained as a Special Member, shall be considered a Withdrawn Member for all purposes hereof.

(b) Except where a later date for the settlement of a Withdrawn Member's GP-Related Member Interest in the Company may be agreed to by the Managing Member and a Withdrawn Member, a Withdrawn Member's Settlement Date shall be his Withdrawal Date; provided, that if a Withdrawn Member's Withdrawal Date is not the last day of a month, then the Managing Member may elect for such Withdrawn Member's Settlement Date to be the last day of the month in which his Withdrawal Date occurs. During the interval, if any, between a Withdrawn Member's Withdrawal Date and Settlement Date, such Withdrawn Member shall have the same rights and obligations with respect to GP-Related Capital Contributions, interest on capital, allocations of GP-Related Net Income (Loss) and distributions as would have applied had such Withdrawn Member remained a Member of the Company during such period.

(c) In the event of the Withdrawal of a Member, with respect to such Withdrawn Member's GP-Related Member Interest, the Managing Member shall promptly after such Withdrawn Member's Settlement Date (i) determine and allocate to the Withdrawn Member's GP-Related Capital Accounts such Withdrawn Member's allocable share of the GP-Related Net Income (Loss) of the Company for the period ending on such Settlement Date in accordance with Article V and (ii) credit the Withdrawn Member's GP-Related Capital Accounts with interest in accordance with Section 5.2. In making the foregoing calculations, the Managing Member shall be entitled to establish such reserves (including reserves for taxes, bad debts, unrealized losses, actual or threatened litigation or any other expenses, contingencies or obligations) as it deems appropriate. Unless otherwise determined by the Managing Member in a particular case, a Withdrawn Member shall not be entitled to receive any GP-Related Unallocated Percentage in respect of the accounting period during which such Member Withdraws from the Company (whether or not previously awarded or allocated) or any GP-Related Unallocated Percentage in respect of prior accounting periods that have not been paid or allocated (whether or not previously awarded) as of such Withdrawn Member's Withdrawal Date.

(d) From and after the Settlement Date of the Withdrawn Member, the Withdrawn Member's GP-Related Profit Sharing Percentages shall, unless otherwise allocated by the Managing Member pursuant to Section 5.3(a), be deemed to be GP-Related Unallocated Percentages (except for GP-Related Profit Sharing Percentages with respect to GP-Related Investments as provided in paragraph (f) below).

(e) (i) Upon the Withdrawal from the Company of a Member with respect to such Member's GP-Related Member Interest, such Withdrawn Member thereafter shall not, except as expressly provided in this Section 6.5, have any rights of a Member (including voting rights) with respect to such Member's GP-Related Member Interest, and, except as expressly provided in this Section 6.5, such Withdrawn Member shall not have any interest in the Company's GP-Related Net Income (Loss), or in distributions related to such Member's GP-Related Member Interest, GP-Related Investments or other assets related to such Member's GP-Related Member Interest. If a Member Withdraws from the Company with respect to such Member's GP-Related Member Interest for any reason other than for Cause pursuant to Section 6.2, then the Withdrawn Member shall be entitled to receive, at the time or times specified in Section 6.5(i) below, in satisfaction and discharge in full of the Withdrawn Member's GP-Related Member Interest in the Company, (x) payment equal to the aggregate credit balance, if any, as of the Settlement Date of the Withdrawn Member's GP-Related Capital Accounts, (excluding any GP-Related Capital Account or portion thereof attributable to any GP-Related Investment) and (y) the Withdrawn Member's percentage interest attributable to each GP-Related Investment in which the Withdrawn Member has an interest as of the Settlement Date as provided in paragraph (f) below (which shall be settled in accordance with paragraph (f) below), subject to all the terms and conditions of paragraphs (a)-(r) of this Section 6.5. If the amount determined pursuant to clause (x) above is an aggregate negative balance, the Withdrawn Member shall pay the amount thereof to the Company upon demand by the Managing Member on or after the date of the statement referred to in Section 6.5(i) below; provided, that if the Withdrawn Member was solely a Special Member on his Withdrawal Date, such payment shall be required only to the extent of any amounts payable to such Withdrawn Member pursuant to this Section 6.5. Any aggregate negative balance in the GP-Related Capital Accounts of a Withdrawn Member who was solely a Special Member, upon the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5, shall be allocated among the other Members' GP-Related Capital Accounts in accordance with their respective GP-Related Profit Sharing Percentages in the categories of GP-Related Net Income (Loss) giving rise to such negative balance as determined by the Managing Member as of such Withdrawn Member's Settlement Date. In the settlement of any Withdrawn Member's GP-Related Member Interest in the Company, no value shall be ascribed to goodwill, the Company name or the anticipation of any value the Company or any successor thereto might have in the event the Company or any interest therein were to be sold in whole or in part.

(ii) Notwithstanding clause (i) of this Section 6.5(e), in the case of a Member whose Withdrawal with respect to such Member's GP-Related Member Interest resulted from such Member's death or Incompetence, such Member's estate or legal representative, as the case may be, may elect, at the time described below, to receive a Nonvoting Special Member GP-Related Member Interest and retain such Member's GP-Related Profit Sharing Percentage in all (but not less than all) illiquid investments of the Company in lieu of a cash payment (or Note) in settlement of that portion the Withdrawn Member's GP-Related Member Interest. The election referred to above shall be made within 60 days after the Withdrawn Member's Settlement Date, based on a statement of the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5.

(f) For purposes of clause (y) of paragraph (e)(i) above, a Withdrawn Member's "percentage interest" means his GP-Related Profit Sharing Percentage as of the Settlement Date in the relevant GP-Related Investment. The Withdrawn Member shall retain his percentage interest in such GP-Related Investment and shall retain his GP-Related Capital Account or portion thereof attributable to such GP-Related Investment, in which case such Withdrawn Member (a "Retaining Withdrawn Member") shall become and remain a Special Member for such purpose (and, if the Managing Member so designates, such Special Member shall be a Nonvoting Special Member). The GP-Related Member Interest of a Retaining Withdrawn Member pursuant to this paragraph (f) shall be subject to the terms and conditions applicable to GP-Related Member Interests of any kind hereunder and such other terms and conditions as are established by the Managing Member. At the option of the Managing Member in its sole discretion, the Managing Member and the Retaining Withdrawn Member may agree to have the Company acquire such GP-Related Member Interest without the approval of the other Members; provided, that the Managing Member shall reflect in the books and records of the Company the terms of any acquisition pursuant to this sentence.

(g) The Managing Member may elect, in lieu of payment in cash of any amount payable to a Withdrawn Member pursuant to paragraph (e) above, to (i) have the Company issue to the Withdrawn Member a subordinated promissory note and/or to (ii) distribute in kind to the Withdrawn Member such Withdrawn Member's pro rata share (as determined by the Managing Member) of any securities or other investments of the Company in relation to such Member's GP-Related Member Interest. If any securities or other investments are distributed in kind to a Withdrawn Member under this paragraph (g), the amount described in clause (x) of paragraph (e)(i) shall be reduced by the value of such distribution as valued on the latest balance sheet of the Company in accordance with generally accepted accounting principles or, if not appearing on such balance sheet, as reasonably determined by the Managing Member.

(h) [Intentionally omitted.]

(i) Within 120 days after each Settlement Date, the Managing Member shall submit to the Withdrawn Member a statement of the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5 together with any cash payment, subordinated promissory note and in kind distributions to be made to such Member as shall be determined by the Managing Member. The Managing Member shall submit to the Withdrawn Member supplemental statements with respect to additional amounts payable to or by the Withdrawn Member in respect of the settlement of his GP-Related Member Interest in the Company (e.g., payments in respect of GP-Related Investments pursuant to paragraph (f) above or adjustments to reserves pursuant to paragraph (j) below) promptly after such amounts are determined by the Managing Member. To the fullest extent permitted by law, such statements and the valuations on which they are based shall be accepted by the Withdrawn Member without examination of the accounting books and records of the Company or other inquiry. Any amounts payable by the Company to a Withdrawn Member pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment or provision for payment in full of claims of all present or future creditors of the Company or any successor thereto arising out of matters occurring prior to the applicable date of payment or distribution; provided, that such Withdrawn Member shall otherwise rank pari

passu in right of payment (x) with all persons who become Withdrawn Members and whose Withdrawal Date is within one year before the Withdrawal Date of the Withdrawn Member in question and (y) with all persons who become Withdrawn Members and whose Withdrawal Date is within one year after the Withdrawal Date of the Withdrawn Member in question.

(j) If the aggregate reserves established by the Managing Member as of the Settlement Date in making the foregoing calculations should prove, in the determination of the Managing Member, to be excessive or inadequate, the Managing Member may elect, but shall not be obligated, to pay the Withdrawn Member or his estate such excess, or to charge the Withdrawn Member or his estate such deficiency, as the case may be.

(k) Any amounts owed by the Withdrawn Member to the Company at any time on or after the Settlement Date (e.g., outstanding Company loans or advances to such Withdrawn Member) shall be offset against any amounts payable or distributable by the Company to the Withdrawn Member at any time on or after the Settlement Date or shall be paid by the Withdrawn Member to the Company, in each case as determined by the Managing Member. All cash amounts payable by a Withdrawn Member to the Company under this Section 6.5 shall bear interest from the due date to the date of payment at a floating rate equal to the lesser of (x) the rate of interest publicly announced from time to time by JPMorgan Chase Bank, N.A. as its prime rate or (y) the maximum rate of interest permitted by applicable law. The “due date” of amounts payable by a Withdrawn Member pursuant to Section 6.5(i) above shall be 120 days after a Withdrawn Member’s Settlement Date. The “due date” of amounts payable to or by a Withdrawn Member in respect of GP-Related Investments for which the Withdrawn Member has retained a percentage interest in accordance with paragraph (f) above shall be 120 days after realization with respect to such GP-Related Investment. The “due date” of any other amounts payable by a Withdrawn Member shall be 60 days after the date such amounts are determined to be payable.

(l) At the time of the settlement of any Withdrawn Member’s GP-Related Member Interest in the Company pursuant to this Section 6.5, the Managing Member may, to the fullest extent permitted by applicable law, impose any restrictions it deems appropriate on the assignment, pledge, encumbrance or other transfer by such Withdrawn Member of any interest in any GP-Related Investment retained by such Withdrawn Member, any securities or other investments distributed in kind to such Withdrawn Member or such Withdrawn Member’s right to any payment from the Company.

(m) If a Member is required to Withdraw from the Company with respect to such Member’s GP-Related Member Interest for Cause pursuant to Section 6.2(d), then his GP-Related Member Interest shall be settled in accordance with paragraphs (a)-(r) of this Section 6.5; provided, that the Managing Member may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) In settling the Withdrawn Member’s interest in any GP-Related Investment in which he has an interest as of his Settlement Date, the Managing Member may elect to (A) determine the GP-Related Unrealized Net Income (Loss) attributable to each such GP-Related Investment as of the Settlement Date and allocate to the appropriate GP-Related Capital Account of the Withdrawn Member his allocable share of

such GP-Related Unrealized Net Income (Loss) for purposes of calculating the aggregate balance of such Withdrawn Member's GP-Related Capital Account pursuant to clause (x) of paragraph (e)(i) above, (B) credit or debit, as applicable, the Withdrawn Member with the balance of his GP-Related Capital Account or portion thereof attributable to each such GP-Related Investment as of his Settlement Date without giving effect to the GP-Related Unrealized Net Income (Loss) from such GP-Related Investment as of his Settlement Date, which shall be forfeited by the Withdrawn Member or (C) apply the provisions of paragraph (f) above, provided, that the maximum amount of GP-Related Net Income (Loss) allocable to such Withdrawn Member with respect to any GP-Related Investment shall equal such Member's percentage interest of the GP-Related Unrealized Net Income, if any, attributable to such GP-Related Investment as of the Settlement Date (the balance of such GP-Related Net Income (Loss), if any, shall be allocated as determined by the Managing Member). The Withdrawn Member shall not have any continuing interest in any GP-Related Investment to the extent an election is made pursuant to (A) or (B) above.

(ii) Any amounts payable by the Company to the Withdrawn Member pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment in full of claims of all present or future creditors of the Company or any successor thereto arising out of matters occurring prior to or on or after the applicable date of payment or distribution.

(n) The payments to a Withdrawn Member pursuant to this Section 6.5 may be conditioned on the compliance by such Withdrawn Member with any lawful and reasonable (under the circumstances) restrictions against engaging or investing in a business competitive with that of the Company or any of its subsidiaries and Affiliates for a period not exceeding two years determined by the Managing Member. Upon written notice to the Managing Member, any Withdrawn Member who is subject to noncompetition restrictions established by the Managing Member pursuant to this paragraph (n) may elect to forfeit the principal amount payable in the final installment of his subordinated promissory note, together with interest to be accrued on such installment after the date of forfeiture, in lieu of being bound by such restrictions.

(o) In addition to the foregoing, the Managing Member shall have the right to pay a Withdrawn Member (other than the Managing Member) a discretionary additional payment in an amount and based upon such circumstances and conditions as it determines to be relevant.

(p) The provisions of this Section 6.5 shall apply to any Investor Special Member relating to a Regular Member or Special Member and to any transferee of any GP-Related Member Interest of such Member pursuant to Section 6.3 if such Member Withdraws from the Company.

(q) (i) The Company will assist a Withdrawn Member or his estate or guardian, as the case may be, in the settlement of the Withdrawn Member's GP-Related Member Interest in the Company. Third party costs incurred by the Company in providing this assistance will be borne by the Withdrawn Member or his estate.

(ii) The Company may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Members or their estates or guardians, as referred to above. In such instances, the Company will obtain the prior approval of a Withdrawn Member or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Member (or his estate or guardian) declines to incur such costs, the Company will provide such reasonable assistance as and when it can so as not to interfere with the Company's day-to-day operating, financial, tax and other related responsibilities to the Company and the Members.

(r) Each Member (other than the Managing Member) hereby irrevocably appoints the Managing Member as such Member's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Member's name, place and stead, to make, execute, sign and file, on behalf of such Member, any and all agreements, instruments, consents, ratifications, documents and certificates which the Managing Member deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 6.5, including, without limitation, the performance of any obligation of such Member or the Company or the exercise of any right of such Member or the Company. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Company of any Member for any reason and shall not be affected by the death, disability or incapacity of such Member.

6.6. Dissolution of the Company. The Managing Member may dissolve the Company prior to the expiration of its term at any time on not less than 60 days' notice of the dissolution date given to the other Members.

6.7. Certain Tax Matters. (a) All items of income, gain, loss, deduction and credit of the Company shall be allocated among the Members for Federal, State and local income tax purposes in the same manner as such items of income, gain, loss, deduction and credit shall be allocated among the Members pursuant to this Agreement, except as may otherwise be provided herein or by the Code or other applicable law. To the extent Treasury Regulations promulgated pursuant to Subchapter K of the Code (including under Sections 704(b) and (c) of the Code) or other applicable law require allocations for tax purposes that differ from the foregoing allocations, the Managing Member may determine the manner in which such tax allocations shall be made so as to comply more fully with such Treasury Regulations or other applicable law and, at the same time, preserve the economic relationships among the Members as set forth in this Agreement. In the event there is a net decrease in partnership minimum gain or partner nonrecourse debt minimum gain (determined in accordance with the principles of Regulations Sections 1.704-2(d) and 1.704-2(i)) during any taxable year of the Company, each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to its respective share of such net decrease during such year, determined pursuant to Regulations Sections 1.704-2(g) and 1.704-2(i)(5). The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f). In addition, this Agreement shall be considered to contain a "qualified income offset" as provided in Regulations Section 1.704-1(b)(2)(ii)(d).

(b) The Managing Member shall cause to be prepared all Federal, State and local tax returns of the Company for each year for which such returns are required to be filed

and, after approval of such returns by the Managing Member, shall cause such returns to be timely filed. The Managing Member shall determine the appropriate treatment of each item of income, gain, loss, deduction and credit of the Company and the accounting methods and conventions under the tax laws of the United States, the several States and other relevant jurisdictions as to the treatment of any such item or any other method or procedure related to the preparation of such tax returns. The Managing Member may cause the Company to make or refrain from making any and all elections permitted by such tax laws. Each Member agrees that he shall not, unless he provides prior notice of such action to the Company, (i) treat, on his individual income tax returns, any item of income, gain, loss, deduction or credit relating to his interest in the Company in a manner inconsistent with the treatment of such item by the Company as reflected on the Form K-1 or other information statement furnished by the Company to such Member for use in preparing his income tax returns or (ii) file any claim for refund relating to any such item based on, or which would result in, such inconsistent treatment. In respect of an income tax audit of any tax return of the Company, the filing of any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Company, or any administrative or judicial proceedings arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, (A) the Tax Matters Member (as defined below) shall be authorized to act for, and his decision shall be final and binding upon, the Company and all Members except to the extent a Member shall properly elect to be excluded from such proceeding pursuant to the Code, (B) all expenses incurred by the Tax Matters Member in connection therewith (including, without limitation, attorneys', accountants' and other experts' fees and disbursements) shall be expenses of the Company and (C) no Member shall have the right to (1) participate in the audit of any Company tax return, (2) file any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Company (unless he provides prior notice of such action to the Company as provided above), (3) participate in any administrative or judicial proceedings conducted by the Company or the Tax Matters Member arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, or (4) appeal, challenge or otherwise protest any adverse findings in any such audit conducted by the Company or the Tax Matters Member or with respect to any such amended return or claim for refund filed by the Company or the Tax Matters Member or in any such administrative or judicial proceedings conducted by the Company or the Tax Matters Member. The Company and each Member hereby designate any Member selected by the Managing Member as the "tax matters partner" for purposes of Section 6231(a)(7) of the Code (the "Tax Matters Member"). To the fullest extent permitted by applicable law, each Member agrees to indemnify and hold harmless the Company and all other Members from and against any and all liabilities, obligations, damages, deficiencies and expenses resulting from any breach or violation by such Member of the provisions of this Section 6.7 and from all actions, suits, proceedings, demands, assessments, judgments, costs and expenses, including reasonable attorneys' fees and disbursements, incident to any such breach or violation.

(c) Each individual Member shall provide to the Company copies of each Federal, state and local income tax return of such Member (including any amendment thereof) within 30 days after filing such return.

6.8. Special Basis Adjustments. In connection with any assignment or transfer of a Company interest permitted by the terms of this Agreement, the Managing Member may cause the Company, on behalf of the Members and at the time and in the manner provided in Code Regulations Section 1.754-1(b), to make an election to adjust the basis of the Company's property in the manner provided in Sections 734(b) and 743(b) of the Code.

ARTICLE VII

CAPITAL COMMITMENT INTERESTS; CAPITAL CONTRIBUTIONS; ALLOCATIONS; DISTRIBUTIONS

7.1. Capital Commitment Interests, etc.

(a) This Article VII and Article VIII hereof set forth certain terms and conditions with respect to the Capital Commitment Member Interests and the Capital Commitment BEP Interest and matters related to the Capital Commitment Member Interests and the Capital Commitment BEP Interest. Except as otherwise expressly provided in this Article VII or in Article VIII, the terms and provisions of this Article VII and Article VIII shall not apply to the GP-Related Member Interests or the GP-Related BEP Interest.

(b) Each Member, severally, agrees to make contributions of capital to the Company (“Capital Commitment-Related Capital Contributions”) as required to fund the Company's capital contributions to BEP or Associates in respect of the Capital Commitment BEP Interest, if any, and the related Capital Commitment BEP Commitment, if any (including, without limitation, funding all or a portion of the Blackstone Capital Commitment). No Member shall be obligated to make Capital Commitment-Related Capital Contributions to the Company in an amount in excess of such Member's Capital Commitment-Related Commitment. The Commitment Agreements and SMD Agreements, if any, of the Members may include provisions with respect to the foregoing matters. It is understood that a Member will not necessarily participate in each Capital Commitment Investment (which may include additional amounts invested in an existing Capital Commitment Investment) nor will a Member necessarily have the same Capital Commitment Profit Sharing Percentage with respect to (i) the Company's portion of the Blackstone Capital Commitment or (ii) the making of each Capital Commitment Investment in which such Member participates; provided, that this in no way limits the terms of any Commitment Agreement or SMD Agreement. In addition, nothing contained herein shall be construed to give any Member the right to obtain financing with respect to the purchase of any Capital Commitment Interest, and nothing contained herein shall limit or dictate the terms upon which the Company and its Affiliates may provide such financing. The acquisition of a Capital Commitment Interest by a Member shall be evidenced by receipt by the Company of funds equal to such Member's Capital Commitment- Related Commitment then due with respect to such Capital Commitment Interest and such appropriate documentation as the Managing Member may submit to the Members from time to time.

(c) The Company or one of its Affiliates (in such capacity, the “Advancing Party”) may in its sole discretion advance to any Member (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members that are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) all or any portion of

the Capital Commitment Capital Contributions due to the Company from such Member with respect to any Capital Commitment Investment (“Firm Advances”). Each such Member shall pay interest to the Advancing Party on each Firm Advance from the date of such Firm Advance until the repayment thereof by such Member. Each Firm Advance shall be repayable in full, including accrued interest to the date of such repayment, upon prior written notice by the Advancing Party. The making and repayment of each Firm Advance shall be recorded in the books and records of the Company, and such recording shall be conclusive evidence of each such Firm Advance, binding on the Member and the Advancing Party absent manifest error. Except as provided below, the interest rate applicable to a Firm Advance shall equal the cost of funds of the Advancing Party at the time of the making of such Firm Advance. The Advancing Party shall inform any Member of such rate upon such Member’s request; provided, that such interest rate shall not exceed the maximum interest rate allowable by applicable law; provided further, that amounts that are otherwise payable to such Member pursuant to Section 7.4(a) shall be used to repay such Firm Advance (including interest thereon). The Advancing Party may, in its sole discretion, change the terms of Firm Advances (including the terms contained herein) and/or discontinue the making of Firm Advances; provided, that (i) the Advancing Party shall notify the relevant Members of any material changes to such terms and (ii) the interest rate applicable to such Firm Advances and overdue amounts thereon shall not exceed the maximum interest rate allowable by applicable law.

7.2. Capital Commitment Capital Accounts .

(a) There shall be established for each Member on the books of the Company as of the date of formation of the Company, or such later date on which such Member is admitted to the Company, and on each such other date as such Member first acquires a Capital Commitment Interest in a particular Capital Commitment Investment, a Capital Commitment Capital Account for each Capital Commitment Investment in which such Member acquires a Capital Commitment Interest on such date. Each Capital Commitment Capital Contribution of a Member shall be credited to the appropriate Capital Commitment Capital Account of such Member on the date such Capital Commitment Capital Contribution is paid to the Company. Capital Commitment Capital Accounts shall be adjusted to reflect any transfer of a Member’s interest in the Company related to his Capital Commitment Member Interest as provided in this Agreement.

(b) A Member shall not have any obligation to the Company or to any other Member to restore any negative balance in the Capital Commitment Capital Account of such Member. Until distribution of any such Member’s interest in the Company with respect to a Capital Commitment Interest as a result of the disposition by the Company of the related Capital Commitment Investment and in whole upon the dissolution of the Company, neither such Member’s Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption except with the consent of the Managing Member.

7.3. Allocations .

(a) Capital Commitment Net Income (Loss) of the Company for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Members (including the Managing Member) participating in such Capital

Commitment Investment in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment. Capital Commitment Net Income (Loss) on any Unallocated Capital Commitment Interest shall be allocated to each Member in the proportion which such Member's aggregate Capital Commitment Capital Accounts bear to the aggregate Capital Commitment Capital Accounts of all Members; provided, that if any Member makes the election provided for in Section 7.6, Capital Commitment Net Income (Loss) of the Company for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Members participating in such Capital Commitment Investment who do not make such election in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment.

(b) Any special costs relating to distributions pursuant to Section 7.6 or 7.7 shall be specially allocated to the electing Member.

7.4. Distributions.

(a) Each Member's allocable portion of Capital Commitment Net Income received from his Capital Commitment Investments, distributions to such Member that constitute returns of capital, and other Capital Commitment Net Income of the Company (including, without limitation, Capital Commitment Net Income attributable to Unallocated Capital Commitment Interests) during a fiscal year of the Company will be credited to payment of the Investor Notes to the extent required below as of the last day of such fiscal year (or on such earlier date as related distributions are made in the sole discretion of the Managing Member) with any cash amount distributable to such Member pursuant to clauses (ii) and (vii) below to be distributed within 45 days after the end of each fiscal year of the Company (or in each case on such earlier date as selected by the Managing Member in its sole discretion) as follows (subject to Section 7.4(c) below):

(i) First, to the payment of interest then due on all Investor Notes (relating to Capital Commitment Investments or otherwise) of such Member (to the extent Capital Commitment Net Income and distributions or payments from Other Sources do not equal or exceed all interest payments due, the selection of those of such Member's Investor Notes upon which interest is to be paid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor);

(ii) Second, to distribution to the Member of an amount equal to the Federal, State and local income taxes on income of the Company allocated to such Member for such year in respect of such Member's Capital Commitment Member Interest (the aggregate amount of any such distribution shall be determined by the Managing Member, subject to the limitation that the minimum aggregate amount of such distribution be the tax that would be payable if the taxable income of the Company related to all Members' Capital Commitment Member Interests were all allocated to an individual subject to the then-prevailing maximum Federal, New York State and New York City tax rates (taking into account the extent to which such taxable income allocated by the Company was composed of long-term capital gains and the deductibility of State and local income taxes for Federal income tax purposes)); provided, that additional amounts shall be paid to the Member pursuant to this clause (ii) to the extent

that such amount reduces the amount otherwise distributable to the Member pursuant to a comparable provision in any other BCE Agreement and there are not sufficient amounts to fully satisfy such provision from the relevant partnership or other entity; provided further, that amounts paid pursuant to the provisions in such other BCE Agreements comparable to the immediately preceding provision shall reduce those amounts otherwise distributable to the Member pursuant to provisions in such other BCE Agreements that are comparable to this clause (ii);

(iii) Third, to the payment in full of the principal amount of the Investor Note financing (A) any Capital Commitment Investment disposed of during or prior to such fiscal year or (B) any BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year, to the extent not repaid from Other Sources;

(iv) Fourth, to the return to such Member of (A) all Capital Commitment-Related Capital Contributions made in respect of the Capital Commitment Interest to which any Capital Commitment Investment disposed of during or prior to such fiscal year relates or (B) all capital contributions made to any Blackstone Collateral Entity (other than the Company) in respect of interests therein relating to BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year (including all principal paid on the related Investor Notes), to the extent not repaid from amounts of Other Sources (other than amounts of Capital Commitment Member Carried Interest);

(v) Fifth, to the payment of principal (including any previously deferred amounts) then owing under all other Investor Notes of such Member (including those unrelated to the Company), the selection of those of such Member's Investor Notes to be repaid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor;

(vi) Sixth, up to 50% of any Capital Commitment Net Income remaining after application pursuant to clauses (i) through (v) above shall be applied pro rata to prepayment of principal of all remaining Investor Notes of such Member (including those unrelated to the Company), the selection of those of such Member's Investor Notes to be repaid, the division of payments among such Investor Notes and the percentage of remaining Capital Commitment Net Income to be applied thereto to be determined by the Lender or Guarantor; and

(vii) Seventh, to such Member to the extent of any amount of Capital Commitment Net Income remaining after making the distributions in clauses (i) through (vi) above, and such amount is not otherwise required to be applied to Investor Notes pursuant to the terms thereof.

To the extent there is a partial disposition of a Capital Commitment Investment or any other BCE Investment, as applicable, the payments in clauses (iii) and (iv) above shall be based on that portion of the Capital Commitment Investment or other BCE Investment, as applicable, disposed of, and the principal amount and related interest payments

of such Investor Note shall be adjusted to reflect such partial payment so that there are equal payments over the remaining term of the related Investor Note. For a Member who is no longer an employee or officer of Holdings or its Affiliates, distributions shall be made pursuant to clauses (i) through (iii) above, and then, unless the Company or its Affiliate has exercised its rights pursuant to Section 8.1 hereof, any remaining income or other distribution in respect of such Member's Capital Commitment Member Interest shall be applied to the prepayment of the outstanding Investor Notes of such Member, until all such Member's Investor Notes have been repaid in full, with any such income or other distribution remaining thereafter distributed to such Member.

Distributions of Capital Commitment Net Income may be made at any other time at the discretion of the Managing Member. At the Managing Member's discretion, any amounts distributed to a Member in respect of such Member's Capital Commitment Member Interest will be net of any interest and principal payable on his Investor Notes for the full period in respect of which the distribution is made.

(b) [Intentionally omitted.]

(c) To the extent that the foregoing Company distributions and distributions and payments from Other Sources are insufficient to satisfy any principal and/or interest due on Investor Notes, and to the extent that the Managing Member in its sole discretion elects to apply this paragraph (c) to any individual payments due, such unpaid interest will be added to the remaining principal amount of such Investor Notes and shall be payable on the next scheduled principal payment date (along with any deferred principal and any principal and interest due on such date); provided, that such deferral shall not apply to a Member that is no longer an employee or officer of Holdings or an Affiliate thereof. All unpaid interest on such Investor Notes shall accrue interest at the interest rate then in effect for such Investor Notes.

(d) [Intentionally omitted.]

(e) The Capital Commitment Capital Account of each Member shall be reduced by the amount of any distribution to such Member pursuant to paragraph (a) of this Section 7.4.

(f) At any time that a sale, exchange, transfer or other disposition of a portion of a Capital Commitment Investment is being considered by the Company or BEP (a "Capital Commitment Disposable Investment"), at the election of the Managing Member each Member's Capital Commitment Interest with respect to such Capital Commitment Investment shall be vertically divided into two separate Capital Commitment Interests, a Capital Commitment Interest attributable to the Capital Commitment Disposable Investment (a Member's "Capital Commitment Class B Interest"), and a Capital Commitment Interest attributable to such Capital Commitment Investment excluding the Capital Commitment Disposable Investment (a Member's "Capital Commitment Class A Interest"). Distributions (including those resulting from a direct or indirect sale, transfer, exchange or other disposition by the Company) relating to a Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class B Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages

relating to such Capital Commitment Class B Interests, and distributions (including those resulting from the direct or indirect sale, transfer, exchange or other disposition by the Company) relating to a Capital Commitment Investment excluding such Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class A Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages relating to such Capital Commitment Class A Interests.

(g) (i) If (x) the Company is obligated under the Giveback Provisions to contribute a Giveback Amount to BEP in respect of any Capital Commitment BEP Interest that may be held by the Company or (y) Associates is obligated under the Giveback Provisions to contribute to BEP a Giveback Amount with respect to any Capital Commitment BEP Interest that may be held by Associates and the Company is obligated to contribute any such amount to Associates in respect of the Company's Capital Commitment Associates Member Interest (the amount of any such obligation of the Company with respect to such a Giveback Amount in the case of either (x) or (y) being herein called a "Capital Commitment Giveback Amount"), the Company shall call for such amounts as are necessary to satisfy such obligation of the Company as determined by the Managing Member, in which case, each Member and Withdrawn Member shall contribute to the Company, in cash, when and as called by the Company, such an amount of prior distributions by the Company with respect to the Capital Commitment BEP Interest (the "Capital Commitment Recontribution Amount") which equals such Member's pro rata share of prior distributions in connection with (a) the Capital Commitment BEP Investment giving rise to the Capital Commitment Giveback Amount, (b) if the amounts contributed pursuant to clause (a) above are insufficient to satisfy such Capital Commitment Giveback Amount, Capital Commitment BEP Investments other than the one giving rise to such obligation, and (c) all Capital Commitment BEP Investments, if the Giveback Amount is an Other Giveback Amount (as defined in the BEP Partnership Agreement). Each Member shall promptly contribute to the Company upon notice thereof such Member's Capital Commitment Recontribution Amount. Prior to such time, the Company may, at the Managing Member's discretion (but shall be under no obligation to), provide notice that in the Managing Member's judgment, the potential obligations in respect of the Capital Commitment Giveback Amount will probably materialize (and an estimate of the aggregate amount of such obligations).

(ii)(A) In the event any Member (a "Capital Commitment Defaulting Party") fails to recontribute all or any portion of such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount for any reason, the Company shall require all other Members and Withdrawn Members to contribute, on a pro rata basis (based on each of their respective Capital Commitment Profit Sharing Percentages), such amounts as are necessary to fulfill the Capital Commitment Defaulting Party's obligation to pay such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount (a "Capital Commitment Deficiency Contribution") if the Managing Member determines in its good faith judgment that the Company will be unable to collect such amount in cash from such Capital Commitment Defaulting Party for payment of the Capital Commitment Giveback Amount at least 20 Business Days prior to the latest date that the Company is permitted to pay the Capital Commitment Giveback Amount; provided, that no Member shall as a result of such Capital Commitment Deficiency Contribution be required to

contribute an amount in excess of 150% of the amount of the Capital Commitment Recontribution Amount initially requested from such Member in respect of such default. Thereafter, the Managing Member shall determine in its good faith judgment that the Company should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the Managing Member or (2) pursue any and all remedies (at law or equity) available to the Company against the Capital Commitment Defaulting Party, the cost of which shall be a Company expense to the extent not ultimately reimbursed by the Capital Commitment Defaulting Party. It is agreed that the Company shall have the right (effective upon such Capital Commitment Defaulting Party becoming a Capital Commitment Defaulting Party) to set-off as appropriate and apply against such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount any amounts otherwise payable to the Capital Commitment Defaulting Party by the Company or any Affiliate thereof. Each Member hereby grants to the Company a security interest, effective upon such Member becoming a Capital Commitment Defaulting Party, in all accounts receivable and other rights to receive payment from the Company or any Affiliate of the Company and agrees that, upon the effectiveness of such security interest, the Company may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Member hereby appoints the Company as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Member or in the name of the Company, to take any actions which may be necessary to accomplish the intent of the immediately preceding sentence. The Company shall be entitled to collect interest on the Capital Commitment Recontribution Amount of a Capital Commitment Defaulting Party from the date such Capital Commitment Recontribution Amount was required to be contributed to the Company at a rate equal to the Default Interest Rate.

(B) Any Member's failure to make a Capital Commitment Deficiency Contribution shall cause such Member to be a Capital Commitment Defaulting Party with respect to such amount.

(iii) A Member's obligation to make contributions to the Company under this Section 7.4(g) shall survive the termination of the Company.

7.5. Valuations. Capital Commitment Investments shall be valued annually as of the end of each year (and at such other times as deemed appropriate by the Managing Member) in accordance with the principles utilized by Associates (or any other Affiliate of the Company that is a general partner of BEP) in valuing investments of BEP or, in the case of investments not held by BEP, in the good faith judgment of the Managing Member, subject in each case to the second proviso of the immediately succeeding sentence. The value of any Capital Commitment Interest as of any date (the "Capital Commitment Value") shall be based on the value of the underlying Capital Commitment Investment as set forth above; provided, that the Capital Commitment Value may be determined as of an earlier date if determined appropriate by the Managing Member in good faith; provided further, that such value may be adjusted by the Managing Member to take into account factors relating solely to the value of a Capital Commitment Interest (as compared to the value of the underlying Capital Commitment Investment), such as restrictions on transferability, the lack of a market for such Capital

Commitment Interest and lack of control of the underlying Capital Commitment Investment. To the full extent permitted by applicable law such valuations shall be final and binding on all Members; provided further, that the immediately preceding proviso shall not apply to any Capital Commitment Interests held by a person who is or was at any time a direct partner of a Managing Member of the Company.

7.6. Disposition Election.

(a) At any time prior to the date of the Company's execution of a definitive agreement to dispose of a Capital Commitment Investment, the Managing Member may in its sole discretion permit a Member to retain all or any portion of its pro rata share of such Capital Commitment Investment (as measured by such Member's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment). If the Managing Member so permits, such Member shall instruct the Managing Member in writing prior to such date (i) not to dispose of all or any portion of such Member's pro rata share of such Capital Commitment Investment (the "Retained Portion") and (ii) either to (A) distribute such Retained Portion to such Member on the closing date of such disposition or (B) retain such Retained Portion in the Company on behalf of such Member until such time as such Member shall instruct the Managing Member upon 5 days notice to distribute such Retained Portion to such Member. Such Member's Capital Commitment Capital Account shall not be adjusted in any way to reflect the retention in the Company of such Retained Portion or the Company's disposition of other Members' pro rata shares of such Capital Commitment Investment; provided, that such Member's Capital Commitment Capital Account shall be adjusted upon distribution of such Retained Portion to such Member or upon distribution of proceeds with respect to a subsequent disposition thereof by the Company.

(b) No distribution of such Retained Portion shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such distribution.

7.7. Capital Commitment Special Distribution Election.

(a) From time to time during the term of this Agreement, the Managing Member may in its sole discretion, upon receipt of a written request from a Member, distribute to such Member any portion of its pro rata share of a Capital Commitment Investment (as measured by such Member's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment) (a "Capital Commitment Special Distribution"). Such Member's Capital Commitment Capital Account shall be adjusted upon distribution of such Capital Commitment Special Distribution.

(b) No Capital Commitment Special Distributions shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such Capital Commitment Special Distribution.

ARTICLE VIII

WITHDRAWAL, ADMISSION OF NEW MEMBERS

8.1. Member Withdrawal; Repurchase of Capital Commitment Interests.

(a) Capital Commitment Interests (or a portion thereof) that were financed by Investor Notes will be treated as not subject to repurchase for purposes hereof based upon the proportion of (a) the sum of Capital Commitment Capital Contributions not financed by an Investor Note with respect to each Capital Commitment Interest and principal payments on the related Investor Note to (b) the sum of the Capital Commitment Capital Contributions not financed by an Investor Note with respect to such Capital Commitment Interest, the original principal amount of such Investor Note and all deferred amounts of interest which from time to time comprise part of the principal amount of the Investor Note. A Member may prepay a portion of any outstanding principal on the Investor Notes; provided, that in the event that a Member prepays all or any portion of the principal amount of the Investor Notes within nine months prior to the date on which such Member is no longer an employee or officer of Holdings or an Affiliate thereof, the Company (or its designee) shall have the right, in its sole discretion, to purchase the Capital Commitment Interest that became Non-Contingent as a result of such prepayment; provided further, that the purchase price for such Capital Commitment Interest shall be determined in accordance with the determination of the purchase price of a Member's Contingent Capital Commitment Interests as set forth in paragraph (b) below. Prepayments made by a Member shall apply pro rata against all of such Member's Investor Notes; provided, that such Member may request that such prepayments be applied only to Investor Notes related to BCE Investments that are related to one or more Blackstone Collateral Entities specified by such Member. Except as expressly provided herein, Capital Commitment Interests that were not financed in any respect with Investor Notes shall be treated as Non-Contingent Capital Commitment Interests.

(b) Upon a Member ceasing to be an officer or employee of the Company or any of its Affiliates, other than as a result of such Member dying or suffering a Total Disability, such Member (the "Withdrawn Member") and the Company or any other person designated by the Managing Member shall each have the right (exercisable by the Withdrawn Member within 30 days and by the Company or its designee(s) within 45 days of such Member's ceasing to be such an officer or employee) or any time thereafter, upon 30 days notice, but not the obligation, to require the Company, subject to the LLC Act, to buy (in the case of exercise of such right by such Withdrawn Member) or the Withdrawn Member to sell (in the case of exercise of such right by the Company or its designee(s)) all (but not less than all) such Withdrawn Member's Contingent Capital Commitment Interests. The purchase price for each such Contingent Capital Commitment Interest will be an amount equal to (i) the outstanding principal amount of the related Investor Note plus accrued interest thereon to the date of purchase (such portion of the purchase price to be made in cash) and (ii) an additional amount (the "Adjustment Amount") equal to (x) all interest paid by the Member on the portion of the principal amount of the Investor Note relating to the portion of the related Capital Commitment Interest remaining Contingent plus (y) all Capital Commitment Net Losses allocated to the Withdrawn Member on the Contingent portion of such Capital Commitment Interest minus (z) all Capital Commitment Net Income allocated to the Withdrawn Member on the Contingent portion of

such Capital Commitment Interest; provided, that, if the Withdrawn Member was terminated from employment or his position as an officer for Cause, the amounts referred to in clause (x) or (y) of the Adjustment Amount, in the Managing Member's sole discretion, may be deemed to equal zero. The Adjustment Amount shall, if positive, be payable by the holders of the purchased Capital Commitment Interests to the Withdrawn Member from the next Capital Commitment Net Income received by such holders on the Contingent portion of such Withdrawn Member's Capital Commitment Interests at the time such Capital Commitment Net Income is received. If the Adjustment Amount resulting from an exchange is negative, it shall be payable to the holders of the purchased Capital Commitment Interest by the Withdrawn Member at the time such Capital Commitment Net Income is received by the Withdrawn Member from the next Capital Commitment Net Income on the Non-Contingent portion of the Withdrawn Member's Capital Commitment Interests or, if the Company or its designee(s) elect to purchase such Withdrawn Member's Non-Contingent Capital Commitment Interests, in cash by the Withdrawn Member at the time of such purchase; provided, that the Company and its Affiliates may offset any amounts otherwise owing to a Withdrawn Member against any Adjustment Amount owed by such Withdrawn Member. Until so paid, such remaining Adjustment Amount will not itself bear interest. At the time of such purchase of the Withdrawn Member's Contingent Capital Commitment Interests, his related Investor Note shall be payable in full. If neither the Withdrawn Member nor the Company nor its designee(s) exercise the right to require repurchase of such Contingent Capital Commitment Interests, then the Withdrawn Member shall retain the Contingent portion of his Capital Commitment Interests and the Investor Notes shall remain outstanding, shall become fully recourse to the Withdrawn Member in his individual capacity, shall be payable in accordance with their remaining original maturity schedules and shall be prepayable at any time by the Withdrawn Member at his option, and the Company shall apply such prepayments against outstanding Investor Notes on a pro rata basis. To the extent that another Member purchases a portion of a Capital Commitment Interest of a Withdrawn Member, the purchasing Member's Capital Commitment Capital Account and Capital Commitment Profit Sharing Percentage for such Capital Commitment Investment shall be correspondingly increased.

(c) Upon the occurrence of a Final Event with respect to any Member, such Member shall thereupon cease to be a Member with respect to such Member's Capital Commitment Member Interest. If such a Final Event shall occur, no Successor in Interest to any such Member shall for any purpose hereof become or be deemed to become a Member. The sole right, as against the Company and the remaining Members, acquired hereunder by, or resulting hereunder to, a Successor in Interest to any Member shall be to receive any distributions and allocations with respect to such Member's Capital Commitment Member Interest pursuant to Article VII and this Article VIII, subject to the right of the Company to purchase the Capital Commitment Interests of such former Member pursuant to Section 8.1(b) or Section 8.1(d) to the extent, at the time, in the manner and in the amount otherwise payable to such Member had such a Final Event not occurred, and no other right shall be acquired hereunder by, or shall result hereunder to, a Successor in Interest to such Member, whether by operation of law or otherwise. Until distribution of any such Member's interest in the Company upon the dissolution of the Company as provided in Section 9.2, neither his Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption without the consent of the Managing Member. The Company shall be entitled to treat any Successor in Interest to such Member as the only person entitled to receive

distributions and allocations hereunder with respect to such Member's Capital Commitment Member Interest.

(d) If a Member dies or suffers a Total Disability, all Contingent Capital Commitment Interests of such Member shall be purchased by the Company or its designee (within 30 days of the first date on which the Company knows or has reason to know of such Member's death or Total Disability) as provided in Section 8.1(b) (except that any Adjustment Amount shall be payable by or to the estate or personal representative in cash) and any Investor Notes financing such Contingent Capital Commitment Interests shall thereupon be prepaid as provided in Section 8.1(b). In addition, in the case of the death or Total Disability of a Member, if the estate or personal representative of such Member so requests in writing within 180 days of the Member's death or ceasing to be an employee or member (directly or indirectly) of the Company or any of its Affiliates by reason of Total Disability (such requests shall not exceed one per calendar year), the Company or its designee may but is not obligated to purchase for cash all (but not less than all) Non-Contingent Capital Commitment Interests of such Member as of the last day of the Company's then current fiscal year at a price equal to the Capital Commitment Value thereof. Each Member shall be required to include appropriate provisions in his will to reflect such provisions of this Agreement. In addition, the Company may, in the sole discretion of the Managing Member, upon notice to the estate or personal representative of such Member within 30 days of the first date on which the Company knows or has reason to know of such Member's death or Total Disability, determine either (i) to distribute Securities or other property to the estate or personal representative in exchange for such Non-Contingent Capital Commitment Interests as provided in Section 8.1(e) or (ii) to require sale of such Non-Contingent Capital Commitment Interests to the Company or its designee as of the last day of any fiscal year of the Company (or earlier period, as determined by the Managing Member in its sole discretion) for an amount in cash equal to the Capital Commitment Value thereof.

(e) In lieu of retaining a Withdrawn Member as a Member with respect to any Non-Contingent Capital Commitment Interests, the Managing Member may, in its sole discretion, by notice to such Withdrawn Member within 45 days of his ceasing to be an employee or officer of the Company or any of its Affiliates, or at any time thereafter, upon 30 days written notice, determine (1) to distribute to such Withdrawn Member the pro rata portion of the Securities or other property underlying such Withdrawn Member's Non-Contingent Capital Commitment Interests, subject to any restrictions on distributions associated with the Securities or other property, in satisfaction of his Non-Contingent Capital Commitment Interests in the Company or (2) to cause, as of the last day of any fiscal year of the Company (or earlier period, as determined by the Managing Member in its sole discretion), the Company or another person designated by the Managing Member (who may be itself another Member or another Affiliate of the Company) to purchase all (but not less than all) of such Withdrawn Member's Non-Contingent Capital Commitment Interests for a price equal to the Capital Commitment Value thereof. The Managing Member shall condition any distribution or purchase of voting Securities pursuant to paragraph (d) above or this paragraph (e) upon the Withdrawn Member's execution and delivery to the Company of an appropriate irrevocable proxy, in favor of the Company or its nominee, relating to such Securities.

(f) The Company may subsequently transfer any Unallocated Capital Commitment Interest or portion thereof which is purchased by it as described above to any other person approved by the Managing Member. In connection with such purchase or transfer or the purchase of a Capital Commitment Interest or portion thereof by the Company's designee(s), Holdings may loan all or a portion of the purchase price of the transferred or purchased Capital Commitment Interest to the Company, the transferee or the designee-purchaser(s), as applicable (excluding any of the foregoing who is an executive officer of The Blackstone Group L.P. or any Affiliate thereof). To the extent that a Withdrawn Member's Capital Commitment Interests (or portions thereof) are repurchased by the Company and not transferred to or purchased by another person, all or any portion of such repurchased Capital Commitment Interests may, in the sole discretion of the Managing Member, (i) be allocated to each Member already participating in the Capital Commitment Investment to which the repurchased Capital Commitment Interest relates, (ii) be allocated to each Member in the Company, whether or not already participating in such Capital Commitment Investment, and/or (iii) continue to be held by the Company itself as an unallocated Capital Commitment Investment (such Capital Commitment Interests being herein called "Unallocated Capital Commitment Interests"). To the extent that a Capital Commitment Interest is allocated to Members as provided in clause (i) and/or (ii) above, any indebtedness incurred by the Company to finance such repurchase shall also be allocated to such Members. All such Capital Commitment Interests allocated to Members shall be deemed to be Contingent and shall become Non-Contingent as and to the extent that the principal amount of such related indebtedness is repaid. The Members receiving such allocations shall be responsible for such related indebtedness only on a nonrecourse basis to the extent appropriate as provided in this Agreement, except as such Members and the Managing Member shall otherwise agree. If the indebtedness financing such repurchased interests is not so limited, the Company may require an assumption by the Members of such indebtedness on the terms thereof as a precondition to allocation of the related Capital Commitment Interests to such Members; provided, that a Member shall not, except as set forth in his Investor Note, be obligated to accept any personally recourse obligation unless his prior consent is obtained. So long as the Company itself retains the Unallocated Capital Commitment Interests pursuant to clause (iii) above, such Unallocated Capital Commitment Interests shall belong to the Company and any indebtedness financing the Unallocated Capital Commitment Interests shall be an obligation of the Company to which all income of the Company is subject except as otherwise agreed by the lender of such indebtedness. Any Capital Commitment Net Income (Loss) on an Unallocated Capital Commitment Interest shall be allocated to each Member in the proportion his aggregate Capital Commitment Capital Accounts bear to the aggregate Capital Commitment Capital Accounts of all Members; debt service on such related financing will be an expense of the Company allocable to all Members in such proportions.

(g) If a Member is required to Withdraw from the Company with respect to such Member's Capital Commitment Member Interest for Cause, then his Capital Commitment Interest shall be settled in accordance with paragraphs (a)-(f) and (j) of this Section 8.1; provided, that if such Member was not at any time a direct partner of a Managing Member of the Company, the Managing Member may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) purchase for cash all of such Withdrawn Member's Non-Contingent Capital Commitment Interests. The purchase price for each such Non-Contingent Capital Commitment Interest shall be the lower of (A) the original cost of such Non-Contingent Capital Commitment Interest or (B) an amount equal to the Capital Commitment Value thereof;

(ii) allow the Withdrawn Member to retain such Non-Contingent Capital Commitment Interests; provided, that the maximum amount of Capital Commitment Net Income allocable to such Withdrawn Member with respect to any Capital Commitment Investment shall equal the amount of Capital Commitment Net Income that would have been allocated to such Withdrawn Member if such Capital Commitment Investment had been sold as of the Settlement Date at the then prevailing Capital Commitment Value thereof; or

(iii) in lieu of cash, purchase such Non-Contingent Capital Commitment Interests by providing the Withdrawn Member with a promissory note in the amount determined in (i) above. Such promissory note shall have a maximum term of ten (10) years with interest at the Federal Funds Rate.

(h) The Company will assist a Withdrawn Member or his estate or guardian, as the case may be, in the settlement of the Withdrawn Member's Capital Commitment Member Interest in the Company. Third party costs incurred by the Company in providing this assistance will be borne by the Withdrawn Member or his estate.

(i) The Company may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Members or their estates or guardians, as referred to above. In such instances, the Company will obtain the prior approval of a Withdrawn Member or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Member (or his estate or guardian) declines to incur such costs, the Company will provide such reasonable assistance as and when it can so as not to interfere with the Company's day-to-day operating, financial, tax and other related responsibilities to the Company and the Members.

(j) Each Member hereby irrevocably appoints the Managing Member as such Member's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Member's name, place and stead, to make, execute, sign and file, on behalf of such Member, any and all agreements, instruments, documents and certificates which such Managing Member deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 8.1, including, without limitation, the performance of any obligation of such Member or the Company or the exercise of any right of such Member or the Company. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Company of any Member for any reason and shall not be affected by the death, disability or incapacity of such Member.

8.2. Transfer of Member's Capital Commitment Interest. Except as otherwise agreed by the Managing Member, no Member or former Member shall have the right to sell, assign, mortgage, pledge or otherwise dispose of or transfer ("Transfer") all or part of any such

Member's Capital Commitment Member Interest in the Company; provided, that this Section 8.2 shall in no way impair Transfers (i) as permitted in Section 8.1 above, in the case of the purchase of a Withdrawn Member's or deceased or Totally Disabled Member's Capital Commitment Interests, (ii) Transfers by a Member to another Member of Non- Contingent Capital Commitment Interests, (iii) Transfers of up to 25% of a Regular Member's Capital Commitment Member Interest to an Estate Planning Vehicle and (iv) with the prior written consent of the Managing Member (which consent may be withheld without giving any reason therefor). No person acquiring an interest in the Company pursuant to this Section 8.2 shall become a Member of the Company, or acquire such Member's right to participate in the affairs of the Company, unless such person shall be admitted as a Member pursuant to Section 6.1. A Member shall not cease to be a Member of the Company upon the collateral assignment of, or the pledging or granting of a security interest in, its entire Interest in the Company in accordance with the provisions of this Agreement.

8.3. Compliance with Law. Notwithstanding any provision hereof to the contrary, no sale or Transfer of a Capital Commitment Interest in the Company may be made except in compliance with all Federal, State and other applicable laws, including Federal and State securities laws.

ARTICLE IX

DISSOLUTION

9.1. Dissolution. The Company shall be dissolved and subsequently terminated:

- (a) pursuant to Section 6.6; or
- (b) upon the expiration of the Term.

9.2. Final Distribution. Upon the dissolution of the Company, and following the payment of creditors of the Company and the making of provisions for the payment of any contingent, conditional or unmatured claims known to the Company as required under the LLC Act:

(a) The Members' respective interests in the Company shall be valued and settled in accordance with the procedures set forth in Section 6.5 which provide for allocations to the GP-Related Capital Accounts of the Members and distributions in accordance with the GP-Related Capital Account balances of the Members; and

(b) With respect to each Member's Capital Commitment Member Interest, an amount shall be paid to such Member in cash or Securities in an amount equal to such Member's respective Capital Commitment Liquidating Share for each Capital Commitment Investment; provided, that if the remaining assets relating to any Capital Commitment Investment shall not be equal to or exceed the aggregate Capital Commitment Liquidating Shares for such Capital Commitment Investment, to each Member in proportion to its Capital Commitment Liquidating Share for such Capital Commitment Investment; and the remaining assets of the Company related to the Members' Capital Commitment Member Interests shall be

paid to the Members in cash or Securities in proportion to their respective Capital Commitment Profit Sharing Percentages for each Capital Commitment Investment from which such cash or Securities are derived.

The Managing Member shall be the liquidator. In the event that the Managing Member is unable to serve as liquidator, a liquidating trustee shall be chosen by the affirmative vote of a Majority in Interest of the Members voting at a meeting of Members (excluding Nonvoting Special Members).

9.3. Amounts Reserved Related to Capital Commitment Member Interests.

(a) If there are any Securities or other property or other investments or securities related to the Members' Capital Commitment Member Interests which, in the judgment of the liquidator, cannot be sold, or properly distributed in kind in the case of dissolution, without sacrificing a significant portion of the value thereof, the value of a Member's interest in each such Security or other investment or security may be excluded from the amount distributed to the Members participating in the related Capital Commitment Investment pursuant to Section 9.2(b). Any interest of a Member, including his pro rata interest in any gains, losses or distributions, in Securities or other property or other investments or securities so excluded shall not be paid or distributed until such time as the liquidator shall determine.

(b) If there is any pending transaction, contingent liability or claim by or against the Company related to the Members' Capital Commitment Member Interests as to which the interest or obligation of any Member therein cannot, in the judgment of the liquidator, be then ascertained, the value thereof or probable loss therefrom may be deducted from the amount distributable to such Member pursuant to Section 9.2(b). No amount shall be paid or charged to any such Member on account of any such transaction or claim until its final settlement or such earlier time as the liquidator shall determine. The Company may meanwhile retain from other sums due such Member in respect of such Member's Capital Commitment Member Interest an amount which the liquidator estimates to be sufficient to cover the share of such Member in any probable loss or liability on account of such transaction or claim.

(c) Upon determination by the liquidator that circumstances no longer require the exclusion of any Securities or other property or retention of sums as provided in paragraphs (a) and (b) of this Section 9.3, the liquidator shall, at the earliest practicable time, distribute as provided in Section 9.2(b) such sums or such Securities or other property or the proceeds realized from the sale of such Securities or other property to each Member from whom such sums or Securities or other property were withheld.

ARTICLE X

MISCELLANEOUS

10.1. Submission to Jurisdiction; Waiver of Jury Trial.

(a) Any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity,

negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) shall be finally settled by arbitration conducted by a single arbitrator in New York, NY, in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the International Chamber of Commerce shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. Performance under this Agreement shall continue if reasonably possible during any arbitration proceedings.

(b) Notwithstanding the provisions of paragraph (a), the Managing Member may bring, or may cause the Company to bring, on behalf of the Managing Member or the Company or on behalf of one or more Members, an action or special proceeding in any court of competent jurisdiction for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each Member (i) expressly consents to the application of paragraph (c) of this Section 10.1 to any such action or proceeding, (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and (iii) irrevocably appoints the Managing Member as such Member's agent for service of process in connection with any such action or proceeding and agrees that service of process upon any such agent, who shall promptly advise such Member of any such service of process, shall be deemed in every respect effective service of process upon the Member in any such action or proceeding.

(c) (i) EACH MEMBER HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF COURTS LOCATED IN NEW YORK, NEW YORK FOR THE PURPOSE OF ANY JUDICIAL PROCEEDING BROUGHT IN ACCORDANCE WITH THE PROVISIONS OF PARAGRAPH (b) OF THIS SECTION 10.1, OR ANY JUDICIAL PROCEEDING ANCILLARY TO AN ARBITRATION OR CONTEMPLATED ARBITRATION ARISING OUT OF OR RELATING TO OR CONCERNING THIS AGREEMENT. C. § 5701 *et seq.*) (the "Delaware Arbitration Act"). If, nevertheless, it shall be determined by a court of competent jurisdiction that any provision or wording of this Section 10.1, including any rules of the

International Chamber of Commerce, shall be invalid or unenforceable under the Delaware Arbitration Act, or other applicable law, such invalidity shall not invalidate all of this Section 10.1. In that case, this Section 10.1 shall be construed so as to limit any term or provision so as to make it valid or enforceable within the requirements of the Delaware Arbitration Act or other applicable law, and, in the event such term or provision cannot be so limited, this Section 10.1 shall be construed to omit such invalid or unenforceable provision.

ARTICLE III MANAGEMENT

3.1. Managing Member. (a) Holdings shall be an original managing member (the "Managing Member"). The Managing Member shall cease to be the Managing Member only if (i) it Withdraws from the Company for any reason, (ii) it consents in its sole discretion to resign as the Managing Member, or (iii) a Final Event with respect to it occurs. The Managing Member may not be removed without its consent. There may be one or more Managing Members. In the event that one or more other Managing Members is admitted to the Company as such, all references herein to the "Managing Member" in the singular form shall be deemed to also refer to such other Managing Members as may be appropriate. The relative rights and responsibilities of such Managing Members will be as agreed upon from time to time between them.

(b) To the extent a Member is entitled to vote with respect to any matter relating to the Company, such Member shall not be obligated to abstain from voting on any matter (or vote in any particular manner) because of any interest (or conflict of interest) of such Member (or any Affiliate thereof) in such matter.

All decisions and determinations (howsoever

described herein) to be made by the Managing Member pursuant to this Agreement shall be made in its sole discretion, subject only to the express terms and conditions of this Agreement.

(b) Notwithstanding any provision in this Agreement to the contrary, the Company is hereby authorized, without the need for any further act, vote or consent of any person (directly or indirectly through one or more other entities, in the name and on behalf of the Company, on its own behalf or in its capacity as a general partner, capital partner and/or limited partner of GNMERB, or in the Company's capacity as a general or limited partner, member or other equity owner of any Company Affiliate (as hereinafter defined), (i) to execute and deliver, and to perform the Company's obligations under the GNMERB Agreements, including, without limitation, serving as a general partner of GNMERB, (ii) to execute and deliver, and to perform the Company's obligations under, the governing agreement, as amended, supplemented, restated or otherwise modified (each a "Company Affiliate Governing Agreement"), of any other partnership, limited liability company or other entity (each a "Company Affiliate") of which the Company is to become a general or limited partner, member or other equity owner, including without limitation, serving as a general or limited partner, member or other equity owner of each Company Affiliate, and (iii) to take any action, in the applicable capacity, contemplated by or arising out of this Agreement, the GNMERB Agreements or any Company Affiliate Governing Agreement (and any amendment, supplement, restatement and/or other modification of any of the foregoing).

(c) The Managing Member and any other person designated by the Managing Member, each acting individually, is hereby authorized and empowered, as an authorized person of the Company or the Managing Member within the meaning of the LLC Act or otherwise (the Managing Member hereby authorizing and ratifying any of the following actions):

(i) to execute and deliver and/or file (including any such action, directly or indirectly through one or more other entities, in the name and on behalf of the Company, on its own behalf or in its capacity as general partner, capital partner and/or limited partner of GNMERB, or in the Company's capacity as a general or limited partner, member or other equity owner of any Company Affiliate), any of the following:

- (A) any agreement, certificate, instrument or other document of the Company, GNMERB or any Company Affiliate (and any amendments, supplements, restatements and/or other modifications thereof), including, without limitation, the following: (I) the GNMERB Agreements and each Company Affiliate Governing Agreement, (II) Subscription Agreements on behalf of GNMERB and/or the Company, (III) side letters issued on behalf of GNMERB and/or the Company in connection with investments in GNMERB, and (IV) such other agreements, certificates, instruments and other documents as may be necessary or desirable in furtherance of the purposes of the Company, GNMERB or any Company Affiliate (and any amendments, supplements, restatements and/or other modifications of any of the foregoing referred to in (I) through (IV) hereof);

-
- (B) the certificates of formation, certificates of limited partnership and/or other organizational documents of the Company, GNMERB or any Company Affiliate (and any amendments, supplements, restatements and/or other modifications thereof); and
 - (C) any other certificates, notices, applications or other documents (and any amendments, supplements, restatements and/or other modifications thereof) to be filed with any government or governmental or regulatory body, including, without limitation, any such document that may be necessary for the Company, GNMERB or any Company Affiliate to qualify to do business in a jurisdiction in which the Company, GNMERB or such Company Affiliate desires to do business;

(ii) to prepare or cause to be prepared, and to sign, execute and deliver and/or file (including any such action, directly or indirectly through one or more other entities, in the name and on behalf of the Company, on its own behalf or in its capacity as general partner, capital partner and/or limited partner of GNMERB, or in the Company's capacity as a general or limited partner, member or other equity owner of any Company Affiliate): (A) any certificates, forms, notices, applications or other documents to be filed with any government or governmental or regulatory body on behalf of the Company, GNMERB or any Company Affiliate, (B) any certificates, forms, notices, applications or other documents that may be necessary or advisable in connection with any bank account of the Company, GNMERB or any Company Affiliate or any banking facilities or services that may be utilized by the Company, GNMERB or any Company Affiliate, and all checks, notes, drafts and other documents of the Company, GNMERB or any Company Affiliate that may be required in connection with any such bank account or banking facilities or services, (C) resolutions with respect to any of the foregoing matters (which resolutions, when executed by any person authorized as provided in this Section 3.3(c), each acting individually, shall be deemed to have been adopted by the Managing Member, the Company, GNMERB or any Company Affiliate, as applicable, for all purposes).

The authority granted to any person (other than the Managing Member) in this Section 3.3(c) may be revoked at any time by the Managing Member by an instrument in writing signed by the Managing Member.

3.4. Responsibilities of Members. (a) Unless otherwise determined by the Managing Member in a particular case, each Regular Member shall devote substantially all his time and attention to the businesses of the Company and its Affiliates, and each Special Member shall not be required to devote any time or attention to the businesses of the Company or its Affiliates.

(b) All outside business or investment activities of the Members (including outside directorships or trusteeships) shall be subject to such rules and regulations as are established by the Managing Member from time to time.

(c) The Managing Member may from time to time establish such other rules and regulations applicable to Members or other employees as the Managing Member deems appropriate, including rules governing the authority of Members or other employees to bind the Company to financial commitments or other obligations.

3.5. Exculpation and Indemnification. (a) Liability to Members. Notwithstanding any other provision of this Agreement, whether express or implied, to the fullest extent permitted by law, no Member nor any of such Member's representatives, agents or advisors nor any partner, member, officer, employee, representative, agent or advisor of the Company or any of its Affiliates (individually, a "Covered Person" and collectively, the "Covered Persons") shall be liable to the Company or any other Member for any act or omission (in relation to the Company, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted by a Covered Person (other than any act or omission constituting Cause), unless there is a final and non-appealable judicial determination and/or determination of an arbitrator that such Covered Person did not act in good faith and in what such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company and within the authority granted to such Covered Person by this Agreement, and, with respect to any criminal act or proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful. Each Covered Person shall be entitled to rely in good faith on the advice of legal counsel to the Company, accountants and other experts or professional advisors, and no action taken by any Covered Person in reliance on such advice shall in any event subject such person to any liability to any Member or the Company. To the extent that, at law or in equity, a Member has duties (including fiduciary duties) and liabilities relating thereto to the Company or to another Member, to the fullest extent permitted by law, such Member acting under this Agreement shall not be liable to the Company or to any such other Member for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they expand or restrict the duties and liabilities of a Member otherwise existing at law or in equity, are agreed by the Members, to the fullest extent permitted by law, to modify to that extent such other duties and liabilities of such Member.

(b) Indemnification. (i) To the fullest extent permitted by law, the Company shall indemnify and hold harmless (but only to the extent of the Company's assets (including, without limitation, the remaining capital commitments of the Members) each Covered Person from and against any and all claims, damages, losses, costs, expenses and liabilities (including, without limitation, amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim), joint and several, of any nature whatsoever, known or unknown, liquidated or unliquidated (collectively, for purposes of this Section 3.5, "Losses"), arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of such Covered Person's management of the affairs of the Company or which relate to or arise out of or in connection with the Company, its property, its business or affairs (other than claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, arising out of any act or omission of such Covered Person constituting Cause); provided, that a Covered Person shall not be entitled to indemnification under this Section with respect to any claim, issue or matter if there is a final and non-appealable judicial determination and/or determination of an arbitrator that such

Covered Person did not act in good faith and in what such Covered Person reasonably believed to be in, or not opposed to, the best interest of the Company and within the authority granted to such Covered Person by this Agreement, and, with respect to any criminal act or proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful; provided further, that if such Covered Person is a Member or a Withdrawn Member, such Covered Person shall bear its share of such Losses in accordance with such Covered Person's GP-Related Profit Sharing Percentage in the Company as of the time of the actions or omissions that gave rise to such Losses. To the fullest extent permitted by law, expenses (including legal fees) incurred by a Covered Person (including, without limitation, the Managing Member) in defending any claim, demand, action, suit or proceeding may, with the approval of the Managing Member, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of a written undertaking by or on behalf of the Covered Person to repay such amount to the extent that it shall be subsequently determined that the Covered Person is not entitled to be indemnified as authorized in this Section, and the Company and its Affiliates shall have a continuing right of offset against such Covered Person's interests/investments in the Company and such Affiliates and shall have the right to withhold amounts otherwise distributable to such Covered Person to satisfy such repayment obligation. If a Member institutes litigation against a Covered Person which gives rise to an indemnity obligation hereunder, such Member shall be responsible, up to the amount of such Member's Interests and remaining capital commitment, for such Member's pro rata share of the Company's expenses related to such indemnity obligation, as determined by the Managing Member. The Company may purchase insurance, to the extent available at reasonable cost, to cover losses, claims, damages or liabilities covered by the foregoing indemnification provisions. Members will not be personally obligated with respect to indemnification pursuant to this Section.

(ii) (A) Notwithstanding anything to the contrary herein, for greater certainty, it is understood and/or agreed that the Company's obligations hereunder are not intended to render the Company as a primary indemnitor for purposes of the indemnification, advancement of expenses and related provisions under applicable law governing GNMERB and/or a particular portfolio entity through which an investment is indirectly held. It is further understood and/or agreed that a Covered Person shall first seek to be so indemnified and have such expenses advanced in the following order of priority: first out of proceeds available in respect of applicable insurance policies maintained by the applicable portfolio entity and/or GNMERB, second by the applicable portfolio entity through which such investment is indirectly held, and third by GNMERB (only to the extent the foregoing sources are exhausted).

(B) The Company's obligation, if any, to indemnify or advance expenses to any Covered Person shall be reduced by any amount that such Covered Person may collect as indemnification or advancement from GNMERB and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), and to the extent the Company (or any Affiliate thereof) pays or causes to be paid any amounts that should have been paid by GNMERB and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), it is agreed among the Partners that the Company shall have a subrogation claim against GNMERB and/or such portfolio entity in respect of such advancement or payments. The Managing Member and the Company shall be specifically empowered to structure any such advancement or payment as a loan or other arrangement

(except for a loan to an executive officer of The Blackstone Group L.P. or any of its Affiliates, which shall not be permitted) as the Managing Member may determine necessary or advisable to give effect to or otherwise implement the foregoing.

3.6. Representations of Members.

(a) Each Regular or Special Member by execution of this Agreement (or by otherwise becoming bound by the terms and conditions hereof as provided herein or in the LLC Act) represents and warrants to every other Member and to the Company, except as may be waived by the Managing Member, that such Member is acquiring each of such Member's Interests for such Member's own account for investment and not with a view to resell or distribute the same or any part hereof, and that no other person has any interest in any such Interest or in the rights of such Member hereunder; *provided*, that a Member may choose to make transfers for estate and charitable planning purposes (in accordance with the terms hereof). Each Regular or Special Member represents and warrants that such Member understands that the Interests have not been registered under the Securities Act of 1933 and therefore such Interests may not be resold without registration under such Act or exemption from such registration, and that accordingly such Member must bear the economic risk of an investment in the Company for an indefinite period of time. Each Regular or Special Member represents that such Member has such knowledge and experience in financial and business matters, that such Member is capable of evaluating the merits and risks of an investment in the Company, and that such Member is able to bear the economic risk of such investment. Each Regular or Special Member represents that such Member's overall commitment to the Company and other investments which are not readily marketable is not disproportionate to the Member's net worth and the Member has no need for liquidity in the Member's investment in Interests. Each Regular or Special Member represents that to the full satisfaction of the Member, the Member has been furnished any materials that such Member has requested relating to the Company, any Investment and the offering of Interests and has been afforded the opportunity to ask questions of representatives of the Company concerning the terms and conditions of the offering of Interests and any matters pertaining to each Investment and to obtain any other additional information relating thereto. Each Regular or Special Member represents that the Member has consulted to the extent deemed appropriate by the Member with the Member's own advisers as to the financial, tax, legal and related matters concerning an investment in Interests and on that basis believes that an investment in the Interests is suitable and appropriate for the Member.

(b) Each Regular or Special Member agrees that the representations and warranties contained in paragraph (a) above shall be true and correct as of any date that such Member (1) makes a capital contribution to the Company (whether as a result of Firm Advances made to such Member or otherwise) with respect to any Investment, and such Member hereby agrees that such capital contribution shall serve as confirmation thereof and/or (2) repays any portion of the principal amount of a Firm Advance, and such Member hereby agrees that such repayment shall serve as confirmation thereof.

3.7. Tax Information. Each Regular or Special Member certifies that (A) if the Member is a United States person (as defined in the Code) (x) (i) the Member's name, social security number (or, if applicable, employer identification number) and address provided to the

Company and its Affiliates pursuant to an IRS Form W-9, Payer's Request for Taxpayer Identification Number Certification ("W-9") or otherwise are correct and (ii) the Member will complete and return a W-9, and (y) (i) the Member is a United States person (as defined in the Code) and (ii) the Member will notify the Company within 60 days of a change to foreign (non-United States) status or (B) if the Member is not a United States person (as defined in the Code) (x) (i) the information on the completed IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding ("W-8BEN") or other applicable form, including but not limited to IRS Form W-8IMY, Certificate of Foreign Intermediary, Foreign Partnership, or Certain U.S. Branches for United States Tax Withholding ("W-8IMY"), or otherwise is correct and (ii) the Member will complete and return the applicable IRS form, including but not limited to a W-8BEN or W-8IMY, and (y) (i) the Member is not a United States person (as defined in the Code) and (ii) the Member will notify the Company within 60 days of any change of such status. The Member agrees to properly execute and provide to the Company in a timely manner any tax documentation that may be reasonably required by the Company or the Managing Member.

ARTICLE IV CAPITAL OF THE COMPANY

4.1. Capital Contributions by Members .

(a) Each Regular Member shall be required to make capital contributions to the Company ("GP-Related Capital Contributions") at such times and in such amounts (the "GP-Related Required Amounts") as are required to satisfy the Company's obligation to make capital contributions to GNMERB in respect of the GP-Related NNERB Interest with respect to any GP-Related GNMERB Investment and as are otherwise determined by the Managing Member from time to time or as may be set forth in such Regular Member's Commitment Agreement or SMD Agreement, if any. Special Members shall not be required to make GP-Related Capital Contributions to the Company in excess of the GP-Related Required Amounts, except (i) as a condition of an increase in such Special Member's GP-Related Profit Sharing Percentage or (ii) as specifically set forth in this Agreement; provided, that the Managing Member and any Special Member may agree from time to time that such Special Member shall make an additional GP-Related Capital Contribution to the Company; provided further, that each Investor Special Member shall maintain its GP-Related Capital Accounts at an aggregate level equal to the product of (i) its GP-Related Profit Sharing Percentage from time to time and (ii) the total capital of the Company related to the GP-Related GNMERB Interest.

(b) Each GP-Related Capital Contribution by a Member shall be credited to the appropriate GP-Related Capital Account of such Member in accordance with Section 5.2, subject to Section 5.10.

(c) The Managing Member may elect on a case by case basis to (i) cause the Company to loan any Member (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) the amount of any GP-Related Capital Contribution required to be made by such Member or (ii) permit any Member (including any

additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) to make a required GP-Related Capital Contribution to the Company in installments, in each case on terms determined by the Managing Member.

(d) (i) The Members and the Withdrawn Members have entered into the Trust Agreement, pursuant to which certain amounts of Carried Interest will be paid to the Trustee(s) for deposit in the Trust Account (such amounts to be paid to the Trustee(s) for deposit in the Trust Account constituting a “Holdback”). The Managing Member shall determine, as set forth below, the percentage of each distribution of Carried Interest that shall be withheld for any Managing Member (including, without limitation, Holdings) and each Member Category (such withheld percentage constituting the Managing Member’s and such Member Category’s “Holdback Percentage”). The applicable Holdback Percentages initially shall be 0% for the Managing Member, 15% for Existing Members (other than the Managing Member), 21% for Retaining Withdrawn Members (other than the Managing Member) and 24% for Deceased Members (the “Initial Holdback Percentages”). Any provision of this Agreement not the contrary notwithstanding, the Holdback Percentage for the Managing Member (including, without limitation, Holdings) shall not be subject to change pursuant to clause (ii), (iii) or (iv) of this Section 4.1(d).

(ii) The Holdback Percentage may not be reduced for any individual Member as compared to the other Members in his Member Category (except as provided in clause (iv) below). The Managing Member may only reduce the Holdback Percentages among the Member Categories on a proportionate basis. For example, if the Holdback Percentage for Existing Members is decreased to 12.5%, the Holdback Percentage for Retaining Withdrawn Members and Deceased Members shall be reduced to 17.5% and 20%, respectively. Any reduction in the Holdback Percentage for any Member shall apply only to distributions relating to Carried Interest made after the date of such reduction.

(iii) The Holdback Percentage may not be increased for any individual Member as compared to the other Members in his Member Category (except as provided in clause (iv) below). The Managing Member may not increase the Retaining Withdrawn Members’ Holdback Percentage beyond 21% unless the Managing Member concurrently increases the Existing Members’ Holdback Percentage to the Holdback Percentage of the Retaining Withdrawn Members. The Managing Member may not increase the Deceased Members’ Holdback Percentage beyond 24% unless the Managing Member increases the Holdback Percentage for both Existing Members and Retaining Withdrawn Members to 24%. The Managing Member may not increase the Holdback Percentage of any Member Category beyond 24% unless such increase applies equally to all Member Categories. Any increase in the Holdback Percentage for any Member shall apply only to distributions relating to Carried Interest made after the date of such increase. The foregoing shall in no way prevent the Managing Member from proportionately increasing the Holdback Percentage of any Member Category (following a reduction of the Holdback Percentages below the Initial Holdback Percentages), if the resulting Holdback Percentages are consistent with the above. For example, if the Managing Member reduces the Holdback Percentages for Existing Members, Retaining Withdrawn Members

and Deceased Members to 12.5%, 17.5% and 20%, respectively, the Managing Member shall have the right to subsequently increase the Holdback Percentages to the Initial Holdback Percentages.

(iv) (A) Notwithstanding anything contained herein to the contrary, the Company may increase or decrease the Holdback Percentage for any Member in any Member Category (in such capacity, the “Subject Member”) pursuant to a majority vote of the Regular Members (a “Holdback Vote”); provided, that, notwithstanding anything to the contrary contained herein, the Holdback Percentage applicable to any Managing Member shall not be increased or decreased without its prior written consent; provided further, that a Subject Member’s Holdback Percentage shall not be (I) increased prior to such time as such Subject Member (x) is notified by the Company of the decision to increase such Subject Member’s Holdback Percentage and (y) has, if requested by such Subject Member, been given 30 days to gather and provide information to the Company for consideration before a second Holdback Vote (requested by the Subject Member) or (II) decreased unless such decrease occurs subsequent to an increase in a Subject Member’s Holdback Percentage pursuant to a Holdback Vote under this clause (iv); provided further, that such decrease shall not exceed an amount such that such Subject Member’s Holdback Percentage is less than the prevailing Holdback Percentage for the Member Category of such Subject Member; provided further, that a Member shall not vote to increase a Subject Member’s Holdback Percentage unless such voting Member determines, in his good faith judgment, that the facts and circumstances indicate that it is reasonably likely that such Subject Member, or any of his successors or assigns (including his estate or heirs) who at the time of such vote holds the GP-Related Member Interest or otherwise has the right to receive distributions relating thereto, will not be capable of satisfying any GP-Related Recontribution Amounts that may become due.

- (B) A Holdback Vote shall take place at a Company meeting. Each Regular Member shall be entitled to cast one vote with respect to the Holdback Vote regardless of such Regular Member’s interest in the Company. Such vote may be cast by any Regular Member in person or by proxy.
- (C) If the result of the second Holdback Vote is an increase in a Subject Member’s Holdback Percentage, such Subject Member may submit the decision to an arbitrator, the identity of which is mutually agreed upon by both the Subject Member and the Company; provided, that if the Company and the Subject Member cannot agree upon a mutually satisfactory arbitrator within 10 days of the second Holdback Vote, each of the Company and the Subject Member shall request their candidate for arbitrator to select a third arbitrator satisfactory to such candidates; provided further, that if such candidates fail to agree upon a mutually satisfactory arbitrator within 30 days of such request, the then sitting President of the American Arbitration Association shall unilaterally select the arbitrator. Each Subject Member that submits the decision of the Company pursuant to the second Holdback Vote to arbitration and the Company shall estimate their reasonably projected out-of-pocket expenses

relating thereto, and each such party shall, to the satisfaction of the arbitrator and prior to any determination being made by the arbitrator, pay the total of such estimated expenses (i.e., both the Subject Member's and the Company's expenses) into an escrow account to be controlled by Simpson Thacher & Bartlett LLP, as escrow agent (or such other comparable law firm as the Company and the Subject Member shall agree). The arbitrator shall direct the escrow agent to pay out of such escrow account all expenses associated with such arbitration (including costs leading thereto) and to return to the "victorious" party the entire amount of funds such party paid into such escrow account. If the amount contributed to the escrow account by the losing party is insufficient to cover the expenses of such arbitration, such "losing" party shall then provide any additional funds necessary to cover such costs to such "victorious" party. For purposes hereof, the "victorious" party shall be the Company if the Holdback Percentage ultimately determined by the arbitrator is closer to the percentage determined in the second Holdback Vote than it is to the prevailing Holdback Percentage for the Subject Member's Member Category; otherwise, the Subject Member shall be the "victorious" party. The party that is not the "victorious" party shall be the "losing" party.

- (D) In the event of a decrease in a Subject Member's Holdback Percentage (1) pursuant to a Holdback Vote under this clause (iv) or (2) pursuant to a decision of an arbitrator under paragraph (C) of this clause (iv), the Company shall release and distribute to such Subject Member any Trust Amounts (and the Trust Income thereon (except as expressly provided herein with respect to using Trust Income as Firm Collateral)) which exceed the required Holdback of such Subject Member (in accordance with such Subject Member's reduced Holdback Percentage) as though such reduced Holdback Percentage had applied since the increase of the Subject Member's Holdback Percentage pursuant to a previous Holdback Vote under this clause (iv).

(v) (A) If a Member's Holdback Percentage exceeds 15% (such percentage in excess of 15% constituting the "Excess Holdback Percentage"), such Member may satisfy the portion of his Holdback obligation in respect of his Excess Holdback Percentage (such portion constituting such Member's "Excess Holdback"), and such Member (or a Withdrawn Member with respect to amounts contributed to the Trust Account while he was a Member), to the extent his Excess Holdback obligation has previously been satisfied in cash, may obtain the release of the Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) satisfying such Member's or Withdrawn Member's Excess Holdback obligation, by pledging or otherwise making available to the Company, on a first priority basis (except as provided below), all or any portion of his Firm Collateral in satisfaction of his Excess Holdback obligation. Any Member seeking to satisfy all or any portion of the Excess Holdback utilizing Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the

good faith judgment of the Managing Member) to perfect a first priority security interest in, and otherwise assure the ability of the Company to realize on (if required), such Firm Collateral; provided, that, in the case of entities listed in the Company's books and records in which Members are permitted to pledge their interests therein to finance all or a portion of their capital contributions thereto (" Pledgable Blackstone Interests"), to the extent a first priority security interest is unavailable because of an existing lien on such Firm Collateral, the Member or Withdrawn Member seeking to utilize such Firm Collateral shall grant the Company a second priority security interest therein in the manner provided above; provided further, that (x) in the case of Pledgable Blackstone Interests, to the extent that neither a first priority nor a second priority security interest is available, or (y) if the Managing Member otherwise determines in its good faith judgment that a security interest in Firm Collateral (and the corresponding documents and actions) are not necessary or appropriate, the Member or Withdrawn Member shall (in the case of either clause (x) or (y) above) irrevocably instruct in writing the relevant partnership, limited liability company or other entity listed in the Company's books and records to remit any and all net proceeds resulting from a Firm Collateral Realization on such Firm Collateral to the Trustee(s) as more fully provided in clause (B) below. The Company shall, at the request of any Member or Withdrawn Member, assist such Member or Withdrawn Member in taking such action necessary to enable such Member or Withdrawn Member to use Firm Collateral as provided hereunder.

- (B) If upon a sale or other realization of all or any portion of any Firm Collateral (a "Firm Collateral Realization"), the remaining Firm Collateral is insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement, then up to 100% of the net proceeds otherwise distributable to such Member or Withdrawn Member from such Firm Collateral Realization (including distributions subject to the repayment of financing sources as in the case of Pledgable Blackstone Interests) shall be paid into the Trust Account to fully satisfy such Excess Holdback requirement (allocated to such Member or Withdrawn Member) and shall be deemed to be Trust Amounts for purposes hereunder. Any net proceeds from such Firm Collateral Realization in excess of the amount necessary to satisfy such Excess Holdback requirement shall be distributed to such Member or Withdrawn Member.
- (C) Upon any valuation or revaluation of Firm Collateral that results in a decreased valuation of such Firm Collateral so that such Firm Collateral is insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement (including upon a Firm Collateral Realization, if net proceeds therefrom and the remaining Firm Collateral are insufficient to cover any Member's or Withdrawn Member's Excess Holdback requirement), the Company shall provide notice of the foregoing to such Member or Withdrawn Member and such Member or Withdrawn Member shall, within 30 days of receiving such notice, contribute cash (or additional Firm Collateral) to the Trust Account in an amount necessary to satisfy his Excess Holdback requirement. If any such Member or Withdrawn Member defaults upon his obligations under this clause (C),

then Section 5.8(d)(iii) shall apply thereto; provided, that clause (A) of the first sentence of Section 5.8(d)(iii) shall be deemed inapplicable to a default under this clause (C); provided further, that for purposes of applying Section 5.8(d)(iii) to a default under this clause (C): (I) the term “GP-Related Defaulting Party” where such term appears in such Section 5.8(d)(iii) shall be construed as “defaulting party” for purposes hereof and (II) the terms “Net GP-Related Recontribution Amount” and “GP-Related Recontribution Amount” where such terms appear in such Section 5.8(d)(iii) shall be construed as the amount due pursuant to this clause (C).

(vi) Any Member or Withdrawn Member may (A) obtain the release of any Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) or Firm Collateral, in each case, held in the Trust Account for the benefit of such Member or Withdrawn Member or (B) require the Company to distribute all or any portion of amounts otherwise required to be placed in the Trust Account (whether cash or Firm Collateral), by obtaining a letter of credit (an “L/C”) for the benefit of the Trustee(s) in such amounts. Any Member or Withdrawn Member choosing to furnish an L/C to the Trustee(s) (in such capacity, an “L/C Member”) shall deliver to the Trustee(s) an unconditional and irrevocable L/C from a commercial bank whose (x) short-term deposits are rated at least A-1 by S&P and P-1 by Moody’s (if the L/C is for a term of 1 year or less), or (y) long-term deposits are rated at least A+ by S&P or A1 by Moody’s (if the L/C is for a term of 1 year or more) (each a “Required Rating”). If the relevant rating of the commercial bank issuing such L/C drops below the relevant Required Rating, the L/C Member shall supply to the Trustee(s), within 30 days of such occurrence, a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, in lieu of the insufficient L/C. In addition, if the L/C has a term expiring on a date earlier than the latest possible termination date of GNMERB, the Trustee(s) shall be permitted to drawdown on such L/C if the L/C Member fails to provide a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, at least 30 days prior to the stated expiration date of such existing L/C. The Trustee(s) shall notify an L/C Member 10 days prior to drawing on any L/C. The Trustee(s) may (as directed by the Company in the case of clause (I) below) draw down on an L/C only if (I) such a drawdown is necessary to satisfy an L/C Member’s obligation relating to the Company’s obligations under the Clawback Provisions or (II) an L/C Member has not provided a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating (or the requisite amount of cash and/or Firm Collateral (to the extent permitted hereunder)), at least 30 days prior to the stated expiration of an existing L/C in accordance with this clause (vi). The Trustee(s), as directed by the Company, shall return to any L/C Member his L/C upon (1) the termination of the Trust Account and satisfaction of the Company’s obligations, if any, in respect of the Clawback Provisions, (2) an L/C Member satisfying his entire Holdback obligation in cash and Firm Collateral (to the extent permitted hereunder), or (3) the release, by the Trustee(s), as directed by the Company, of all amounts in the Trust Account to the Members or Withdrawn Members. If an L/C Member satisfies a portion of his Holdback obligation in cash and/or Firm Collateral (to the extent permitted hereunder) or if the Trustee(s), as directed by the Company, release a portion of the amounts in the Trust Account to the

Members or Withdrawn Members in the Member Category of such L/C Member, the L/C of an L/C Member may be reduced by an amount corresponding to such portion satisfied in cash and/or Firm Collateral (to the extent permitted hereunder) or such portion released by the Trustee(s), as directed by the Company; provided, that in no way shall the general release of any Trust Income cause an L/C Member to be permitted to reduce the amount of an L/C by any amount.

(vii) (A) Any in-kind distributions by the Company relating to Carried Interest shall be made in accordance herewith as though such distributions consisted of cash. The Company may direct the Trustee(s) to dispose of any in-kind distributions held in the Trust Account at any time. The net proceeds therefrom shall be treated as though initially contributed to the Trust Account.

(B) In lieu of the foregoing, any Existing Member may pledge with respect to any in-kind distribution the Special Firm Collateral referred to in the applicable category in the Company's books and records; provided, that the initial contribution of such Special Firm Collateral shall initially equal 130% of the required Holdback Amount for a period of 90 days, and thereafter shall equal at least 115% of the required Holdback Amount. Paragraphs 4.1(d)(viii)(C) and (D) shall apply to such Special Firm Collateral. To the extent such Special Firm Collateral exceeds the applicable minimum percentage of the required Holdback Amount specified in the first sentence of this clause (vii)(B), the related Member may obtain a release of such excess amount from the Trust Account.

(viii) (A) Any Regular Member or Withdrawn Member may satisfy all or any portion of his Holdback (excluding any Excess Holdback), and such Member or a Withdrawn Member may, to the extent his Holdback (excluding any Excess Holdback) has been previously been satisfied in cash or by the use of an L/C as provided herein, obtain a release of Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Member or Withdrawn Member) that satisfy such Member's or Withdrawn Member's Holdback (excluding any Excess Holdback) by pledging to the Trustee(s) on a first priority basis all of his Special Firm Collateral in a particular Qualifying Fund, which at all times must equal or exceed the amount of the Holdback distributed to the Member or Withdrawn Member (as more fully set forth below). Any Member seeking to satisfy such Member's Holdback utilizing Special Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the good faith judgment of the Managing Member) to perfect a first priority security interest in, and otherwise assure the ability of the Trustee(s) to realize on (if required), such Special Firm Collateral.

(B) If upon a distribution, withdrawal, sale, liquidation or other realization of all or any portion of any Special Firm Collateral (a "Special Firm Collateral Realization"), the remaining Special Firm Collateral (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund and is being used in connection with an Excess Holdback) is insufficient to cover any Member's or Withdrawn Member's

Holdback (when taken together with other means of satisfying the Holdback as provided herein (i.e., cash contributed to the Trust Account or an L/C in the Trust Account)), then up to 100% of the net proceeds otherwise distributable to such Member or Withdrawn Member from such Special Firm Collateral Realization (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund or other asset and is being used in connection with an Excess Holdback) shall be paid into the Trust (and allocated to such Member or Withdrawn Member) to fully satisfy such Holdback and shall be deemed thereafter to be Trust Amounts for purposes hereunder. Any net proceeds from such Special Firm Collateral Realization in excess of the amount necessary to satisfy such Holdback (excluding any Excess Holdback) shall be distributed to such Member or Withdrawn Member. To the extent a Qualifying Fund distributes Securities to a Member or Withdrawn Member in connection with a Special Firm Collateral Realization, such Member or Withdrawn Member shall be required to promptly fund such Member's or Withdrawn Member's deficiency with respect to his Holdback in cash or an L/C.

- (C) Upon any valuation or revaluation of the Special Firm Collateral and/or any adjustment in the Applicable Collateral Percentage applicable to a Qualifying Fund (as provided in the Company's books and records), if such Member's or Withdrawn Member's Special Firm Collateral is valued at less than such Member's Holdback (excluding any Excess Holdback) as provided in the Company's books and records, taking into account other permitted means of satisfying the Holdback hereunder, the Company shall provide notice of the foregoing to such Member or Withdrawn Member and, within 10 business days of receiving such notice, such Member or Withdrawn Member shall contribute cash or additional Special Firm Collateral to the Trust Account in an amount necessary to make up such deficiency. If any such Member or Withdrawn Member defaults upon his obligations under this clause (C), then Section 5.8(d)(iii) shall apply thereto; provided, that the first sentence of Section 5.8(d)(iii) shall be deemed inapplicable to such default; provided further, that for purposes of applying Section 5.8(d)(iii) to a default under this clause (C): (I) the term "GP-Related Defaulting Party" where such term appears in such Section 5.8(d)(iii) shall be construed as "defaulting party" for purposes hereof and (II) the terms "Net GP-Related Recontribution Amount" and "GP-Related Recontribution Amount" where such terms appear in such Section 5.8(d)(iii) shall be construed as the amount due pursuant to this clause (C).
- (D) Upon a Member becoming a Withdrawn Member, at any time thereafter the Managing Member may revoke the ability of such Withdrawn Member to use Special Firm Collateral as set forth in this Section 4.1(d)(viii), notwithstanding anything else in this Section 4.1(d)(viii). In that case the provisions of clause (C) above shall apply to the Withdrawn Member's obligation to satisfy the Holdback (except that

30 days' notice of such revocation shall be given), given that the Special Firm Collateral is no longer available to satisfy any portion of the Holdback (excluding any Excess Holdback).

- (E) Nothing in this Section 4.1(d)(viii) shall prevent any Member or Withdrawn Member from using any amount of such Member's interest in a Qualifying Fund as Firm Collateral; provided that at all times Section 4.1(d)(v) and this Section 4.1(d)(viii) are each satisfied.

4.2. Interest . No interest shall accrue or be payable on the balances in a Member's GP-Related Capital Accounts or Capital Commitment-Related Capital Accounts.

4.3. Withdrawals of Capital . Each Member may make partial withdrawals in respect of such Member's GP-Related Capital Accounts or Capital Commitment-Related Capital Accounts in such amounts and at such times as may be permitted by the Managing Member from time to time. Payments with respect to any such partial withdrawals will be made at such times and in cash or in kind as may be determined by the Managing Member.

ARTICLE V

PARTICIPATION IN PROFITS AND LOSSES

5.1. General Accounting Matters . (a) GP-Related Net Income (Loss) shall be determined by the Managing Member at the end of each accounting period and shall be allocated as described in Section 5.4.

(b) "GP-Related Net Income (Loss)" from any activity of the Company related to the GP-Related GNMERB Interest for any accounting period means (i) the gross income realized by the Company from such activity during such accounting period less (ii) all expenses of the Company, and all other items that are deductible from gross income, for such accounting period that are allocable to such activity (determined as provided below).

"GP-Related Net Income (Loss)" from any GP-Related Investment for any accounting period in which such GP-Related Investment has not been sold or otherwise disposed of means (i) the gross amount of dividends, interest or other income received by the Company from such GP-Related Investment during such accounting period less (ii) all expenses of the Company for such accounting period that are allocable to such GP-Related Investment (determined as provided below).

"GP-Related Net Income (Loss)" from any GP-Related Investment for the accounting period in which such GP-Related Investment is sold or otherwise disposed of means (i) the sum of the gross proceeds from the sale or other disposition of such GP-Related Investment and the gross amount of dividends, interest or other income received by the Company from such GP-Related Investment during such accounting period less (ii) the sum of the cost or other basis to the Company of such GP-Related Investment and all expenses of the Company for such accounting period that are allocable to such GP-Related Investment.

GP-Related Net Income (Loss) shall be determined in accordance with the accounting method used by the Company for U.S. federal income tax purposes with the following adjustments: (i) any income of the Company that is exempt from U.S. federal income taxation and not otherwise taken into account in computing GP-Related Net Income (Loss) shall be added to such taxable income or loss; (ii) if any asset has a value on the books of the Company that differs from its adjusted tax basis for U.S. federal income tax purposes, any depreciation, amortization or gain resulting from a disposition of such asset shall be calculated with reference to such value; (iii) upon an adjustment to the value of any asset on the books of the Company pursuant to Regulation Section 1.704-1(b)(2), the amount of the adjustment shall be included as gain or loss in computing such taxable income or loss; (iv) any expenditures of the Company not deductible in computing taxable income or loss, not properly capitalizable and not otherwise taken into account in computing GP-Related Net Income (Loss) pursuant to this definition shall be treated as deductible items; (v) any income from a GP-Related Investment that is payable to Company employees in respect of “phantom interests” in such GP-Related Investment awarded by the Managing Member to employees shall be included as an expense in the calculation of GP-Related Net Income (Loss) from such GP-Related Investment, and (vi) items of income and expense (including interest income and overhead and other indirect expenses) of the Company, Holdings and other Affiliates of the Company shall be allocated among the Company, Holdings and such Affiliates, among various Company activities and GP-Related Investments and between accounting periods, in each case as determined by the Managing Member. Any adjustments to GP-Related Net Income (Loss) by the Managing Member, including adjustments for items of income accrued but not yet received, unrealized gains, items of expense accrued but not yet paid, unrealized losses, reserves (including reserves for taxes, bad debts, actual or threatened litigation, or any other expenses, contingencies or obligations) and other appropriate items shall be made in accordance with U.S. generally accepted accounting principles (“GAAP”); provided, that the Managing Member shall not be required to make any such adjustment.

(c) An accounting period shall be a Fiscal Year, except that, at the option of the Managing Member, an accounting period will terminate and a new accounting period will begin on the admission date of an additional Member or the Settlement Date of a Withdrawn Member, if any such date is not the first day of a Fiscal Year. If any event referred to in the preceding sentence occurs and the Managing Member does not elect to terminate an accounting period and begin a new accounting period, then the Managing Member may make such adjustments as it deems appropriate to the Members’ GP-Related Profit Sharing Percentages for the accounting period in which such event occurs (prior to any allocations of GP-Related Unallocated Percentages or adjustments to GP-Related Profit Sharing Percentages pursuant to Section 5.3) to reflect the Members’ average GP-Related Profit Sharing Percentages during such accounting period; provided, that the GP-Related Profit Sharing Percentages of Members in GP-Related Net Income (Loss) from GP-Related Investments acquired during such accounting period will be based on GP-Related Profit Sharing Percentages in effect when each such GP-Related Investment was acquired.

(d) In establishing GP-Related Profit Sharing Percentages and allocating GP-Related Unallocated Percentages pursuant to Section 5.3, the Managing Member may consider such factors as it deems appropriate.

(e) All determinations, valuations and other matters of judgment required to be made for accounting purposes under this Agreement shall be made by the Managing Member and approved by the Company's independent accountants. Such approved determinations, valuations and other accounting matters shall be conclusive and binding on all Members, all Withdrawn Members, their successors, heirs, estates or legal representatives and any other person, and to the fullest extent permitted by law no such person shall have the right to an accounting or an appraisal of the assets of the Company or any successor thereto.

5.2. GP-Related Capital Accounts. (a) There shall be established for each Member on the books of the Company, to the extent and at such times as may be appropriate, one or more capital accounts as the Managing Member may deem to be appropriate for purposes of accounting for such Member's interests in the capital of the Company related to the GP-Related GNMERB Interest and the GP-Related Net Income (Loss) of the Company (each a "GP-Related Capital Account").

(b) As of the end of each accounting period or, in the case of a contribution to the Company by one or more of the Members with respect to such Member or Members' GP-Related Member Interests or a distribution by the Company to one or more of the Members with respect to such Member or Members' GP-Related Member Interests, at the time of such contribution or distribution, (i) the appropriate GP-Related Capital Accounts of each Member shall be credited with the following amounts: (A) the amount of cash and the value of any property contributed by such Member to the capital of the Company related to such Member's GP-Related Member Interest during such accounting period, and (B) the GP-Related Net Income allocated to such Member for such accounting period; and (ii) the appropriate GP-Related Capital Accounts of each Member shall be debited with the following amounts: (x) the amount of cash, the principal amount of any subordinated promissory note of the Company referred to in Section 6.5 (as such amount is paid) and the value of any property distributed to such Member during such accounting period with respect to such Member's GP-Related Member Interest and (y) the GP-Related Net Loss allocated to such Member for such accounting period.

5.3. GP-Related Profit Sharing Percentages. (a) Prior to the beginning of each annual accounting period, the Managing Member shall establish the profit sharing percentage (the "GP-Related Profit Sharing Percentage") of each Member in each category of GP-Related Net Income (Loss) for such annual accounting period pursuant to Section 5.1(a) taking into account such factors as the Managing Member deems appropriate; provided, that (i) the Managing Member may elect to establish GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment acquired by the Company during such accounting period at the time such GP-Related Investment is acquired in accordance with paragraph (d) below and (ii) GP-Related Net Income (Loss) for such accounting period from any GP-Related Investment shall be allocated in accordance with the GP-Related Profit Sharing Percentages in such GP-Related Investment established in accordance with paragraph (d) below. The Managing Member may establish different GP-Related Profit Sharing Percentages for any Member in different categories of GP-Related Net Income (Loss). In the case of the Withdrawal of a Member, such former Member's GP-Related Profit Sharing Percentages shall be allocated by the Managing Member to one or more of the remaining Members as the Managing Member shall determine. In the case of the admission of any Member to the Company as an additional

Member, the GP-Related Profit Sharing Percentages of the other Members shall be reduced by an amount equal to the GP-Related Profit Sharing Percentage allocated to such new Member pursuant to Section 6.1(b); such reduction of each other Member's GP-Related Profit Sharing Percentage shall be pro rata based upon such Member's GP-Related Profit Sharing Percentage as in effect immediately prior to the admission of the new Member. Notwithstanding the foregoing, the Managing Member may also adjust the GP-Related Profit Sharing Percentage of any Member for any annual accounting period at the end of such annual accounting period in its sole discretion.

(b) The Managing Member may elect to allocate to the Members less than 100% of the GP-Related Profit Sharing Percentages of any category for any annual accounting period at the time specified in Section 5.3(a) for the annual fixing of GP-Related Profit Sharing Percentages (any remainder of such GP-Related Profit Sharing Percentages being called an "GP-Related Unallocated Percentage"); provided, that any GP-Related Unallocated Percentage in any category of GP-Related Net Income (Loss) for any annual accounting period that is not allocated by the Managing Member within 90 days after the end of such accounting period shall be deemed to be allocated among all Members (including the Managing Member) in the manner determined by the Managing Member in its sole discretion.

(c) Unless otherwise determined by the Managing Member in a particular case, (i) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment shall be allocated in proportion to the Members' respective GP-Related Capital Contributions in respect of such GP-Related Investment and (ii) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from each GP-Related Investment shall be fixed at the time such GP-Related Investment is acquired and shall not thereafter change, subject to any repurchase rights established by the Managing Member pursuant to Section 5.7.

5.4. Allocations of GP-Related Net Income (Loss). (a) Except as provided in Section 5.4(d), GP-Related Net Income of the Company for each GP-Related Investment shall be allocated to the GP-Related Capital Accounts related to such GP-Related Investment of all the Members participating in such GP-Related Investment (including the Managing Member): first, in proportion to and to the extent of the amount of Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest distributed to the Members; second, to Members that received Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest in years prior to the years such GP-Related Net Income is being allocated to the extent such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest exceeded GP-Related Net Income allocated to such Members in such earlier years; and third, to the Members in the same manner that such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest would have been distributed if cash were available to distribute with respect thereto.

(b) GP-Related Net Loss of the Company shall be allocated as follows: (i) GP-Related Net Loss relating to realized losses suffered by GNMERB and allocated to the Company with respect to its pro rata share thereof (based on capital contributions made by the Company to GNMERB with respect to the GP-Related GNMERB Interest) shall be allocated to the Members in accordance with each Member's Non-Carried Interest Sharing Percentage with

respect to the GP-Related Investment giving rise to such loss suffered by GNMERB and (ii) GP-Related Net Loss relating to realized losses suffered by GNMERB and allocated to the Company with respect to the Carried Interest shall be allocated in accordance with a Member's (including Withdrawn Member's) Carried Interest Give Back Percentage (as of the date of such loss) (subject to adjustment pursuant to Section 5.8(e)).

(c) Notwithstanding Section 5.4(a) above, GP-Related Net Income relating to Carried Interest allocated after the allocation of a GP-Related Net Loss pursuant to clause (ii) of Section 5.4(b) shall be allocated in accordance with such Carried Interest Give Back Percentages until such time as the Members have been allocated GP-Related Net Income relating to Carried Interest equal to the aggregate amount of GP-Related Net Loss previously allocated in accordance with clause (ii) of Section 5.4(b). Withdrawn Members shall remain Members for purposes of allocating such GP-Related Net Loss with respect to Carried Interest.

(d) To the extent the Company has any GP-Related Net Income (Loss) for any accounting period unrelated to GNMERB, such GP-Related Net Income (Loss) will be allocated in accordance with GP-Related Profit Sharing Percentages prevailing at the beginning of such accounting period.

(e) The Managing Member may authorize from time to time advances to Members (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) against their allocable shares of GP-Related Net Income (Loss).

5.5. Liability of Members. Except as otherwise provided in the LLC Act or as expressly provided in this Agreement, no Member shall be personally obligated for any debt, obligation or liability of the Company or of any other Member solely by reason of being a Member. In no event shall any Member or Withdrawn Member (i) be obligated to make any capital contribution or payment to or on behalf of the Company or (ii) have any liability to return distributions received by such Member from the Company, in each case except as specifically provided in Sections 4.1(d) or 5.8 or otherwise in this Agreement, as such Member shall otherwise expressly agree in writing or as may be required by applicable law.

5.6. [Intentionally omitted.]

5.7. Repurchase Rights, etc.. The Managing Member may from time to time establish such repurchase rights and/or other requirements with respect to the Members' GP-Related Member Interests relating to GP-Related GNMERB Investments as the Managing Member may determine. The Managing Member shall have authority to (a) withhold any distribution otherwise payable to any Member until any such repurchase rights have lapsed or any such requirements have been satisfied, (b) pay any distribution to any Member that is Contingent as of the distribution date and require the refund of any portion of such distribution that is Contingent as of the Withdrawal Date of such Member, (c) amend any previously established repurchase rights or other requirements from time to time and (d) make such exceptions thereto as it may determine on a case by case basis.

5.8. Distributions. (a) The Company shall make distributions of available cash (subject to reserves and other adjustments as provided herein) or other property to Members with respect to such Members' GP-Related Member Interests at such times and in such amounts as are determined by the Managing Member. The Managing Member shall, if it deems it appropriate, determine the availability for distribution of, and distribute, cash or other property separately for each category of GP-Related Net Income (Loss) established pursuant to Section 5.1(a). Distributions of cash or other property with respect to Non-Carried Interest shall be made among the Members in accordance with their respective Non-Carried Interest Sharing Percentages, and, subject to Sections 4.1(d) and 5.8(e), distributions of cash or other property with respect to Carried Interest shall be made among Members in accordance with their respective Carried Interest Sharing Percentages. At any time that a sale, exchange, transfer or other disposition by GNMERB of a portion of a GP-Related Investment is being considered by the Company (a "GP-Related Disposable Investment"), at the election of the Managing Member each Member's GP-Related Member Interest with respect to such GP-Related Investment shall be vertically divided into two separate GP-Related Member Interests, a GP-Related Member Interest attributable to the GP-Related Disposable Investment (a Member's "GP-Related Class B Interest"), and a GP-Related Member Interest attributable to such GP-Related Investment excluding the GP-Related Disposable Investment (a Member's "GP-Related Class A Interest"). Distributions (including those resulting from a sale, transfer, exchange or other disposition by GNMERB) relating to a GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class B Interests with respect to such GP-Related Investment in accordance with their GP-Related Profit Sharing Percentages relating to such GP-Related Class B Interests, and distributions (including those resulting from the sale, transfer, exchange or other disposition by GNMERB) relating to a GP-Related Investment excluding such GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class A Interests with respect to such GP-Related Investment in accordance with their respective GP-Related Profit Sharing Percentages relating to such GP-Related Class A Interests. Except as provided above, distributions of cash or other property with respect to each category of GP-Related Net Income (Loss) shall be allocated among the Members in the same proportions as the allocations of GP-Related Net Income (Loss) of each such category.

(b) Subject to the Company's having sufficient available cash in the reasonable judgment of the Managing Member, the Company shall make cash distributions to each Member with respect to each Fiscal Year of the Company in an aggregate amount at least equal to the total Federal, New York State and New York City income and other taxes that would be payable by such Member with respect to all categories of GP-Related Net Income (Loss) allocated to such Member for such Fiscal Year, the amount of which shall be calculated (i) on the assumption that each Member is an individual subject to the then prevailing maximum Federal, New York State and New York City income tax rates, (ii) taking into account the deductibility of state and local income and other taxes for Federal income tax purposes and (iii) taking into account any differential in applicable rates due to the type and character of Net Income (Loss) allocated to such Member. Notwithstanding the provisions of the foregoing sentence, the Managing Member may refrain from making any distribution if, in the reasonable judgment of the Managing Member, such distribution is prohibited by § 18-607 of the LLC Act.

(c) The Managing Member may provide that the GP-Related Member Interest of any Member or employee (including such Member's or employee's right to distributions and investments of the Company related thereto) may be subject to repurchase by the Company during such period as the Managing Member shall determine (a "Repurchase Period"). Any Contingent distributions from GP-Related Investments subject to repurchase rights will be withheld by the Company and will be distributed to the recipient thereof (together with interest thereon at rates determined by the Managing Member from time to time) as the recipient's rights to such distributions become Non-Contingent (by virtue of the expiration of the applicable Repurchase Period or otherwise). The Managing Member may elect in an individual case to have the Company distribute any Contingent distribution to the applicable recipient thereof irrespective of whether the applicable Repurchase Period has lapsed. If a Member Withdraws from the Company for any reason other than his death, Total Disability or Incompetence, the undistributed share of any GP-Related Investment that remains Contingent as of the applicable Withdrawal Date shall be repurchased by the Company at a purchase price determined at such time by the Managing Member. Unless determined otherwise by the Managing Member, the repurchased portion thereof will be allocated among the remaining Members with interests in such GP-Related Investment in proportion to their respective percentage interests in such GP-Related Investment, or if no other Member has a percentage interest in such specific GP-Related Investment, to the Managing Member; provided, that the Managing Member may allocate the Withdrawn Member's share of unrealized investment income from a repurchased GP-Related Investment attributable to the period after the Withdrawn Member's Withdrawal Date on any basis it may determine, including to existing or new Members who did not previously have interests in such GP-Related Investment, except that, in any event, each Investor Special Member shall be allocated a share of such unrealized investment income equal to its respective GP-Related Profit Sharing Percentage of such unrealized investment income.

(d) (i) (A) If the Company is obligated under the Clawback Provisions or Giveback Provisions to contribute to GNMERB a Clawback Amount or a Giveback Amount (other than a Capital Commitment Giveback Amount) (the amount of any such obligation of the Company with respect to such a Giveback Amount being herein called a "GP-Related Giveback Amount"), the Company shall call for such amounts as are necessary to satisfy such obligations of the Company as determined by the Managing Member, in which case each Member and Withdrawn Member shall contribute to the Company, in cash, when and as called by the Company, such an amount of prior distributions by the Company (and the Other Fund GPs) with respect to Carried Interest (and/or Non-Carried Interest in the case of a GP-Related Giveback Amount) (the "GP-Related Recontribution Amount") which equals (I) the product of (a) a Member's or Withdrawn Member's Carried Interest Give Back Percentage and (b) the aggregate Clawback Amount payable by the Company in the case of Clawback Amounts and (II) with respect to a GP-Related Giveback Amount, such Member's pro rata share of prior distributions of Carried Interest and/or Non-Carried Interest in connection with (a) the GP-Related GNMERB Investment giving rise to the GP-Related Giveback Amount, (b) if the amounts contributed pursuant to clause (II)(a) above are insufficient to satisfy such GP-Related Giveback Amount, GP-Related GNMERB Investments other than the one giving rise to such obligation, but only those amounts received by the Members with an interest in the GP-Related GNMERB Investment referred to in clause (II)(a) above and (c) if the GP-Related Giveback Amount is unrelated to a specific GP-Related GNMERB Investment, all GP-Related GNMERB

Investments. Each Member and Withdrawn Member shall promptly contribute to the Company, along with satisfying his comparable obligations to the Other Fund GPs, if any, upon such call such Member's or Withdrawn Member's GP-Related Reconstitution Amount, less the amount paid out of the Trust Account on behalf of such Member or Withdrawn Member by the Trustee(s) pursuant to written instructions from the Company, or if applicable, any of the Other Fund GPs with respect to Carried Interest (and/or Non-Carried Interest in the case of GP-Related Giveback Amounts) (the "Net GP-Related Reconstitution Amount"), irrespective of the fact that the amounts in the Trust Account may be sufficient on an aggregate basis to satisfy the Company's and the Other Fund GPs' obligation under the Clawback Provisions and/or Giveback Provisions; provided, that to the extent a Member's or Withdrawn Member's share of the amount paid with respect to the Clawback Amount or the GP-Related Giveback Amount exceeds his GP-Related Reconstitution Amount, such excess shall be repaid to such Member or Withdrawn Member as promptly as reasonably practicable, subject to clause (ii) below; provided further, that such written instructions from the Company shall specify each Member's and Withdrawn Member's GP-Related Reconstitution Amount. Prior to such time, the Company may, in its discretion (but shall be under no obligation to), provide notice that in the Company's judgment, the potential obligations in respect of the Clawback Provisions or the Giveback Provisions will probably materialize (and an estimate of the aggregate amount of such obligations); provided further, that any amount from a Member's Trust Account used to pay any GP-Related Giveback Amount (or such lesser amount as may be required by the Managing Member) shall be contributed by such Member to such Member's Trust Account no later than 30 days after the Net GP-Related Reconstitution Amount is paid with respect to such GP-Related Giveback Amount.

- (B) To the extent any Member or Withdrawn Member has satisfied any Holdback obligation with Firm Collateral, such Member or Withdrawn Member shall, within 10 days of the Company's call for GP-Related Reconstitution Amounts, make a cash payment into the Trust Account in an amount equal to the amount of the Holdback obligation satisfied with such Firm Collateral, or such lesser amount such that the amount in the Trust Account allocable to such Member or Withdrawn Member equals the sum of (I) such Member's or Withdrawn Member's GP-Related Reconstitution Amount and (II) any similar amounts payable to any of the Other Fund GPs. Immediately upon receipt of such cash, the Trustee(s) shall take such steps as are necessary to release such Firm Collateral of such Member or Withdrawn Member equal to the amount of such cash payment. If the amount of such cash payment is less than the amount of Firm Collateral of such Member or Withdrawn Member, the balance of such Firm Collateral if any, shall be retained to secure the payment of GP-Related Deficiency Contributions, if any, and shall be fully released upon the satisfaction of the Company's and the Other Fund GPs' obligation to pay the Clawback Amount. The failure of any Member or Withdrawn Member to make a cash payment in accordance with this clause (B) (to the extent applicable) shall constitute a default under Section 5.8(d)(iii) as if such cash payment hereunder constitutes a Net GP-Related Reconstitution Amount under Section 5.8(d)(iii).

(ii) In the event any Member or Withdrawn Member initially fails to reconstitute all or any portion of such Member or Withdrawn Member's pro rata

share of any Clawback Amount pursuant to Section 5.8(d)(i)(A), the Company shall use its reasonable efforts to collect the amount which such Member or Withdrawn Member so fails to recontribute.

(iii) In the event any Member or Withdrawn Member (a “GP-Related Defaulting Party”) fails to recontribute all or any portion of such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount for any reason, the Company shall require all other Members and Withdrawn Members to contribute, on a pro rata basis (based on each of their respective Carried Interest Give Back Percentages in the case of Clawback Amounts, and GP-Related Profit Sharing Percentages in the case of GP-Related Giveback Amounts (as more fully described in clause (II) of Section 5.8(d)(i)(A) above)), such amounts as are necessary to fulfill the GP-Related Defaulting Party’s obligation to pay such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount (a “GP-Related Deficiency Contribution”) if the Managing Member determines in its good faith judgment that the Company (or an Other Fund GP) will be unable to collect such amount in cash from such GP-Related Defaulting Party for payment of the Clawback Amount or GP-Related Giveback Amount, as the case may be, at least 20 Business Days prior to the latest date that the Company, and the Other Fund GPs, if applicable, are permitted to pay the Clawback Amount or GP-Related Giveback Amount, as the case may be; provided, that, subject to Section 5.8(e), no Member or Withdrawn Member shall as a result of such GP-Related Deficiency Contribution be required to contribute an amount in excess of 150% of the amount of the Net GP-Related Recontribution Amount initially requested from such Member or Withdrawn Member in respect of such default. Thereafter, the Managing Member shall determine in its good faith judgment that the Company should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the Managing Member or (2) pursue any and all remedies (at law or equity) available to the Company against the GP-Related Defaulting Party, the cost of which shall be a Company expense to the extent not ultimately reimbursed by the GP-Related Defaulting Party. It is agreed that the Company shall have the right (effective upon such GP-Related Defaulting Party becoming a GP-Related Defaulting Party) to set-off as appropriate and apply against such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount any amounts otherwise payable to the GP-Related Defaulting Party by the Company or any Affiliate thereof (including amounts unrelated to Carried Interest, such as returns of capital and profit thereon). Each Member and Withdrawn Member hereby grants to the Company a security interest, effective upon such Member or Withdrawn Member becoming a GP-Related Defaulting Party, in all accounts receivable and other rights to receive payment from any Affiliate of the Company and agrees that, upon the effectiveness of such security interest, the Company may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Member and Withdrawn Member hereby appoints the Company as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Member or Withdrawn Member or in the name of the Company, to take any actions which may be necessary to

accomplish the intent of the immediately preceding sentence. The Company shall be entitled to collect interest on the Net GP-Related Recontribution Amount of a GP-Related Defaulting Party from the date such GP-Related Recontribution Amount was required to be contributed to the Company at a rate equal to the Default Interest Rate.

(iv) Any Member's or Withdrawn Member's failure to make a GP-Related Deficiency Contribution shall cause such Member or Withdrawn Member to be a GP-Related Defaulting Party with respect to such amount. The Company shall first seek any remaining Trust Amounts (and Trust Income thereon) allocated to such Member or Withdrawn Member to satisfy such Member's or Withdrawn Member's obligation to make a GP-Related Deficiency Contribution before seeking cash contributions from such Member or Withdrawn Member in satisfaction of such Member's or Withdrawn Member's obligation to make a GP-Related Deficiency Contribution.

(v) A Member's or Withdrawn Member's obligation to make contributions to the Company under this Section 5.8(d) shall survive the termination of the Company.

(vi) The obligations of the Company and the Members set forth in this Section 5.8(d) shall be subject to and governed by the Clawback Provisions, and, in the event of any conflict between this Section 5.8(d) and the Clawback Provisions, the Clawback Provisions shall control.

(e) The Members acknowledge that the Managing Member will (and is hereby authorized to) take such steps as it deems appropriate, in its good faith judgment, to further the objective of providing for the fair and equitable treatment of all Members, including by allocating writedowns and losses on GP-Related GNMERB Investments that have been the subject of a writedown and/or losses (each, a "Loss Investment") to those Members who participated in such Loss Investments based on their Carried Interest Sharing Percentage therein to the extent that such Members receive or have received Carried Interest distributions from other GP-Related GNMERB Investments. Consequently and notwithstanding anything herein to the contrary, adjustments to Carried Interest distributions shall be made as set forth in this Section 5.8(e).

(i) At the time the Company is making Carried Interest distributions in connection with a GP-Related GNMERB Investment (the "Subject Investment") that have been reduced under the GNMERB Agreements as a result of one or more Loss Investments, the Managing Member shall calculate amounts distributable to or due from each such Member as follows:

- (A) determine each Member's share of each such Loss Investment based on his Carried Interest Sharing Percentage in each such Loss Investment (which may be zero) to the extent such Loss Investment has reduced the Carried Interest distributions otherwise available for distribution to all Members (indirectly through the Company from

GNMERB) from the Subject Investment (such reduction, the “Loss Amount”);

- (B) determine the amount of Carried Interest distributions otherwise distributable to such Member with respect to the Subject Investment (indirectly through the Company from GNMERB) before any reduction in respect of the amount determined in clause (A) above (the “Unadjusted Carried Interest Distributions”); and
- (C) subtract (I) the Loss Amounts relating to all Loss Investments from (II) the Unadjusted Carried Interest Distributions for such Member, to determine the amount of Carried Interest distributions to actually be paid to such Member (“Net Carried Interest Distribution”).

To the extent that the Net Carried Interest Distribution for a Member as calculated in this clause (i) is a negative number, the Managing Member shall (I) notify such Member, at or prior to the time such Carried Interest distributions are actually made to the Members, of his obligation to retribute to the Company prior Carried Interest distributions (a “Net Carried Interest Distribution Reconstitution Amount”), up to the amount of such negative Net Carried Interest Distribution, and (II) to the extent amounts reconstituted pursuant to clause (I) are insufficient to satisfy such negative Net Carried Interest Distribution amount, reduce future Carried Interest distributions otherwise due such Member, up to the amount of such remaining negative Net Carried Interest Distribution. If a Member’s (x) Net Carried Interest Distribution Reconstitution Amount exceeds (y) the aggregate amount of prior Carried Interest distributions less the amount of tax thereon, calculated based on the Assumed Tax Rate (as defined in the GNMERB Agreements) in effect in the Fiscal Years of such distributions (the “Excess Tax-Related Amount”), then such Member may, in lieu of paying such Member’s Excess Tax-Related Amount, defer such amounts as set forth below. Such deferred amount shall accrue interest at the Prime Rate. Such deferred amounts shall be reduced and repaid by the amount of Carried Interest otherwise distributable to such Member in connection with future Carried Interest distributions until such balance is reduced to zero. Any deferred amounts shall be payable in full upon the earlier of (i) such time as the Clawback Amount is determined (as provided herein) and (ii) such time as the Member becomes a Withdrawn Member.

To the extent there is an amount of negative Net Carried Interest Distribution with respect to a Member remaining after the application of this clause (i), notwithstanding clause (II) of the preceding paragraph, such remaining amount of negative Net Carried Interest Distribution shall be allocated to the other Members pro rata based on each of their Carried Interest Sharing Percentages in the Subject Investment.

A Member who fails to pay a Net Carried Interest Distribution Reconstitution Amount promptly upon notice from the Managing Member (as provided above) shall be deemed a GP-Related Defaulting Party for all purposes hereof.

A Member may satisfy in part any Net Carried Interest Distribution Recontribution Amount from cash that is then subject to a Holdback, to the extent that the amounts that remain subject to a Holdback satisfy the Holdback requirements hereof as they relate to the reduced amount of aggregate Carried Interest distributions received by such Member (taking into account any Net Carried Interest Distribution Recontribution Amount contributed to the Company by such Member).

Any Net Carried Interest Distribution Recontribution Amount contributed by a Member, including amounts of cash subject to a Holdback as provided above, shall increase the amount available for distribution to the other Members as Carried Interest distributions with respect to the Subject Investment; provided, that any such amounts then subject to a Holdback may be so distributed to the other Members to the extent a Member receiving such distribution has satisfied the Holdback requirements with respect to such distribution (taken together with the other Carried Interest distributions received by such Member to date).

(ii) In the case of Clawback Amounts which are required to be contributed to the Company as otherwise provided herein, the obligation of the Members with respect to any Clawback Amount shall be adjusted by the Managing Member as follows:

- (A) determine each Member's share of any losses in any GP-Related GNMERB Investments which gave rise to the Clawback Amount (i.e., the losses that followed the last GP-Related GNMERB Investment with respect to which Carried Interest distributions were made), based on such Member's Carried Interest Sharing Percentage in such GP-Related GNMERB Investments;
- (B) determine each Member's obligation with respect to the Clawback Amount based on such Member's Carried Interest Give Back Percentage as otherwise provided herein; and
- (C) subtract the amount determined in clause (B) above from the amount determined in clause (A) above with respect to each Member to determine the amount of adjustment to each Member's share of the Clawback Amount (a Member's "Clawback Adjustment Amount").

A Member's share of the Clawback Amount shall for all purposes hereof be decreased by such Member's Clawback Adjustment Amount, to the extent it is a negative number (except to the extent expressly provided below). A Member's share of the Clawback Amount shall for all purposes hereof be increased by such Member's Clawback Adjustment Amount (to the extent it is a positive number); provided, that in no way shall a Member's aggregate obligation to satisfy a Clawback Amount as a result of this clause (ii) exceed the aggregate Carried Interest distributions received by such Member. To the extent a positive Clawback Adjustment Amount remains after the application of this clause (ii) with respect to a Member, such remaining Clawback Adjustment Amount shall be allocated to the Members (including any Member whose

Clawback Amount was increased pursuant to this clause (ii)) pro rata based on their Carried Interest Give Back Percentages (determined without regard to this clause (ii)).

Any distribution or contribution adjustments pursuant to this Section 5.8(e) by the Managing Member shall be based on its good faith judgment, and no Member shall have any claim against the Company, the Managing Member or any other Members as a result of any adjustment made as set forth above. This Section 5.8(e) applies to all Members, including Withdrawn Members.

It is agreed and acknowledged that this Section 5.8(e) is an agreement among the Members and in no way modifies the obligations of each Member regarding the Clawback Amount as provided in the GNMERB Agreements.

5.9. Business Expenses. The Company shall reimburse the Members for reasonable travel, entertainment and miscellaneous expenses incurred by them in the conduct of the Company's business in accordance with rules and regulations established by the Managing Member from time to time.

5.10. Tax Capital Accounts; Tax Allocations.

(a) For U.S. federal income tax purposes, there shall be established for each Member a single capital account combining such Member's Capital Commitment Capital Account and GP-Related Capital Account, with such adjustments as the Managing Member determines is appropriate so that such single capital account is maintained in compliance with the principles and requirements of Section 704(b) of the Code and the Regulations thereunder.

(b) For federal, state and local income tax purposes only, Company income, gain, loss, deduction or expense (or any item thereof) for each fiscal year shall be allocated to and among the Members in a manner corresponding to the manner in which corresponding items are allocated among the Members pursuant to clause (a) above, provided the Managing Member may in its sole discretion make such allocations for tax purposes as it determines is appropriate so that allocations have substantial economic effect or are in accordance with the interests of the Members, within the meaning of the Code and the Regulations thereunder.

ARTICLE VI

ADDITIONAL MEMBERS; WITHDRAWAL OF MEMBERS; SATISFACTION AND DISCHARGE OF COMPANY INTERESTS; TERMINATION

6.1. Additional Members. (a) Effective on the first day of any month (or on such other date as shall be determined by the Managing Member in its sole discretion), the Managing Member shall have the right to admit one or more additional persons into the Company as Regular Members or Special Members. Each such person shall make the representations and certifications with respect to itself set forth in Sections 3.6 and 3.7. The Managing Member shall determine and negotiate with the additional Member (which term shall include, without limitation, any substitute Member) all terms of such additional Member's participation in the Company, including the additional Member's initial GP-Related Capital

Contribution, Capital Commitment-Related Capital Contribution, GP-Related Profit Sharing Percentage and Capital Commitment Profit Sharing Percentage. Each additional Member shall have such voting rights as may be determined by the Managing Member from time to time unless, upon the admission to the Company of any Special Member, the Managing Member shall designate that such Special Member shall not have such voting rights (any such Special Member being called a “Nonvoting Special Member”). Any additional Member shall, as a condition to becoming a Member, agree to become a party to, and be bound by the terms and conditions of, the Trust Agreement.

(b) The GP-Related Profit Sharing Percentages, if any, to be allocated to an additional Member as of the date such Member is admitted to the Company, together with the pro rata reduction in all other Members’ GP-Related Profit Sharing Percentages as of such date, shall be established by the Managing Member pursuant to Section 5.3. The Capital Commitment Profit Sharing Percentages, if any, to be allocated to an additional Member as of the date such Member is admitted to the Company, together with the pro rata reduction in all other Members’ Capital Commitment Profit Sharing Percentages as of such date, shall be established by the Managing Member.

(c) An additional Member shall be required to contribute to the Company his pro rata share of the Company’s total capital, excluding capital in respect of GP-Related Investments and Capital Commitment Investments in which such Member does not acquire any interests, at such times and in such amounts as shall be determined by the Managing Member in accordance with Sections 4.1 and 7.1.

(d) The admission of an additional Member will be evidenced by (i) the execution of a counterpart copy of this Agreement by such additional Member, or (ii) the execution of an amendment to this Agreement by the Managing Member and the additional Member, as determined by the Managing Member, or (iii) the execution by such additional Member of any other writing evidencing the intent of such person to become an additional Member and to be bound by the terms of this Agreement and such writing being acceptable to the Managing Member on behalf of the Company. In addition, each additional Member shall sign a counterpart copy of the Trust Agreement or any other writing evidencing the intent of such person to become a party to the Trust Agreement that is acceptable to the Managing Member on behalf of the Company.

6.2. Withdrawal of Members. (a) Any Member may Withdraw voluntarily from the Company on the last day of any calendar month (or on such other date as shall be determined by the Managing Member in its sole discretion), on not less than 15 days’ prior written notice by such Member to the Managing Member (or on such shorter notice period as may be mutually agreed upon between such Member and the Managing Member); provided, that a Member may not voluntarily Withdraw without the consent of the Managing Member if such Withdrawal would (i) cause the Company to be in default under any of its contractual obligations or (ii) in the reasonable judgment of the Managing Member, have a material adverse effect on the Company or its business; provided further, that a Member may Withdraw from the Company with respect to such Member’s GP-Related Member Interest without Withdrawing from the Company with respect to such Member’s Capital Commitment Member Interest, and a Member may Withdraw from the Company with respect to such Member’s Capital Commitment Member

Interest without Withdrawing from the Company with respect to such Member's GP-Related Member Interest.

(b) Upon the Withdrawal of any Member, including by the occurrence of any withdrawal event under the LLC Act with respect to any Member, such Member shall thereupon cease to be a Member, except as expressly provided herein.

(c) Upon the Total Disability of a Regular Member, such Member shall thereupon cease to be a Regular Member with respect to such person's GP-Related Member Interest; provided, that the Managing Member may elect to admit such Withdrawn Member to the Company as a Nonvoting Special Member with respect to such person's GP-Related Member Interest, with such GP-Related Member Interest as the Managing Member may determine. The determination of whether any Member has suffered a Total Disability shall be made by the Managing Member in its sole discretion after consultation with a qualified medical doctor. In the absence of agreement between the Managing Member and such Member, each party shall nominate a qualified medical doctor and the two doctors shall select a third doctor, who shall make the determination as to Total Disability.

(d) If the Managing Member determines that it shall be in the best interests of the Company for any Member (including any Member who has given notice of voluntary Withdrawal pursuant to paragraph (a) above) to Withdraw from the Company (whether or not Cause exists) with respect to such person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, such Member, upon written notice by the Managing Member to such Member, shall be required to Withdraw with respect to such person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, as of a date specified in such notice, which date shall be on or after the date of such notice. If the Managing Member requires any Member to Withdraw for Cause with respect to such person's GP-Related Member Interest and/or with respect to such person's Capital Commitment Member Interest, such notice shall state that it has been given for Cause and shall describe the particulars thereof in reasonable detail.

(e) The withdrawal from the Company of any Member shall not, in and of itself, affect the obligations of the other Members to continue the Company during the remainder of its term.

6.3. GP-Related Member Interests Not Transferable. No Member may sell, assign, pledge or otherwise transfer or encumber all or any portion of such Member's GP-Related Member Interest other than as permitted by written agreement between such Member and the Company; provided, that this Section 6.3 shall not impair transfers by operation of law, transfers by will or by other testamentary instrument occurring by virtue of the death or dissolution of a Member, or transfers required by trust agreements; provided further, that a Regular Member may transfer, for estate planning purposes, up to 25% of his GP-Related Profit Sharing Percentage to any estate planning trust, limited partnership, or limited liability company with respect to which a Regular Member controls investments related to any interest in the Company held therein (an "Estate Planning Vehicle"). Each Estate Planning Vehicle will be a Nonvoting Special Member. Such Regular Member and the Nonvoting Special Member shall be jointly and severally liable for all obligations of both such Regular Member and such Nonvoting

Special Member with respect to the Company (including the obligation to make additional GP-Related Capital Contributions), as the case may be. The Managing Member may at its sole option exercisable at any time require any Estate Planning Vehicle to withdraw from the Company on the terms of this Article VI. Except as provided in the second proviso to the first sentence of this Section 6.3, no assignee, legatee, distributee, heir or transferee (by conveyance, operation of law or otherwise) of the whole or any portion of any Member's GP-Related Member Interest shall have any right to be a Member without the prior written consent of the Managing Member (which consent may be withheld without giving any reason therefor). Notwithstanding the granting of a security interest in the entire Interest of any Member, such Member shall continue to be a Member of the Company.

6.4. Consequences upon Withdrawal of a Member. (a) The Withdrawal of a Regular Member shall not dissolve the Company if at the time of such Withdrawal there are one or more remaining Regular Members and any one or more of such remaining Regular Members continue the business of the Company (any and all such remaining Regular Members being hereby authorized to continue the business of the Company without dissolution and hereby agreeing to do so). Notwithstanding Section 6.4(b), if upon the Withdrawal of a Regular Member there shall be no remaining Regular Member, the Company shall be dissolved and shall be wound up unless, within 90 days after the occurrence of such Withdrawal, all remaining Special Members agree in writing to continue the business of the Company and to the appointment, effective as of the date of such Withdrawal, of one or more Regular Members.

(b) The Company shall not be dissolved, in and of itself, by the Withdrawal of any Member, but shall continue with the surviving or remaining Members as members thereof in accordance with and subject to the terms and provisions of this Agreement.

6.5. Satisfaction and Discharge of a Withdrawn Member's GP-Related Member Interest. (a) The terms of this Section 6.5 shall apply to the GP-Related Member Interest of a Withdrawn Member, but, except as otherwise expressly provided in this Section 6.5, shall not apply to the Capital Commitment Member Interest of a Withdrawn Member. For purposes of this Section 6.5, the term "Settlement Date" means the date as of which a Withdrawn Member's GP-Related Member Interest in the Company is settled as determined under paragraph (b) below. Notwithstanding the foregoing, any Regular Member who Withdraws from the Company, and all or any portion of whose GP-Related Member Interest is retained as a Special Member, shall be considered a Withdrawn Member for all purposes hereof.

(b) Except where a later date for the settlement of a Withdrawn Member's GP-Related Member Interest in the Company may be agreed to by the Managing Member and a Withdrawn Member, a Withdrawn Member's Settlement Date shall be his Withdrawal Date; provided, that if a Withdrawn Member's Withdrawal Date is not the last day of a month, then the Managing Member may elect for such Withdrawn Member's Settlement Date to be the last day of the month in which his Withdrawal Date occurs. During the interval, if any, between a Withdrawn Member's Withdrawal Date and Settlement Date, such Withdrawn Member shall have the same rights and obligations with respect to GP-Related Capital Contributions, interest on capital, allocations of GP-Related Net Income (Loss) and distributions as would have applied had such Withdrawn Member remained a Member of the Company during such period.

(c) In the event of the Withdrawal of a Member, with respect to such Withdrawn Member's GP-Related Member Interest, the Managing Member shall promptly after such Withdrawn Member's Settlement Date (i) determine and allocate to the Withdrawn Member's GP-Related Capital Accounts such Withdrawn Member's allocable share of the GP-Related Net Income (Loss) of the Company for the period ending on such Settlement Date in accordance with Article V and (ii) credit the Withdrawn Member's GP-Related Capital Accounts with interest in accordance with Section 5.2. In making the foregoing calculations, the Managing Member shall be entitled to establish such reserves (including reserves for taxes, bad debts, unrealized losses, actual or threatened litigation or any other expenses, contingencies or obligations) as it deems appropriate. Unless otherwise determined by the Managing Member in a particular case, a Withdrawn Member shall not be entitled to receive any GP-Related Unallocated Percentage in respect of the accounting period during which such Member Withdraws from the Company (whether or not previously awarded or allocated) or any GP-Related Unallocated Percentage in respect of prior accounting periods that have not been paid or allocated (whether or not previously awarded) as of such Withdrawn Member's Withdrawal Date.

(d) From and after the Settlement Date of the Withdrawn Member, the Withdrawn Member's GP-Related Profit Sharing Percentages shall, unless otherwise allocated by the Managing Member pursuant to Section 5.3(a), be deemed to be GP-Related Unallocated Percentages (except for GP-Related Profit Sharing Percentages with respect to GP-Related Investments as provided in paragraph (f) below).

(e) (i) Upon the Withdrawal from the Company of a Member with respect to such Member's GP-Related Member Interest, such Withdrawn Member thereafter shall not, except as expressly provided in this Section 6.5, have any rights of a Member (including voting rights) with respect to such Member's GP-Related Member Interest, and, except as expressly provided in this Section 6.5, such Withdrawn Member shall not have any interest in the Company's GP-Related Net Income (Loss), or in distributions related to such Member's GP-Related Member Interest, GP-Related Investments or other assets related to such Member's GP-Related Member Interest. If a Member Withdraws from the Company with respect to such Member's GP-Related Member Interest for any reason other than for Cause pursuant to Section 6.2, then the Withdrawn Member shall be entitled to receive, at the time or times specified in Section 6.5(i) below, in satisfaction and discharge in full of the Withdrawn Member's GP-Related Member Interest in the Company, (x) payment equal to the aggregate credit balance, if any, as of the Settlement Date of the Withdrawn Member's GP-Related Capital Accounts, (excluding any GP-Related Capital Account or portion thereof attributable to any GP-Related Investment) and (y) the Withdrawn Member's percentage interest attributable to each GP-Related Investment in which the Withdrawn Member has an interest as of the Settlement Date as provided in paragraph (f) below (which shall be settled in accordance with paragraph (f) below), subject to all the terms and conditions of paragraphs (a)-(r) of this Section 6.5. If the amount determined pursuant to clause (x) above is an aggregate negative balance, the Withdrawn Member shall pay the amount thereof to the Company upon demand by the Managing Member on or after the date of the statement referred to in Section 6.5(i) below; provided, that if the Withdrawn Member was solely a Special Member on his Withdrawal Date, such payment shall be required only to the extent of any amounts payable to such Withdrawn Member pursuant to this Section 6.5. Any aggregate negative balance in the GP-Related

Capital Accounts of a Withdrawn Member who was solely a Special Member, upon the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5, shall be allocated among the other Members' GP-Related Capital Accounts in accordance with their respective GP-Related Profit Sharing Percentages in the categories of GP-Related Net Income (Loss) giving rise to such negative balance as determined by the Managing Member as of such Withdrawn Member's Settlement Date. In the settlement of any Withdrawn Member's GP-Related Member Interest in the Company, no value shall be ascribed to goodwill, the Company name or the anticipation of any value the Company or any successor thereto might have in the event the Company or any interest therein were to be sold in whole or in part.

(ii) Notwithstanding clause (i) of this Section 6.5(e), in the case of a Member whose Withdrawal with respect to such Member's GP-Related Member Interest resulted from such Member's death or Incompetence, such Member's estate or legal representative, as the case may be, may elect, at the time described below, to receive a Nonvoting Special Member GP-Related Member Interest and retain such Member's GP-Related Profit Sharing Percentage in all (but not less than all) illiquid investments of the Company in lieu of a cash payment (or Note) in settlement of that portion the Withdrawn Member's GP-Related Member Interest. The election referred to above shall be made within 60 days after the Withdrawn Member's Settlement Date, based on a statement of the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5.

(f) For purposes of clause (y) of paragraph (e)(i) above, a Withdrawn Member's "percentage interest" means his GP-Related Profit Sharing Percentage as of the Settlement Date in the relevant GP-Related Investment. The Withdrawn Member shall retain his percentage interest in such GP-Related Investment and shall retain his GP-Related Capital Account or portion thereof attributable to such GP-Related Investment, in which case such Withdrawn Member (a "Retaining Withdrawn Member") shall become and remain a Special Member for such purpose (and, if the Managing Member so designates, such Special Member shall be a Nonvoting Special Member). The GP-Related Member Interest of a Retaining Withdrawn Member pursuant to this paragraph (f) shall be subject to the terms and conditions applicable to GP-Related Member Interests of any kind hereunder and such other terms and conditions as are established by the Managing Member. At the option of the Managing Member in its sole discretion, the Managing Member and the Retaining Withdrawn Member may agree to have the Company acquire such GP-Related Member Interest without the approval of the other Members; provided, that the Managing Member shall reflect in the books and records of the Company the terms of any acquisition pursuant to this sentence.

(g) The Managing Member may elect, in lieu of payment in cash of any amount payable to a Withdrawn Member pursuant to paragraph (e) above, to (i) have the Company issue to the Withdrawn Member a subordinated promissory note and/or to (ii) distribute in kind to the Withdrawn Member such Withdrawn Member's pro rata share (as determined by the Managing Member) of any securities or other investments of the Company in relation to such Member's GP-Related Member Interest. If any securities or other investments are distributed in kind to a Withdrawn Member under this paragraph (g), the amount described in clause (x) of paragraph (e)(i) shall be reduced by the value of such

distribution as valued on the latest balance sheet of the Company in accordance with generally accepted accounting principles or, if not appearing on such balance sheet, as reasonably determined by the Managing Member.

(h) [Intentionally omitted.]

(i) Within 120 days after each Settlement Date, the Managing Member shall submit to the Withdrawn Member a statement of the settlement of such Withdrawn Member's GP-Related Member Interest in the Company pursuant to this Section 6.5 together with any cash payment, subordinated promissory note and in kind distributions to be made to such Member as shall be determined by the Managing Member. The Managing Member shall submit to the Withdrawn Member supplemental statements with respect to additional amounts payable to or by the Withdrawn Member in respect of the settlement of his GP-Related Member Interest in the Company (e.g., payments in respect of GP-Related Investments pursuant to paragraph (f) above or adjustments to reserves pursuant to paragraph (j) below) promptly after such amounts are determined by the Managing Member. To the fullest extent permitted by law, such statements and the valuations on which they are based shall be accepted by the Withdrawn Member without examination of the accounting books and records of the Company or other inquiry. Any amounts payable by the Company to a Withdrawn Member pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment or provision for payment in full of claims of all present or future creditors of the Company or any successor thereto arising out of matters occurring prior to the applicable date of payment or distribution; provided, that such Withdrawn Member shall otherwise rank pari passu in right of payment (x) with all persons who become Withdrawn Members and whose Withdrawal Date is within one year before the Withdrawal Date of the Withdrawn Member in question and (y) with all persons who become Withdrawn Members and whose Withdrawal Date is within one year after the Withdrawal Date of the Withdrawn Member in question.

(j) If the aggregate reserves established by the Managing Member as of the Settlement Date in making the foregoing calculations should prove, in the determination of the Managing Member, to be excessive or inadequate, the Managing Member may elect, but shall not be obligated, to pay the Withdrawn Member or his estate such excess, or to charge the Withdrawn Member or his estate such deficiency, as the case may be.

(k) Any amounts owed by the Withdrawn Member to the Company at any time on or after the Settlement Date (e.g., outstanding Company loans or advances to such Withdrawn Member) shall be offset against any amounts payable or distributable by the Company to the Withdrawn Member at any time on or after the Settlement Date or shall be paid by the Withdrawn Member to the Company, in each case as determined by the Managing Member. All cash amounts payable by a Withdrawn Member to the Company under this Section 6.5 shall bear interest from the due date to the date of payment at a floating rate equal to the lesser of (x) the rate of interest publicly announced from time to time by JPMorgan Chase Bank, N.A. as its prime rate or (y) the maximum rate of interest permitted by applicable law. The "due date" of amounts payable by a Withdrawn Member pursuant to Section 6.5(i) above shall be 120 days after a Withdrawn Member's Settlement Date. The "due date" of amounts payable to or by a Withdrawn Member in respect of GP-Related Investments for which the Withdrawn Member has retained a percentage interest in accordance with paragraph

(f) above shall be 120 days after realization with respect to such GP-Related Investment. The “due date” of any other amounts payable by a Withdrawn Member shall be 60 days after the date such amounts are determined to be payable.

(l) At the time of the settlement of any Withdrawn Member’s GP-Related Member Interest in the Company pursuant to this Section 6.5, the Managing Member may, to the fullest extent permitted by applicable law, impose any restrictions it deems appropriate on the assignment, pledge, encumbrance or other transfer by such Withdrawn Member of any interest in any GP-Related Investment retained by such Withdrawn Member, any securities or other investments distributed in kind to such Withdrawn Member or such Withdrawn Member’s right to any payment from the Company.

(m) If a Member is required to Withdraw from the Company with respect to such Member’s GP-Related Member Interest for Cause pursuant to Section 6.2(d), then his GP-Related Member Interest shall be settled in accordance with paragraphs (a)-(r) of this Section 6.5; provided, that the Managing Member may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) In settling the Withdrawn Member’s interest in any GP-Related Investment in which he has an interest as of his Settlement Date, the Managing Member may elect to (A) determine the GP-Related Unrealized Net Income (Loss) attributable to each such GP-Related Investment as of the Settlement Date and allocate to the appropriate GP-Related Capital Account of the Withdrawn Member his allocable share of such GP-Related Unrealized Net Income (Loss) for purposes of calculating the aggregate balance of such Withdrawn Member’s GP-Related Capital Account pursuant to clause (x) of paragraph (e)(i) above, (B) credit or debit, as applicable, the Withdrawn Member with the balance of his GP-Related Capital Account or portion thereof attributable to each such GP-Related Investment as of his Settlement Date without giving effect to the GP-Related Unrealized Net Income (Loss) from such GP-Related Investment as of his Settlement Date, which shall be forfeited by the Withdrawn Member or (C) apply the provisions of paragraph (f) above, provided, that the maximum amount of GP-Related Net Income (Loss) allocable to such Withdrawn Member with respect to any GP-Related Investment shall equal such Member’s percentage interest of the GP-Related Unrealized Net Income, if any, attributable to such GP-Related Investment as of the Settlement Date (the balance of such GP-Related Net Income (Loss), if any, shall be allocated as determined by the Managing Member). The Withdrawn Member shall not have any continuing interest in any GP-Related Investment to the extent an election is made pursuant to (A) or (B) above.

(ii) Any amounts payable by the Company to the Withdrawn Member pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment in full of claims of all present or future creditors of the Company or any successor thereto arising out of matters occurring prior to or on or after the applicable date of payment or distribution.

(n) The payments to a Withdrawn Member pursuant to this Section 6.5 may be conditioned on the compliance by such Withdrawn Member with any lawful and reasonable

(under the circumstances) restrictions against engaging or investing in a business competitive with that of the Company or any of its subsidiaries and Affiliates for a period not exceeding two years determined by the Managing Member. Upon written notice to the Managing Member, any Withdrawn Member who is subject to noncompetition restrictions established by the Managing Member pursuant to this paragraph (n) may elect to forfeit the principal amount payable in the final installment of his subordinated promissory note, together with interest to be accrued on such installment after the date of forfeiture, in lieu of being bound by such restrictions.

(o) In addition to the foregoing, the Managing Member shall have the right to pay a Withdrawn Member (other than the Managing Member) a discretionary additional payment in an amount and based upon such circumstances and conditions as it determines to be relevant.

(p) The provisions of this Section 6.5 shall apply to any Investor Special Member relating to a Regular Member or Special Member and to any transferee of any GP-Related Member Interest of such Member pursuant to Section 6.3 if such Member Withdraws from the Company.

(q) (i) The Company will assist a Withdrawn Member or his estate or guardian, as the case may be, in the settlement of the Withdrawn Member's GP-Related Member Interest in the Company. Third party costs incurred by the Company in providing this assistance will be borne by the Withdrawn Member or his estate.

(ii) The Company may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Members or their estates or guardians, as referred to above. In such instances, the Company will obtain the prior approval of a Withdrawn Member or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Member (or his estate or guardian) declines to incur such costs, the Company will provide such reasonable assistance as and when it can so as not to interfere with the Company's day-to-day operating, financial, tax and other related responsibilities to the Company and the Members.

(r) Each Member (other than the Managing Member) hereby irrevocably appoints the Managing Member as such Member's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Member's name, place and stead, to make, execute, sign and file, on behalf of such Member, any and all agreements, instruments, consents, ratifications, documents and certificates which the Managing Member deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 6.5, including, without limitation, the performance of any obligation of such Member or the Company or the exercise of any right of such Member or the Company. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Company of any Member for any reason and shall not be affected by the death, disability or incapacity of such Member.

6.6. Dissolution of the Company. The Managing Member may dissolve the Company prior to the expiration of its term at any time on not less than 60 days' notice of the dissolution date given to the other Members.

6.7. Certain Tax Matters. (a) All items of income, gain, loss, deduction and credit of the Company shall be allocated among the Members for Federal, state and local income tax purposes in the same manner as such items of income, gain, loss, deduction and credit shall be allocated among the Members pursuant to this Agreement, except as may otherwise be provided herein or by the Code or other applicable law. To the extent Treasury Regulations promulgated pursuant to Subchapter K of the Code (including under Sections 704(b) and (c) of the Code) or other applicable law require allocations for tax purposes that differ from the foregoing allocations, the Managing Member may determine the manner in which such tax allocations shall be made so as to comply more fully with such Treasury Regulations or other applicable law and, at the same time, preserve the economic relationships among the Members as set forth in this Agreement. In the event there is a net decrease in partnership minimum gain or partner nonrecourse debt minimum gain (determined in accordance with the principles of Regulations Sections 1.704-2(d) and 1.704-2(i)) during any taxable year of the Company, each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to its respective share of such net decrease during such year, determined pursuant to Regulations Sections 1.704-2(g) and 1.704-2(i)(5). The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f). In addition, this Agreement shall be considered to contain a "qualified income offset" as provided in Regulations Section 1.704-1(b)(2)(ii)(d).

(b) The Managing Member shall cause to be prepared all Federal, state and local tax returns of the Company for each year for which such returns are required to be filed and, after approval of such returns by the Managing Member, shall cause such returns to be timely filed. The Managing Member shall determine the appropriate treatment of each item of income, gain, loss, deduction and credit of the Company and the accounting methods and conventions under the tax laws of the United States, the several states and other relevant jurisdictions as to the treatment of any such item or any other method or procedure related to the preparation of such tax returns. The Managing Member may cause the Company to make or refrain from making any and all elections permitted by such tax laws. Each Member agrees that he shall not, unless he provides prior notice of such action to the Company, (i) treat, on his individual income tax returns, any item of income, gain, loss, deduction or credit relating to his interest in the Company in a manner inconsistent with the treatment of such item by the Company as reflected on the Form K-1 or other information statement furnished by the Company to such Member for use in preparing his income tax returns or (ii) file any claim for refund relating to any such item based on, or which would result in, such inconsistent treatment. In respect of an income tax audit of any tax return of the Company, the filing of any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Company, or any administrative or judicial proceedings arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, (A) the Tax Matters Member (as defined below) shall be authorized to act for, and his decision shall be final and binding upon, the Company and all Members except to the extent a Member shall properly elect to be excluded from such proceeding pursuant to the Code, (B) all expenses incurred by the Tax Matters Member in

connection therewith (including, without limitation, attorneys', accountants' and other experts' fees and disbursements) shall be expenses of the Company and (C) no Member shall have the right to (1) participate in the audit of any Company tax return, (2) file any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Company (unless he provides prior notice of such action to the Company as provided above), (3) participate in any administrative or judicial proceedings conducted by the Company or the Tax Matters Member arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, or (4) appeal, challenge or otherwise protest any adverse findings in any such audit conducted by the Company or the Tax Matters Member or with respect to any such amended return or claim for refund filed by the Company or the Tax Matters Member or in any such administrative or judicial proceedings conducted by the Company or the Tax Matters Member. The Company and each Member hereby designate any Member selected by the Managing Member as the "tax matters partner" for purposes of Section 6231(a)(7) of the Code (the "Tax Matters Member"). To the fullest extent permitted by applicable law, each Member agrees to indemnify and hold harmless the Company and all other Members from and against any and all liabilities, obligations, damages, deficiencies and expenses resulting from any breach or violation by such Member of the provisions of this Section 6.7 and from all actions, suits, proceedings, demands, assessments, judgments, costs and expenses, including reasonable attorneys' fees and disbursements, incident to any such breach or violation.

(c) Each individual Member shall provide to the Company copies of each Federal, state and local income tax return of such Member (including any amendment thereof) within 30 days after filing such return.

6.8. Special Basis Adjustments . In connection with any assignment or transfer of a Company interest permitted by the terms of this Agreement, the Managing Member may cause the Company, on behalf of the Members and at the time and in the manner provided in Code Regulations Section 1.754-1(b), to make an election to adjust the basis of the Company's property in the manner provided in Sections 734(b) and 743(b) of the Code.

ARTICLE VII

CAPITAL COMMITMENT INTERESTS; CAPITAL CONTRIBUTIONS; ALLOCATIONS; DISTRIBUTIONS

7.1. Capital Commitment Interests, etc.

(a) This Article VII and Article VIII hereof set forth certain terms and conditions with respect to the Capital Commitment Member Interests and the Capital Commitment GNMERB Interest and matters related to the Capital Commitment Member Interests and the Capital Commitment GNMERB Interest. Except as otherwise expressly provided in this Article VII or in Article VIII, the terms and provisions of this Article VII and Article VIII shall not apply to the GP-Related Member Interests or the GP-Related GNMERB Interest.

(b) Each Member, severally, agrees to make contributions of capital to the Company (“Capital Commitment-Related Capital Contributions”) as required to fund the Company’s capital contributions to GNMERB in respect of the Capital Commitment GNMERB Interest, if any. No Member shall be obligated to make Capital Commitment-Related Capital Contributions to the Company in an amount in excess of such Member’s Capital Commitment-Related Commitment. The Commitment Agreements and SMD Agreements of the Members may include provisions with respect to the foregoing matters. It is understood that a Member will not necessarily participate in each Capital Commitment Investment (which may include additional amounts invested in an existing Capital Commitment Investment) nor will a Member necessarily have the same Capital Commitment Profit Sharing Percentage with respect to each Capital Commitment Investment in which such Member participates; provided, that this in no way limits the terms of any Commitment Agreement or SMD Agreement. In addition, nothing contained herein shall be construed to give any Member the right to obtain financing with respect to the purchase of any Capital Commitment Interest, and nothing contained herein shall limit or dictate the terms upon which the Company and its Affiliates may provide such financing. The acquisition of a Capital Commitment Interest by a Member shall be evidenced by receipt by the Company of funds equal to such Member’s Capital Commitment- Related Commitment then due with respect to such Capital Commitment Interest and such appropriate documentation as the Managing Member may submit to the Members from time to time.

(c) The Company or one of its Affiliates (in such capacity, the “Advancing Party”) may in its sole discretion advance to any Member (including any additional Member admitted to the Company pursuant to Section 6.1 but excluding any Members that are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) all or any portion of the Capital Commitment Capital Contributions due to the Company from such Member with respect to any Capital Commitment Investment (“Firm Advances”). Each such Member shall pay interest to the Advancing Party on each Firm Advance from the date of such Firm Advance until the repayment thereof by such Member. Each Firm Advance shall be repayable in full, including accrued interest to the date of such repayment, upon prior written notice by the Advancing Party. The making and repayment of each Firm Advance shall be recorded in the books and records of the Company, and such recording shall be conclusive evidence of each such Firm Advance, binding on the Member and the Advancing Party absent manifest error. Except as provided below, the interest rate applicable to a Firm Advance shall equal the cost of funds of the Advancing Party at the time of the making of such Firm Advance. The Advancing Party shall inform any Member of such rate upon such Member’s request; provided, that such interest rate shall not exceed the maximum interest rate allowable by applicable law; provided further, that amounts that are otherwise payable to such Member pursuant to Section 7.4(a) shall be used to repay such Firm Advance (including interest thereon). The Advancing Party may, in its sole discretion, change the terms of Firm Advances (including the terms contained herein) and/or discontinue the making of Firm Advances; provided, that (i) the Advancing Party shall notify the relevant Members of any material changes to such terms and (ii) the interest rate applicable to such Firm Advances and overdue amounts thereon shall not exceed the maximum interest rate allowable by applicable law.

7.2. Capital Commitment Capital Accounts .

(a) There shall be established for each Member on the books of the Company as of the date of formation of the Company, or such later date on which such Member is admitted to the Company, and on each such other date as such Member first acquires a Capital Commitment Interest in a particular Capital Commitment Investment, a Capital Commitment Capital Account for each Capital Commitment Investment in which such Member acquires a Capital Commitment Interest on such date. Each Capital Commitment Capital Contribution of a Member shall be credited to the appropriate Capital Commitment Capital Account of such Member on the date such Capital Commitment Capital Contribution is paid to the Company. Capital Commitment Capital Accounts shall be adjusted to reflect any transfer of a Member's interest in the Company related to his Capital Commitment Member Interest as provided in this Agreement.

(b) A Member shall not have any obligation to the Company or to any other Member to restore any negative balance in the Capital Commitment Capital Account of such Member. Until distribution of any such Member's interest in the Company with respect to a Capital Commitment Interest as a result of the disposition by the Company of the related Capital Commitment Investment and in whole upon the dissolution of the Company, neither such Member's Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption except with the consent of the Managing Member.

7.3. Allocations.

(a) Capital Commitment Net Income (Loss) of the Company for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Members (including the Managing Member) participating in such Capital Commitment Investment in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment. Capital Commitment Net Income (Loss) on any Unallocated Capital Commitment Interest shall be allocated to each Member in the proportion which such Member's aggregate Capital Commitment Capital Accounts bear to the aggregate Capital Commitment Capital Accounts of all Members; provided, that if any Member makes the election provided for in Section 7.6, Capital Commitment Net Income (Loss) of the Company for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Members participating in such Capital Commitment Investment who do not make such election in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment.

(b) Any special costs relating to distributions pursuant to Section 7.6 or 7.7 shall be specially allocated to the electing Member.

7.4. Distributions.

(a) Each Member's allocable portion of Capital Commitment Net Income received from his Capital Commitment Investments, distributions to such Member that constitute returns of capital, and other Capital Commitment Net Income of the Company (including, without limitation, Capital Commitment Net Income attributable to Unallocated Capital Commitment Interests) during a fiscal year of the Company will be credited to payment of the Investor Notes to the extent required below as of the last day of such fiscal year (or on

such earlier date as related distributions are made in the sole discretion of the Managing Member) with any cash amount distributable to such Member pursuant to clauses (ii) and (vii) below to be distributed within 45 days after the end of each fiscal year of the Company (or in each case on such earlier date as selected by the Managing Member in its sole discretion) as follows (subject to Section 7.4(c) below):

(i) First, to the payment of interest then due on all Investor Notes (relating to Capital Commitment Investments or otherwise) of such Member (to the extent Capital Commitment Net Income and distributions or payments from Other Sources do not equal or exceed all interest payments due, the selection of those of such Member's Investor Notes upon which interest is to be paid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor);

(ii) Second, to distribution to the Member of an amount equal to the Federal, state and local income taxes on income of the Company allocated to such Member for such year in respect of such Member's Capital Commitment Member Interest (the aggregate amount of any such distribution shall be determined by the Managing Member, subject to the limitation that the minimum aggregate amount of such distribution be the tax that would be payable if the taxable income of the Company related to all Members' Capital Commitment Member Interests were all allocated to an individual subject to the then-prevailing maximum Federal, New York State and New York City tax rates (taking into account the extent to which such taxable income allocated by the Company was composed of long-term capital gains and the deductibility of state and local income taxes for Federal income tax purposes)); provided, that additional amounts shall be paid to the Member pursuant to this clause (ii) to the extent that such amount reduces the amount otherwise distributable to the Member pursuant to a comparable provision in any other BCE Agreement and there are not sufficient amounts to fully satisfy such provision from the relevant partnership or other entity; provided further, that amounts paid pursuant to the provisions in such other BCE Agreements comparable to the immediately preceding proviso shall reduce those amounts otherwise distributable to the Member pursuant to provisions in such other BCE Agreements that are comparable to this clause (ii);

(iii) Third, to the payment in full of the principal amount of the Investor Note financing (A) any Capital Commitment Investment disposed of during or prior to such fiscal year or (B) any BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year, to the extent not repaid from Other Sources;

(iv) Fourth, to the return to such Member of (A) all Capital Commitment—Related Capital Contributions made in respect of the Capital Commitment Interest to which any Capital Commitment Investment disposed of during or prior to such fiscal year relates or (B) all capital contributions made to any Blackstone Collateral Entity (other than the Company) in respect of interests therein relating to BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year (including all principal paid on the related Investor Notes), to the extent

not repaid from amounts of Other Sources (other than amounts of Capital Commitment Member Carried Interest);

(v) Fifth, to the payment of principal (including any previously deferred amounts) then owing under all other Investor Notes of such Member (including those unrelated to the Company), the selection of those of such Member's Investor Notes to be repaid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor;

(vi) Sixth, up to 50% of any Capital Commitment Net Income remaining after application pursuant to clauses (i) through (v) above shall be applied pro rata to prepayment of principal of all remaining Investor Notes of such Member (including those unrelated to the Company), the selection of those of such Member's Investor Notes to be repaid, the division of payments among such Investor Notes and the percentage of remaining Capital Commitment Net Income to be applied thereto to be determined by the Lender or Guarantor; and

(vii) Seventh, to such Member to the extent of any amount of Capital Commitment Net Income remaining after making the distributions in clauses (i) through (vi) above, and such amount is not otherwise required to be applied to Investor Notes pursuant to the terms thereof.

To the extent there is a partial disposition of a Capital Commitment Investment or any other BCE Investment, as applicable, the payments in clauses (iii) and (iv) above shall be based on that portion of the Capital Commitment Investment or other BCE Investment, as applicable, disposed of, and the principal amount and related interest payments of such Investor Note shall be adjusted to reflect such partial payment so that there are equal payments over the remaining term of the related Investor Note. For a Member who is no longer an employee or officer of Holdings or its Affiliates, distributions shall be made pursuant to clauses (i) through (iii) above, and then, unless the Company or its Affiliate has exercised its rights pursuant to Section 8.1 hereof, any remaining income or other distribution in respect of such Member's Capital Commitment Member Interest shall be applied to the prepayment of the outstanding Investor Notes of such Member, until all such Member's Investor Notes have been repaid in full, with any such income or other distribution remaining thereafter distributed to such Member.

Distributions of Capital Commitment Net Income may be made at any other time at the discretion of the Managing Member. At the Managing Member's discretion, any amounts distributed to a Member in respect of such Member's Capital Commitment Member Interest will be net of any interest and principal payable on his Investor Notes for the full period in respect of which the distribution is made.

(b) [Intentionally omitted.]

(c) To the extent that the foregoing Company distributions and distributions and payments from Other Sources are insufficient to satisfy any principal and/or interest due on Investor Notes, and to the extent that the Managing Member in its sole discretion elect to apply

this paragraph (e) to any individual payments due, such unpaid interest will be added to the remaining principal amount of such Investor Notes and shall be payable on the next scheduled principal payment date (along with any deferred principal and any principal and interest due on such date); provided, that such deferral shall not apply to a Member that is no longer an employee or officer of Holdings or an Affiliate thereof. All unpaid interest on such Investor Notes shall accrue interest at the interest rate then in effect for such Investor Notes.

(d) [Intentionally omitted.]

(e) The Capital Commitment Capital Account of each Member shall be reduced by the amount of any distribution to such Member pursuant to paragraph (a) of this Section 7.4.

(f) At any time that a sale, exchange, transfer or other disposition of a portion of a Capital Commitment Investment is being considered by the Company or GNMERB (a “Capital Commitment Disposable Investment”), at the election of the Managing Member each Member’s Capital Commitment Interest with respect to such Capital Commitment Investment shall be vertically divided into two separate Capital Commitment Interests, a Capital Commitment Interest attributable to the Capital Commitment Disposable Investment (a Member’s “Capital Commitment Class B Interest”), and a Capital Commitment Interest attributable to such Capital Commitment Investment excluding the Capital Commitment Disposable Investment (a Member’s “Capital Commitment Class A Interest”). Distributions (including those resulting from a direct or indirect sale, transfer, exchange or other disposition by the Company) relating to a Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class B Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages relating to such Capital Commitment Class B Interests, and distributions (including those resulting from the direct or indirect sale, transfer, exchange or other disposition by the Company) relating to a Capital Commitment Investment excluding such Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class A Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages relating to such Capital Commitment Class A Interests.

(g) (i) If the Company is obligated under the Giveback Provisions to contribute a Giveback Amount to GNMERB in respect of any Capital Commitment GNMERB Interest that may be held by the Company (the amount of any such obligation of the Company with respect to such a Giveback Amount being herein called a “Capital Commitment Giveback Amount”), the Company shall call for such amounts as are necessary to satisfy such obligation of the Company as determined by the Managing Member, in which case each Member or Withdrawn Member shall contribute to the Company, in cash, when and as called by the Company, such an amount of prior distributions by the Company with respect to the Capital Commitment GNMERB Interest (the “Capital Commitment Recontribution Amount”) which equals such Member’s pro rata share of prior distributions in connection with (a) the Capital Commitment GNMERB Investment giving rise to the Capital Commitment Giveback Amount, (b) if the amounts contributed pursuant to clause (a) above are insufficient to satisfy such Capital Commitment Giveback Amount, Capital Commitment GNMERB Investments other

than the one giving rise to such obligation, but only those amounts received by the Members with an interest in the Capital Commitment GNMERB Investment referred to in clause (a) above, and (c) if the Capital Commitment Giveback Amount is unrelated to a specific Capital Commitment GNMERB Investment, all Capital Commitment GNMERB Investments. Each Member shall promptly contribute to the Company upon notice thereof such Member's Capital Commitment Recontribution Amount. Prior to such time, the Company may, at the Managing Member's discretion (but shall be under no obligation to), provide notice that in the Managing Member's judgment, the potential obligations in respect of the Capital Commitment Giveback Amount will probably materialize (and an estimate of the aggregate amount of such obligations).

(ii) In the event any Member (a "Capital Commitment Defaulting Party") fails to recontribute all or any portion of such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount for any reason, the Company shall require all other Members and Withdrawn Members to contribute, on a pro rata basis (based on each of their respective Capital Commitment Profit Sharing Percentages), such amounts as are necessary to fulfill the Capital Commitment Defaulting Party's obligation to pay such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount (a "Capital Commitment Deficiency Contribution") if the Managing Member determines in its good faith judgment that the Company will be unable to collect such amount in cash from such Capital Commitment Defaulting Party for payment of the Capital Commitment Giveback Amount at least 20 Business Days prior to the latest date that the Company is permitted to pay the Capital Commitment Giveback Amount; provided, that no Member shall as a result of such Capital Commitment Deficiency Contribution be required to contribute an amount in excess of 150% of the amount of the Capital Commitment Recontribution Amount initially requested from such Member in respect of such default. Thereafter, the Managing Member shall determine in its good faith judgment that the Company should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the Managing Member or (2) pursue any and all remedies (at law or equity) available to the Company against the Capital Commitment Defaulting Party, the cost of which shall be a Company expense to the extent not ultimately reimbursed by the Capital Commitment Defaulting Party. It is agreed that the Company shall have the right (effective upon such Capital Commitment Defaulting Party becoming a Capital Commitment Defaulting Party) to set-off as appropriate and apply against such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount any amounts otherwise payable to the Capital Commitment Defaulting Party by the Company or any Affiliate thereof. Each Member hereby grants to the Company a security interest, effective upon such Member becoming a Capital Commitment Defaulting Party, in all accounts receivable and other rights to receive payment from the Company or any Affiliate of the Company and agrees that, upon the effectiveness of such security interest, the Company may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Member hereby appoints the Company as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Member or in the name of the Company, to take any actions which may be necessary to accomplish the intent of the immediately preceding sentence. The Company shall be entitled to collect interest on the Capital

Commitment Recontribution Amount of a Capital Commitment Defaulting Party from the date such Capital Commitment Recontribution Amount was required to be contributed to the Company at a rate equal to the Default Interest Rate.

(iii) Any Member's failure to make a Capital Commitment Deficiency Contribution shall cause such Member to be a Capital Commitment Defaulting Party with respect to such amount.

(iv) A Member's obligation to make contributions to the Company under this Section 7.4(g) shall survive the termination of the Company.

7.5. Valuations. Capital Commitment Investments shall be valued annually as of the end of each year (and at such other times as deemed appropriate by the Managing Member) in accordance with the principles utilized by the Company (or any Affiliate of the Company that is a general partner of GNMERB) in valuing investments of GNMERB or, in the case of investments not held by GNMERB, in the good faith judgment of the Managing Member, subject in each case to the second proviso of the immediately succeeding sentence. The value of any Capital Commitment Interest as of any date (the "Capital Commitment Value") shall be based on the value of the underlying Capital Commitment Investment as set forth above; provided, that the Capital Commitment Value may be determined as of an earlier date if determined appropriate by the Managing Member in good faith; provided further, that such value may be adjusted by the Managing Member to take into account factors relating solely to the value of a Capital Commitment Interest (as compared to the value of the underlying Capital Commitment Investment), such as restrictions on transferability, the lack of a market for such Capital Commitment Interest and lack of control of the underlying Capital Commitment Investment. To the full extent permitted by applicable law such valuations shall be final and binding on all Members; provided further, that the immediately preceding proviso shall not apply to any Capital Commitment Interests held by a person who is or was at any time a direct Member of the Company.

7.6. Disposition Election.

(a) At any time prior to the date of the Company's execution of a definitive agreement to dispose of a Capital Commitment Investment, the Managing Member may in its sole discretion permit a Member to retain all or any portion of its pro rata share of such Capital Commitment Investment (as measured by such Member's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment). If the Managing Member so permits, such Member shall instruct the Managing Member in writing prior to such date (i) not to dispose of all or any portion of such Member's pro rata share of such Capital Commitment Investment (the "Retained Portion") and (ii) either to (A) distribute such Retained Portion to such Member on the closing date of such disposition or (B) retain such Retained Portion in the Company on behalf of such Member until such time as such Member shall instruct the Managing Member upon 5 days notice to distribute such Retained Portion to such Member. Such Member's Capital Commitment Capital Account shall not be adjusted in any way to reflect the retention in the Company of such Retained Portion or the Company's disposition of other Members' pro rata shares of such Capital Commitment Investment; provided, that such Member's Capital Commitment Capital Account shall be adjusted upon distribution of such

Retained Portion to such Member or upon distribution of proceeds with respect to a subsequent disposition thereof by the Company.

(b) No distribution of such Retained Portion shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such distribution.

7.7. Capital Commitment Special Distribution Election .

(a) From time to time during the term of this Agreement, the Managing Member may in its sole discretion, upon receipt of a written request from a Member, distribute to such Member any portion of its pro rata share of a Capital Commitment Investment (as measured by such Member's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment) (a "Capital Commitment Special Distribution"). Such Member's Capital Commitment Capital Account shall be adjusted upon distribution of such Capital Commitment Special Distribution.

(b) No Capital Commitment Special Distributions shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such Capital Commitment Special Distribution.

ARTICLE VIII

WITHDRAWAL, ADMISSION OF NEW MEMBERS

8.1. Member Withdrawal; Repurchase of Capital Commitment Interests .

(a) Capital Commitment Interests (or a portion thereof) that were financed by Investor Notes will be treated as not subject to repurchase for purposes hereof based upon the proportion of (a) the sum of Capital Commitment Capital Contributions not financed by an Investor Note with respect to each Capital Commitment Interest and principal payments on the related Investor Note to (b) the sum of the Capital Commitment Capital Contributions not financed by an Investor Note with respect to such Capital Commitment Interest, the original principal amount of such Investor Note and all deferred amounts of interest which from time to time comprise part of the principal amount of the Investor Note. A Member may prepay a portion of any outstanding principal on the Investor Notes; provided, that in the event that a Member prepays all or any portion of the principal amount of the Investor Notes within nine months prior to the date on which such Member is no longer an employee or officer of Holdings or an Affiliate thereof, the Company (or its designee) shall have the right, in its sole discretion, to purchase the Capital Commitment Interest that became Non-Contingent as a result of such prepayment; provided further, that the purchase price for such Capital Commitment Interest shall be determined in accordance with the determination of the purchase price of a Member's Contingent Capital Commitment Interests as set forth in paragraph (b) below. Prepayments made by a Member shall apply pro rata against all of such Member's Investor Notes; provided, that such Member may request that such prepayments be applied only to Investor Notes related to BCE Investments that are related to one or more Blackstone Collateral Entities specified by such Member. Except as expressly provided herein, Capital

Commitment Interests that were not financed in any respect with Investor Notes shall be treated as Non-Contingent Capital Commitment Interests.

(b) Upon a Member ceasing to be an officer or employee of the Company or any of its Affiliates, other than as a result of such Member dying or suffering a Total Disability, such Member (the “Withdrawn Member”) and the Company or any other person designated by the Managing Member shall each have the right (exercisable by the Withdrawn Member within 30 days and by the Company or its designee(s) within 45 days of such Member’s ceasing to be such an officer or employee) or any time thereafter, upon 30 days notice, but not the obligation, to require the Company, subject to the LLC Act, to buy (in the case of exercise of such right by such Withdrawn Member) or the Withdrawn Member to sell (in the case of exercise of such right by the Company or its designee(s)) all (but not less than all) such Withdrawn Member’s Contingent Capital Commitment Interests. The purchase price for each such Contingent Capital Commitment Interest will be an amount equal to (i) the outstanding principal amount of the related Investor Note plus accrued interest thereon to the date of purchase (such portion of the purchase price to be made in cash) and (ii) an additional amount (the “Adjustment Amount”) equal to (x) all interest paid by the Member on the portion of the principal amount of the Investor Note relating to the portion of the related Capital Commitment Interest remaining Contingent plus (y) all Capital Commitment Net Losses allocated to the Withdrawn Member on the Contingent portion of such Capital Commitment Interest minus (z) all Capital Commitment Net Income allocated to the Withdrawn Member on the Contingent portion of such Capital Commitment Interest; provided, that, if the Withdrawn Member was terminated from employment or his position as an officer for Cause, the amounts referred to in clause (x) or (y) of the Adjustment Amount, in the Managing Member’s sole discretion, may be deemed to equal zero. The Adjustment Amount shall, if positive, be payable by the holders of the purchased Capital Commitment Interests to the Withdrawn Member from the next Capital Commitment Net Income received by such holders on the Contingent portion of such Withdrawn Member’s Capital Commitment Interests at the time such Capital Commitment Net Income is received. If the Adjustment Amount resulting from an exchange is negative, it shall be payable to the holders of the purchased Capital Commitment Interest by the Withdrawn Member at the time such Capital Commitment Net Income is received by the Withdrawn Member from the next Capital Commitment Net Income on the Non-Contingent portion of the Withdrawn Member’s Capital Commitment Interests or, if the Company or its designee(s) elect to purchase such Withdrawn Member’s Non-Contingent Capital Commitment Interests, in cash by the Withdrawn Member at the time of such purchase; provided, that the Company and its Affiliates may offset any amounts otherwise owing to a Withdrawn Member against any Adjustment Amount owed by such Withdrawn Member. Until so paid, such remaining Adjustment Amount will not itself bear interest. At the time of such purchase of the Withdrawn Member’s Contingent Capital Commitment Interests, his related Investor Note shall be payable in full. If neither the Withdrawn Member nor the Company nor its designee(s) exercise the right to require repurchase of such Contingent Capital Commitment Interests, then the Withdrawn Member shall retain the Contingent portion of his Capital Commitment Interests and the Investor Notes shall remain outstanding, shall become fully recourse to the Withdrawn Member in his individual capacity, shall be payable in accordance with their remaining original maturity schedules and shall be prepayable at any time by the Withdrawn Member at his option, and the Company shall apply such prepayments against outstanding Investor Notes on a pro rata basis. To the extent that another Member purchases a portion of a

Capital Commitment Interest of a Withdrawn Member, the purchasing Member's Capital Commitment Capital Account and Capital Commitment Profit Sharing Percentage for such Capital Commitment Investment shall be correspondingly increased.

(c) Upon the occurrence of a Final Event with respect to any Member, such Member shall thereupon cease to be a Member with respect to such Member's Capital Commitment Member Interest. If such a Final Event shall occur, no Successor in Interest to any such Member shall for any purpose hereof become or be deemed to become a Member. The sole right, as against the Company and the remaining Members, acquired hereunder by, or resulting hereunder to, a Successor in Interest to any Member shall be to receive any distributions and allocations with respect to such Member's Capital Commitment Member Interest pursuant to Article VII and this Article VIII, subject to the right of the Company to purchase the Capital Commitment Interests of such former Member pursuant to Section 8.1(b) or Section 8.1(d) to the extent, at the time, in the manner and in the amount otherwise payable to such Member had such a Final Event not occurred, and no other right shall be acquired hereunder by, or shall result hereunder to, a Successor in Interest to such Member, whether by operation of law or otherwise. Until distribution of any such Member's interest in the Company upon the dissolution of the Company as provided in Section 9.2, neither his Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption without the consent of the Managing Member. The Company shall be entitled to treat any Successor in Interest to such Member as the only person entitled to receive distributions and allocations hereunder with respect to such Member's Capital Commitment Member Interest.

(d) If a Member dies or suffers a Total Disability, all Contingent Capital Commitment Interests of such Member shall be purchased by the Company or its designee (within 30 days of the first date on which the Company knows or has reason to know of such Member's death or Total Disability) as provided in Section 8.1(b) (except that any Adjustment Amount shall be payable by or to the estate or personal representative in cash) and any Investor Notes financing such Contingent Capital Commitment Interests shall thereupon be prepaid as provided in Section 8.1(b). In addition, in the case of the death or Total Disability of a Member, if the estate or personal representative of such Member so requests in writing within 180 days of the Member's death or ceasing to be an employee or member (directly or indirectly) of the Company or any of its Affiliates by reason of Total Disability (such requests shall not exceed one per calendar year), the Company or its designee may but is not obligated to purchase for cash all (but not less than all) Non-Contingent Capital Commitment Interests of such Member as of the last day of the Company's then current fiscal year at a price equal to the Capital Commitment Value thereof. Each Member shall be required to include appropriate provisions in his will to reflect such provisions of this Agreement. In addition, the Company may, in the sole discretion of the Managing Member, upon notice to the estate or personal representative of such Member within 30 days of the first date on which the Company knows or has reason to know of such Member's death or Total Disability, determine either (i) to distribute Securities or other property to the estate or personal representative in exchange for such Non-Contingent Capital Commitment Interests as provided in Section 8.1(e) or (ii) to require sale of such Non-Contingent Capital Commitment Interests to the Company or its designee as of the last day of any fiscal year of the Company (or earlier period, as determined

by the Managing Member in its sole discretion) for an amount in cash equal to the Capital Commitment Value thereof.

(e) In lieu of retaining a Withdrawn Member as a Member with respect to any Non-Contingent Capital Commitment Interests, the Managing Member may, in its sole discretion, by notice to such Withdrawn Member within 45 days of his ceasing to be an employee or officer of the Company or any of its Affiliates, or at any time thereafter, upon 30 days written notice, determine (1) to distribute to such Withdrawn Member the pro rata portion of the Securities or other property underlying such Withdrawn Member's Non-Contingent Capital Commitment Interests, subject to any restrictions on distributions associated with the Securities or other property, in satisfaction of his Non-Contingent Capital Commitment Interests in the Company or (2) to cause, as of the last day of any fiscal year of the Company (or earlier period, as determined by the Managing Member in its sole discretion), the Company or another person designated by the Managing Member (who may be itself another Member or another Affiliate of the Company) to purchase all (but not less than all) of such Withdrawn Member's Non-Contingent Capital Commitment Interests for a price equal to the Capital Commitment Value thereof. The Managing Member shall condition any distribution or purchase of voting Securities pursuant to paragraph (d) above or this paragraph (e) upon the Withdrawn Member's execution and delivery to the Company of an appropriate irrevocable proxy, in favor of the Company or its nominee, relating to such Securities.

(f) The Company may subsequently transfer any Unallocated Capital Commitment Interest or portion thereof which is purchased by it as described above to any other person approved by the Managing Member. In connection with such purchase or transfer or the purchase of a Capital Commitment Interest or portion thereof by the Company's designee(s), Holdings may loan all or a portion of the purchase price of the transferred or purchased Capital Commitment Interest to the Company, the transferee or the designee-purchaser(s), as applicable (excluding any of the foregoing who is an executive officer of The Blackstone Group L.P. or any of its Affiliates). To the extent that a Withdrawn Member's Capital Commitment Interests (or portions thereof) are repurchased by the Company and not transferred to or purchased by another person, all or any portion of such repurchased Capital Commitment Interests may, in the sole discretion of the Managing Member, (i) be allocated to each Member already participating in the Capital Commitment Investment to which the repurchased Capital Commitment Interest relates, (ii) be allocated to each Member in the Company, whether or not already participating in such Capital Commitment Investment, and/or (iii) continue to be held by the Company itself as an unallocated Capital Commitment Investment (such Capital Commitment Interests being herein called "Unallocated Capital Commitment Interests"). To the extent that a Capital Commitment Interest is allocated to Members as provided in clause (i) and/or (ii) above, any indebtedness incurred by the Company to finance such repurchase shall also be allocated to such Members. All such Capital Commitment Interests allocated to Members shall be deemed to be Contingent and shall become Non-Contingent as and to the extent that the principal amount of such related indebtedness is repaid. The Members receiving such allocations shall be responsible for such related indebtedness only on a nonrecourse basis to the extent appropriate as provided in this Agreement, except as such Members and the Managing Member shall otherwise agree. If the indebtedness financing such repurchased interests is not so limited, the Company may require an assumption by the Members of such indebtedness on the terms thereof as a precondition to

allocation of the related Capital Commitment Interests to such Members; provided, that a Member shall not, except as set forth in his Investor Note, be obligated to accept any personally recourse obligation unless his prior consent is obtained. So long as the Company itself retains the Unallocated Capital Commitment Interests pursuant to clause (iii) above, such Unallocated Capital Commitment Interests shall belong to the Company and any indebtedness financing the Unallocated Capital Commitment Interests shall be an obligation of the Company to which all income of the Company is subject except as otherwise agreed by the lender of such indebtedness. Any Capital Commitment Net Income (Loss) on an Unallocated Capital Commitment Interest shall be allocated to each Member in the proportion his aggregate Capital Commitment Capital Accounts bear to the aggregate Capital Commitment Capital Accounts of all Members; debt service on such related financing will be an expense of the Company allocable to all Members in such proportions.

(g) If a Member is required to Withdraw from the Company with respect to such Member's Capital Commitment Member Interest for Cause, then his Capital Commitment Interest shall be settled in accordance with paragraphs (a)-(f) and (j) of this Section 8.1; provided, that if such Member was not at any time a direct member of Blackstone Family GP L.L.C., the Managing Member may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) purchase for cash all of such Withdrawn Member's Non-Contingent Capital Commitment Interests. The purchase price for each such Non-Contingent Capital Commitment Interest shall be the lower of (A) the original cost of such Non-Contingent Capital Commitment Interest or (B) an amount equal to the Capital Commitment Value thereof;

(ii) allow the Withdrawn Member to retain such Non-Contingent Capital Commitment Interests; provided, that the maximum amount of Capital Commitment Net Income allocable to such Withdrawn Member with respect to any Capital Commitment Investment shall equal the amount of Capital Commitment Net Income that would have been allocated to such Withdrawn Member if such Capital Commitment Investment had been sold as of the Settlement Date at the then prevailing Capital Commitment Value thereof; or

(iii) in lieu of cash, purchase such Non-Contingent Capital Commitment Interests by providing the Withdrawn Member with a promissory note in the amount determined in (i) above. Such promissory note shall have a maximum term of ten (10) years with interest at the Federal Funds Rate.

(h) The Company will assist a Withdrawn Member or his estate or guardian, as the case may be, in the settlement of the Withdrawn Member's Capital Commitment Member Interest in the Company. Third party costs incurred by the Company in providing this assistance will be borne by the Withdrawn Member or his estate.

(i) The Company may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Members or their estates or guardians, as referred to above. In such instances, the Company will obtain the prior approval of a

Withdrawn Member or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Member (or his estate or guardian) declines to incur such costs, the Company will provide such reasonable assistance as and when it can so as not to interfere with the Company's day-to-day operating, financial, tax and other related responsibilities to the Company and the Members.

(j) Each Member hereby irrevocably appoints the Managing Member as such Member's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Member's name, place and stead, to make, execute, sign and file, on behalf of such Member, any and all agreements, instruments, documents and certificates which such Managing Member deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 8.1, including, without limitation, the performance of any obligation of such Member or the Company or the exercise of any right of such Member or the Company. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Company of any Member for any reason and shall not be affected by the death, disability or incapacity of such Member.

8.2. Transfer of Member's Capital Commitment Interest. Except as otherwise agreed by the Managing Member, no Member or former Member shall have the right to sell, assign, mortgage, pledge or otherwise dispose of or transfer ("Transfer") all or part of any such Member's Capital Commitment Member Interest in the Company; provided, that this Section 8.2 shall in no way impair Transfers (i) as permitted in Section 8.1 above, in the case of the purchase of a Withdrawn Member's or deceased or Totally Disabled Member's Capital Commitment Interests, (ii) Transfers by a Member to another Member of Non- Contingent Capital Commitment Interests, (iii) Transfers of up to 25% of a Regular Member's Capital Commitment Member Interest to an Estate Planning Vehicle and (iv) with the prior written consent of the Managing Member (which consent may be withheld without giving any reason therefor). No person acquiring an interest in the Company pursuant to this Section 8.2 shall become a Member of the Company, or acquire such Member's right to participate in the affairs of the Company, unless such person shall be admitted as a Member pursuant to Section 6.1. A Member shall not cease to be a Member of the Company upon the collateral assignment of, or the pledging or granting of a security interest in, its entire Interest in the Company in accordance with the provisions of this Agreement.

8.3. Compliance with Law. Notwithstanding any provision hereof to the contrary, no sale or Transfer of a Capital Commitment Interest in the Company may be made except in compliance with all Federal, state and other applicable laws, including Federal and state securities laws.

ARTICLE IX DISSOLUTION

9.1. Dissolution. The Company shall be dissolved and subsequently terminated:

(a) pursuant to Section 6.6; or

(b) upon the expiration of the Term.

9.2. Final Distribution . Upon the dissolution of the Company, and following the payment of creditors of the Company and the making of provisions for the payment of any contingent, conditional or unmatured claims known to the Company as required under the LLC Act:

(a) The Members' respective interests in the Company shall be valued and settled in accordance with the procedures set forth in Section 6.5 which provide for allocations to the GP-Related Capital Accounts of the Members and distributions in accordance with the GP-Related Capital Account balances of the Members; and

(b) With respect to each Member's Capital Commitment Member Interest, an amount shall be paid to such Member in cash or Securities in an amount equal to such Member's respective Capital Commitment Liquidating Share for each Capital Commitment Investment; provided, that if the remaining assets relating to any Capital Commitment Investment shall not be equal to or exceed the aggregate Capital Commitment Liquidating Shares for such Capital Commitment Investment, to each Member in proportion to its Capital Commitment Liquidating Share for such Capital Commitment Investment; and the remaining assets of the Company related to the Members' Capital Commitment Member Interests shall be paid to the Members in cash or Securities in proportion to their respective Capital Commitment Profit Sharing Percentages for each Capital Commitment Investment from which such cash or Securities are derived.

The Managing Member shall be the liquidator. In the event that the Managing Member is unable to serve as liquidator, a liquidating trustee shall be chosen by the affirmative vote of a Majority in Interest of the Members voting at a meeting of Members (excluding Nonvoting Special Members).

9.3. Amounts Reserved Related to Capital Commitment Member Interests .

(a) If there are any Securities or other property or other investments or securities related to the Members' Capital Commitment Member Interests which, in the judgment of the liquidator, cannot be sold, or properly distributed in kind in the case of dissolution, without sacrificing a significant portion of the value thereof, the value of a Member's interest in each such Security or other investment or security may be excluded from the amount distributed to the Members participating in the related Capital Commitment Investment pursuant to clause (ii) of Section 9.2(b). Any interest of a Member, including his pro rata interest in any gains, losses or distributions, in Securities or other property or other investments or securities so excluded shall not be paid or distributed until such time as the liquidator shall determine.

(b) If there is any pending transaction, contingent liability or claim by or against the Company related to the Members' Capital Commitment Member Interests as to which the interest or obligation of any Member therein cannot, in the judgment of the liquidator, be then ascertained, the value thereof or probable loss therefrom may be deducted from the amount distributable to such Member pursuant to Section 9.2 (b). No amount shall be

paid or charged to any such Member on account of any such transaction or claim until its final settlement or such earlier time as the liquidator shall determine. The Company may meanwhile retain from other sums due such Member in respect of such Member's Capital Commitment Member Interest an amount which the liquidator estimates to be sufficient to cover the share of such Member in any probable loss or liability on account of such transaction or claim.

(c) Upon determination by the liquidator that circumstances no longer require the exclusion of any Securities or other property or retention of sums as provided in paragraphs (a) and (b) of this Section 9.3, the liquidator shall, at the earliest practicable time, distribute as provided in Section 9.2(b) such sums or such Securities or other property or the proceeds realized from the sale of such Securities or other property to each Member from whom such sums or Securities or other property were withheld.

ARTICLE X
MISCELLANEOUS

10.1. Submission to Jurisdiction; Waiver of Jury Trial.

(a) Any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) shall be finally settled by arbitration conducted by a single arbitrator in New York, NY, in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the International Chamber of Commerce shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. Performance under this Agreement shall continue if reasonably possible during any arbitration proceedings.

(b) Notwithstanding the provisions of paragraph (a), the Managing Member may bring, or may cause the Company to bring, on behalf of the Managing Member or the Company or on behalf of one or more Members, an action or special proceeding in any court of competent jurisdiction for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each Member (i) expressly consents to the application of paragraph (c) of this Section 10.1 to any such action or proceeding, (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and (iii) irrevocably appoints the Managing Member as such Member's agent for service of process in connection with any such action or proceeding and agrees that service of process upon any such agent, who shall promptly advise such Member of any such service of process, shall be deemed in every respect effective service of process upon the Member in any such action or proceeding.

(c) (i) EACH MEMBER HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF COURTS LOCATED IN NEW YORK, NEW YORK FOR THE

PURPOSE OF ANY JUDICIAL PROCEEDING BROUGHT IN ACCORDANCE WITH THE PROVISIONS OF PARAGRAPH b OF THIS SECTION 10.1, OR ANY JUDICIAL PROCEEDING ANCILLARY TO AN ARBITRATION OR CONTEMPLATED ARBITRATION ARISING OUT OF OR RELATING TO OR CONCERNING THIS AGREEMENT. Such ancillary judicial proceedings include any suit, action or proceeding to compel arbitration, to obtain temporary or preliminary judicial relief in aid of arbitration, or to confirm an arbitration award. The parties acknowledge that the forum(s) designated by this paragraph (c) have a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to personal jurisdiction or to the laying of venue of any such ancillary suit, action or proceeding brought in any court referred to in paragraph (c)(i) of this Section 10.1 and such parties agree not to plead or claim the same.

(d) Notwithstanding any provision of this Agreement to the contrary, this Section 10.1 shall be construed to the maximum extent possible to comply with the laws of the State of Delaware, including the Delaware Uniform Arbitration Act (10 Del. C. § 5701 *et seq.*) (the "Delaware Arbitration Act"). If, nevertheless, it shall be determined by a court of competent jurisdiction that any provision or wording of this Section 10.1, including any rules of the International Chamber of Commerce, shall be invalid or unenforceable under the Delaware Arbitration Act, or other applicable law, such invalidity shall not invalidate all of this Section 10.1. In that case, this Section 10.1 shall be construed so as to limit any term or provision so as to make it valid or enforceable within the requirements of the Delaware Arbitration Act or other applicable law, and, in the event such term or provision cannot be so limited, this Section 10.1 shall be construed to omit such invalid or unenforceable provision.

10.2. Ownership and Use of the Blackstone Name . The Company acknowledges that Blackstone TM L.L.C. ("TM"), a Delaware limited liability company with a principal place of business at 345 Park Avenue, New York, New York 10154, (or its successors or assigns) is the sole and exclusive owner of the mark and name BLACKSTONE and that the ownership of, and the right to use, sell or otherwise dispose of, the firm name or any abbreviation or modification thereof which consists of or includes BLACKSTONE, shall belong exclusively to TM. The Company shall not be permitted to use the BLACKSTONE name and service mark without the prior written consent of TM. To the extent the Company is permitted to use the BLACKSTONE name and service mark, all services rendered by the Company under the BLACKSTONE mark and name will be rendered in a manner and with quality levels that are consistent with the high reputation heretofore developed for the BLACKSTONE mark by TM and its Affiliates and licensees. The Company understands that, to the extent TM hereinafter permits the Company to use the BLACKSTONE name and service mark, TM may thereafter terminate the Company's right to use BLACKSTONE at any time in TM's sole discretion by giving the Company written notice of termination. Promptly following any such termination, the Company will take all steps necessary to change its company name to one which does not include BLACKSTONE or any confusingly similar term and cease all use of BLACKSTONE or any term confusingly similar thereto as a service mark or otherwise.

10.3. Written Consent. Any action required or permitted to be taken by a vote of Members at a meeting may be taken without a meeting if a Majority in Interest of the Members consent thereto in writing.

10.4. Letter Agreements; Schedules. The Managing Member may, or may cause the Company to, enter into separate letter agreements with individual Members, officers or employees with respect to GP-Related Profit Sharing Percentages, Capital Commitment Profit Sharing Percentages, any other profit sharing agreements, benefits or any other matter (such letter agreements, the “Admission Letters”). For the avoidance of doubt, any provision of this Agreement to the contrary notwithstanding, in the event of a conflict between this Agreement, on the one hand, and a Member’s Admission Letter, on the other hand, the terms and provisions of the Admission Letter of such Member shall control as between the Company and such Member. The Managing Member may from time to time execute and deliver to the Members schedules which set forth the then current capital balances, GP-Related Profit Sharing Percentages and Capital Commitment Profit Sharing Percentages of the Members and any other matters deemed appropriate by the Managing Member. Such schedules shall be for information purposes only and shall not be deemed to be part of this Agreement for any purpose whatsoever; provided, that this in no way limits the effectiveness of any Commitment Agreement.

10.5. Governing Law; Separability of Provisions. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflict of laws. In particular, the Company has been formed pursuant to the LLC Act, and the rights and liabilities of the Members shall be as provided therein, except as herein otherwise expressly provided. If any provision of this Agreement shall be held to be invalid, such provision shall be given its meaning to the maximum extent permitted by law and the remainder of this Agreement shall not be affected thereby.

10.6. Successors and Assigns. This Agreement shall be binding upon and shall, subject to the penultimate sentence of Section 6.3(a), inure to the benefit of the parties hereto, their respective heirs and personal representatives, and any successor to a trustee of a trust which is or becomes a party hereto; provided, that no person claiming by, through or under a Member (whether such Member’s heir, personal representative or otherwise), as distinct from such Member itself, shall have any rights as, or in respect to, a Member (including the right to approve or vote on any matter or to notice thereof) except the right to receive only those distributions expressly payable to such person pursuant to Articles VI and VIII. Any Member or Withdrawn Member shall remain liable for the obligations under this Agreement (including any Net GP-Related Recontribution Amounts and any Capital Commitment Recontribution Amounts) of any transferee of all or any portion of such Member’s or Withdrawn Member’s interest in the Company, unless waived by the Managing Member. The Company shall, if the Managing Member determines, in its good faith judgment, based on the standards set forth in Sections 5.8(d)(iii) and 7.4(g), to pursue such transferee, pursue payment (including any Net GP-Related Recontribution Amounts and/or Capital Commitment Recontribution Amounts) from the transferee with respect to any such obligations. Nothing in this Agreement is intended, nor shall anything herein be construed, to confer any rights, legal or equitable, on any person other than the Members and their respective legal representatives, heirs, successors and permitted assigns.

10.7. Confidentiality. By executing this Agreement, each Member expressly agrees, at all times during the term of the Company and thereafter and whether or not at the time a Member of the Company, to maintain the confidentiality of, and not to disclose to any person other than the Company, another Member or a person designated by the Company, any information relating to the business, financial structure, financial position or financial results, clients or affairs of the Company that shall not be generally known to the public or the securities industry, except as otherwise required by law or by any regulatory or self-regulatory organization having jurisdiction; provided, that any corporate Member may disclose any such information it is required by law, rule, regulation or custom to disclose. Notwithstanding anything in this Agreement to the contrary, to comply with Treasury Regulation Section 1.6011-4(b)(3)(i), each Member (and any employee, representative or other agent of such Member) may disclose to any and all persons, without limitation of any kind, the U.S. federal income tax treatment and tax structure of the Company, it being understood and agreed, for this purpose, (1) the name of, or any other identifying information regarding (a) the Members or any existing or future investor (or any Affiliate thereof) in any of the Members, or (b) any investment or transaction entered into by the Members; (2) any performance information relating to any of the Members or their investments; and (3) any performance or other information relating to previous funds or investments sponsored by any of the Members, does not constitute such tax treatment or tax structure information.

10.8. Notices. Whenever notice is required or permitted by this Agreement to be given, such notice shall be in writing (including telecopy or similar writing) and shall be given to any Member at its address or telecopy number shown in the Company's books and records or, if given to the Managing Member, at the address of the Company provided herein. Each such notice shall be effective (i) if given by telecopy, upon dispatch, and (ii) if given by hand delivery, when delivered to the address of such Member or Managing Member specified as aforesaid.

10.9. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute a single instrument.

10.10. Power of Attorney. Each Member hereby irrevocably appoints the Managing Member as such Member's true and lawful representative and attorney-in-fact, each acting alone, in such Member's name, place and stead, to make, execute, sign and file all instruments, documents and certificates which, from time to time, may be required to set forth any amendment to this Agreement or may be required by this Agreement or by the laws of the United States of America, the State of Delaware or any other state in which the Company shall determine to do business, or any political subdivision or agency thereof, to execute, implement and continue the valid and subsisting existence of the Company. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the subsequent Withdrawal from the Company of any Member for any reason and shall not be affected by the subsequent disability or incapacity of such Member.

10.11. Member's Will. Each Member and Withdrawn Member shall include in his or her will a provision that addresses certain matters in respect of his or her obligations relating to the Company that is satisfactory to the Managing Member and each such Member and

Withdrawn Member shall confirm annually to the Company, in writing, that such provision remains in his current will. Where applicable, any estate planning trust of such Member or Withdrawn Member to which a portion of such Member's or Withdrawn Member's Interest is transferred shall include a provision substantially similar to such provision and the trustee of such trust shall confirm annually to the Company, in writing, that such provision or its substantial equivalent remains in such trust. In the event any Member or Withdrawn Member fails to comply with the provisions of this Section 10.11 after the Company has notified such Member or Withdrawn Member of his failure to so comply and such failure to so comply is not cured within 30 days of such notice, the Company may withhold any and all distributions to such Member until the time at which such party complies with the requirements of this Section 10.11.

10.12. Cumulative Remedies. Rights and remedies under this Agreement are cumulative and do not preclude use of other rights and remedies available under applicable law.

10.13. Legal Fees. Except as more specifically provided herein, in the event of a legal dispute (including litigation, arbitration or mediation) between any Member or Withdrawn Member and the Company, arising in connection with any party seeking to enforce Section 4.1 (d) or any other provision of this Agreement relating to the Holdback, the Clawback Amount, the GP-Related Giveback Amount, the Capital Commitment Giveback Amount, the Net GP-Related Recontribution Amount or the Capital Commitment Recontribution Amount, the "losing" party to such dispute shall promptly reimburse the "victorious party" for all reasonable legal fees and expenses incurred in connection with such dispute (such determination to be made by the relevant adjudicator). Any amounts due under this Section 10.13 shall be paid within 30 days of the date upon which such amounts are due to be paid and such amounts remaining unpaid after such date shall accrue interest at the Default Interest Rate.

10.14. Entire Agreement. This Agreement embodies the entire agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein. Subject to Section 10.4, this Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

IN WITNESS WHEREOF, the parties have executed this Agreement effective as of the day and year first above written. In the event that it is impracticable to obtain the signature of any one or more of the Members to this Agreement, this Agreement shall be binding among the other Members executing the same.

(a) Liability to Partners. Notwithstanding any other provision of this Agreement, whether express or implied, to the fullest extent permitted by law, no Partner nor any of such Partner's representatives, agents or advisors nor any partner, member, officer, employee, representative, agent or advisor of the Partnership or any of its Affiliates (individually, a "*Covered Person*" and collectively, the "*Covered Persons*") shall be liable to the Partnership or any other Partner for any act or omission (in relation to the Partnership, this Agreement, any

related document or any transaction or investment contemplated hereby or thereby) taken or omitted by a Covered Person (other than any act or omission constituting Cause), unless there is a final and non-appealable judicial determination and/or determination of an arbitrator that such Covered Person did not act in good faith and in what such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Partnership and within the authority granted to such Covered Person by this Agreement, and, with respect to any criminal act or proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful. Each Covered Person shall be entitled to rely in good faith on the advice of legal counsel to the Partnership, accountants and other experts or professional advisors, and no action taken by any Covered Person in reliance on such advice shall in any event subject such person to any liability to any Partner or the Partnership. To the extent that, at law or in equity, a Partner has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or to another Partner, to the fullest extent permitted by law, such Partner acting under this Agreement shall not be liable to the Partnership or to any such other Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they expand or restrict the duties and liabilities of a Partner otherwise existing at law or in equity, are agreed by the Partners, to the fullest extent permitted by law, to modify to that extent such other duties and liabilities of such Partner.

(b) Indemnification. (i) To the fullest extent permitted by law, the Partnership shall indemnify and hold harmless (but only to the extent of the Partnership's assets (including, without limitation, the remaining capital commitments of the Partners) each Covered Person from and against any and all claims, damages, losses, costs, expenses and liabilities (including, without limitation, amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim), joint and several, of any nature whatsoever, known or unknown, liquidated or unliquidated (collectively, for purposes of this Section 3.6, "*Losses*"), arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of such Covered Person's management of the affairs of the Partnership or which relate to or arise out of or in connection with the Partnership, its property, its business or affairs (other than claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, arising out of any act or omission of such Covered Person constituting Cause); provided, that a Covered Person shall not be entitled to indemnification under this Section with respect to any claim, issue or matter if there is a final and non-appealable judicial determination and/or determination of an arbitrator that such Covered Person did not act in good faith and in what such Covered Person reasonably believed to be in, or not opposed to, the best interest of the Partnership and within the authority granted to such Covered Person by this Agreement, and, with respect to any criminal act or proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful; provided further, that if such Covered Person is a Partner or a Withdrawn Partner, such Covered Person shall bear its share of such Losses in accordance with such Covered Person's GP-Related Profit Sharing Percentage in the Partnership as of the time of the actions or omissions that gave rise to such Losses. To the fullest extent permitted by law, expenses (including legal fees) incurred by a Covered Person (including, without limitation, the General Partner) in defending any claim, demand, action, suit or proceeding may, with the approval of the General Partner, from time to time, be advanced by the Partnership prior to the final disposition of such claim,

demand, action, suit or proceeding upon receipt by the Partnership of a written undertaking by or on behalf of the Covered Person to repay such amount to the extent that it shall be subsequently determined that the Covered Person is not entitled to be indemnified as authorized in this Section, and the Partnership and its Affiliates shall have a continuing right of offset against such Covered Person's interests/investments in the Partnership and such Affiliates and shall have the right to withhold amounts otherwise distributable to such Covered Person to satisfy such repayment obligation. If a Partner institutes litigation against a Covered Person which gives rise to an indemnity obligation hereunder, such Partner shall be responsible, up to the amount of such Partner's Interests and remaining capital commitment, for such Partner's pro rata share of the Partnership's expenses related to such indemnity obligation, as determined by the General Partner. The Partnership may purchase insurance, to the extent available at reasonable cost, to cover losses, claims, damages or liabilities covered by the foregoing indemnification provisions. Partners will not be personally obligated with respect to indemnification pursuant to this Section. The General Partner shall have the authority to enter into separate agreements with any Covered Person in order to give effect to the obligations to indemnify pursuant to this Section 3.6.

(ii) (A) Notwithstanding anything to the contrary herein, for greater certainty, it is understood and/or agreed that the Partnership's obligations hereunder are not intended to render the Partnership as a primary indemnitor for purposes of the indemnification, advancement of expenses and related provisions under applicable law governing BREP VII and/or a particular portfolio entity through which an Investment is indirectly held. It is further understood and/or agreed that a Covered Person shall first seek to be so indemnified and have such expenses advanced in the following order of priority: first out of proceeds available in respect of applicable insurance policies maintained by the applicable portfolio entity and/or BREP VII, second by the applicable portfolio entity through which such investment is indirectly held, and third by BREP VII (only to the extent the foregoing sources are exhausted).

(B) The Partnership's obligation, if any, to indemnify or advance expenses to any Covered Person shall be reduced by any amount that such Covered Person may collect as indemnification or advancement from BREP VII and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), and to the extent the Partnership (or any Affiliate thereof) pays or causes to be paid any amounts that should have been paid by BREP VII and/or the applicable portfolio entity (including by virtue of any applicable insurance policies maintained thereby), it is agreed among the Partners that the Partnership shall have a subrogation claim against BREP VII and/or such portfolio entity in respect of such advancement or payments. The General Partner and the Partnership shall be specifically empowered to structure any such advancement or payment as a loan or other arrangement (except for a loan to an executive officer of The Blackstone Group L.P. or any of its Affiliates, which shall not be permitted) as the General Partner may determine necessary or advisable to give effect to or otherwise implement the foregoing.

Section 3.7. Representations of Limited Partners.

(a) Each Limited Partner by execution of this Agreement (or by otherwise becoming bound by the terms and conditions hereof as provided herein or in the Partnership Act) represents and warrants to every other Partner and to the Partnership, except as may be waived by the General Partner, that such Limited Partner is acquiring each of such Limited Partner's

Interests for such Limited Partner's own account for investment and not with a view to resell or distribute the same or any part hereof, and that no other person has any interest in any such Interest or in the rights of such Limited Partner hereunder; provided, that a Partner may choose to make transfers for estate and charitable planning purposes (in accordance with the terms hereof). Each Limited Partner represents and warrants that such Limited Partner understands that the Interests have not been registered under the Securities Act of 1933 and therefore such Interests may not be resold without registration under such Act or exemption from such registration, and that accordingly such Limited Partner must bear the economic risk of an investment in the Partnership for an indefinite period of time. Each Limited Partner represents that such Limited Partner has such knowledge and experience in financial and business matters that such Limited Partner is capable of evaluating the merits and risks of an investment in the Partnership, and that such Limited Partner is able to bear the economic risk of such investment. Each Limited Partner represents that such Limited Partner's overall commitment to the Partnership and other investments which are not readily marketable is not disproportionate to the Limited Partner's net worth and the Limited Partner has no need for liquidity in the Limited Partner's investment in Interests. Each Limited Partner represents that to the full satisfaction of the Limited Partner, the Limited Partner has been furnished any materials that such Limited Partner has requested relating to the Partnership, any Investment and the offering of Interests and has been afforded the opportunity to ask questions of representatives of the Partnership concerning the terms and conditions of the offering of Interests and any matters pertaining to each Investment and to obtain any other additional information relating thereto. Each Limited Partner represents that the Limited Partner has consulted to the extent deemed appropriate by the Limited Partner with the Limited Partner's own advisers as to the financial, tax, legal and related matters concerning an investment in Interests and on that basis believes that an investment in the Interests is suitable and appropriate for the Limited Partner.

(b) Each Partner agrees that the representations and warranties contained in paragraph (a) above shall be true and correct as of any date that such Partner (1) makes a capital contribution to the Partnership (whether as a result of Firm Advances made to such Partner or otherwise) with respect to any Investment, and such Partner hereby agrees that such capital contribution shall serve as confirmation thereof and/or (2) repays any portion of the principal amount of a Firm Advance, and such Partner hereby agrees that such repayment shall serve as confirmation thereof.

Section 3.8. Tax Representation. Each Limited Partner certifies that (A) if the Limited Partner is a United States person (as defined in the Code) (x) (i) the Limited Partner's name, social security number (or, if applicable, employer identification number) and address provided to the Partnership and its Affiliates pursuant to an IRS Form W-9, Payer's Request for Taxpayer Identification Number Certification ("W-9") or otherwise are correct and (ii) the Limited Partner will complete and return a W-9, and (y) (i) the Limited Partner is a United States person (as defined in the Code) and (ii) the Limited Partner will notify the Partnership within 60 days of a change to foreign (non-United States) status or (B) if the Limited Partner is not a United States person (as defined in the Code) (x) (i) the information on the completed IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding ("W-8BEN") or other applicable form, including but not limited to IRS Form W-8IMY, Certificate of Foreign Intermediary, Foreign Partnership, or Certain U.S. Branches for United States Tax Withholding ("W-8IMY"), or otherwise is correct and (ii) the Limited Partner will

complete and return the applicable IRS form, including but not limited to a W-8BEN or W-8IMY, and (y) (i) the Limited Partner is not a United States person (as defined in the Code) and (ii) the Limited Partner will notify the Partnership within 60 days of any change of such status. The Limited Partner agrees to properly execute and provide to the Partnership in a timely manner any tax documentation that may be reasonably required by the Partnership or the General Partner.

ARTICLE IV

CAPITAL OF THE PARTNERSHIP

Section 4.1. Capital Contributions by Partners. (a) Each Partner shall be required to make capital contributions to the Partnership (“*GP-Related Capital Contributions*”) at such times and in such amounts (the “*GP-Related Required Amounts*”) as are required to satisfy the Partnership’s obligation to make capital contributions to BREP VII in respect of the GP-Related BREP VII Interest with respect to any GP-Related BREP VII Investment and as are otherwise determined by the General Partner from time to time or as may be set forth in such Limited Partner’s Commitment Agreement or SMD Agreement, if any; provided, that additional GP-Related Capital Contributions in excess of the GP-Related Required Amounts may be made pro rata among the Partners based upon each Partner’s Carried Interest Sharing Percentage. GP-Related Capital Contributions in excess of the GP-Related Required Amounts which are to be used for ongoing business operations (as distinct from financing, legal or other specific liabilities of the Partnership (including those specifically set forth in Sections 4.1(d) and 5.8(d)) shall be determined by the General Partner. Limited Partners shall not be required to make additional GP-Related Capital Contributions to the Partnership in excess of the GP-Related Required Amounts, except (i) as a condition of an increase in such Limited Partner’s GP-Related Profit Sharing Percentage or (ii) as specifically set forth in this Agreement; provided, that the General Partner and any Limited Partner may agree from time to time that such Limited Partner shall make an additional GP-Related Capital Contribution to the Partnership; provided further, that each Investor Limited Partner shall maintain its GP-Related Capital Accounts at an aggregate level equal to the product of (i) its GP-Related Profit Sharing Percentage from time to time and (ii) the total capital of the Partnership related to the GP-Related BREP VII Interest.

(b) The General Partner may elect on a case by case basis to (i) cause the Partnership to loan any Partner (including any additional Partner admitted to the Partnership pursuant to Section 6.1 but excluding any Partners who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) the amount of any GP-Related Capital Contribution required to be made by such Partner or (ii) permit any Partner (including any additional Partner admitted to the Partnership pursuant to Section 6.1 but excluding any Partners who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) to make a required GP-Related Capital Contribution to the Partnership in installments, in each case on terms determined by the General Partner.

(c) Each GP-Related Capital Contribution by a Partner shall be credited to the appropriate GP-Related Capital Account of such Partner in accordance with Section 5.2, subject to Section 5.10.

(d) The Partners and the Withdrawn Partners have entered into the Trust Agreement, pursuant to which certain amounts of distributions relating to Carried Interest will be paid to the Trustee(s) for deposit in the Trust Account (such amounts to be paid to the Trustee(s) for deposit in the Trust Account constituting a “*Holdback*”).

(i) The General Partner shall determine, as set forth below, the percentage of each distribution of Carried Interest that shall be withheld for any General Partner (including, without limitation, the General Partner) and each Partner Category (such withheld percentage constituting a General Partner’s and such Partner Category’s “*Holdback Percentage*”). The applicable Holdback Percentages initially shall be 0% for any General Partner, 15% for Existing Partners (other than any General Partner), 21% for Retaining Withdrawn Partners (other than any General Partner) and 24% for Deceased Partners (the “*Initial Holdback Percentages*”). Any provision of this Agreement to the contrary notwithstanding, the Holdback Percentage for any General Partner (including, without limitation, the General Partner) shall not be subject to change pursuant to clause (ii), (iii) or (iv) of this Section 4.1(d).

(ii) The Holdback Percentage may not be reduced for any individual Partner as compared to the other Partners in his Partner Category (except as provided in clause (iv) below). The General Partner may only reduce the Holdback Percentages among the Partner Categories on a proportionate basis. For example, if the Holdback Percentage for Existing Partners is decreased to 12.5%, the Holdback Percentage for Retaining Withdrawn Partners and Deceased Partners shall be reduced to 17.5% and 20%, respectively. Any reduction in the Holdback Percentage for any Partner shall apply only to distributions relating to Carried Interest made after the date of such reduction.

(iii) The Holdback Percentage may not be increased for any individual Partner as compared to the other Partners in his Partner Category (except as provided in clause (iv) below). The General Partner may not increase the Retaining Withdrawn Partners’ Holdback Percentage beyond 21% unless the General Partner concurrently increases the Existing Partners’ Holdback Percentage to 21%. The General Partner may not increase the Deceased Partners’ Holdback Percentage beyond 24% unless the General Partner increases the Holdback Percentage for both Existing Partners and Retaining Withdrawn Partners to 24%. The General Partner may not increase the Holdback Percentage of any Partner Category beyond 24% unless such increase applies equally to all Partner Categories. Any increase in the Holdback Percentage for any Partner shall apply only to distributions relating to Carried Interest made after the date of such increase. The foregoing shall in no way prevent the General Partner from proportionately increasing the Holdback Percentage of any Partner Category (following a reduction of the Holdback Percentages below the Initial Holdback Percentages), if the resulting Holdback Percentages are consistent with the above. For example, if the General Partner reduces the Holdback Percentages for Existing Partners, Retaining Withdrawn Partners and Deceased Partners to 12.5%, 17.5% and 20%, respectively, the General Partner shall have the right to subsequently increase the Holdback Percentages to the Initial Holdback Percentages.

(iv) (A) Notwithstanding anything contained herein to the contrary, the Partnership may increase or decrease the Holdback Percentage for any Partner in any

Partner Category (in such capacity, the “ *Subject Partner* ”) pursuant to a majority vote of the Limited Partners and the General Partner (a “ *Holdback Vote* ”); provided, that, notwithstanding anything to the contrary contained herein, the Holdback Percentage applicable to any General Partner shall not be increased or decreased without its prior written consent; provided further, that a Subject Partner’s Holdback Percentage shall not be (I) increased prior to such time as such Subject Partner (x) is notified by the Partnership of the decision to increase such Subject Partner’s Holdback Percentage and (y) has, if requested by such Subject Partner, been given 30 days to gather and provide information to the Partnership for consideration before a second Holdback Vote (requested by the Subject Partner) or (II) decreased unless such decrease occurs subsequent to an increase in a Subject Partner’s Holdback Percentage pursuant to a Holdback Vote under this clause (iv); provided further, that such decrease shall not exceed an amount such that such Subject Partner’s Holdback Percentage is less than the prevailing Holdback Percentage for such Subject Partner’s Partner Category; provided further, that a Partner shall not vote to increase a Subject Partner’s Holdback Percentage unless such voting Partner determines, in such Partner’s good faith judgment, that the facts and circumstances indicate that it is reasonably likely that such Subject Partner, or any of such Subject Partner’s successors or assigns (including such Subject Partner’s estate or heirs) who at the time of such vote holds the GP-Related Partner Interest or otherwise has the right to receive distributions relating thereto, will not be capable of satisfying any GP-Related Recontribution Amounts that may become due.

(B) A Holdback Vote shall take place at a Partnership meeting. Each of the Limited Partners and the General Partner shall be entitled to cast one vote with respect to the Holdback Vote regardless of such Partner’s interest in the Partnership. Such vote may be cast by any such Partner in person or by proxy.

(C) If the result of the second Holdback Vote is an increase in a Subject Partner’s Holdback Percentage, such Subject Partner may submit the decision to an arbitrator, the identity of which is mutually agreed upon by both the Subject Partner and the Partnership; provided, that if the Partnership and the Subject Partner cannot agree upon a mutually satisfactory arbitrator within 10 days of the second Holdback Vote, each of the Partnership and the Subject Partner shall request its candidate for arbitrator to select a third arbitrator satisfactory to such candidates; provided further, that if such candidates fail to agree upon a mutually satisfactory arbitrator within 30 days of such request, the then sitting President of the American Arbitration Association shall unilaterally select the arbitrator. Each Subject Partner that submits the decision of the Partnership pursuant to the second Holdback Vote to arbitration and the Partnership shall estimate their reasonably projected out-of-pocket expenses relating thereto and each such party shall, to the satisfaction of the arbitrator and prior to any determination being made by the arbitrator, pay the total of such estimated expenses (i.e., both the Subject Partner’s and the Partnership’s expenses) into an escrow account to be controlled by Simpson Thacher & Bartlett LLP, as escrow agent (or such other comparable law firm as the Partnership and the Subject Partner shall agree). The arbitrator shall direct the escrow agent to pay out of such escrow account all expenses associated with such arbitration (including costs

leading thereto) and to return to the “victorious” party the entire amount of funds such party paid into such escrow account. If the amount contributed to the escrow account by the losing party is insufficient to cover the expenses of such arbitration, such “losing” party shall then provide any additional funds necessary to cover such costs to such “victorious” party. For purposes hereof, the “victorious” party shall be the Partnership, if the Holdback Percentage ultimately determined by the arbitrator is closer to the percentage determined in the second Holdback Vote than it is to the prevailing Holdback Percentage for the Subject Partner’s Partner Category; otherwise, the Subject Partner shall be the “victorious” party. The party that is not the “victorious” party shall be the “losing” party.

(D) In the event of a decrease in a Subject Partner’s Holdback Percentage (1) pursuant to a Holdback Vote under this clause (iv) or (2) pursuant to a decision of an arbitrator under paragraph (C) of this clause (iv), the Partnership shall release and distribute to such Subject Partner any Trust Amounts (and the Trust Income thereon (except as expressly provided herein with respect to using Trust Income as Firm Collateral)) which exceed the required Holdback of such Subject Partner (in accordance with such Subject Partner’s reduced Holdback Percentage) as though such reduced Holdback Percentage had applied since the increase of the Subject Partner’s Holdback Percentage pursuant to a previous Holdback Vote under this clause (iv).

(v) (A) If a Partner’s Holdback Percentage exceeds 15% (such percentage in excess of 15% constituting the “*Excess Holdback Percentage*”), such Partner may satisfy the portion of his Holdback obligation in respect of his Excess Holdback Percentage (such portion constituting such Partner’s “*Excess Holdback*”), and such Partner (or a Withdrawn Partner with respect to amounts contributed to the Trust Account while he was a Partner), to the extent his Excess Holdback obligation has previously been satisfied in cash, may obtain the release of the Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Partner or Withdrawn Partner) satisfying such Partner’s or Withdrawn Partner’s Excess Holdback obligation, by pledging or otherwise making available to the Partnership, on a first priority basis (except as provided below), all or any portion of his Firm Collateral in satisfaction of his Excess Holdback obligation. Any Partner seeking to satisfy all or any portion of the Excess Holdback utilizing Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the good faith judgment of the General Partner) to perfect a first priority security interest in, and otherwise assure the ability of the Partnership to realize on (if required), such Firm Collateral; provided, that in the case of entities listed in the books and records of the Partnership, in which Partners/members are permitted to pledge their interests therein to finance all or a portion of their capital contributions thereto (“*Pledgable Blackstone Interests*”), to the extent a first priority security interest is unavailable because of an existing lien on such Firm Collateral, the Partner or Withdrawn Partner seeking to utilize such Firm Collateral shall grant the Partnership a second priority security interest therein in the manner provided above; provided further, that (x) in the case of Pledgable Blackstone Interests, to the extent that neither a first priority nor a second priority security interest is available, or (y)

if the General Partner otherwise determines in its good faith judgment that a security interest in Firm Collateral (and the corresponding documents and actions) are not necessary or appropriate, the Partner or Withdrawn Partner shall (in the case of either clause (x) or (y) above) irrevocably instruct in writing the relevant partnership, limited liability company or other entity listed in the books and records of the Partnership to remit any and all net proceeds resulting from a Firm Collateral Realization on such Firm Collateral to the Trustee(s) as more fully provided in clause (B) below. The Partnership shall, at the request of any Partner or Withdrawn Partner, assist such Partner or Withdrawn Partner in taking such action as is necessary to enable such Partner or Withdrawn Partner to use Firm Collateral as provided hereunder.

(B) If upon a sale or other realization of all or any portion of any Firm Collateral (a “*Firm Collateral Realization*”), the remaining Firm Collateral is insufficient to cover any Partner’s or Withdrawn Partner’s Excess Holdback requirement, then up to 100% of the net proceeds otherwise distributable to such Partner or Withdrawn Partner from such Firm Collateral Realization (including distributions subject to the repayment of financing sources as in the case of Pledgable Blackstone Interests) shall be paid into the Trust Account to fully satisfy such Excess Holdback requirement (allocated to such Partner or Withdrawn Partner) and shall be deemed to be Trust Amounts for purposes hereunder. Any net proceeds from such Firm Collateral Realization in excess of the amount necessary to satisfy such Excess Holdback requirement shall be distributed to such Partner or Withdrawn Partner.

(C) Upon any valuation or revaluation of Firm Collateral that results in a decreased valuation of such Firm Collateral so that such Firm Collateral is insufficient to cover any Partner’s or Withdrawn Partner’s Excess Holdback requirement (including upon a Firm Collateral Realization, if net proceeds therefrom and the remaining Firm Collateral are insufficient to cover any Partner’s or Withdrawn Partner’s Excess Holdback requirement), the Partnership shall provide notice of the foregoing to such Partner or Withdrawn Partner and such Partner or Withdrawn Partner shall, within 30 days of receiving such notice, contribute cash (or additional Firm Collateral) to the Trust Account in an amount necessary to satisfy his Excess Holdback requirement. If any such Partner or Withdrawn Partner defaults upon his obligations under this clause (C), then Section 5.8(d)(ii) shall apply thereto; provided, that clause (A) of the first sentence of Section 5.8(d)(ii) shall be deemed inapplicable to a default under this clause (C); provided further, that for purposes of applying Section 5.8(d)(ii) to a default under this clause (C): (I) the term “GP-Related Defaulting Party” where such term appears in such Section 5.8(d)(ii) shall be construed as “defaulting party” for purposes hereof and (II) the terms “Net GP-Related Recontribution Amount” and “GP-Related Recontribution Amount” where such terms appear in such Section 5.8(d)(ii) shall be construed as the amount due pursuant to this clause (C).

(vi) Any Limited Partner or Withdrawn Partner may (A) obtain the release of any Trust Amounts (but not the Trust Income thereon which shall remain in the

Trust Account and allocated to such Partner or Withdrawn Partner) or Firm Collateral, in each case, held in the Trust Account for the benefit of such Partner or Withdrawn Partner or (B) require the Partnership to distribute all or any portion of amounts otherwise required to be placed in the Trust Account (whether cash or Firm Collateral), by obtaining a letter of credit (an “*L/C*”) for the benefit of the Trustee(s) in such amounts. Any Partner or Withdrawn Partner choosing to furnish an L/C to the Trustee(s) (in such capacity, an “*L/C Partner*”) shall deliver to the Trustee(s) an unconditional and irrevocable L/C from a commercial bank whose (x) short-term deposits are rated at least A-1 by S&P and P-1 by Moody’s (if the L/C is for a term of 1 year or less), or (y) long-term deposits are rated at least A+ by S&P or A1 by Moody’s (if the L/C is for a term of 1 year or more) (each a “*Required Rating*”). If the relevant rating of the commercial bank issuing such L/C drops below the relevant Required Rating, the L/C Partner shall supply to the Trustee(s), within 30 days of such occurrence, a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, in lieu of the insufficient L/C. In addition, if the L/C has a term expiring on a date earlier than the latest possible termination date of BREP VII, the Trustee(s) shall be permitted to drawdown on such L/C if the L/C Partner fails to provide a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating, at least 30 days prior to the stated expiration date of such existing L/C. The Trustee(s) shall notify an L/C Partner 10 days prior to drawing on any L/C. The Trustee(s) may (as directed by the Partnership in the case of clause (I) below) draw down on an L/C only if (I) such a drawdown is necessary to satisfy an L/C Partner’s obligation relating to the Partnership’s obligations under the Clawback Provisions or (II) an L/C Partner has not provided a new L/C from a commercial bank whose relevant rating is at least equal to the relevant Required Rating (or the requisite amount of cash and/or Firm Collateral (to the extent permitted hereunder)), at least 30 days prior to the stated expiration of an existing L/C in accordance with this clause (vi). The Trustee(s), as directed by the Partnership, shall return to any L/C Partner his L/C upon (1) the termination of the Trust Account and satisfaction of the Partnership’s obligations, if any, in respect of the Clawback Provisions, (2) an L/C Partner satisfying his entire Holdback obligation in cash and Firm Collateral (to the extent permitted hereunder), or (3) the release, by the Trustee(s), as directed by the Partnership, of all amounts in the Trust Account to the Partners or Withdrawn Partners. If an L/C Partner satisfies a portion of his Holdback obligation in cash and/or Firm Collateral (to the extent permitted hereunder) or if the Trustee(s), as directed by the Partnership, release a portion of the amounts in the Trust Account to the Partners or Withdrawn Partners in the Partner Category of such L/C Partner, the L/C of an L/C Partner may be reduced by an amount corresponding to such portion satisfied in cash and/or Firm Collateral (to the extent permitted hereunder) or such portion released by the Trustee(s), as directed by the Partnership; provided, that in no way shall the general release of any Trust Income cause an L/C Partner to be permitted to reduce the amount of an L/C by any amount.

(vii) Any in-kind distributions by the Partnership relating to Carried Interest shall be made in accordance herewith as though such distributions consisted of cash. The Partnership may direct the Trustee(s) to dispose of any in-kind distributions held in the Trust Account at any time. The net proceeds therefrom shall be treated as though initially contributed to the Trust Account.

(A) In lieu of the foregoing, any Existing Partner may pledge with respect to any in-kind distribution the Special Firm Collateral referred to in the applicable category in the books and records of the Partnership; provided, that the initial contribution of such Special Firm Collateral shall initially equal 130% of the required Holdback Amount for a period of 90 days, and thereafter shall equal at least 115% of the required Holdback Amount. Paragraphs 4.1(d)(viii)(C) and (D) shall apply to such Special Firm Collateral. To the extent such Special Firm Collateral exceeds the applicable minimum percentage of the required Holdback Amount specified in the first sentence of this clause (vii)(B), the related Partner may obtain a release of such excess amount from the Trust Account.

(viii) (A) Any Limited Partner or Withdrawn Partner may satisfy all or any portion of his Holdback (excluding any Excess Holdback), and such Partner or a Withdrawn Partner may, to the extent his Holdback (excluding any Excess Holdback) has been previously satisfied in cash or by the use of an L/C as provided herein, obtain a release of Trust Amounts (but not the Trust Income thereon which shall remain in the Trust Account and allocated to such Partner or Withdrawn Partner) that satisfy such Partner's or Withdrawn Partner's Holdback (excluding any Excess Holdback) by pledging to the Trustee(s) on a first priority basis all of his Special Firm Collateral in a particular Qualifying Fund, which at all times must equal or exceed the amount of the Holdback distributed to the Partner or Withdrawn Partner (as more fully set forth below). Any Partner seeking to satisfy such Partner's Holdback utilizing Special Firm Collateral shall sign such documents and otherwise take such other action as is necessary or appropriate (in the good faith judgment of the General Partner) to perfect a first priority security interest in, and otherwise assure the ability of the Trustee(s) to realize on (if required), such Special Firm Collateral.

(B) If upon a distribution, withdrawal, sale, liquidation or other realization of all or any portion of any Special Firm Collateral (a "*Special Firm Collateral Realization*"), the remaining Special Firm Collateral (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund and is being used in connection with an Excess Holdback) is insufficient to cover any Partner's or Withdrawn Partner's Holdback (when taken together with other means of satisfying the Holdback as provided herein (i.e., cash contributed to the Trust Account or an L/C in the Trust Account)), then up to 100% of the net proceeds otherwise distributable to such Partner or Withdrawn Partner from such Special Firm Collateral Realization (which shall not include the amount of Firm Collateral that consists of a Qualifying Fund or other asset and is being used in connection with an Excess Holdback) shall be paid into the Trust (and allocated to such Partner or Withdrawn Partner) to fully satisfy such Holdback and shall be deemed thereafter to be Trust Amounts for purposes hereunder. Any net proceeds from such Special Firm Collateral Realization in excess of the amount necessary to satisfy such Holdback (excluding any Excess Holdback) shall be distributed to such Partner or Withdrawn Partner. To the extent a Qualifying Fund distributes Securities to a Partner or Withdrawn Partner in connection with a Special Firm Collateral Realization, such Partner or Withdrawn Partner shall be required to

promptly fund such Partner's or Withdrawn Partner's deficiency with respect to his Holdback in cash or an L/C.

(C) Upon any valuation or revaluation of the Special Firm Collateral and/or any adjustment in the Applicable Collateral Percentage applicable to a Qualifying Fund (as provided in the books and records of the Partnership), if such Partner's or Withdrawn Partner's Special Firm Collateral valued at less than such Partner's Holdback (excluding any Excess Holdback) as provided in the books and records of the Partnership, taking into account other permitted means of satisfying the Holdback hereunder, the Partnership shall provide notice of the foregoing to such Partner or Withdrawn Partner and, within 10 business days of receiving such notice, such Partner or Withdrawn Partner shall contribute cash or additional Special Firm Collateral to the Trust Account in an amount necessary to make up such deficiency. If any such Partner or Withdrawn Partner defaults upon his obligations under this clause (C), then Section 5.8(d)(ii) shall apply thereto; provided, that clause (A) of Section 5.8(d)(ii) shall be deemed inapplicable to such default; provided further, that for purposes of applying Section 5.8(d)(ii) to a default under this clause (C): (I) the term "GP-Related Defaulting Party" where such term appears in such Section 5.8(d)(ii) shall be construed as "defaulting party" for purposes hereof and (II) the terms "Net GP-Related Recontribution Amount" and "GP-Related Recontribution Amount" where such terms appear in such Section 5.8(d)(ii) shall be construed as the amount due pursuant to this clause (C).

(D) Upon a Partner becoming a Withdrawn Partner, at any time thereafter the General Partner may revoke the ability of such Withdrawn Partner to use Special Firm Collateral as set forth in this Section 4.1(d)(viii), notwithstanding anything else in this Section 4.1(d)(viii). In that case the provisions of clause (C) above shall apply to the Withdrawn Partner's obligation to satisfy the Holdback (except that 30 days' notice of such revocation shall be given), given that the Special Firm Collateral is no longer available to satisfy any portion of the Holdback (excluding any Excess Holdback).

(E) Nothing in this Section 4.1(d)(viii) shall prevent any Partner or Withdrawn Partner from using any amount of such Partner's interest in a Qualifying Fund as Firm Collateral; provided that at all times Section 4.1(d)(v) and this Section 4.1(d)(viii) are each satisfied.

Section 4.2. Interest. Interest on the balances of the Partners' capital related to the Partners' GP-Related Partner Interests (excluding capital invested in GP-Related Investments and, if deemed appropriate by the General Partner, capital invested in any other investment of the Partnership) shall be credited to the Partners' GP-Related Capital Accounts at the end of each accounting period pursuant to Section 5.2, or at any other time as determined by the General Partner, at rates determined by the General Partner from time to time, and shall be charged as an expense of the Partnership.

Section 4.3. Withdrawals of Capital. No Partner may withdraw capital related to such Partner's GP-Related Partner Interest from the Partnership except (i) for distributions of cash or other property pursuant to Section 5.8, (ii) as otherwise expressly provided in this Agreement, or (iii) as determined by the General Partner.

ARTICLE V

PARTICIPATION IN PROFITS AND LOSSES

Section 5.1. General Accounting Matters.

(a) GP-Related Net Income (Loss) shall be determined by the General Partner at the end of each accounting period and shall be allocated as described in Section 5.4.

(b) "*GP-Related Net Income (Loss)*" from any activity of the Partnership related to the GP-Related BREP VII Interest for any accounting period means (i) the gross income realized by the Partnership from such activity during such accounting period less (ii) all expenses of the Partnership, and all other items that are deductible from gross income, for such accounting period that are allocable to such activity (determined as provided below).

"*GP-Related Net Income (Loss)*" from any GP-Related Investment for any accounting period in which such GP-Related Investment has not been sold or otherwise disposed of means (i) the gross amount of dividends, interest or other income received by the Partnership from such GP-Related Investment during such accounting period less (ii) all expenses of the Partnership for such accounting period that are allocable to such GP-Related Investment (determined as provided below).

"*GP-Related Net Income (Loss)*" from any GP-Related Investment for the accounting period in which such GP-Related Investment is sold or otherwise disposed of means (i) the sum of the gross proceeds from the sale or other disposition of such GP-Related Investment and the gross amount of dividends, interest or other income received by the Partnership from such GP-Related Investment during such accounting period less (ii) the sum of the cost or other basis to the Partnership of such GP-Related Investment and all expenses of the Partnership for such accounting period that are allocable to such GP-Related Investment.

GP-Related Net Income (Loss) shall be determined in accordance with the accounting method used by the Partnership for Federal income tax purposes with the following adjustments: (i) any income of the Partnership that is exempt from Federal income taxation and not otherwise taken into account in computing GP-Related Net Income (Loss) shall be added to such taxable income or loss; (ii) if any asset has a value on the books of the Partnership that differs from its adjusted tax basis for Federal income tax purposes, any depreciation, amortization or gain resulting from a disposition of such asset shall be calculated with reference to such value; (iii) upon an adjustment to the value of any asset on the books of the Partnership pursuant to Regulation Section 1.704-1(b)(2), the amount of the adjustment shall be included as gain or loss in computing such taxable income or loss; (iv) any expenditures of the Partnership not deductible in computing taxable income or loss, not properly capitalizable and not otherwise taken into account in computing GP-Related Net Income (Loss) pursuant to this definition shall be treated

as deductible items; (v) any income from a GP-Related Investment that is payable to Partnership employees in respect of “phantom interests” in such GP-Related Investment awarded by the General Partner to employees shall be included as an expense in the calculation of GP-Related Net Income (Loss) from such GP-Related Investment, and (vi) items of income and expense (including interest income and overhead and other indirect expenses) of the Partnership and Affiliates of the Partnership shall be allocated among the Partnership and such Affiliates, among various Partnership activities and GP-Related Investments and between accounting periods, in each case as determined by the General Partner. Any adjustments to GP-Related Net Income (Loss) by the General Partner, including adjustments for items of income accrued but not yet received, unrealized gains, items of expense accrued but not yet paid, unrealized losses, reserves (including reserves for taxes, bad debts, actual or threatened litigation, or any other expenses, contingencies or obligations) and other appropriate items, shall be made in accordance with U.S. generally accepted accounting principles (“GAAP”); provided, that the General Partner shall not be required to make any such adjustment.

(c) An accounting period shall be a Fiscal Year except that, at the option of the General Partner, an accounting period will terminate and a new accounting period will begin on the admission date of an additional Partner or the Settlement Date of a Withdrawn Partner, if any such date is not the first day of a Fiscal Year. If any event referred to in the preceding sentence occurs and the General Partner does not elect to terminate an accounting period and begin a new accounting period, then the General Partner may make such adjustments as it deems appropriate to the Partners’ GP-Related Profit Sharing Percentages for the accounting period in which such event occurs (prior to any allocations of GP-Related Unallocated Percentages or adjustments to GP-Related Profit Sharing Percentages pursuant to Section 5.3) to reflect the Partners’ average GP-Related Profit Sharing Percentages during such accounting period; provided, that the GP-Related Profit Sharing Percentages of Partners in GP-Related Net Income (Loss) from GP-Related Investments acquired during such accounting period will be based on GP-Related Profit Sharing Percentages in effect when each such GP-Related Investment was acquired.

(d) In establishing GP-Related Profit Sharing Percentages and allocating GP-Related Unallocated Percentages pursuant to Section 5.3, the General Partner may consider such factors as it deems appropriate.

(e) All determinations, valuations and other matters of judgment required to be made for accounting purposes under this Agreement shall be made by the General Partner and approved by the Partnership’s independent accountants. Such approved determinations, valuations and other accounting matters shall be conclusive and binding on all Partners, all Withdrawn Partners, their successors, heirs, estates or legal representatives and any other person, and to the fullest extent permitted by law no such person shall have the right to an accounting or an appraisal of the assets of the Partnership or any successor thereto.

Section 5.2. GP-Related Capital Accounts .

(a) There shall be established for each Partner on the books of the Partnership, to the extent and at such times as may be appropriate, one or more capital accounts as the General Partner may deem to be appropriate for purposes of accounting for such Partner’s

interests in the capital of the Partnership related to the GP-Related BREP VII Interest and the GP-Related Net Income (Loss) of the Partnership (each a “ *GP-Related Capital Account* ”).

(b) As of the end of each accounting period or, in the case of a contribution to the Partnership by one or more of the Partners with respect to such Partner or Partners’ GP-Related Partner Interests or a distribution by the Partnership to one or more of the Partners with respect to such Partner or Partners’ GP-Related Partner Interests, at the time of such contribution or distribution, (i) the appropriate GP-Related Capital Accounts of each Partner shall be credited with the following amounts: (A) the amount of cash and the value of any property contributed by such Partner to the capital of the Partnership related to the GP-Related BREP VII Interest during such accounting period, (B) the GP-Related Net Income allocated to such Partner for such accounting period and (C) the interest credited on the balance of such Partner’s capital related to such Partner’s GP-Related Partner Interest for such accounting period pursuant to Section 4.2; and (ii) the appropriate GP-Related Capital Accounts of each Partner shall be debited with the following amounts: (x) the amount of cash, the principal amount of any subordinated promissory note of the Partnership referred to in Section 6.5 (as such amount is paid) and the value of any property distributed to such Partner during such accounting period with respect to such Partner’s GP-Related Partner Interest and (y) the GP-Related Net Loss allocated to such Partner for such accounting period.

Section 5.3. *GP-Related Profit Sharing Percentages*.

(a) Prior to the beginning of each annual accounting period, the General Partner shall establish the profit sharing percentage (the “ *GP-Related Profit Sharing Percentage* ”) of each Partner in each category of GP-Related Net Income (Loss) for such annual accounting period pursuant to Section 5.1(a) taking into account such factors as the General Partner deems appropriate; provided, however, that (i) the General Partner may elect to establish GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment acquired by the Partnership during such accounting period at the time such GP-Related Investment is acquired in accordance with paragraph (d) below and (ii) GP-Related Net Income (Loss) for such accounting period from any GP-Related Investment shall be allocated in accordance with the GP-Related Profit Sharing Percentages in such GP-Related Investment established in accordance with paragraph (d) below. The General Partner may establish different GP-Related Profit Sharing Percentages for any Partner in different categories of GP-Related Net Income (Loss). In the case of the Withdrawal of a Partner, such former Partner’s GP-Related Profit Sharing Percentages shall be allocated by the General Partner to one or more of the remaining Partners as the General Partner shall determine. In the case of the admission of any Partner to the Partnership as an additional Partner, the GP-Related Profit Sharing Percentages of the other Partners shall be reduced by an amount equal to the GP-Related Profit Sharing Percentage allocated to such new Partner pursuant to Section 6.1(b); such reduction of each other Partner’s GP-Related Profit Sharing Percentage shall be pro rata based upon such Partner’s GP-Related Profit Sharing Percentage as in effect immediately prior to the admission of the new Partner. Notwithstanding the foregoing, the General Partner may also adjust the GP-Related Profit Sharing Percentage of any Partner for any annual accounting period at the end of such annual accounting period in its sole discretion.

(b) The General Partner may elect to allocate to the Partners less than 100% of the GP-Related Profit Sharing Percentages of any category for any annual accounting period at the time specified in Section 5.3(a) for the annual fixing of GP-Related Profit Sharing Percentages (any remainder of such GP-Related Profit Sharing Percentages being called a “ *GP-Related Unallocated Percentage* ”); provided, that any GP-Related Unallocated Percentage in any category of GP-Related Net Income (Loss) for any annual accounting period that is not allocated by the General Partner within 90 days after the end of such accounting period shall be deemed to be allocated among all the Partners (including the General Partner) in the manner determined by the General Partner in its sole discretion.

(c) Unless otherwise determined by the General Partner in a particular case, (i) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from any GP-Related Investment shall be allocated in proportion to the Partners’ respective GP-Related Capital Contributions in respect of such GP-Related Investment and (ii) GP-Related Profit Sharing Percentages in GP-Related Net Income (Loss) from each GP-Related Investment shall be fixed at the time such GP-Related Investment is acquired and shall not thereafter change, subject to any repurchase rights established by the General Partner pursuant to Section 5.7.

Section 5.4. Allocations of GP-Related Net Income (Loss).

(a) Except as provided in Section 5.4(d), GP-Related Net Income of the Partnership for each GP-Related Investment shall be allocated to the GP-Related Capital Accounts related to such GP-Related Investment of all the Partners participating in such GP-Related Investment (including the General Partner): first, in proportion to and to the extent of the amount of Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest distributed to the Partners, second, to Partners that received Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest in years prior to the years such GP-Related Net Income is being allocated to the extent such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest exceeded GP-Related Net Income allocated to such Partners in such earlier years; and third, to the Partners in the same manner that such Non-Carried Interest (other than amounts representing a return of GP-Related Capital Contributions) or Carried Interest would have been distributed if cash were available to distribute with respect thereto.

(b) GP-Related Net Loss of the Partnership shall be allocated as follows: (i) GP-Related Net Loss relating to realized losses suffered by BREP VII and allocated to the Partnership with respect to its pro rata share thereof (based on capital contributions made by the Partnership to BREP VII with respect to the GP-Related BREP VII Interest) shall be allocated to the Partners in accordance with each Partner’s Non-Carried Interest Sharing Percentage with respect to the GP-Related Investment giving rise to such loss suffered by BREP VII and (ii) GP-Related Net Loss relating to realized losses suffered by BREP VII and allocated to the Partnership with respect to the Carried Interest shall be allocated in accordance with a Partner’s (including a Withdrawn Partner’s) Carried Interest Give Back Percentage (as of the date of such loss) (subject to adjustment pursuant to Section 5.8(e)).

(c) Notwithstanding Section 5.4(a) above, GP-Related Net Income relating to Carried Interest allocated after the allocation of a GP-Related Net Loss pursuant to clause (ii) of Section 5.4(b) shall be allocated in accordance with such Carried Interest Give Back Percentages until such time as the Partners have been allocated GP-Related Net Income relating to Carried Interest equal to the aggregate amount of GP-Related Net Loss previously allocated in accordance with clause (ii) of Section 5.4(b). Withdrawn Partners shall remain Partners for purposes of allocating such GP-Related Net Loss with respect to Carried Interest.

(d) To the extent the Partnership has any GP-Related Net Income (Loss) for any accounting period unrelated to BREP VII, such GP-Related Net Income (Loss) will be allocated in accordance with GP-Related Profit Sharing Percentages prevailing at the beginning of such accounting period.

(e) The General Partner may authorize from time to time advances to Partners (including any additional Partner admitted to the Partnership pursuant to Section 6.1 but excluding any Partners who are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) against their allocable shares of GP-Related Net Income (Loss).

Section 5.5. Liability of General Partners. General Partners shall have unlimited liability for the satisfaction and discharge of all losses, liabilities and expenses of the Partnership.

Section 5.6. Liability of Limited Partners. Each Limited Partner and former Limited Partner shall be liable for the satisfaction and discharge of all losses, liabilities and expenses of the Partnership allocable to him pursuant to Section 5.4 or 7.3, but only to the extent required by applicable law. Except as otherwise provided in the following sentence, in no event shall any Limited Partner or former Limited Partner be obligated to make any additional capital contribution to the Partnership in excess of his aggregate GP-Related Capital Contributions and Capital Commitment-Related Capital Contributions pursuant to Sections 4.1 and 7.1, or have any liability in excess of such aggregate GP-Related Capital Contributions and Capital Commitment-Related Capital Contributions for the satisfaction and discharge of the losses, liabilities and expenses of the Partnership. In no way does any of the foregoing limit any Partner's obligations under Section 4.1(d), 5.8(d) or 7.4(g) or otherwise to make capital contributions as provided hereunder.

Section 5.7. Repurchase Rights, etc.. The General Partner may from time to time establish such repurchase rights and/or other requirements with respect to the Partners' GP-Related Partner Interests relating to GP-Related BREP VII Investments as the General Partner may determine. The General Partner shall have authority to (a) withhold any distribution otherwise payable to any Partner until any such repurchase rights have lapsed or any such requirements have been satisfied, (b) pay any distribution to any Partner that is Contingent as of the distribution date and require the refund of any portion of such distribution that is Contingent as of the Withdrawal Date of such Partner, (c) amend any previously established repurchase rights or other requirements from time to time, and (d) make such exceptions thereto as it may determine on a case by case basis.

Section 5.8. Distributions.

(a) (i) The Partnership shall make distributions of available cash (subject to reserves and other adjustments as provided herein) or other property to Partners with respect to such Partners' GP-Related Partner Interests at such times and in such amounts as are determined by the General Partner. The General Partner shall, if it deems it appropriate, determine the availability for distribution of, and distribute, cash or other property separately for each category of GP-Related Net Income (Loss) established pursuant to Section 5.1(a). Distributions of cash or other property with respect to Non-Carried Interest shall be made among the Partners in accordance with their respective Non-Carried Interest Sharing Percentages, and, subject to Sections 4.1(d) and 5.8(e), distributions of cash or other property with respect to Carried Interest shall be made among Partners in accordance with their respective Carried Interest Sharing Percentages.

(ii) At any time that a sale, exchange, transfer or other disposition by BREP VII of a portion of a GP-Related Investment is being considered by the Partnership (a "*GP-Related Disposable Investment*"), at the election of the General Partner each Partner's GP-Related Partner Interest with respect to such GP-Related Investment shall be vertically divided into two separate GP-Related Partner Interests, a GP-Related Partner Interest attributable to the GP-Related Disposable Investment (a Partner's "*GP-Related Class B Interest*"), and a GP-Related Partner Interest attributable to such GP-Related Investment excluding the GP-Related Disposable Investment (a Partner's "*GP-Related Class A Interest*"). Distributions (including those resulting from a sale, transfer, exchange or other disposition by BREP VII) relating to a GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class B Interests with respect to such GP-Related Investment in accordance with their GP-Related Profit Sharing Percentages relating to such GP-Related Class B Interests, and distributions (including those resulting from the sale, transfer, exchange or other disposition by BREP VII) relating to a GP-Related Investment excluding such GP-Related Disposable Investment (with respect to both Carried Interest and Non-Carried Interest) shall be made only to holders of GP-Related Class A Interests with respect to such GP-Related Investment in accordance with their respective GP-Related Profit Sharing Percentages relating to such GP-Related Class A Interests. Except as provided above, distributions of cash or other property with respect to each category of GP-Related Net Income (Loss) shall be allocated among the Partners in the same proportions as the allocations of GP-Related Net Income (Loss) of each such category.

(b) Subject to the Partnership's having sufficient available cash in the reasonable judgment of the General Partner, the Partnership shall make cash distributions to each Partner with respect to each Fiscal Year of the Partnership in an aggregate amount at least equal to the total Federal, New York State and New York City income and other taxes that would be payable by such Partner with respect to all categories of GP-Related Net Income (Loss) allocated to such Partner for such Fiscal Year, the amount of which shall be calculated (i) on the assumption that each Partner is an individual subject to the then prevailing maximum Federal, New York State and New York City income and other tax rates, (ii) taking into account the deductibility of State and local income and other taxes for Federal income tax purposes and (iii) taking into account any differential in applicable rates due to the type and character of GP-Related Net Income (Loss) allocated to such Partner. Notwithstanding the provisions of the foregoing sentence, the General Partner may refrain from making any distribution if, in the

reasonable judgment of the General Partner, such distribution is prohibited by the Partnership Act.

(c) The General Partner may provide that the GP-Related Partner Interest of any Partner or employee (including such Partner's or employee's right to distributions and investments of the Partnership related thereto) may be subject to repurchase by the Partnership during such period as the General Partner shall determine (a "*Repurchase Period*"). Any Contingent distributions from GP-Related Investments subject to repurchase rights will be withheld by the Partnership and will be distributed to the recipient thereof (together with interest thereon at rates determined by the General Partner from time to time) as the recipient's rights to such distributions become Non-Contingent (by virtue of the expiration of the applicable Repurchase Period or otherwise). The General Partner may elect in an individual case to have the Partnership distribute any Contingent distribution to the applicable recipient thereof irrespective of whether the applicable Repurchase Period has lapsed. If a Partner Withdraws from the Partnership for any reason other than his death, Total Disability or Incompetence, the undistributed share of any GP-Related Investment that remains Contingent as of the applicable Withdrawal Date shall be repurchased by the Partnership at a purchase price determined at such time by the General Partner. Unless determined otherwise by the General Partner, the repurchased portion thereof will be allocated among the remaining Partners with interests in such GP-Related Investment in proportion to their respective percentage interests in such GP-Related Investment, or if no other Partner has a percentage interest in such specific GP-Related Investment, to the General Partner; provided, that the General Partner may allocate the Withdrawn Partner's share of unrealized investment income from a repurchased GP-Related Investment attributable to the period after the Withdrawn Partner's Withdrawal Date on any basis it may determine, including to existing or new Partners who did not previously have interests in such GP-Related Investment, except that, in any event, each Investor Limited Partner shall be allocated a share of such unrealized investment income equal to its respective GP-Related Profit Sharing Percentage of such unrealized investment income.

(d) (i)(A) If the Partnership is obligated under the Clawback Provisions or Giveback Provisions to contribute to BREP VII a Clawback Amount or a Giveback Amount (other than a Capital Commitment Giveback Amount) in respect of the GP-Related BREP VII Interest (the amount of any such obligation of the Partnership with respect to such a Giveback Amount being herein called a "*GP-Related Giveback Amount*"), the Partnership shall call for such amounts as are necessary to satisfy such obligations of the Partnership as determined by the General Partner, in which case each Partner and Withdrawn Partner shall contribute to the Partnership, in cash, when and as called by the Partnership, such an amount of prior distributions by the Partnership (and the Other Fund GPs) with respect to Carried Interest (and/or Non-Carried Interest in the case of a GP-Related Giveback Amount) (the "*GP-Related Recontribution Amount*") which equals (I) the product of (a) a Partner's or Withdrawn Partner's Carried Interest Give Back Percentage and (b) the aggregate Clawback Amount payable by the Partnership, in the case of Clawback Amounts, and (II) with respect to a GP-Related Giveback Amount, such Partner's pro rata share of prior distributions of Carried Interest and/or Non-Carried Interest in connection with (a) the GP-Related BREP VII Investment giving rise to the GP-Related Giveback Amount, (b) if the amounts contributed pursuant to clause (II)(a) above are insufficient to satisfy such GP-Related Giveback Amount, GP-Related BREP VII Investments other than the one giving rise to such obligation, but only those amounts received by the Partners with an

interest in the GP-Related BREP VII Investment referred to in clause (II)(a) above, and (c) if the GP-Related Giveback Amount is unrelated to a specific GP-Related BREP VII Investment, all GP-Related BREP VII Investments. Each Partner and Withdrawn Partner shall promptly contribute to the Partnership, along with satisfying his comparable obligations to the Other Fund GPs, if any, upon such call, such Partner's or Withdrawn Partner's GP-Related Recontribution Amount, less the amount paid out of the Trust Account on behalf of such Partner or Withdrawn Partner by the Trustee(s) pursuant to written instructions from the Partnership, or if applicable, any of the Other Fund GPs with respect to Carried Interest (and/or Non-Carried Interest in the case of GP-Related Giveback Amounts) (the "*Net GP-Related Recontribution Amount*"), irrespective of the fact that the amounts in the Trust Account may be sufficient on an aggregate basis to satisfy the Partnership's and the Other Fund GPs' obligation under the Clawback Provisions and/or Giveback Provisions; provided, that to the extent a Partner's or Withdrawn Partner's share of the amount paid with respect to the Clawback Amount and/or the GP-Related Giveback Amount exceeds his GP-Related Recontribution Amount, such excess shall be repaid to such Partner or Withdrawn Partner as promptly as reasonably practicable, subject to clause (ii) below; provided further, that such written instructions from the Partnership shall specify each Partner's and Withdrawn Partner's GP-Related Recontribution Amount. Prior to such time, the Partnership may, in its discretion (but shall be under no obligation to), provide notice that in the Partnership's judgment, the potential obligations in respect of the Clawback Provisions or the Giveback Provisions will probably materialize (and an estimate of the aggregate amount of such obligations); provided further, that any amount from a Partner's Trust Account used to pay any part of any GP-Related Giveback Amount (or such lesser amount as may be required by the General Partner) shall be contributed by such Partner to such Partner's Trust Account no later than 30 days after the Net GP-Related Recontribution Amount is paid with respect to such GP-Related Giveback Amount. Solely to the extent required by the BREP VII Agreements, each member of the General Partner shall have the same obligations as a Partner (which obligations shall be subject to the same limitations as the obligations of a Partner) under this Section 5.8(d)(i)(A) and under Section 5.8(d)(ii)(A) solely with respect to such member's pro rata share of any Clawback Amount (for purpose of this sentence, as defined in paragraph 9.2.8(b) of the BREP VII Partnership Agreement) and solely to the extent the Partnership has insufficient funds to meet the Partnership's obligations under paragraph 9.2.8(a) of the BREP VII Partnership Agreement and/or the corresponding provisions under any other BREP VII Agreement.

(B) To the extent any Partner or Withdrawn Partner has satisfied any Holdback obligation with Firm Collateral, such Partner or Withdrawn Partner shall, within 10 days of the Partnership's call for GP-Related Recontribution Amounts, make a cash payment into the Trust Account in an amount equal to the amount of the Holdback obligation satisfied with such Firm Collateral, or such lesser amount such that the amount in the Trust Account allocable to such Partner or Withdrawn Partner equals the sum of (I) such Partner's or Withdrawn Partner's GP-Related Recontribution Amount and (II) any similar amounts payable to any of the Other Fund GPs. Immediately upon receipt of such cash, the Trustee (s) shall take such steps as are necessary to release such Firm Collateral of such Partner or Withdrawn Partner equal to the amount of such cash payment. If the amount of such cash payment is less than the amount of Firm Collateral of such Partner or Withdrawn Partner, the balance of such Firm Collateral if any, shall be retained to secure the payment of GP-Related Deficiency Contributions, if any, and shall be fully released upon the satisfaction of the Partnership's and the Other Fund GPs' obligation to pay the Clawback Amount. The failure of any Partner or Withdrawn Partner to make a cash payment in

accordance with this clause (B) (to the extent applicable) shall constitute a default under Section 5.8(d)(ii) as if such cash payment hereunder constitutes a Net GP-Related Recontribution Amount under Section 5.8(d)(ii).

(ii) (A) In the event any Partner or Withdrawn Partner (a “*GP-Related Defaulting Party*”) fails to recontribute all or any portion of such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount for any reason, the Partnership shall require all other Partners and Withdrawn Partners to contribute, on a *pro rata* basis (based on each of their respective Carried Interest Give Back Percentages in the case of Clawback Amounts, and GP-Related Profit Sharing Percentages in the case of GP-Related Giveback Amounts (as more fully described in clause (II) of Section 5.8(d)(i)(A) above)), such amounts as are necessary to fulfill the GP-Related Defaulting Party’s obligation to pay such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount (a “*GP-Related Deficiency Contribution*”) if the General Partner determines in its good faith judgment that the Partnership (or an Other Fund GP) will be unable to collect such amount in cash from such GP-Related Defaulting Party for payment of the Clawback Amount or GP-Related Giveback Amount, as the case may be, at least 20 Business Days prior to the latest date that the Partnership, and the Other Fund GPs, if applicable, are permitted to pay the Clawback Amount or GP-Related Giveback Amount, as the case may be; provided, that, subject to Section 5.8(e), no Partner or Withdrawn Partner shall as a result of such GP-Related Deficiency Contribution be required to contribute an amount in excess of 150% of the amount of the Net GP-Related Recontribution Amount initially requested from such Partner or Withdrawn Partner in respect of such default.

(B) Thereafter, the General Partner shall determine in its good faith judgment that the Partnership should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the General Partner or (2) pursue any and all remedies (at law or equity) available to the Partnership against the GP-Related Defaulting Party, the cost of which shall be a Partnership expense to the extent not ultimately reimbursed by the GP-Related Defaulting Party. It is agreed that the Partnership shall have the right (effective upon such GP-Related Defaulting Party becoming a GP-Related Defaulting Party) to set-off as appropriate and apply against such GP-Related Defaulting Party’s Net GP-Related Recontribution Amount any amounts otherwise payable to the GP-Related Defaulting Party by the Partnership or any Affiliate thereof (including amounts unrelated to Carried Interest, such as returns of capital and profit thereon). Each Partner and Withdrawn Partner hereby grants to the Partnership a security interest, effective upon such Partner or Withdrawn Partner becoming a GP-Related Defaulting Party, in all accounts receivable and other rights to receive payment from any Affiliate of the Partnership and agrees that, upon the effectiveness of such security interest, the Partnership may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Partner and Withdrawn Partner hereby appoints the Partnership as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Partner or Withdrawn Partner or in the name of the Partnership, to take any actions which may be necessary to accomplish the intent of the immediately preceding sentence. The Partnership shall be entitled to collect interest on the Net GP-Related Recontribution

Amount of a GP-Related Defaulting Party from the date such Net GP-Related Recontribution Amount was required to be contributed to the Partnership at a rate equal to the Default Interest Rate.

(C) Any Partner's or Withdrawn Partner's failure to make a GP-Related Deficiency Contribution shall cause such Partner or Withdrawn Partner to be a GP-Related Defaulting Party with respect to such amount. The Partnership shall first seek any remaining Trust Amounts (and Trust Income thereon) allocated to such Partner or Withdrawn Partner to satisfy such Partner's or Withdrawn Partner's obligation to make a GP-Related Deficiency Contribution before seeking cash contributions from such Partner or Withdrawn Partner in satisfaction of such Partner's or Withdrawn Partner's obligation to make a GP-Related Deficiency Contribution.

(iii) A Partner's or Withdrawn Partner's obligation to make contributions to the Partnership under this Section 5.8(d) shall survive the termination of the Partnership.

(e) The Partners acknowledge that the General Partner will (and is hereby authorized to) take such steps as it deems appropriate, in its good faith judgment, to further the objective of providing for the fair and equitable treatment of all Partners, including by allocating Writedowns and Losses (as defined in the BREP VII Agreements) on GP-Related BREP VII Investments that have been the subject of a Writedown and/or Losses (each, a "*Loss Investment*") to those Partners who participated in such Loss Investments based on their Carried Interest Sharing Percentage therein to the extent that such Partners receive or have received Carried Interest distributions from other GP-Related BREP VII Investments. Consequently and notwithstanding anything herein to the contrary, adjustments to Carried Interest distributions shall be made as set forth in this Section 5.8(e).

(i) At the time the Partnership is making Carried Interest distributions in connection with a GP-Related BREP VII Investment (the "*Subject Investment*") that have been reduced under any BREP VII Agreement as a result of one or more Loss Investments, the General Partner shall calculate amounts distributable to or due from each such Partner as follows:

(A) determine each Partner's share of each such Loss Investment based on his Carried Interest Sharing Percentage in each such Loss Investment (which may be zero) to the extent such Loss Investment has reduced the Carried Interest distributions otherwise available for distribution to all Partners (indirectly through the Partnership from BREP VII) from the Subject Investment (such reduction, the "*Loss Amount*");

(B) determine the amount of Carried Interest distributions otherwise distributable to such Partner with respect to the Subject Investment (indirectly through the Partnership from BREP VII) before any reduction in respect of the amount determined in clause (A) above (the "*Unadjusted Carried Interest Distributions*"); and

(C) subtract (I) the Loss Amounts relating to all Loss Investments from (II) the Unadjusted Carried Interest Distributions for such Partner, to determine the amount of Carried Interest distributions to actually be paid to such Partner (“*Net Carried Interest Distribution*”).

To the extent that the Net Carried Interest Distribution for a Partner as calculated in this clause (i) is a negative number, the General Partner shall (I) notify such Partner, at or prior to the time such Carried Interest distributions are actually made to the Partners, of his obligation to recontribute to the Partnership prior Carried Interest distributions (a “*Net Carried Interest Distribution Recontribution Amount*”), up to the amount of such negative Net Carried Interest Distribution, and (II) to the extent amounts recontributed pursuant to clause (I) are insufficient to satisfy such negative Net Carried Interest Distribution amount, reduce future Carried Interest distributions otherwise due such Partner, up to the amount of such remaining negative Net Carried Interest Distribution. If a Partner’s (x) Net Carried Interest Distribution Recontribution Amount exceeds (y) the aggregate amount of prior Carried Interest distributions less the amount of tax thereon, calculated based on the Assumed Tax Rate (as defined in the BREP VII Partnership Agreement) in effect in the Fiscal Years of such distributions (the “*Excess Tax-Related Amount*”), then such Partner may, in lieu of paying such Partner’s Excess Tax-Related Amount, defer such amounts as set forth below. Such deferred amount shall accrue interest at the Prime Rate. Such deferred amounts shall be reduced and repaid by the amount of Carried Interest otherwise distributable to such Partner in connection with future Carried Interest distributions until such balance is reduced to zero. Any deferred amounts shall be payable in full upon the earlier of (i) such time as the Clawback Amount is determined (as provided herein) and (ii) such time as the Partner becomes a Withdrawn Partner.

To the extent there is an amount of negative Net Carried Interest Distribution with respect to a Partner remaining after the application of this clause (i), notwithstanding clause (II) of the preceding paragraph, such remaining amount of negative Net Carried Interest Distribution shall be allocated to the other Partners pro rata based on each of their Carried Interest Sharing Percentages in the Subject Investment.

A Partner who fails to pay a Net Carried Interest Distribution Recontribution Amount promptly upon notice from the General Partner (as provided above) shall be deemed a GP-Related Defaulting Party for all purposes hereof.

A Partner may satisfy in part any Net Carried Interest Distribution Recontribution Amount from cash that is then subject to a Holdback, to the extent that the amounts that remain subject to a Holdback satisfy the Holdback requirements hereof as they relate to the reduced amount of aggregate Carried Interest distributions received by such Partner (taking into account any Net Carried Interest Distribution Recontribution Amount contributed to the Partnership by such Partner).

Any Net Carried Interest Distribution Recontribution Amount contributed by a Partner, including amounts of cash subject to a Holdback as provided above, shall increase the amount available for distribution to the other Partners as Carried Interest distributions with respect to the Subject Investment; provided, that any such amounts then subject to a Holdback may be so distributed to the other Partners to the extent a Partner receiving such distribution has satisfied

the Holdback requirements with respect to such distribution (taken together with the other Carried Interest distributions received by such Partner to date).

(ii) In the case of Clawback Amounts which are required to be contributed to the Partnership as otherwise provided herein, the obligation of the Partners with respect to any Clawback Amount shall be adjusted by the General Partner as follows:

(A) determine each Partner's share of any Losses in any GP-Related BREP VII Investments which gave rise to the Clawback Amount (i.e., the Losses that followed the last GP-Related BREP VII Investment with respect to which Carried Interest distributions were made), based on such Partner's Carried Interest Sharing Percentage in such GP-Related BREP VII Investments;

(B) determine each Partner's obligation with respect to the Clawback Amount based on such Partner's Carried Interest Give Back Percentage as otherwise provided herein; and

(C) subtract the amount determined in clause (B) above from the amount determined in clause (A) above with respect to each Partner to determine the amount of adjustment to each Partner's share of the Clawback Amount (a Partner's "*Clawback Adjustment Amount*").

A Partner's share of the Clawback Amount shall for all purposes hereof be decreased by such Partner's Clawback Adjustment Amount, to the extent it is a negative number (except to the extent expressly provided below). A Partner's share of the Clawback Amount shall for all purposes hereof be increased by such Partner's Clawback Adjustment Amount (to the extent it is a positive number); provided, that in no way shall a Partner's aggregate obligation to satisfy a Clawback Amount as a result of this clause (ii) exceed the aggregate Carried Interest distributions received by such Partner. To the extent a positive Clawback Adjustment Amount remains after the application of this clause (ii) with respect to a Partner, such remaining Clawback Adjustment Amount shall be allocated to the Partners (including any Partner whose Clawback Amount was increased pursuant to this clause (ii)) pro rata based on their Carried Interest Give Back Percentages (determined without regard to this clause (ii)).

Any distribution or contribution adjustments pursuant to this Section 5.8(e) by the General Partner shall be based on its good faith judgment, and no Partner shall have any claim against the Partnership, the General Partner or any other Partners as a result of any adjustment made as set forth above. This Section 5.8(e) applies to all Partners, including Withdrawn Partners.

It is agreed and acknowledged that this Section 5.8(e) is an agreement among the Partners and in no way modifies the obligations of each Partner regarding the Clawback Amount as provided in the BREP VII Agreements.

Section 5.9. Business Expenses. The Partnership shall reimburse the Partners for reasonable travel, entertainment and miscellaneous expenses incurred by them in the conduct of the Partnership's business in accordance with rules and regulations established by the General Partner from time to time.

Section 5.10. Tax Capital Accounts; Tax Allocations.

(a) For Federal income tax purposes, there shall be established for each Partner a single capital account combining such Partner's Capital Commitment Capital Account and GP-Related Capital Account, with such adjustments as the General Partner determines are appropriate so that such single capital account is maintained in compliance with the principles and requirements of Section 704(b) of the Code and the Regulations thereunder.

(b) For Federal, State and local income tax purposes only, Partnership income, gain, loss, deduction or expense (or any item thereof) for each fiscal year shall be allocated to and among the Partners in a manner corresponding to the manner in which corresponding items are allocated among the Partners pursuant to clause (a) above, provided the General Partner may in its sole discretion make such allocations for tax purposes as it determines are appropriate so that allocations have substantial economic effect or are in accordance with the interests of the Partners, within the meaning of the Code and the Regulations thereunder.

ARTICLE VI
ADDITIONAL PARTNERS; WITHDRAWAL OF PARTNERS;
SATISFACTION AND DISCHARGE OF
PARTNERSHIP INTERESTS; TERMINATION

Section 6.1. Additional Partners.

(a) Effective on the first day of any month (or on such other date as shall be determined by the General Partner in its sole discretion), the General Partner shall have the right to admit one or more additional or substitute persons into the Partnership as General Partners or Limited Partners. Each such person shall make the representations and certifications with respect to itself set forth in Sections 3.7 and 3.8. The General Partner shall determine and negotiate with the additional Partner all terms of such additional Partner's participation in the Partnership, including the additional Partner's initial GP-Related Capital Contribution, Capital Commitment-Related Capital Contribution, GP-Related Profit Sharing Percentage and Capital Commitment Profit Sharing Percentage. Each additional Partner shall have such voting rights as may be determined by the General Partner from time to time unless, upon the admission to the Partnership of any Limited Partner, the General Partner shall designate that such Limited Partner shall not have such voting rights (any such Limited Partner being called a "*Nonvoting Limited Partner*"). Any additional Partner shall, as a condition to becoming a Partner, agree to become a party to, and be bound by the terms and conditions of, the Trust Agreement. If Blackstone or another or subsequent holder of an Investor Note approved by the General Partner for purposes of this Section 6.1 (a) shall foreclose upon a Limited Partner's Investor Note issued to finance such Limited Partner's purchase of his Capital Commitment Interests, Blackstone or such other or subsequent holder shall succeed to such Limited Partner's Capital Commitment Interests and shall be deemed to have become a Limited Partner to such extent. Any Additional Partner may have a GP-Related Partner Interest or a Capital Commitment Partner Interest, without having the other such interest.

(b) The GP-Related Profit Sharing Percentages, if any, to be allocated to an additional Partner as of the date such Partner is admitted to the Partnership, together with the pro rata reduction in all other Partners' GP-Related Profit Sharing Percentages as of such date, shall be established by the General Partner pursuant to Section 5.3. The Capital Commitment Profit Sharing Percentages, if any, to be allocated to an additional Partner as of the date such Partner is admitted to the Partnership, together with the *pro rata* reduction in all other Partners' Capital Commitment Profit Sharing Percentages as of such date, shall be established by the General Partner.

(c) An additional Partner shall be required to contribute to the Partnership his pro rata share of the Partnership's total capital, excluding capital in respect of GP-Related Investments and Capital Commitment Investments in which such Partner does not acquire any interests, at such times and in such amounts as shall be determined by the General Partner in accordance with Sections 4.1 and 7.1.

(d) The admission of an additional Partner will be evidenced by (i) the execution of a counterpart copy of, or counter-signature page with respect to, this Agreement by such additional Partner, or (ii) the execution of an amendment to this Agreement by the General Partner and the additional Partner, as determined by the General Partner, or (iii) the execution by such additional Partner of any other writing evidencing the intent of such person to become a substitute or additional Limited Partner and to be bound by the terms of this Agreement and such writing being accepted by the General Partner on behalf of the Partnership. In addition, each additional Partner shall sign a counterpart copy of the Trust Agreement or any other writing evidencing the intent of such person to become a party to the Trust Agreement.

Section 6.2. Withdrawal of Partners.

(a) Any Partner may Withdraw voluntarily from the Partnership subject to the prior written consent of the General Partner. The General Partner generally intends to permit voluntary Withdrawals on the last day of any calendar month (or on such other date as shall be determined by the General Partner in its sole discretion), on not less than 15 days' prior written notice by such Partner to the General Partner (or on such shorter notice period as may be mutually agreed upon between such Partner and the General Partner); provided, that a Partner may not voluntarily Withdraw without the consent of the General Partner if such Withdrawal would (i) cause the Partnership to be in default under any of its contractual obligations or (ii) in the reasonable judgment of the General Partner, have a material adverse effect on the Partnership or its business; provided further that a Partner may Withdraw from the Partnership with respect to such Partner's GP-Related Partner Interest without Withdrawing from the Partnership with respect to such Partner's Capital Commitment Partner Interest, and a Partner may Withdraw from the Partnership with respect to such Partner's Capital Commitment Partner Interest without Withdrawing from the Partnership with respect to such Partner's GP-Related Partner Interest.

(b) Upon the Withdrawal of any Partner, including by the occurrence of any withdrawal event under the Partnership Act with respect to any Partner, such Partner shall thereupon cease to be a Partner, except as expressly provided herein.

(c) Upon the Total Disability of a Limited Partner, such Partner shall thereupon cease to be a Limited Partner with respect to such Partner's GP-Related Partner Interest; provided, however, that the General Partner may elect to admit such Withdrawn Partner to the Partnership as a Nonvoting Limited Partner with respect to such Partner's GP-Related Partner Interest, with such GP-Related Partner Interest as the General Partner may determine. The determination of whether any Partner has suffered a Total Disability shall be made by the General Partner in its sole discretion after consultation with a qualified medical doctor. In the absence of agreement between the General Partner and such Partner, each party shall nominate a qualified medical doctor and the two doctors shall select a third doctor, who shall make the determination as to Total Disability.

(d) If the General Partner determines that it shall be in the best interests of the Partnership for any Partner (including any Partner who has given notice of voluntary Withdrawal pursuant to paragraph (a) above) to Withdraw from the Partnership (whether or not Cause exists) with respect to such Partner's GP-Related Partner Interest and/or with respect to such Partner's Capital Commitment Partner Interest, such Partner, upon written notice by the General Partner to such Partner, shall be required to Withdraw with respect to such Partner's GP-Related Partner Interest and/or with respect to such Partner's Capital Commitment Partner Interest, as of a date specified in such notice, which date shall be on or after the date of such notice. If the General Partner requires any Partner to Withdraw for Cause with respect to such Partner's GP-Related Partner Interest and/or with respect to such Partner's Capital Commitment Partner Interest, such notice shall state that it has been given for Cause and shall describe the particulars thereof in reasonable detail.

(e) The Withdrawal from the Partnership of any Partner shall not, in and of itself, affect the obligations of the other Partners to continue the Partnership during the remainder of its term. A Withdrawn General Partner shall remain liable for all obligations of the Partnership incurred while it was a General Partner and resulting from its acts or omissions as a General Partner to the fullest extent provided by law.

Section 6.3. GP-Related Partner Interests Not Transferable .

(a) No Partner may sell, assign, pledge or otherwise transfer or encumber all or any portion of such Partner's GP-Related Partner Interest without the prior written consent of the General Partner; provided, that, subject to the Partnership Act, this Section 6.3 shall not impair transfers by operation of law, transfers by will or by other testamentary instrument occurring by virtue of the death or dissolution of a Partner, or transfers required by trust agreements; provided further, that, subject to the prior written consent of the General Partner, which shall not be unreasonably withheld, a Limited Partner may transfer, for estate planning purposes, up to 25% of his GP-Related Profit Sharing Percentage to any estate planning trust, limited partnership or limited liability company with respect to which such Limited Partner controls investments related to any interest in the Partnership held therein (an "*Estate Planning Vehicle*"). Each Estate Planning Vehicle will be a Nonvoting Limited Partner. Such Limited Partner and the Nonvoting Limited Partner shall be jointly and severally liable for all obligations of both such Limited Partner and such Nonvoting Limited Partner with respect to the interest transferred (including the obligation to make additional GP-Related Capital Contributions). The General Partner may at its sole option exercisable at any time require such Estate Planning

Vehicle to Withdraw from the Partnership on the terms of this Article VI. Except as provided in the second proviso to the first sentence of this Section 6.3(a), no assignee, legatee, distributee, heir or transferee (by conveyance, operation of law or otherwise) of the whole or any portion of any Partner's GP-Related Partner Interest shall have any right to be a General Partner or Limited Partner without the prior written consent of the General Partner (which consent may be given or withheld in its sole discretion without giving any reason therefor). Notwithstanding the granting of a security interest in the entire partnership interest of any Partner, such Partner shall continue to be a partner of the Partnership.

(b) Notwithstanding any provision hereof to the contrary, no sale or transfer of any GP-Related Partner Interest in the Partnership may be made except in compliance with all Federal, State and other applicable laws, including Federal and State securities laws.

Section 6.4. General Partner Withdrawal; Transfer of General Partner's Interest.

(a) The General Partner may not transfer or assign its interest as a General Partner in the Partnership or its right to manage the affairs of the Partnership, except that the General Partner may, with the prior written approval of a Majority In Interest of the Partners admit another person as an additional or substitute General Partner who makes such representations with respect to itself as the General Partner deems necessary or appropriate (with regard to compliance with applicable law or otherwise); provided, however, that the General Partner may, in its sole discretion, transfer all or part of its interest in the Partnership to a person who makes such representations with respect to itself as the General Partner deems necessary or appropriate (with regard to compliance with applicable law or otherwise) and who owns, directly or indirectly, the principal part of the business then conducted by the General Partner in connection with any liquidation, dissolution or reorganization of the General Partner, and, upon the assumption by such person of liability for all the obligations of the General Partner under this Agreement, such person shall be admitted as the General Partner. A person who is so admitted as an additional or substitute General Partner shall thereby become a General Partner and shall have the right to manage the affairs of the Partnership and to vote as a Partner to the extent of the interest in the Partnership so acquired. The General Partner shall not cease to be the general partner of the Partnership upon the collateral assignment of or the pledging or granting of a security interest in its entire Interest in the Partnership.

(b) Except as contemplated by clause (a) above, Withdrawal by a General Partner is not permitted. The Withdrawal of a General Partner shall not dissolve the Partnership if at the time of such Withdrawal there are one or more remaining General Partners and any one or more of such remaining General Partners continue the business of the Partnership (any and all such remaining General Partners being hereby authorized to continue the business of the Partnership without dissolution and hereby agreeing to do so). If upon the Withdrawal of a General Partner there shall be no remaining General Partner, the Partnership nonetheless shall not be dissolved and shall not be required to be wound up if, within 90 days after the occurrence of such event of Withdrawal, all remaining Limited Partners (excluding Withdrawn Partners) agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of such Withdrawal, of one or more General Partners.

Section 6.5. Satisfaction and Discharge of a Withdrawn Partner's GP-Related Partner Interest.

(a) The terms of this Section 6.5 shall apply to the GP-Related Partner Interest of a Withdrawn Partner, but, except as otherwise expressly provided in this Section 6.5, shall not apply to the Capital Commitment Partner Interest of a Withdrawn Partner. For purposes of this Section 6.5, the term “ *Settlement Date* ” means the date as of which a Withdrawn Partner's GP-Related Partner Interest in the Partnership is settled as determined under paragraph (b) below. Notwithstanding the foregoing, any Limited Partner who Withdraws from the Partnership, and all or any portion of whose GP-Related Partner Interest is retained as a Limited Partner, shall be considered a Withdrawn Partner for all purposes hereof.

(b) Except where a later date for the settlement of a Withdrawn Partner's GP-Related Partner Interest in the Partnership may be agreed to by the General Partner and a Withdrawn Partner, a Withdrawn Partner's Settlement Date shall be his Withdrawal Date; provided, that if a Withdrawn Partner's Withdrawal Date is not the last day of a month, then the General Partner may elect for such Withdrawn Partner's Settlement Date to be the last day of the month in which his Withdrawal Date occurs. During the interval, if any, between a Withdrawn Partner's Withdrawal Date and Settlement Date, such Withdrawn Partner shall have the same rights and obligations with respect to GP-Related Capital Contributions, interest on capital, allocations of GP-Related Net Income (Loss) and distributions as would have applied had such Withdrawn Partner remained a Partner of the Partnership during such period.

(c) In the event of the Withdrawal of a Partner with respect to such Withdrawn Partner's GP-Related Partner Interest, the General Partner shall, promptly after such Withdrawn Partner's Settlement Date, (i) determine and allocate to the Withdrawn Partner's GP-Related Capital Accounts such Withdrawn Partner's allocable share of the GP-Related Net Income (Loss) of the Partnership for the period ending on such Settlement Date in accordance with Article V and (ii) credit the Withdrawn Partner's GP-Related Capital Accounts with interest in accordance with Section 5.2. In making the foregoing calculations, the General Partner shall be entitled to establish such reserves (including reserves for taxes, bad debts, unrealized losses, actual or threatened litigation or any other expenses, contingencies or obligations) as it deems appropriate. Unless otherwise determined by the General Partner in a particular case, a Withdrawn Partner shall not be entitled to receive any GP-Related Unallocated Percentage in respect of the accounting period during which such Partner Withdraws from the Partnership (whether or not previously awarded or allocated) or any GP-Related Unallocated Percentage in respect of prior accounting periods that have not been paid or allocated (whether or not previously awarded) as of such Withdrawn Partner's Withdrawal Date.

(d) From and after the Settlement Date of the Withdrawn Partner, the Withdrawn Partner's GP-Related Profit Sharing Percentages shall, unless otherwise allocated by the General Partner pursuant to Section 5.3(a), be deemed to be GP-Related Unallocated Percentages (except for GP-Related Profit Sharing Percentages with respect to GP-Related Investments as provided in paragraph (f) below).

(e) (i) Upon the Withdrawal from the Partnership of a Partner with respect to such Partner's GP-Related Partner Interest, such Withdrawn Partner thereafter shall not, except

as expressly provided in this Section 6.5, have any rights of a Partner (including voting rights) with respect to such Partner's GP-Related Partner Interest, and, except as expressly provided in this Section 6.5, such Withdrawn Partner shall not have any interest in the Partnership's GP-Related Net Income (Loss) or in distributions related to such Partner's GP-Related Partner Interest, GP-Related Investments or other assets related to such Partner's GP-Related Partner Interest. If a Partner Withdraws from the Partnership with respect to such Partner's GP-Related Partner Interest for any reason other than for Cause pursuant to Section 6.2, then the Withdrawn Partner shall be entitled to receive, at the time or times specified in Section 6.5(i) below, in satisfaction and discharge in full of the Withdrawn Partner's GP-Related Partner Interest in the Partnership, (x) payment equal to the aggregate credit balance, if any, as of the Settlement Date of the Withdrawn Partner's GP-Related Capital Accounts, (excluding any GP-Related Capital Account or portion thereof attributable to any GP-Related Investment) and (y) the Withdrawn Partner's percentage interest attributable to each GP-Related Investment in which the Withdrawn Partner has an interest as of the Settlement Date as provided in paragraph (f) below (which shall be settled in accordance with paragraph (f) below), subject to all the terms and conditions of paragraphs (a)-(p) of this Section 6.5. If the amount determined pursuant to clause (x) above is an aggregate negative balance, the Withdrawn Partner shall pay the amount thereof to the Partnership upon demand by the General Partner on or after the date of the statement referred to in Section 6.5(i) below; provided, that if the Withdrawn Partner was solely a Limited Partner (other than a Special Limited Partner) on his Withdrawal Date, such payment shall be required only to the extent of any amounts payable to such Withdrawn Partner pursuant to this Section 6.5. Any aggregate negative balance in the GP-Related Capital Accounts of a Withdrawn Partner who was solely a Limited Partner (other than a Special Limited Partner), upon the settlement of such Withdrawn Partner's GP-Related Partner Interest in the Partnership pursuant to this Section 6.5, shall be allocated among the other Partners' GP-Related Capital Accounts in accordance with their respective GP-Related Profit Sharing Percentages in the categories of GP-Related Net Income (Loss) giving rise to such negative balance as determined by the General Partner as of such Withdrawn Partner's Settlement Date. In the settlement of any Withdrawn Partner's GP-Related Partner Interest in the Partnership, no value shall be ascribed to goodwill, the Partnership name or the anticipation of any value the Partnership or any successor thereto might have in the event the Partnership or any interest therein were to be sold in whole or in part.

(ii) Notwithstanding clause (i) of this Section 6.5(e), in the case of a Partner whose Withdrawal with respect to such Partner's GP-Related Partner Interest resulted from such Partner's death or Incompetence, such Partner's estate or legal representative, as the case may be, may elect, at the time described below, to receive a Nonvoting Limited Partner GP-Related Partner Interest and retain such Partner's GP-Related Profit Sharing Percentage in all (but not less than all) illiquid investments of the Partnership in lieu of a cash payment (or Note) in settlement of that portion of the Withdrawn Partner's GP-Related Partner Interest. The election referred to above shall be made within 60 days after the Withdrawn Partner's Settlement Date, based on a statement of the settlement of such Withdrawn Partner's GP-Related Partner Interest in the Partnership pursuant to this Section 6.5.

(f) For purposes of clause (y) of paragraph (e)(i) above, a Withdrawn Partner's "percentage interest" means his GP-Related Profit Sharing Percentage as of the Settlement Date in the relevant GP-Related Investment. The Withdrawn Partner shall retain his

percentage interest in such GP-Related Investment and shall retain his GP-Related Capital Account or portion thereof attributable to such GP-Related Investment, in which case such Withdrawn Partner (a “ *Retaining Withdrawn Partner* ”) shall become and remain a Limited Partner for such purpose (and, if the General Partner so designates, such Limited Partner shall be a Nonvoting Limited Partner). The GP-Related Partner Interest of a Retaining Withdrawn Partner pursuant to this paragraph (f) shall be subject to the terms and conditions applicable to GP-Related Partner Interests of any kind hereunder and such other terms and conditions as are established by the General Partner. At the option of the General Partner in its sole discretion, the General Partner and the Retaining Withdrawn Partner may agree to have the Partnership acquire such GP-Related Partner Interest without the approval of the other Partners; provided, that the General Partner shall reflect in the books and records of the Partnership the terms of any acquisition pursuant to this sentence.

(g) The General Partner may elect, in lieu of payment in cash of any amount payable to a Withdrawn Partner pursuant to paragraph (e) above, to have the Partnership issue to the Withdrawn Partner a subordinated promissory note and/or to distribute in kind to the Withdrawn Partner such Withdrawn Partner’s pro rata share (as determined by the General Partner) of any securities or other investments of the Partnership in relation to such Partner’s GP-Related Partner Interest. If any securities or other investments are distributed in kind to a Withdrawn Partner under this paragraph (g), the amount described in clause (x) of paragraph (e)(i) shall be reduced by the value of such distribution as valued on the latest balance sheet of the Partnership in accordance with generally accepted accounting principles or, if not appearing on such balance sheet, as reasonably determined by the General Partner.

(h) [Intentionally omitted].

(i) Within 120 days after each Settlement Date, the General Partner shall submit to the Withdrawn Partner a statement of the settlement of such Withdrawn Partner’s GP-Related Partner Interest in the Partnership pursuant to this Section 6.5 together with any cash payment, subordinated promissory note and in kind distributions to be made to such Partner as shall be determined by the General Partner. The General Partner shall submit to the Withdrawn Partner supplemental statements with respect to additional amounts payable to or by the Withdrawn Partner in respect of the settlement of his GP-Related Partner Interest in the Partnership (*e.g.*, payments in respect of GP-Related Investments pursuant to paragraph (f) above or adjustments to reserves pursuant to paragraph (j) below) promptly after such amounts are determined by the General Partner. To the fullest extent permitted by law, such statements and the valuations on which they are based shall be accepted by the Withdrawn Partner without examination of the accounting books and records of the Partnership or other inquiry. Any amounts payable by the Partnership to a Withdrawn Partner pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment or provision for payment in full of claims of all present or future creditors of the Partnership or any successor thereto arising out of matters occurring prior to the applicable date of payment or distribution; provided that such Withdrawn Partner shall otherwise rank *pari passu* in right of payment (x) with all persons who become Withdrawn Partners and whose Withdrawal Date is within one year before the Withdrawal Date of the Withdrawn Partner in question and (y) with all persons who become Withdrawn Partners and whose Withdrawal Date is within one year after the Withdrawal Date of the Withdrawn Partner in question.

(j) If the aggregate reserves established by the General Partner as of the Settlement Date in making the foregoing calculations should prove, in the determination of the General Partner, to be excessive or inadequate, the General Partner may elect, but shall not be obligated, to pay the Withdrawn Partner or his estate such excess, or to charge the Withdrawn Partner or his estate such deficiency, as the case may be.

(k) Any amounts owed by the Withdrawn Partner to the Partnership at any time on or after the Settlement Date (e.g., outstanding Partnership loans or advances to such Withdrawn Partner) shall be offset against any amounts payable or distributable by the Partnership to the Withdrawn Partner at any time on or after the Settlement Date or shall be paid by the Withdrawn Partner to the Partnership, in each case as determined by the General Partner. All cash amounts payable by a Withdrawn Partner to the Partnership under this Section 6.5 shall bear interest from the due date to the date of payment at a floating rate equal to the lesser of (x) the rate of interest publicly announced from time to time by JPMorgan Chase Bank, N.A., as its prime rate or (y) the maximum rate of interest permitted by applicable law. The “due date” of amounts payable by a Withdrawn Partner pursuant to Section 6.5(i) above shall be 120 days after a Withdrawn Partner’s Settlement Date. The “due date” of amounts payable to or by a Withdrawn Partner in respect of GP-Related Investments for which the Withdrawn Partner has retained a percentage interest in accordance with paragraph (f) above shall be 120 days after realization with respect to such GP-Related Investment. The “due date” of any other amounts payable by a Withdrawn Partner shall be 60 days after the date such amounts are determined to be payable.

(l) At the time of the settlement of any Withdrawn Partner’s GP-Related Partner Interest in the Partnership pursuant to this Section 6.5, the General Partner may, to the fullest extent permitted by applicable law, impose any restrictions it deems appropriate on the assignment, pledge, encumbrance or other transfer by such Withdrawn Partner of any interest in any GP-Related Investment retained by such Withdrawn Partner, any securities or other investments distributed in kind to such Withdrawn Partner or such Withdrawn Partner’s right to any payment from the Partnership.

(m) If a Partner is required to Withdraw from the Partnership with respect to such Partner’s GP-Related Partner Interest for Cause pursuant to Section 6.2(d), then his GP-Related Partner Interest shall be settled in accordance with paragraphs (a)-(r) of this Section 6.5; provided, however, that the General Partner may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) In settling the Withdrawn Partner’s interest in any GP-Related Investment in which he has an interest as of his Settlement Date, the General Partner may elect to (A) determine the GP-Related Unrealized Net Income (Loss) attributable to each such GP-Related Investment as of the Settlement Date and allocate to the appropriate GP-Related Capital Account of the Withdrawn Partner his allocable share of such GP-Related Unrealized Net Income (Loss) for purposes of calculating the aggregate balance of such Withdrawn Partner’s GP-Related Capital Account pursuant to clause (x) of paragraph (e)(i) above, (B) credit or debit, as applicable, the Withdrawn Partner with the balance of his GP-Related Capital Account or portion thereof attributable to each such GP-Related Investment as of his Settlement Date without giving effect to the GP-Related Unrealized

Net Income (Loss) from such GP-Related Investment as of his Settlement Date, which shall be forfeited by the Withdrawn Partner or (C) apply the provisions of paragraph (f) above, provided, that the maximum amount of GP-Related Net Income (Loss) allocable to such Withdrawn Partner with respect to any GP-Related Investment shall equal such Partner's percentage interest of the GP-Related Unrealized Net Income, if any, attributable to such GP-Related Investment as of the Settlement Date (the balance of such GP-Related Net Income (Loss), if any, shall be allocated as determined by the General Partner). The Withdrawn Partner shall not have any continuing interest in any GP-Related Investment to the extent an election is made pursuant to (A) or (B) above.

(ii) Any amounts payable by the Partnership to the Withdrawn Partner pursuant to this Section 6.5 shall be subordinate in right of payment and subject to the prior payment in full of claims of all present or future creditors of the Partnership or any successor thereto arising out of matters occurring prior to or on or after the applicable date of payment or distribution.

(n) The payments to a Withdrawn Partner pursuant to this Section 6.5 may be conditioned on the compliance by such Withdrawn Partner with any lawful and reasonable (under the circumstances) restrictions against engaging or investing in a business competitive with that of the Partnership or any of its subsidiaries and Affiliates for a period not exceeding two years determined by the General Partner. Upon written notice to the General Partner, any Withdrawn Partner who is subject to noncompetition restrictions established by the General Partner pursuant to this paragraph (o) may elect to forfeit the principal amount payable in the final installment of his subordinated promissory note, together with interest to be accrued on such installment after the date of forfeiture, in lieu of being bound by such restrictions.

(o) In addition to the foregoing, the General Partner shall have the right to pay a Withdrawn Partner (other than the General Partner) a discretionary additional payment in an amount and based upon such circumstances and conditions as it determines to be relevant. The provisions of this Section 6.5 shall apply to any Investor Limited Partner relating to another Limited Partner, and to any transferee of any GP-Related Partner Interest of such Partner pursuant to Section 6.3, if such Partner Withdraws from the Partnership.

(p) (i) The Partnership will assist a Withdrawn Partner or his estate or guardian, as the case may be, in the settlement of the Withdrawn Partner's GP-Related Partner Interest in the Partnership. Third party costs incurred by the Partnership in providing this assistance will be borne by the Withdrawn Partner or his estate.

(ii) The Partnership may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Partners or their estates or guardians, as referred to above. In such instances, the Partnership will obtain the prior approval of a Withdrawn Partner or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Partner (or his estate or guardian) declines to incur such costs, the Partnership will provide such reasonable assistance as and when it can so as not to interfere with the Partnership's day-to-day operating, financial, tax and other related responsibilities to the Partnership and the Partners.

(q) Each Partner (other than the General Partner) hereby irrevocably appoints the General Partner as such Partner's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Partner's name, place and stead, to make, execute, sign and file, on behalf of such Partner, any and all agreements, instruments, consents, ratifications, documents and certificates which the General Partner deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 6.5, including, without limitation, the performance of any obligation of such Partner or the Partnership or the exercise of any right of such Partner or the Partnership. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Partnership of any Partner for any reason and shall not be affected by the death, disability or incapacity of such Partner.

Section 6.6. Termination of the Partnership. The General Partner may dissolve the Partnership at any time on not less than 60 days' notice of the dissolution date given to the other Partners. Upon the dissolution of the Partnership, the Partners' respective interests in the Partnership shall be valued and settled in accordance with the procedures set forth in Sections, 6.5, which provide for allocations to the GP-Related Capital Accounts of the Partners and distributions in accordance with the capital account balances of the Partners.

Section 6.7. Certain Tax Matters. i. All items of income, gain, loss, deduction and credit of the Partnership shall be allocated among the Partners for Federal, State and local income tax purposes in the same manner as such items of income, gain, loss, deduction and credit shall be allocated among the Partners pursuant to this Agreement, except as may otherwise be provided herein or by the Code or other applicable law. To the extent U.S. Treasury Regulations promulgated pursuant to Subchapter K of the Code (including under Sections 704(b) and (c) of the Code) or other applicable law require allocations for tax purposes that differ from the foregoing allocations, the General Partner may determine the manner in which such tax allocations shall be made so as to comply more fully with such Treasury Regulations or other applicable law and, at the same time, preserve the economic relationships among the Partners as set forth in this Agreement. In the event there is a net decrease in partnership minimum gain or partner nonrecourse debt minimum gain (determined in accordance with the principles of Regulations Sections 1.704-2(d) and 1.704-2(i)) during any taxable year of the Partnership, each Partner shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to its respective share of such net decrease during such year, determined pursuant to Regulations Sections 1.704-2(g) and 1.704-2(i)(5). The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f). In addition, this Agreement shall be considered to contain a "qualified income offset" as provided in Regulations Section 1.704-1(b)(2)(ii)(d).

(a) The General Partner shall cause to be prepared all Federal, State and local tax returns of the Partnership for each year for which such returns are required to be filed and, after approval of such returns by the General Partner, shall cause such returns to be timely filed. The General Partner shall determine the appropriate treatment of each item of income, gain, loss, deduction and credit of the Partnership and the accounting methods and conventions under the tax laws of the United States, the several States and other relevant jurisdictions as to the treatment of any such item or any other method or procedure related to the preparation of such tax returns. The General Partner may cause the Partnership to make or refrain from making any

and all elections permitted by such tax laws. Each Partner agrees that he shall not, unless he provides prior notice of such action to the Partnership, (i) treat, on his individual income tax returns, any item of income, gain, loss, deduction or credit relating to his interest in the Partnership in a manner inconsistent with the treatment of such item by the Partnership as reflected on the Form K-1 or other information statement furnished by the Partnership to such Partner for use in preparing his income tax returns or (ii) file any claim for refund relating to any such item based on, or which would result in, such inconsistent treatment. In respect of an income tax audit of any tax return of the Partnership, the filing of any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Partnership, or any administrative or judicial proceedings arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, (A) the Tax Matters Partner (as defined below) shall be authorized to act for, and his decision shall be final and binding upon, the Partnership and all Partners except to the extent a Partner shall properly elect to be excluded from such proceeding pursuant to the Code, (B) all expenses incurred by the Tax Matters Partner in connection therewith (including, without limitation, attorneys', accountants' and other experts' fees and disbursements) shall be expenses of the Partnership and (C) no Partner shall have the right to (1) participate in the audit of any Partnership tax return, (2) file any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Partnership (unless he provides prior notice of such action to the Partnership as provided above), (3) participate in any administrative or judicial proceedings conducted by the Partnership or the Tax Matters Partner arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, or (4) appeal, challenge or otherwise protest any adverse findings in any such audit conducted by the Partnership or the Tax Matters Partner or with respect to any such amended return or claim for refund filed by the Partnership or the Tax Matters Partner or in any such administrative or judicial proceedings conducted by the Partnership or the Tax Matters Partner. The Partnership and each Partner hereby designate any Partner selected by the General Partner as the "tax matters partner" for purposes of Section 6231(a)(7) of the Code (the "Tax Matters Partner"). To the fullest extent permitted by applicable law, each Partner agrees to indemnify and hold harmless the Partnership and all other Partners from and against any and all liabilities, obligations, damages, deficiencies and expenses resulting from any breach or violation by such Partner of the provisions of this Section 6.8 and from all actions, suits, proceedings, demands, assessments, judgments, costs and expenses, including reasonable attorneys' fees and disbursements, incident to any such breach or violation.

(b) Each individual Partner shall provide to the Partnership copies of each Federal, State and local income tax return of such Partner (including any amendment thereof) within 30 days after filing such return.

Section 6.8. Special Basis Adjustments. In connection with any assignment or transfer of a Partnership interest permitted by the terms of this Agreement, the General Partner may cause the Partnership, on behalf of the Partners and at the time and in the manner provided in Code Regulations Section 1.754-1(b), to make an election to adjust the basis of the Partnership's property in the manner provided in Sections 734(b) and 743(b) of the Code.

ARTICLE VII
CAPITAL COMMITMENT INTERESTS; CAPITAL CONTRIBUTIONS;
ALLOCATIONS; DISTRIBUTIONS

Section 7.1. Capital Commitment Interests, etc.

(a) (i) This Article VII and Article VIII hereof set forth certain terms and conditions with respect to the Capital Commitment Partner Interests and the Capital Commitment BREP VII Interest and matters related to the Capital Commitment Partner Interests and the Capital Commitment BREP VII Interest. Except as otherwise expressly provided in this Article VII or in Article VIII, the terms and provisions of this Article VII and Article VIII shall not apply to the GP-Related Partner Interests or the GP-Related BREP VII Interest.

(ii) Each Partner severally, agrees to make contributions of capital to the Partnership (“*Capital Commitment-Related Capital Contributions*”) as required to fund the Partnership’s direct or indirect capital contributions to BREP VII, in respect of the Capital Commitment BREP VII Interest, if any, and the related Capital Commitment BREP VII Commitment, if any. No Partner shall be obligated to make Capital Commitment-Related Capital Contributions to the Partnership in an amount in excess of such Partner’s Capital Commitment-Related Commitment. The Commitment Agreements and SMD Agreements, if any, of the Partners may include provisions with respect to the foregoing matters. It is understood that a Partner will not necessarily participate in each Capital Commitment Investment (which may include additional amounts invested in an existing Capital Commitment Investment) nor will a Partner necessarily have the same Capital Commitment Profit Sharing Percentage with respect to (i) the Partnership’s portion of the Capital Commitment BREP VII Commitment, if any, or (ii) the making of each Capital Commitment Investment in which such Partner participates; provided, that this in no way limits the terms of any Commitment Agreement or SMD Agreement. In addition, nothing contained herein shall be construed to give any Partner the right to obtain financing with respect to the purchase of any Capital Commitment Interest, and nothing contained herein shall limit or dictate the terms upon which the General Partner and its Affiliates may provide such financing. The acquisition of a Capital Commitment Interest by a Partner shall be evidenced by receipt by the Partnership of funds equal to such Partner’s Capital Commitment-Related Commitment then due with respect to such Capital Commitment Interest and such appropriate documentation as the General Partner may submit to the Partners from time to time.

(b) The General Partner or one of its Affiliates (in such capacity, the “*Advancing Party*”) may in its sole discretion advance to any Limited Partner (including any additional Partner admitted to the Partnership pursuant to Section 6.1 but excluding any Partners that are also executive officers of The Blackstone Group L.P. or any Affiliate thereof) all or any portion of the Capital Commitment-Related Capital Contributions due to the Partnership from such Limited Partner with respect to any Capital Commitment Investment (“*Firm Advances*”). Each such Limited Partner shall pay to the Advancing Party interest on each Firm Advance from the date of such Firm Advance until the repayment thereof by such Limited Partner. Each Firm Advance shall be repayable in full, including accrued interest to the date of such repayment,

upon prior written notice by the Advancing Party. The making and repayment of each Firm Advance shall be recorded in the books and records of the Partnership, and such recording shall be conclusive evidence of each such Firm Advance, binding on the Limited Partner and the Advancing Party absent manifest error. Except as provided below, the interest rate applicable to a Firm Advance shall equal the cost funds of the Advancing Party at the time of the making of such Firm Advance. The Advancing Party shall inform any Limited Partner of such rate upon such Limited Partner's request; provided, that such interest rate shall not exceed the maximum interest rate allowable by applicable law; provided further, that amounts that are otherwise payable to such Limited Partner pursuant to Section 7.4(a) shall be used to repay such Firm Advance (including interest thereon). The Advancing Party may, in its sole discretion, change the terms of Firm Advances (including the terms contained herein) and/or discontinue the making of Firm Advances; provided, that (i) the Advancing Party shall notify the relevant Limited Partners of any material changes to such terms and (ii) the interest rate applicable to such Firm Advances and overdue amounts thereon shall not exceed the maximum interest rate allowable by applicable law.

Section 7.2. Capital Commitment Capital Accounts.

(a) There shall be established for each Partner on the books of the Partnership as of the date of formation of the Partnership, or such later date on which such Partner is admitted to the Partnership, and on each such other date as such Partner first acquires a Capital Commitment Interest in a particular Capital Commitment Investment, a Capital Commitment Capital Account for each Capital Commitment Investment in which such Partner acquires a Capital Commitment Interest on such date. Each Capital Commitment-Related Capital Contribution of a Partner shall be credited to the appropriate Capital Commitment Capital Account of such Partner on the date such Capital Commitment-Related Capital Contribution is paid to the Partnership. Capital Commitment Capital Accounts shall be adjusted to reflect any transfer of a Partner's interest in the Partnership related to his Capital Commitment Partner Interest, as provided in this Agreement.

(b) A Partner shall not have any obligation to the Partnership or to any other Partner to restore any negative balance in the Capital Commitment Capital Account of such Partner. Until distribution of any such Partner's interest in the Partnership with respect to a Capital Commitment Interest as a result of the disposition by the Partnership of the related Capital Commitment Investment and in whole upon the dissolution of the Partnership, neither such Partner's Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption except with the consent of the General Partner.

Section 7.3. Allocations.

(a) Capital Commitment Net Income (Loss) of the Partnership for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Partners (including the General Partner) participating in such Capital Commitment Investment in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment. Capital Commitment Net Income (Loss) on any Unallocated Capital Commitment Interest shall be allocated to each Partner in the proportion which such Partner's aggregate Capital Commitment Capital Accounts bear to the

aggregate Capital Commitment Capital Accounts of all Partners; provided, that if any Partner makes the election provided for in Section 7.6, Capital Commitment Net Income (Loss) of the Partnership for each Capital Commitment Investment shall be allocated to the related Capital Commitment Capital Accounts of all the Partners participating in such Capital Commitment Investment who do not make such election in proportion to their respective Capital Commitment Profit Sharing Percentages for such Capital Commitment Investment.

(b) Any special costs relating to distributions pursuant to Section 7.6 or 7.7 shall be specially allocated to the electing Limited Partner.

Section 7.4. Distributions.

(a) Each Limited Partner's allocable portion of Capital Commitment Net Income received from his Capital Commitment Investments, distributions to such Limited Partner that constitute returns of capital, and other Capital Commitment Net Income of the Partnership (including without limitation Capital Commitment Net Income attributable to Unallocated Capital Commitment Interests) during a fiscal year of the Partnership will be credited to payment of the Investor Notes to the extent required below as of the last day of such fiscal year (or on such earlier date as related distributions are made in the sole discretion of the General Partner) with any cash amount distributable to such Limited Partner pursuant to clauses (ii) and (vii) below to be distributed within 45 days after the end of each fiscal year of the Partnership (or in each case on such earlier date as selected by the General Partner in its sole discretion) as follows (subject to Section 7.4(c) below):

(i) First, to the payment of interest then due on all Investor Notes (relating to Capital Commitment Investments or otherwise) of such Limited Partner (to the extent Capital Commitment Net Income and distributions or payments from Other Sources do not equal or exceed all interest payments due, the selection of those of such Limited Partner's Investor Notes upon which interest is to be paid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor);

(ii) Second, to distribution to the Limited Partner of an amount equal to the Federal, State and local income taxes on income of the Partnership allocated to such Limited Partner for such year in respect of such Limited Partner's Capital Commitment Partner Interest (the aggregate amount of any such distribution shall be determined by the General Partner, subject to the limitation that the minimum aggregate amount of such distribution be the tax that would be payable if the taxable income of the Partnership related to all Partners' Capital Commitment Partner Interests were all allocated to an individual subject to the then-prevailing maximum Federal, New York State and New York City tax rates (taking into account the extent to which such taxable income allocated by the Partnership was composed of long-term capital gains and the deductibility of State and local income taxes for Federal income tax purposes)); provided, that additional amounts shall be paid to the Limited Partner pursuant to this clause (ii) to the extent that such amount reduces the amount otherwise distributable to the Limited Partner pursuant to a comparable provision in any other BCE Agreement and there are not sufficient amounts to fully satisfy such provision from the relevant partnership or other entity; provided further, that amounts paid pursuant to the provisions in such other BCE Agreements

comparable to the immediately preceding proviso shall reduce those amounts otherwise distributable to the Limited Partner pursuant to provisions in such other BCE Agreements that are comparable to this clause (ii);

(iii) Third, to the payment in full of the principal amount of the Investor Note financing (A) any Capital Commitment Investment disposed of during or prior to such fiscal year or (B) any BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year, to the extent not repaid from Other Sources;

(iv) Fourth, to the return to such Limited Partner of (A) all Capital Commitment-Related Capital Contributions made in respect of the Capital Commitment Interest to which any Capital Commitment Investment disposed of during or prior to such fiscal year relates or (B) all capital contributions made to any Blackstone Collateral Entity (other than the Partnership) in respect of interests therein relating to BCE Investments (other than Capital Commitment Investments) disposed of during or prior to such fiscal year (including all principal paid on the related Investor Notes), to the extent not repaid from amounts of Other Sources (other than amounts of Capital Commitment Partner Carried Interest);

(v) Fifth, to the payment of principal (including any previously deferred amounts) then owing under all other Investor Notes of such Limited Partner (including those unrelated to the Partnership), the selection of those of such Limited Partner's Investor Notes to be repaid and the division of payments among such Investor Notes to be determined by the Lender or Guarantor;

(vi) Sixth, up to 50% of any Capital Commitment Net Income remaining after application pursuant to clauses (i) through (v) above shall be applied pro rata to prepayment of principal of all remaining Investor Notes of such Limited Partner (including those unrelated to the Partnership), the selection of those of such Limited Partner's Investor Notes to be repaid, the division of payments among such Investor Notes and the percentage of remaining Capital Commitment Net Income to be applied thereto to be determined by the Lender or Guarantor; and

(vii) Seventh, to such Limited Partner to the extent of any amount of Capital Commitment Net Income remaining after making the distributions in clauses (i) through (vi) above, and such amount is not otherwise required to be applied to Investor Notes pursuant to the terms thereof.

To the extent there is a partial disposition of a Capital Commitment Investment or any other BCE Investment, as applicable, the payments in clauses (iii) and (iv) above shall be based on that portion of the Capital Commitment Investment or other BCE Investment, as applicable, disposed of, and the principal amount and related interest payments of such Investor Note shall be adjusted to reflect such partial payment so that there are equal payments over the remaining term of the related Investor Note. For a Limited Partner who is no longer an employee or officer of Blackstone, distributions shall be made pursuant to clauses (i) through (iii) above, and then, unless the General Partner or its Affiliate has exercised its rights pursuant to Section 8.1 hereof,

any remaining income or other distribution in respect of such Limited Partner's Capital Commitment Partner Interest shall be applied to the prepayment of the outstanding Investor Notes of such Limited Partner, until all such Limited Partner's Investor Notes have been repaid in full, with any such income or other distribution remaining thereafter distributed to such Limited Partner.

Distributions of Capital Commitment Net Income may be made at any other time at the discretion of the General Partner. At the General Partner's discretion, any amounts distributed to a Limited Partner in respect of such Limited Partner's Capital Commitment Partner Interest will be net of any interest and principal payable on his Investor Notes for the full period in respect of which the distribution is made. A distribution of Capital Commitment Net Income to the General Partner shall be made contemporaneously with each distribution of Capital Commitment Net Income to or for the accounts of the Limited Partners.

(b) [Intentionally omitted]

(c) To the extent that the foregoing Partnership distributions and distributions and payments from Other Sources are insufficient to satisfy any principal and/or interest due on Investor Notes, and to the extent that the General Partner in its sole discretion elects to apply this paragraph (c) to any individual payments due, such unpaid interest will be added to the remaining principal amount of such Investor Notes and shall be payable on the next scheduled principal payment date (along with any deferred principal and any principal and interest due on such date); provided, that such deferral shall not apply to a Limited Partner that is no longer an employee or officer of Blackstone. All unpaid interest on such Investor Notes shall accrue interest at the interest rate then in effect for such Investor Notes.

(d) [Intentionally omitted.]

(e) The Capital Commitment Capital Account of each Partner shall be reduced by the amount of any distribution to such Partner pursuant to paragraph (a) of this Section 7.4.

(f) At any time that a sale, exchange, transfer or other disposition of a portion of a Capital Commitment Investment is being considered by the Partnership or BREP VII (a "*Capital Commitment Disposable Investment*"), at the election of the General Partner each Partner's Capital Commitment Interest with respect to such Capital Commitment Investment shall be vertically divided into two separate Capital Commitment Interests, a Capital Commitment Interest attributable to the Capital Commitment Disposable Investment (a Partner's "*Capital Commitment Class B Interest*"), and a Capital Commitment Interest attributable to such Capital Commitment Investment excluding the Capital Commitment Disposable Investment (a Partner's "*Capital Commitment Class A Interest*"). Distributions (including those resulting from a direct or indirect sale, transfer, exchange or other disposition by the Partnership) relating to a Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class B Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages relating to such Capital Commitment Class B Interests, and distributions (including those resulting from the direct or indirect sale, transfer, exchange or other disposition by the Partnership) relating to a

Capital Commitment Investment excluding such Capital Commitment Disposable Investment shall be made only to holders of Capital Commitment Class A Interests with respect to such Capital Commitment Investment in accordance with their respective Capital Commitment Profit Sharing Percentages relating to such Capital Commitment Class A Interests.

(g) (i) If the Partnership is obligated under the Giveback Provisions to contribute to BREP VII all or a portion of a Giveback Amount with respect to the Capital Commitment BREP VII Interest (the amount of any such obligation of the Partnership being herein called a “*Capital Commitment Giveback Amount*”), the Partnership shall call for such amounts as are necessary to satisfy such obligation of the Partnership as determined by the General Partner, in which case each Partner and Withdrawn Partner shall contribute to the Partnership, in cash, when and as called by the Partnership, such an amount of prior distributions by the Partnership with respect to the Capital Commitment BREP VII Interest (the “*Capital Commitment Recontribution Amount*”) which equals such Partner’s pro rata share of prior distributions in connection with (a) the Capital Commitment BREP VII Investment giving rise to the Capital Commitment Giveback Amount, or (b) if the amounts contributed pursuant to clause (a) above are insufficient to satisfy such Capital Commitment Giveback Amount, Capital Commitment BREP VII Investments other than the one giving rise to such obligation. Each Partner shall promptly contribute to the Partnership upon notice thereof such Partner’s Capital Commitment Recontribution Amount. Prior to such time, the Partnership may, in the General Partner’s discretion (but shall be under no obligation to), provide notice that in the General Partner’s judgment, the potential obligations in respect of the Capital Commitment Giveback Amount will probably materialize (and an estimate of the aggregate amount of such obligations).

(ii) (A) In the event any Partner (a “*Capital Commitment Defaulting Party*”) fails to recontribute all or any portion of such Capital Commitment Defaulting Party’s Capital Commitment Recontribution Amount for any reason, the Partnership shall require all other Partners and Withdrawn Partners to contribute, on a pro rata basis (based on each of their respective Capital Commitment Profit Sharing Percentages), such amounts as are necessary to fulfill the Capital Commitment Defaulting Party’s obligation to pay such Capital Commitment Defaulting Party’s Capital Commitment Recontribution Amount (a “*Capital Commitment Deficiency Contribution*”) if the General Partner determines in its good faith judgment that the Partnership will be unable to collect such amount in cash from such Capital Commitment Defaulting Party for payment of the Capital Commitment Giveback Amount at least 20 Business Days prior to the latest date that the Partnership is permitted to pay the Capital Commitment Giveback Amount; provided, that no Partner shall as a result of such Capital Commitment Deficiency Contribution be required to contribute an amount in excess of 150% of the amount of the Capital Commitment Recontribution Amount initially requested from such Partner in respect of such default. Thereafter, the General Partner shall determine in its good faith judgment that the Partnership should either (1) not attempt to collect such amount in light of the costs associated therewith, the likelihood of recovery and any other factors considered relevant in the good faith judgment of the General Partner or (2) pursue any and all remedies (at law or equity) available to the Partnership against the Capital Commitment Defaulting Party, the cost of which shall be a Partnership expense to the extent not ultimately reimbursed by the Capital Commitment Defaulting Party. It is agreed that the Partnership shall have the right (effective upon such Capital Commitment Defaulting Party becoming

a Capital Commitment Defaulting Party) to set-off as appropriate and apply against such Capital Commitment Defaulting Party's Capital Commitment Recontribution Amount any amounts otherwise payable to the Capital Commitment Defaulting Party by the Partnership or any Affiliate thereof. Each Partner hereby grants to the Partnership a security interest, effective upon such Partner becoming a Capital Commitment Defaulting Party, in all accounts receivable and other rights to receive payment from the Partnership or any Affiliate of the Partnership and agrees that, upon the effectiveness of such security interest, the Partnership may sell, collect or otherwise realize upon such collateral. In furtherance of the foregoing, each Partner hereby appoints the Partnership as its true and lawful attorney-in-fact with full irrevocable power and authority, in the name of such Partner or in the name of the Partnership, to take any actions which may be necessary to accomplish the intent of the immediately preceding sentence. The Partnership shall be entitled to collect interest on the Capital Commitment Recontribution Amount of a Capital Commitment Defaulting Party from the date such Capital Commitment Recontribution Amount was required to be contributed to the Partnership at a rate equal to the Default Interest Rate.

(B) Any Partner's failure to make a Capital Commitment Deficiency Contribution shall cause such Partner to be a Capital Commitment Defaulting Party with respect to such amount.

(iii) A Partner's obligation to make contributions to the Partnership under this Section 7.4(g) shall survive the termination of the Partnership.

Section 7.5. Valuations. Capital Commitment Investments shall be valued annually as of the end of each year (and at such other times as deemed appropriate by the General Partner) in accordance with the principles utilized by the Partnership (or any Affiliate of the Partnership that is a general partner of BREP VII) in valuing investments of BREP VII or, in the case of investments not held by BREP VII, in the good faith judgment of the General Partner, subject in each case to the second proviso of the immediately succeeding sentence. The value of any Capital Commitment Interest as of any date (the "*Capital Commitment Value*") shall be based on the value of the underlying Capital Commitment Investment as set forth above; provided, that the Capital Commitment Value may be determined as of an earlier date if determined appropriate by the General Partner in good faith; provided further, that such value may be adjusted by the General Partner to take into account factors relating solely to the value of a Capital Commitment Interest (as compared to the value of the underlying Capital Commitment Investment), such as restrictions on transferability, the lack of a market for such Capital Commitment Interest and lack of control of the underlying Capital Commitment Investment. To the full extent permitted by applicable law such valuations shall be final and binding on all Partners; provided further, that the immediately preceding proviso shall not apply to any Capital Commitment Interests held by a person who is or was at any time a direct member of a General Partner.

Section 7.6. Disposition Election.

(a) At any time prior to the date of the Partnership's execution of a definitive agreement to dispose of a Capital Commitment Investment, the General Partner may in its sole

discretion permit a Partner to retain all or any portion of its pro rata share of such Capital Commitment Investment (as measured by such Partner's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment). If the General Partner so permits, such Partner shall instruct the General Partner in writing prior to such date (i) not to dispose of all or any portion of such Partner's pro rata share of such Capital Commitment Investment (the "*Retained Portion*") and (ii) either to (A) distribute such Retained Portion to such Partner on the closing date of such disposition or (B) retain such Retained Portion in the Partnership on behalf of such Partner until such time as such Partner shall instruct the General Partner upon 5 days notice to distribute such Retained Portion to such Partner. Such Partner's Capital Commitment Capital Account shall not be adjusted in any way to reflect the retention in the Partnership of such Retained Portion or the Partnership's disposition of other Partners' pro rata shares of such Capital Commitment Investment; provided, that such Partner's Capital Commitment Capital Account shall be adjusted upon distribution of such Retained Portion to such Partner or upon distribution of proceeds with respect to a subsequent disposition thereof by the Partnership.

(b) No distribution of such Retained Portion shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such distribution.

Section 7.7. Capital Commitment Special Distribution Election.

(a) From time to time during the term of this Agreement, the General Partner may in its sole discretion, upon receipt of a written request from a Partner, distribute to such Partner any portion of its pro rata share of a Capital Commitment Investment (as measured by such Partner's Capital Commitment Profit Sharing Percentage in such Capital Commitment Investment) (a "*Capital Commitment Special Distribution*"). Such Partner's Capital Commitment Capital Account shall be adjusted upon distribution of such Capital Commitment Special Distribution.

(b) No Capital Commitment Special Distributions shall occur unless any Investor Notes relating thereto shall have been paid in full prior to or simultaneously with such Capital Commitment Special Distribution.

ARTICLE VIII

WITHDRAWAL; ADMISSION OF NEW PARTNERS

Section 8.1. Limited Partner Withdrawal; Repurchase of Capital Commitment Interests.

(a) Capital Commitment Interests (or a portion thereof) that were financed by Investor Notes will be treated as not subject to repurchase for purposes hereof based upon the proportion of (a) the sum of Capital Commitment-Related Capital Contributions not financed by an Investor Note with respect to each Capital Commitment Interest and principal payments on the related Investor Note to (b) the sum of the Capital Commitment-Related Capital Contributions not financed by an Investor Note with respect to such Capital Commitment Interest, the original principal amount of such Investor Note and all deferred amounts of interest

which from time to time comprise part of the principal amount of the Investor Note. A Limited Partner may prepay a portion of any outstanding principal on the Investor Notes; provided, that in the event that a Limited Partner prepays all or any portion of the principal amount of the Investor Notes within nine months prior to the date on which such Limited Partner is no longer an employee or officer of Blackstone, the Partnership (or its designee) shall have the right, in its sole discretion, to purchase the Capital Commitment Interest that became Non-Contingent as a result of such prepayment; provided further, that the purchase price for such Capital Commitment Interest shall be determined in accordance with the determination of the purchase price of a Limited Partner's Contingent Capital Commitment Interests as set forth in paragraph (b) below. Prepayments made by a Limited Partner shall apply pro rata against all of such Limited Partner's Investor Notes; provided, that such Limited Partner may request that such prepayments be applied only to Investor Notes related to BCE Investments that are related to one or more Blackstone Collateral Entities specified by such Limited Partner. Except as expressly provided herein, Capital Commitment Interests that were not financed in any respect with Investor Notes shall be treated as Non-Contingent Capital Commitment Interests.

(b) Upon a Limited Partner ceasing to be an officer or employee of the General Partner or any of its Affiliates, other than as a result of such Limited Partner dying or suffering a Total Disability, such Limited Partner (the "*Withdrawn Partner*") and the Partnership or any other person designated by the General Partner shall each have the right (exercisable by the Withdrawn Partner within 30 days and by the Partnership or its designee(s) within 45 days of such Limited Partner's ceasing to be such an officer or employee) or any time thereafter, upon 30 days notice, but not the obligation, to require the Partnership, subject to the Partnership Act, to buy (in the case of exercise of such right by such Withdrawn Partner) or the Withdrawn Partner to sell (in the case of exercise of such right by the Partnership or its designee(s)) all (but not less than all) such Withdrawn Partner's Contingent Capital Commitment Interests. The purchase price for each such Contingent Capital Commitment Interest will be an amount equal to (i) the outstanding principal amount of the related Investor Note plus accrued interest thereon to the date of purchase (such portion of the purchase price to be made in cash) and (ii) an additional amount (the "*Adjustment Amount*") equal to (x) all interest paid by the Limited Partner on the portion of the principal amount of the Investor Note relating to the portion of the related Capital Commitment Interest remaining Contingent plus (y) all Capital Commitment Net Losses allocated to the Withdrawn Partner on the Contingent portion of such Capital Commitment Interest minus (z) all Capital Commitment Net Income allocated to the Withdrawn Partner on the Contingent portion of such Capital Commitment Interest; provided, that, if the Withdrawn Partner was terminated from employment or his position as an officer for Cause, the amounts referred to in clause (x) or (y) of the Adjustment Amount, in the General Partner's sole discretion, may be deemed to equal zero. The Adjustment Amount shall, if positive, be payable by the holders of the purchased Capital Commitment Interests to the Withdrawn Partner from the next Capital Commitment Net Income received by such holders on the Contingent portion of such Withdrawn Partner's Capital Commitment Interests at the time such Capital Commitment Net Income is received. If the Adjustment Amount resulting from an exchange is negative, it shall be payable to the holders of the purchased Capital Commitment Interest by the Withdrawn Partner at the time such Capital Commitment Net Income is received by the Withdrawn Partner from the next Capital Commitment Net Income on the Non-Contingent portion of the Withdrawn Partner's Capital Commitment Interests or, if the Partnership or its designee(s) elect to purchase such Withdrawn Partner's Non-Contingent Capital Commitment Interests, in cash by the

Withdrawn Partner at the time of such purchase; provided, that the General Partner and its Affiliates may offset any amounts otherwise owing to a Withdrawn Partner against any Adjustment Amount owed by such Withdrawn Partner. Until so paid, such remaining Adjustment Amount will not itself bear interest. At the time of such purchase of the Withdrawn Partner's Contingent Capital Commitment Interests, his related Investor Note shall be payable in full. If neither the Withdrawn Partner nor the Partnership nor its designee(s) exercise the right to require repurchase of such Contingent Capital Commitment Interests, then the Withdrawn Partner shall retain the Contingent portion of his Capital Commitment Interests and the Investor Notes shall remain outstanding, shall become fully recourse to the Withdrawn Partner in his individual capacity, shall be payable in accordance with their remaining original maturity schedules and shall be prepayable at any time by the Withdrawn Partner at his option, and the General Partner shall apply such prepayments against outstanding Investor Notes on a pro rata basis. To the extent that another Partner purchases a portion of a Capital Commitment Interest of a Withdrawn Partner, the purchasing Partner's Capital Commitment Capital Account and Capital Commitment Profit Sharing Percentage for such Capital Commitment Investment shall be correspondingly increased.

(c) Upon the occurrence of a Final Event with respect to any Limited Partner, such Limited Partner shall thereupon cease to be a Partner with respect to such Limited Partner's Capital Commitment Partner Interest. If such a Final Event shall occur, no Successor in Interest to any such Limited Partner shall for any purpose hereof become or be deemed to become a Partner. The sole right, as against the Partnership and the remaining Partners, acquired hereunder by, or resulting hereunder to, a Successor in Interest to any Partner shall be to receive any distributions and allocations with respect to such Limited Partner's Capital Commitment Partner Interest pursuant to Article VII and this Article VIII, subject to the right of the Partnership to purchase the Capital Commitment Interests of such former Partner pursuant to Section 8.1(b) or Section 8.1(d) to the extent, at the time, in the manner and in the amount otherwise payable to such Limited Partner had such a Final Event not occurred, and no other right shall be acquired hereunder by, or shall result hereunder to, a Successor in Interest to such Partner, whether by operation of law or otherwise. Until distribution of any such Partner's interest in the Partnership upon the dissolution of the Partnership as provided in Section 9.2, neither his Capital Commitment Capital Accounts nor any part thereof shall be subject to withdrawal or redemption without the consent of the General Partner. The Partnership shall be entitled to treat any Successor in Interest to such Partner as the only person entitled to receive distributions and allocations hereunder with respect to such Partner's Capital Commitment Partner Interest.

(d) If a Limited Partner dies or suffers a Total Disability, all Contingent Capital Commitment Interests of such Partner shall be purchased by the Partnership or its designee (within 30 days of the first date on which the Partnership knows or has reason to know of such Limited Partner's death or Total Disability) as provided in Section 8.1(b) (except that any Adjustment Amount shall be payable by or to the estate or personal representative in cash), and any Investor Notes financing such Contingent Capital Commitment Interests shall thereupon be prepaid as provided in Section 8.1(b). In addition, in the case of the death or Total Disability of a Limited Partner, if the estate or personal representative of such Limited Partner so requests in writing within 180 days of the Limited Partner's death or ceasing to be an employee or member (directly or indirectly) of the General Partner or any of its Affiliates by reason of Total

Disability (such requests shall not exceed one per calendar year), the Partnership or its designee may but is not obligated to purchase for cash all (but not less than all) Non-Contingent Capital Commitment Interests of such Limited Partner as of the last day of the Partnership's then current fiscal year at a price equal to the Capital Commitment Value thereof. Each Limited Partner shall be required to include appropriate provisions in his will to reflect such provisions of this Agreement. In addition, the Partnership may, in the sole discretion of the General Partner, upon notice to the estate or personal representative of such Limited Partner within 30 days of the first date on which the Partnership knows or has reason to know of such Limited Partner's death or Total Disability, determine either (i) to distribute Securities or other property to the estate or personal representative in exchange for such Non-Contingent Capital Commitment Interests as provided in Section 8.1(e) or (ii) to require sale of such Non-Contingent Capital Commitment Interests to the Partnership or its designee as of the last day of any fiscal year of the Partnership (or earlier period, as determined by the General Partner in its sole discretion) for an amount in cash equal to the Capital Commitment Value thereof.

(e) In lieu of retaining a Withdrawn Partner as a Limited Partner with respect to any Non-Contingent Capital Commitment Interests, the General Partner may, in its sole discretion, by notice to such Withdrawn Partner within 45 days of his ceasing to be an employee or officer of the General Partner or any of its Affiliates, or at any time thereafter, upon 30 days written notice, determine (1) to distribute to such Withdrawn Partner the pro rata portion of the Securities or other property underlying such Withdrawn Partner's Non-Contingent Capital Commitment Interests, subject to any restrictions on distributions associated with the Securities or other property, in satisfaction of his Non-Contingent Capital Commitment Interests in the Partnership or (2) to cause, as of the last day of any fiscal year of the Partnership (or earlier period, as determined by the General Partner in its sole discretion), the Partnership or another person designated by the General Partner (who may be itself another Limited Partner or another Affiliate of the General Partner) to purchase all (but not less than all) of such Withdrawn Partner's Non-Contingent Capital Commitment Interests for a price equal to the Capital Commitment Value thereof. The General Partner shall condition any distribution or purchase of voting Securities pursuant to paragraph (d) above or this paragraph (e) upon the Withdrawn Partner's execution and delivery to the Partnership of an appropriate irrevocable proxy, in favor of the Partnership or its nominee, relating to such Securities.

(f) The Partnership may subsequently transfer any Unallocated Capital Commitment Interest or portion thereof which is purchased by it as described above to any other person approved by the General Partner. In connection with such purchase or transfer or the purchase of a Capital Commitment Interest or portion thereof by the Partnership's designee(s), Blackstone may loan all or a portion of the purchase price of the transferred or purchased Capital Commitment Interest to the Partnership, the transferee or the designee-purchaser(s), as applicable (excluding any of the foregoing who is an executive officer of Blackstone). To the extent that a Withdrawn Partner's Capital Commitment Interests (or portions thereof) are repurchased by the Partnership and not transferred to or purchased by another person, all or any portion of such repurchased Capital Commitment Interests may, in the sole discretion of the General Partner, (i) be allocated to each Partner already participating in the Capital Commitment Investment to which the repurchased Capital Commitment Interest relates, (ii) be allocated to each Partner in the Partnership, whether or not already participating in such Capital Commitment Investment, and/or (iii) continue to be held by the Partnership itself as an unallocated Capital

Commitment Investment (such Capital Commitment Interests being herein called “ *Unallocated Capital Commitment Interests* ”). To the extent that a Capital Commitment Interest is allocated to Partners as provided in clause (i) and/or (ii) above, any indebtedness incurred by the Partnership to finance such repurchase shall also be allocated to such Partners. All such Capital Commitment Interests allocated to Limited Partners shall be deemed to be Contingent and shall become Non-Contingent as and to the extent that the principal amount of such related indebtedness is repaid. The Limited Partners receiving such allocations shall be responsible for such related indebtedness only on a nonrecourse basis to the extent appropriate as provided in this Agreement, except as such Limited Partners and the General Partner shall otherwise agree. If the indebtedness financing such repurchased interests is not so limited, the Partnership may require an assumption by the Limited Partners of such indebtedness on the terms thereof as a precondition to allocation of the related Capital Commitment Interests to such Limited Partners; provided, that a Limited Partner shall not, except as set forth in his Investor Note, be obligated to accept any personally recourse obligation unless his prior consent is obtained. So long as the Partnership itself retains the Unallocated Capital Commitment Interests pursuant to clause (iii) above, such Unallocated Capital Commitment Interests shall belong to the Partnership and any indebtedness financing the Unallocated Capital Commitment Interests shall be an obligation of the Partnership to which all income of the Partnership is subject except as otherwise agreed by the lender of such indebtedness. Any Capital Commitment Net Income (Loss) on an Unallocated Capital Commitment Interest shall be allocated to each Partner in the proportion his aggregate Capital Commitment Capital Accounts bear to the aggregate Capital Commitment Capital Accounts of all Partners; debt service on such related financing will be an expense of the Partnership allocable to all Partners in such proportions.

(g) If a Partner is required to Withdraw from the Partnership with respect to such Partner’s Capital Commitment Partner Interest for Cause, then his Capital Commitment Interest shall be settled in accordance with paragraphs (a)-(f) and (j) of this Section 8.1; provided, that if such Partner was not at any time a direct member of a General Partner, the General Partner may elect (but shall not be required) to apply any or all the following terms and conditions to such settlement:

(i) purchase for cash all of such Withdrawn Partner’s Non-Contingent Capital Commitment Interests. The purchase price for each such Non-Contingent Capital Commitment Interest shall be the lower of (A) the original cost of such Non-Contingent Capital Commitment Interest or (B) an amount equal to the Capital Commitment Value thereof;

(ii) allow the Withdrawn Partner to retain such Non-Contingent Capital Commitment Interests; provided, that the maximum amount of Capital Commitment Net Income allocable to such Withdrawn Partner with respect to any Capital Commitment Investment shall equal the amount of Capital Commitment Net Income that would have been allocated to such Withdrawn Partner if such Capital Commitment Investment had been sold as of the Settlement Date at the then prevailing Capital Commitment Value thereof; or

(iii) in lieu of cash, purchase such Non-Contingent Capital Commitment Interests by providing the Withdrawn Partner with a promissory note in the amount

determined in (i) above. Such promissory note shall have a maximum term of ten (10) years with interest at the Federal Funds Rate.

(h) The Partnership will assist a Withdrawn Partner or his estate or guardian, as the case may be, in the settlement of the Withdrawn Partner's Capital Commitment Partner Interest in the Partnership. Third party costs incurred by the Partnership in providing this assistance will be borne by the Withdrawn Partner or his estate.

(i) The Partnership may reasonably determine in good faith to retain outside professionals to provide the assistance to Withdrawn Partners or their estates or guardians, as referred to above. In such instances, the Partnership will obtain the prior approval of a Withdrawn Partner or his estate or guardian, as the case may be, prior to engaging such professionals. If the Withdrawn Partner (or his estate or guardian) declines to incur such costs, the Partnership will provide such reasonable assistance as and when it can so as not to interfere with the Partnership's day-to-day operating, financial, tax and other related responsibilities to the Partnership and the Partners.

(j) Each Limited Partner hereby irrevocably appoints each General Partner as such Limited Partner's true and lawful agent, representative and attorney-in-fact, each acting alone, in such Limited Partner's name, place and stead, to make, execute, sign and file, on behalf of such Limited Partner, any and all agreements, instruments, documents and certificates which such General Partner deems necessary or advisable in connection with any transaction or matter contemplated by or provided for in this Section 8.1, including, without limitation, the performance of any obligation of such Limited Partner or the Partnership or the exercise of any right of such Limited Partner or the Partnership. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the Withdrawal from the Partnership of any Limited Partner for any reason and shall not be affected by the death, disability or incapacity of such Limited Partner.

Section 8.2. Transfer of Limited Partner's Capital Commitment Interest. Without the prior written consent of the General Partner, no Limited Partner or former Limited Partner shall have the right to sell, assign, mortgage, pledge or otherwise dispose of or transfer ("Transfer") all or part of any such Partner's Capital Commitment Partner Interest in the Partnership; provided, that this Section 8.2 shall in no way impair (i) Transfers as permitted in Section 8.1 above, in the case of the purchase of a Withdrawn Partner's or deceased or Totally Disabled Limited Partner's Capital Commitment Interests, (ii) with the prior written consent of the General Partner, which shall not be unreasonably withheld, Transfers by a Limited Partner to another Limited Partner of Non-Contingent Capital Commitment Interests, (iii) Transfers with the prior written consent of the General Partner, which consent may be granted or withheld in its sole discretion without giving any reason therefor, and (iv) with the prior written consent of the General Partner, which shall not be unreasonably withheld, Transfers, for estate planning purposes, of up to 25% of a Limited Partner's Capital Commitment Partner Interest to an Estate Planning Vehicle. Each Estate Planning Vehicle will be a Nonvoting Limited Partner. Such Limited Partner and the Nonvoting Limited Partner shall be jointly and severally liable-for all obligations of both such Limited Partner and such Nonvoting Limited Partner with respect to the interest transferred (including the obligation to make additional Capital Commitment-Related Capital Contributions). The General Partner may at its sole option exercisable at any time require

such Estate Planning Vehicle to Withdraw from the Partnership on the terms of Section 8.1 and Article VI. No person acquiring an interest in the Partnership pursuant to this Section 8.2 shall become a Limited Partner of the Partnership, or acquire such Partner's right to participate in the affairs of the Partnership, unless such person shall be admitted as a Limited Partner pursuant to Section 6.1. A Limited Partner shall not cease to be a limited partner of the Partnership upon the collateral assignment of, or the pledging or granting of a security interest in, its entire limited partner interest in the Partnership in accordance with the provisions of this Agreement.

Section 8.3. Compliance with Law . Notwithstanding any provision hereof to the contrary, no Transfer of a Capital Commitment Interest in the Partnership may be made except in compliance with all Federal, State and other applicable laws, including Federal and State securities laws.

ARTICLE IX DISSOLUTION

Section 9.1. Dissolution .

(a) The Partnership shall be dissolved and subsequently terminated:

(i) pursuant to Section 6.6;

(ii) upon the expiration of the Term; or

(iii) upon the occurrence of a Disabling Event with respect to the last remaining General Partner, provided that the Partnership shall not be dissolved if, within 90 days after the Disabling Event, Limited Partners entitled to vote thereon as provided herein who, as of the last day of the most recent accounting period ending on or prior to the date of the Disabling Event, have aggregate GP-Related Capital Account balances representing at least a majority in amount of the total GP-Related Capital Account balances of all the persons who are Limited Partners entitled to vote thereon as provided herein agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of the Disabling Event, of another General Partner.

(b) When the Partnership is dissolved, the business and property of the Partnership shall be wound up and liquidated by the General Partner or, in the event of the unavailability of the General Partner, such Limited Partner or other liquidating trustee as shall be named by the Designated Limited Partner (the General Partner, such Limited Partner or other liquidating trustee, as the case may be, being hereinafter referred to as the "Liquidator").

Section 9.2. Final Distribution .

(a) Within 120 calendar days after the effective date of dissolution of the Partnership, the assets of the Partnership shall be distributed in the following manner and order:

-
- (i) to the payment of the expenses of the winding-up, liquidation and dissolution of the Partnership;
 - (ii) to pay all creditors of the Partnership, other than Partners, either by the payment thereof or the making of reasonable provision therefor;
 - (iii) to establish reserves, in amounts established by the General Partner or the Liquidator, to meet other liabilities of the Partnership; and
 - (iv) to pay, in accordance with the terms agreed among them and otherwise on a *pro rata* basis, all creditors of the Partnership that are Partners, either by the payment thereof or the making of reasonable provision therefor.

(b) The remaining assets of the Partnership shall be applied and distributed among the Partners as follows:

(i) With respect to each Partner's GP-Related Partner Interest, the remaining assets of the Partnership shall be applied and distributed to such Partner in accordance with the procedures set forth in Section 6.5 which provide for allocations to the capital accounts of the Partners and distributions in accordance with the capital account balances of the Partners; and for purposes of the application of this Section 9.2 (b)(i), determining GP-Related Capital Accounts on liquidation, all unrealized gains, losses and accrued income and deductions of the Partnership shall be treated as realized and recognized immediately before the date of distribution; and

(ii) With respect to each Partner's Capital Commitment Partner Interest, an amount shall be paid to such Partner in cash or Securities in an amount equal to such Partner's respective Capital Commitment Liquidating Share for each Capital Commitment Investment; provided, that if the remaining assets relating to any Capital Commitment Investment shall not be equal to or exceed the aggregate Capital Commitment Liquidating Shares for such Capital Commitment Investment, to each Partner in proportion to its Capital Commitment Liquidating Share for such Capital Commitment Investment; and the remaining assets of the Partnership related to the Partners' Capital Commitment Partner Interests shall be paid to the Partners in cash or Securities in proportion to their respective Capital Commitment Profit Sharing Percentages for each Capital Commitment Investment from which such cash or Securities are derived.

Section 9.3. Amounts Reserved Related to Capital Commitment Partner Interests .

(a) If there are any Securities or other property or other investments or securities related to the Partners' Capital Commitment Partner Interests which, in the judgment of the Liquidator, cannot be sold, or properly distributed in kind in the case of dissolution, without sacrificing a significant portion of the value thereof, the value of a Partner's interest in each such Security or other investment or security may be excluded from the amount distributed to the Partners participating in the related Capital Commitment Investment pursuant to clause (ii) of Section 9.2(b). Any interest of a Partner, including his pro rata interest in any gains, losses or

distributions, in Securities or other property or other investments or securities so excluded shall not be paid or distributed until such time as the Liquidator shall determine.

(b) If there is any pending transaction, contingent liability or claim by or against the Partnership related to the Partners' Capital Commitment Partner Interests as to which the interest or obligation of any Partner therein cannot, in the judgment of the Liquidator, be then ascertained, the value thereof or probable loss therefrom may be deducted from the amount distributable to such Partner pursuant to clause (ii) of Section 9.2(b). No amount shall be paid or charged to any such Partner on account of any such transaction or claim until its final settlement or such earlier time as the Liquidator shall determine. The Partnership may meanwhile retain from other sums due such Partner in respect of such Partner's Capital Commitment Partner Interest an amount which the Liquidator estimates to be sufficient to cover the share of such Partner in any probable loss or liability on account of such transaction or claim.

(c) Upon determination by the Liquidator that circumstances no longer require the exclusion of any Securities or other property or retention of sums as provided in paragraphs (a) and (b) of this Section 9.3, the Liquidator shall, at the earliest practicable time, distribute as provided in clause (ii) of Section 9.2(b) such sums or such Securities or other property or the proceeds realized from the sale of such Securities or other property to each Partner from whom such sums or Securities or other property were withheld.

ARTICLE X MISCELLANEOUS

Section 10.1. Submission to Jurisdiction; Waiver of Jury Trial. (a) Any and all disputes which cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) shall be finally settled by arbitration conducted by a single arbitrator in New York, NY in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce. If the parties to the dispute fail to agree on the selection of an arbitrator within thirty (30) days of the receipt of the request for arbitration, the International Chamber of Commerce shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. Performance under this Agreement shall continue if reasonably possible during any arbitration proceedings.

(b) Notwithstanding the provisions of paragraph (a), the General Partner may bring, or may cause the Partnership to bring, on behalf of the General Partner or the Partnership or on behalf of one or more Partners, an action or special proceeding in any court of competent jurisdiction for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each Partner (i) expressly consents to the application of paragraph (c) of this Section 10.1 to any such action or proceeding, (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and (iii) irrevocably appoints the General Partner as such Partner's agent for service of process in connection with any such

action or proceeding and agrees that service of process upon any such agent, who shall promptly advise such Partner of any such service of process, shall be deemed in every respect effective service of process upon the Partner in any such action or proceeding.

(c) (i) EACH PARTNER HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF COURTS LOCATED IN NEW YORK, NEW YORK FOR THE PURPOSE OF ANY JUDICIAL PROCEEDING BROUGHT IN ACCORDANCE WITH THE PROVISIONS OF PARAGRAPH (B) OF THIS SECTION 10.1, OR ANY JUDICIAL PROCEEDING ANCILLARY TO AN ARBITRATION OR CONTEMPLATED ARBITRATION ARISING OUT OF OR RELATING TO OR CONCERNING THIS AGREEMENT. Such ancillary judicial proceedings include any suit, action or proceeding to compel arbitration, to obtain temporary or preliminary judicial relief in aid of arbitration, or to confirm an arbitration award. The parties acknowledge that the forum(s) designated by this paragraph (c) have a reasonable relation to this Agreement, and to the parties' relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to personal jurisdiction or to the laying of venue of any such ancillary suit, action or proceeding brought in any court referred to in paragraph (c)(i) of this Section 10.1 and such parties agree not to plead or claim the same.

(d) Notwithstanding any provision of this Agreement to the contrary, this Section 10.1 shall be construed to the maximum extent possible to comply with the laws of the State of Delaware, including the Delaware Uniform Arbitration Act (10 Del. C. § 5701 *et seq.*) (the “Delaware Arbitration Act”). If, nevertheless, it shall be determined by a court of competent jurisdiction that any provision or wording of this Section 10.1, including any rules of the International Chamber of Commerce, shall be invalid or unenforceable under the Delaware Arbitration Act, or other applicable law, such invalidity shall not invalidate all of this Section 10.1. In that case, this Section 10.1 shall be construed so as to limit any term or provision so as to make it valid or enforceable within the requirements of the Delaware Arbitration Act or other applicable law, and, in the event such term or provision cannot be so limited, this Section 10.1 shall be construed to omit such invalid or unenforceable provision.

Section 10.2. Ownership and Use of the Firm Name. The Partnership acknowledges that Blackstone TM L.L.C. (“*TM*”), a Delaware limited liability company with a principal place of business at 345 Park Avenue, New York, New York 10154 U.S.A., (or its successors or assigns) is the sole and exclusive owner of the mark and name BLACKSTONE and that the ownership of, and the right to use, sell or otherwise dispose of, the firm name or any abbreviation or modification thereof which consists of or includes BLACKSTONE, shall belong exclusively to *TM*, which company (or its predecessors, successors or assigns) has licensed the Partnership to use BLACKSTONE in its name. The Partnership acknowledges that *TM* owns the service mark BLACKSTONE for various services and that the Partnership is using the BLACKSTONE mark and name on a non-exclusive, non-sublicensable and non-assignable basis in connection with its business and authorized activities with the permission of *TM*. All services rendered by the Partnership under the BLACKSTONE mark and name will be rendered in a manner and with quality levels that are consistent with the high reputation heretofore developed

for the BLACKSTONE mark by TM and its Affiliates and licensees. The Partnership understands that TM may terminate its right to use BLACKSTONE at any time in TM's sole discretion by giving the Partnership written notice of termination. Promptly following any such termination, the Partnership will take all steps necessary to change its partnership name to one which does not include BLACKSTONE or any confusingly similar term and cease all use of BLACKSTONE or any term confusingly similar thereto as a service mark or otherwise.

Section 10.3. Written Consent. Any action required or permitted to be taken by a vote of Partners at a meeting may be taken without a meeting if a Majority in Interest of the Partners consent thereto in writing.

Section 10.4. Letter Agreements; Schedules. The General Partner may, or may cause the Partnership to, enter or has previously entered, into separate letter agreements with individual Partners with respect to GP-Related Profit Sharing Percentages, Capital Commitment Profit Sharing Percentages or any other matter. The General Partner may from time to time execute and deliver to the Partners Schedules which set forth the then current capital balances, GP-Related Profit Sharing Percentages and Capital Commitment Profit Sharing Percentages of the Partners and any other matters deemed appropriate by the General Partner. Such Schedules shall be for information purposes only and shall not be deemed to be part of this Agreement for any purpose whatsoever; provided that this in no way limits the effectiveness of any Commitment Agreement.

Section 10.5. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflict of laws. In particular, the Partnership has been formed pursuant to the Partnership Act, and the rights and liabilities of the Partners shall be as provided therein, except as herein otherwise expressly provided. If any provision of this Agreement shall be held to be invalid, such provision shall be given its meaning to the maximum extent permitted by law and the remainder of this Agreement shall not be affected thereby.

Section 10.6. Successors and Assigns; Third Party Beneficiaries. This Agreement shall be binding upon and shall, subject to the penultimate sentence of Section 6.3(a), inure to the benefit of the parties hereto, their respective heirs and personal representatives, and any successor to a trustee of a trust which is or becomes a party hereto; provided that no person claiming by, through or under a Partner (whether such Partner's heir, personal representative or otherwise), as distinct from such Partner itself, shall have any rights as, or in respect to, a Partner (including the right to approve or vote on any matter or to notice thereof) except the right to receive only those distributions expressly payable to such person pursuant to Articles VI and VIII. Any Partner or Withdrawn Partner shall remain liable for the obligations under this Agreement (including any Net GP-Related Recontribution Amounts and any Capital Commitment Recontribution Amounts) of any transferee of all or any portion of such Partner's or Withdrawn Partner's interest in the Partnership, unless waived by the General Partner. The Partnership shall, if the General Partner determines, in its good faith judgment, based on the standards set forth in Sections 5.8(d)(ii)(A) and 7.4(g)(ii)(A), to pursue such transferee, pursue payment (including any Net GP-Related Recontribution Amounts and/or any Capital Commitment Recontribution Amounts) from the transferee with respect to any such obligations. Nothing in this Agreement is intended, nor shall anything herein be construed, to confer any

rights, legal or equitable, on any person other than the Partners and their respective legal representatives, heirs, successors and permitted assigns. Notwithstanding the foregoing, solely to the extent required by the BREP VII Agreements, (x) the limited partners in BREP VII shall be third-party beneficiaries of the provisions of Sections 5.8(d)(i)(A) and 5.8(d)(ii)(A) (and the definitions relating thereto), solely as they relate to any Clawback Amount (for purpose of this sentence, as defined in paragraph 9.2.8(b) of the BREP VII Partnership Agreement), and (y) the amendment of the provisions of Sections 5.8(d)(i)(A) and 5.8(d)(ii)(A) (and the definitions relating thereto), solely as they relate to any Clawback Amount (for purpose of this sentence, as defined in paragraph 9.2.8(b) of the BREP VII Partnership Agreement), shall be effective against such limited partners only with the Combined Limited Partner Consent (as such term is used in the BREP VII Partnership Agreement).

Section 10.7. Partner's Will. Each Limited Partner and Withdrawn Partner shall include in his or her will a provision that addresses certain matters in respect of his or her obligation relating to the Partnership that is satisfactory to the General Partner, and each such Limited Partner and Withdrawn Partner shall confirm annually to the Partnership, in writing, that such provision remains in his or her current will. Where applicable, any estate planning trust of such Partner or Withdrawn Partner to which a portion of such Limited Partner's or Withdrawn Partner's interest is transferred shall include a provision substantially similar to such provision and the trustee of such trust shall confirm annually to the Partnership, in writing, that such provision or its substantial equivalent remains in such trust. In the event any Limited Partner or Withdrawn Partner fails to comply with the provisions of this Section 10.7 after the Partnership has notified such Limited Partner or Withdrawn Partner of his or her failure to so comply and such failure to so comply is not cured within 30 days of such notice, the Partnership may withhold any and all distributions to such Limited Partner or Withdrawn Partner until the time at which such party complies with the requirements of this Section 10.7.

Section 10.8. Confidentiality. By executing this Agreement, each Partner expressly agrees, at all times during the term of the Partnership and thereafter and whether or not at the time a Partner of the Partnership, to maintain the confidentiality of, and not to disclose to any person other than the Partnership, another Partner or a person designated by the Partnership, any information relating to the business, financial structure, financial position or financial results, clients or affairs of the Partnership that shall not be generally known to the public or the securities industry, except as otherwise required by law or by any regulatory or self-regulatory organization having jurisdiction; provided, however, that any corporate Partner may disclose any such information it is required by law, rule, regulation or custom to disclose. Notwithstanding anything in this Agreement to the contrary, to comply with Treasury Regulation Section 1.6011-4(b)(3)(i), each Partner (and any employee, representative or other agent of such Partner) may disclose to any and all persons, without limitation of any kind, the Federal income tax treatment and tax structure of the Partnership, it being understood and agreed, for this purpose, (1) the name of, or any other identifying information regarding (a) the Partners or any existing or future investor (or any Affiliate thereof) in any of the Partners, or (b) any investment or transaction entered into by the Partners; (2) any performance information relating to any of the Partners or their investments; and (3) any performance or other information relating to previous funds or investments sponsored by any of the Partners, does not constitute such tax treatment or tax structure information.

Section 10.9. Notices. Whenever notice is required or permitted by this Agreement to be given, such notice shall be in writing (including teletype or similar writing) and shall be given by hand delivery (including any courier service) or teletype to any Partner at its address or teletype number shown in the books and records of the Partnership or, if given to the General Partner or the Partnership, at the address or teletype number of the Partnership in New York City. Each such notice shall be effective (i) if given by teletype, upon dispatch, and (ii) if given by hand delivery, when delivered to the address of such Partner or the General Partner or the Partnership specified as aforesaid.

Section 10.10. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute a single instrument.

Section 10.11. Power of Attorney. Each Partner hereby irrevocably appoints the General Partner as such Partner's true and lawful representative and attorney-in-fact, each acting alone, in such Partner's name, place and stead, to make, execute, sign and file all instruments, documents and certificates which, from time to time, may be required to set forth any amendment to this Agreement or may be required by this Agreement or by the laws of the United States of America, the State of Delaware or any other state in which the Partnership shall determine to do business, or any political subdivision or agency thereof, to execute, implement and continue the valid and subsisting existence of the Partnership. Such power of attorney is coupled with an interest and shall survive and continue in full force and effect notwithstanding the subsequent Withdrawal from the Partnership of any Partner for any reason and shall not be affected by the subsequent disability or incapacity of such Partner.

Section 10.12. Cumulative Remedies. Rights and remedies under this Agreement are cumulative and do not preclude use of other rights and remedies available under applicable law.

Section 10.13. Legal Fees. Except as more specifically provided herein, in the event of a legal dispute (including litigation, arbitration or mediation) between any Partner or Withdrawn Partner and the Partnership, arising in connection with any party seeking to enforce Section 4.1(d) or any other provision of this Agreement relating to the Holdback, the Clawback Amount, the GP-Related Giveback Amount, the Capital Commitment Giveback Amount, the Net GP-Related Recontribution Amount or the Capital Commitment Recontribution Amount, the "losing" party to such dispute shall promptly reimburse the "victorious party" for all reasonable legal fees and expenses incurred in connection with such dispute (such determination to be made by the relevant adjudicator). Any amounts due under this Section 10.13 shall be paid within 30 days of the date upon which such amounts are due to be paid and such amounts remaining unpaid after such date shall accrue interest at the Default Interest Rate.

Section 10.14. Entire Agreement. This Agreement embodies the entire agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein. Subject to Section 10.4, this Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

IN WITNESS WHEREOF, the parties have executed this Agreement effective as of the date first above written. In the event that it is impracticable to obtain the signature of any one or more of the Partners to this Agreement, this Agreement shall be binding among the other Partners executing the same.
